LOUISVILLE, KY (December 11, 2002) Yum! Brands, Inc. The company also will review its strategies to sustain continued long-term growth in ongoing operating earnings and its 2003 earnings expectations.

We have successfully restructured Yum! Brands, Inc., and we now have a strong balance sheet, outstanding brands in every major category and a demonstrated track record. 2002 has been a year of revenue growth, and it will be a year of at least 17% to 19% growth in ongoing operating EPS. More importantly, we are uniquely positioned in our industry to drive significant international growth and transform the quick-service restaurant industry by multibranding our U.S. business. Our innovative strategies and financial discipline make us very confident we can grow our EPS at least 10% each year and retain our leading position in return on invested capital for years to come, said David Novak, Chairman and Chief Executive Officer.
