Safe Harbor Statement

Information provided in the exhibits hereto may contain statements relating to current expectations, estimates, forecasts and projections about future events that are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally relate to the Company's plans, objectives and expectations for future operations, including budget, production rates and drilling plans in 2010, and are based upon management's current estimates and projections of future results or trends. Actual future results may differ materially from those projected as a result of certain risks and uncertainties, as discussed in the exhibits and in the "Risk Factors" disclosures in the Company's Form 10-K filed with the Securities and Exchange Commission on March 12, 2010.

The forward-looking statements referenced above are made only as of the date of the exhibits. We undertake no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
