Item 2.02 Results of Operations and Financial Condition.

The information in this Current Report is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended.

On May 11, 2005, Heska Corporation (Heska or the Company) issued a press release announcing its financial results for the fiscal quarter ended March 31, 2005 and certain other information and furnished that release as an exhibit to Form 8-K. A correction release was subsequently issued noting that certain financial table information was incorrect in the original release and the correction release was filed on Form 8-K/A to amend the May 11, 8-K on May 12, 2005. Subsequently, the Company has determined that certain debts listed as long term on the previous releases should have been listed as short term due to the Company's belief that it is not probable the Company will achieve all of the current covenants under its credit facility agreement over the next twelve months. The Company has begun discussions with its existing lender regarding an amended credit facility agreement. A third release was subsequently issued which corrected and replaced all prior releases regarding Heska's first quarter 2005 earnings. The full text of the correction and replacement release is set forth in Exhibit 99.1 hereto. The Form 8-K/A of May 12, 2005 referenced above is hereby amended as set forth in this Form 8-K/A.
