**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE ANNUAL MEETING**

Q:

Why am I receiving these materials?

A:

The Board of Directors (the "Board") of Heska Corporation, a Delaware corporation ("Heska" or the "Company"), is providing these proxy materials for you in connection with Heska's Annual Meeting of Stockholders (the "Annual Meeting"), which will take place on Tuesday, May 10, 2005. As a stockholder, you are invited to attend the Annual Meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

Q:

What information is contained in these materials?

A:

The information included in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our Directors and most highly paid Executive Officers, and certain other required information. Our 2004 Annual Report on Form 10-K as filed with the Securities and Exchange Commission is also enclosed.

Q:

What items of business will be voted on at the Annual Meeting?

A:

The items of business scheduled to be voted on at the Annual Meeting are:

(1)

The election of three nominees to serve on our Board of Directors for a three year term and the ratification of the 2004 appointment of two Directors; and

(2)

The ratification of independent auditors for fiscal 2005.

We will also consider other business that properly comes before the Annual Meeting.

Q:

How does the Board recommend I vote on the proposals?

A:

The Board recommends a vote FOR the election of each of the Director nominees and the ratification of the 2004 appointment of each of the Directors so appointed and FOR the ratification of KPMG LLP as the Company's independent auditors.

Q:

Who is entitled to vote?

A:

Stockholders as of the close of business on April 4, 2005 (the "Record Date") are entitled to vote at the Annual Meeting. As of the Record Date, 49,442,971 shares of our common stock were issued and outstanding. Each stockholder is entitled to one vote for each share of common stock held on the Record Date. A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the meeting during normal business hours at our offices at 1613 Prospect Parkway, Fort Collins, Colorado 80525, by contacting our corporate Secretary.

Q:

How do I vote?

Edgar Filing: HESKA CORP - Form DEF 14A

A:

There are two ways you can vote:

(1)

Sign and date each proxy card you receive and return it in the prepaid envelope.

(2)

Vote in person at the Annual Meeting. If your shares are held of record by a broker, bank or other nominee and you wish to vote your shares at the Annual Meeting, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the Annual Meeting.

Q:

How can I change my vote or revoke my proxy?

A:

You have the right to revoke your proxy and change your vote at any time before the meeting by notifying our corporate Secretary, or returning a later-dated proxy card. You may also revoke your proxy and change your vote by voting in person at the meeting.

Q:

Who can help answer my questions?

A:

If you have any questions about the annual meeting or how to vote or revoke your proxy, you should contact:

Heska Corporation
Attn: Corporate Secretary
1613 Prospect Parkway
Fort Collins, Colorado 80525
(970) 493-7272

If you need additional copies of this proxy statement or voting materials, please contact our corporate Secretary as described above.

Q:

What does it mean if I get more than one proxy card?

A:

It means that you hold shares registered in more than one account. Sign and return all proxies to ensure that all of your shares are voted.

Q:

Who will serve as inspector of elections?

A:

The inspector of elections will be a representative of Computershare Investor Services, LLC, our transfer agent.

Q:

What are the quorum and voting requirements for the Annual Meeting?

A:

The quorum requirement for holding the Annual Meeting and transacting business is that holders of a majority of the outstanding shares of our common stock entitled to vote must be present in person at the meeting or represented by proxy. Both abstentions and non-votes are counted for the purposes of determining the presence of a quorum, but not in determining the matter at hand. We will consider an abstention or a non-vote on a given matter to be a forfeiture of the right to vote on that matter and a forfeiture of the voting power present at the Annual Meeting underlying the forfeited votes regarding that matter. Accordingly, if you abstain on a given matter, your shares will not be voted "for" or "against" that matter and will not be considered as present and entitled to vote on that matter. However, you may abstain on a given matter for a certain portion of your shares and vote on the same matter with the remaining portion of your shares without forfeiting the votes underlying the shares you choose to vote. For example, a stockholder who owns 100 shares may choose to abstain on a proposal with 50 shares and vote for a proposal with the other 50 shares. In this case, the stockholder would forfeit his right to vote 50 shares on the proposal and would have his other 50 votes count for the proposal. In addition, an abstention or a non-vote on any matter will not affect your ability to vote on any other matter. If you hold shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters to be acted upon. If you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and, if so, will not be considered as present and entitled to vote with respect to those matters.

The holders of a majority of the outstanding shares of our common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Election of Directors and ratification of Directors appointed in 2004 will be determined by a plurality of the votes of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the election of Directors, the standard we use in the election of Directors. The other matters submitted for stockholder approval at the Annual Meeting, including the ratification of our independent auditors, will be decided by the affirmative vote of a majority of the shares having voting power present in person or by proxy at the Annual Meeting and entitled to vote on the subject matter.

Q:

Who can attend the Annual Meeting?

A:

All stockholders as of the Record Date can attend. If you wish to vote your shares at the Annual Meeting and your shares are held of record by a broker, bank or other nominee, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the Annual Meeting.

Q:

What happens if additional matters are presented at the Annual Meeting?

A:

Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxyholders, Robert B. Grieve, Ph.D. Heska's Chairman and Chief Executive Officer, Jason A. Napolitano, Heska's Executive Vice President, Chief Financial Officer and Secretary, and Michael A. Bent, Heska's Vice President, Principal Accounting Officer and Controller will have the discretion to vote your shares on any additional matters presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for Director, the persons named as proxyholders, Dr. Grieve, Mr. Napolitano and Mr. Bent will vote your proxy for such other candidate or candidates who may be nominated by the Board.

Q:

Where can I find the voting results of the meeting?

A:

We intend to announce preliminary voting results at the Annual Meeting and publish final results in our quarterly report on Form 10-Q for our second fiscal quarter of 2005.

Q:

May I propose actions for consideration at next year's Annual Meeting or nominate individuals to serve as Directors?

A:

You may submit proposals, including Director nominations, for consideration at future stockholder meetings. All proposals or nominations should be addressed to: Corporate Secretary, Heska Corporation, 1613 Prospect Parkway, Fort Collins, Colorado 80525 through May 31, 2005 and Corporate Secretary, Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538 after May 31, 2005.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in Heska's proxy statement for the annual meeting next year, the written proposal must be received by our corporate Secretary at our principal executive offices under either (1) Rule 14a-8 under the Securities Exchange Act of 1934, as amended (a "Rule 14 Proposal") or (2) the bylaws of Heska (a "Bylaws Proposal"). A Rule 14 Proposal must be received by our corporate Secretary at our principal executive offices no later than December 14, 2005. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable period of time before we begin to print and mail our proxy materials. Such proposals also will need to comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, regarding the inclusion of stockholder proposals in company-sponsored proxy materials. For a Bylaws Proposal, the stockholder must deliver a written notice of intent to propose such action in accordance with our bylaws, which in general require that the notice be received by us not less than 60 days nor more than 90 days prior to the first anniversary of the date on which notice of the prior year's annual meeting was mailed to stockholders. For the 2006 Annual Meeting, this means that any such proposal must be submitted no earlier than January 13, 2006 and no later than February 12, 2006.

Director Nominees: You may propose Director candidates for consideration by our Board's Corporate Governance Committee. Any such recommendations should be directed to our corporate Secretary at our principal executive offices. In addition, you may nominate a Director for consideration by Heska's stockholders if you give timely notice to our corporate Secretary of your intention to make such nomination in accordance with our bylaws, which require that the notice be received by the corporate Secretary within the time periods described above under "Stockholder Proposals."

Copy of Bylaw Provisions: You may contact our corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating Director candidates.

Q:

Who bears the costs of soliciting votes for the Annual Meeting?

A:

Heska is making this solicitation and will pay the entire cost of preparing, printing, assembling and mailing these proxy materials. In addition to the mailing of these proxy materials, certain of our Directors and employees may solicit proxies on our behalf in person, by telephone, electronic transmission or facsimile. No additional compensation will be paid to these people for such solicitation. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

BOARD STRUCTURE AND COMMITTEES

Our Board is divided into three classes serving staggered three-year terms. Our Board currently has nine Directors and the following three standing Committees, each of which is chaired by an outside Director: (1) Audit (the "Audit Committee"), (2) Compensation (the "Compensation Committee") and (3) Corporate Governance (the "Corporate Governance Committee"). The membership during 2004 and the function of each Committee are described below. Our Board held four meetings during 2004. Each Director attended at least 75% of all Board and applicable Committee meetings. Our Directors currently are Robert B. Grieve, Ph.D., Chairman, William A. Aylesworth, Elisabeth DeMarse, A. Barr Dolan, Peter Eio, G. Irwin Gordon, Tina S. Nova, Ph.D., John F. Board Independence

Our Board has determined that, other than Dr. Grieve, Heska's Chairman and Chief Executive Officer, each of the Directors standing for re-election, as well as each of the two Directors appointed in 2004, has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and meets the requirements of "independence" as set forth in the rules and regulations promulgated by the Securities and Exchange Commission (the "SEC") and the Nasdaq Stock Market listing standards (the "Nasdaq Listing Standards"). Furthermore, the Board has determined that, with the exception of Dr. Grieve, Heska's Chairman and Chief Executive Officer, all current members of the Board meet the requirements of "independence" as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

Audit Committee

Our Audit Committee has the following responsibilities:

financial expert within the meaning of the rules and regulations promulgated by the SEC and the Board has determined that he has accounting and related financial management expertise within the meaning of the Nasdaq Listing Standards.

Our Audit Committee has a written charter, which is available on our website at www.heska.com.

Compensation Committee

Our Compensation Committee has the following responsibilities:

discharge the Board's responsibilities relating to compensation of our Executive Officers, including our Chief Executive Officer;

oversee all compensation programs involving the use of our stock; and

produce an annual report on Executive compensation for inclusion in our proxy statement for our annual meeting of stockholders.

During 2004, our Compensation Committee, which consisted of Mr. Sasen, as Chairman, Mr. Dolan, Mr. Eio and Dr. Hohnke through our May 13, 2004 Annual Meeting and which consisted of Mr. Eio, as Chairman, Mr. Dolan, Dr. Hohnke and Mr. Sasen thereafter, met seven times. Dr. Hohnke resigned as a Director as of December 31, 2004. Our Board has nominated the following as our Compensation Committee members effective immediately following our May 2005 meeting: Mr. Eio, Chairman, Mr. Dolan and Mr. Gordon.

The Board has determined that each of the current members of each of our Compensation Committee meets, as well as the proposed nominees, the requirements of "independence" as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

In August 2002, our Compensation Committee established a Committee designated as the "Stock Option Committee", which was authorized to grant new and existing employees options to purchase shares of our common stock up to a specified limit without prior written consent of our Compensation Committee. The establishment of our Stock Option Committee was ratified by our Board in August 2002. The sole member of our Stock Option Committee since its inception has been Dr. Grieve, our Chairman and Chief Executive Officer. In August 2003, the authority of our Stock Option Committee was expanded to include grants of options to purchase shares of our common stock up to a specified limit to consultants and independent contractors who provide bona fide services to Heska.

Our Compensation Committee has a written charter, which is available on our website at www.heska.com.

Corporate Governance Committee

Our Corporate Governance Committee has the following responsibilities:

assist our Board by identifying qualified candidates for Director, and select the Director nominees for each annual meeting of stockholders;

lead our Board in its annual review of our Board's performance;

recommend to our Board Director nominees for each Board Committee; and

develop and recommend to our Board the corporate governance guidelines applicable to the Company.

Edgar Filing: HESKA CORP - Form DEF 14A

During 2004, our Corporate Governance Committee, which consisted of Mr. Aylesworth, as Chairman, Mr. Dolan, Mr. Gordon and Dr. Hohnke, met five times. Dr. Hohnke resigned as a Director as of December 31, 2004. The Board has nominated the following as our Corporate

Governance Committee members effective immediately following our May 2005 meeting: Mr. Sassen, Chairman, Mr. Aylesworth and Dr. Nova.

Our Board has determined that each of the current members of our Corporate Governance Committee, as well as the proposed nominees, meets the requirements of "independence" as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

Our Board established a Corporate Governance Committee in August 2001, and in February 2005 our Board revised its Corporate Governance Committee charter, which is available on our website at www.heska.com. In February 2005, our Corporate Governance Committee prepared, and our full Board approved, revised Corporate Governance Guidelines outlining the qualifications, responsibilities and other issues related to our Board's governance role and functions. A copy of such guidelines is available on our website at www.heska.com.

Consideration of Director Nominees

Our Corporate Governance Committee considers candidates for Board membership suggested by its members. Our Corporate Governance Committee has also utilized a third-party executive search firm in the past to identify candidates.

Our Corporate Governance Committee does not have an established policy for minimum qualifications of Director nominees. However, pursuant to our Corporate Governance Guidelines, our Corporate Governance Committee will consider, among other things, diversity, skills and experience in such areas as operations, finance, marketing and sales, manufacturing, technology and the general needs of our Board.

Our Corporate Governance Committee will also consider nominees recommended by stockholders provided such recommendations are made in accordance with the procedures described in this proxy statement under "Questions and Answers About the Proxy Materials and the Annual Meeting." Although to date no stockholder has presented any candidate for Board membership to us, it is expected that recommendations from stockholders would generally be considered in the same manner as recommendations by a Director or an Officer of the Company.

Stockholder Communication with our Board

Stockholders can contact our Board, any Committee thereof, or any Director in particular, by writing to them, c/o Heska Corporation, 1613 Prospect Parkway, Fort Collins, Colorado 80525, Attn: Corporate Secretary through May 31, 2005 and 3760 Rocky Mountain Avenue, Loveland, Colorado 80538, Attn: Corporate Secretary after May 31, 2005. We will forward any correspondence sent in the foregoing manner to the appropriate addressee without review by management.

DIRECTOR COMPENSATION

On the date of our Annual Meeting, each continuing non-employee Director who was a Director at the end of the immediately preceding calendar year automatically receives options to purchase 40,000 shares of our common stock and each non-employee Director who will serve as Chairperson of a Committee of our Board automatically receives additional options to purchase 2,000 shares of our common stock. In addition, any new non-employee Director elected or appointed to our Board is automatically granted options to purchase 40,000 shares of our common stock.

Commencing January 1, 2004, non-employee Directors were entitled to choose, on an annual basis, whether to receive fees for meeting attendance in the form of cash payment or in the form of a fully vested stock option.

For each in-person Board and Committee meeting attended, each non-employee Director receives a fee of \$2,000 per day. Each non-employee Director who elected to receive such meeting fees in equity, receives a fully vested grant of options to purchase a number of shares of our common stock equal to \$2,000 divided by two-thirds of the fair market value, on the date of grant, of our common stock. For each telephonic Board and Board Committee, each non-employee Director receives a fee of \$500 per meeting attended. Each non-employee Director who elected to receive such meeting fees in equity, receives a fully vested grant of options to purchase a number of shares of our common stock equal to \$500 divided by two-thirds of the fair market value, on the date of grant, of our common stock. The date of grant will be the first business day of the week immediately following the conclusion of such meetings.

In December 2004, our Board revised its policy regarding the exercise price of the option grants to our non-employee Directors. Commencing January 1, 2005, non-employee Directors will have an exercise price equal to the fair market value of the common stock on the last trading date immediately preceding the date of grant. All options issued to Directors from January 1, 2005 to June 30, 2005 will be fully vested.

Directors are also reimbursed for customary and usual travel expenses. Our sole employee Director, Dr. Grieve, receives no compensation for serving on our Board other than his employee compensation.

Commencing July 1, 2005, on each date of our Annual Meeting of stockholders, each continuing non-employee Director who was a Director at the end of the immediately preceding calendar year will automatically receive options valued at \$30,000 to purchase shares of our common stock, each non-employee Director who will serve as Chairperson of a Board Committee will automatically receive additional options valued at \$2,000 to purchase shares of our common stock and each non-employee Director who will serve on a Board Committee, including as Chairperson, will automatically receive additional options valued at \$1,000 to purchase shares of our common stock. These annual grants will vest on the first anniversary of the date of grant. In addition, any new non-employee Director elected or appointed to our Board will be automatically granted options valued at \$30,000 to purchase shares of our common stock, which will vest in annual intervals over a four year period. Non-employee Directors will continue to choose, on an annual basis, whether to receive fees for meeting attendance in the form of cash payment or in the form of fully vested stock options. Non-employee Directors will continue to receive a fee of \$2,000 per day for each in-person Board and Committee meeting attended and \$500 per day for each telephonic Board and Committee meeting attended. Commencing on July 1, 2005, the value for all options to purchase shares of our common stock issued to non-employee Directors in accordance with the above will be determined pursuant to the Company's option valuation policy at the time of issuance; provided, however, that if any such option has a value of less than \$1.00 under the Company's option valuation policy, a value of \$1.00 shall be used for such option in valuing option grants to non-employee Directors in accordance with the above.

In May 2002, our Compensation Committee voted to make the loan due and payable on December 23, 2005. Heska will not materially modify or renew this loan and, will not provide any new loans to its executive officers in the future, in accordance with the Sarbanes-Oxley Act of 2002.

REPORT OF OUR COMPENSATION COMMITTEE

This report on executive compensation is provided by the Compensation Committee of Heska Corporation's Board of Directors (the "Compensation Committee") to assist stockholders in understanding the objectives and procedures used in establishing the compensation of the Executive Officers of Heska Corporation ("Heska" or the "Company"). The Compensation Committee

administers Heska's Executive compensation program and establishes the salaries of Heska's Executive Officers. The Compensation Committee consists of only non-employee Directors, who are appointed by Heska's Board of Directors (the "Board"), and all of whom meet the requirements of "independence" as set forth in the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards.

The Compensation Committee's responsibilities are to review the performance and development of Heska's management in achieving corporate goals and objectives and to assure that the Company's senior Executives are compensated effectively in a manner consistent with Heska's strategy and competitive practices. Toward that end, the Compensation Committee is responsible for establishing a compensation policy for Executives that is designed to (i) enhance the value and profitability of the Company and increase stockholder value, (ii) reward Executive Officers for their contribution to Heska's financial performance, (iii) recognize individual initiative, leadership, achievement, and other contributions, and (iv) provide competitive compensation that will attract and retain qualified executives. A copy of the charter for the Compensation Committee is available on the Company's website at www.heska.com.

Compensation Philosophy

The general philosophy of Heska's Compensation Committee is to provide Executive compensation designed to enhance stockholder value, including annual compensation consisting of salary and bonus awards and long-term compensation consisting of equity based compensation. To this end, we design compensation plans and incentives designed to link the financial interests of our Executive Officers to the interest of Heska's stockholders, to encourage support of Heska's long-term goals, to tie Executive compensation to the Company's performance, to attract and retain talented leadership and to encourage significant ownership of Heska's common stock by Executive Officers.

In reviewing the compensation of Heska's Executives, we review the nature and scope of each Executive Officer's responsibilities as well as his or her effectiveness in supporting the Company's long-term goals. We also consider and review the compensation practices and programs of other companies competitive with Heska and have utilized the services of an outside consultant with extensive experience advising on compensation matters. Competition for skilled employees, particularly management level employees, in Heska's industry is intense and we seek to provide total compensation packages that will attract and retain superior caliber individuals, yet be consistent with Heska's financial situation and stage of development. Based upon these and other factors that we consider relevant, we have considered it appropriate, and in the best interests of Heska's stockholders, to set the overall Executive compensation in the mid-point of the range of average compensation of companies in the comparison group we reviewed.

Compensation Components

Heska's compensation structure for Executive Officers currently includes a combination of base salary, an annual performance-based cash incentive under a management incentive plan and stock options.

Because Heska had not achieved quarterly operational profitability prior to the fourth quarter of 2002, we believed that the use of traditional performance standards, such as profit levels and return on equity, was not appropriate in the evaluation of executive performance. Instead, we evaluated the performance of executives and set their compensation based primarily on the Company's achievement of its business objectives, specifically developing and introducing products, improving financial performance, obtaining appropriate financing, developing its intellectual property portfolio and entering into collaborations with other companies and academia. As Heska begins to approach sustained profitability, we expect that profitability and other financial metrics will play an increasing role in future

compensation decisions. Revenue growth and net income were the key metrics used in the 2004 annual management incentive program. We also evaluate each Executive's individual contribution toward the achievement of these objectives and of other individual objectives.

Base Salary. We review each Executive's base salary annually. When reviewing base salaries, we consider compensation data from companies in medical, biotechnology and general industry groups that have similar revenues and/or are in a similar stage of development to Heska. Consideration is also given to prior performance, relevant experience, level of responsibility and skills and abilities of each Executive. We believe that salary levels for Heska's Executive Officers were at a level that, at the time such salary determinations were made, were reasonable and necessary given Heska's financial resources and the Company's stage of its development. At the request of Heska's management team, including the Company's Executive Officers, we have frozen the base salaries for each member of Heska's management team in 2005.

Management Incentive Plan. We believe that short-term (e.g. annual) performance based incentives play an important role in Executive compensation. Heska adopted a management incentive plan in 1999 to provide incentives to the Company's Executives to meet and exceed certain predetermined annual goals. Target annual incentives and specific performance criteria are established each year by Heska's Compensation Committee, with the actual payout to Executives based on the extent to which the specified performance criteria are met. We believe this approach provides a very strong incentive to Heska's management to achieve the stated annual goals. Based on the Company's performance during 2004 against the stated objectives of revenue growth and net income, no management incentive plan bonuses were paid to Heska's management for the fiscal year. Net income will be the primary performance criterion for Heska's 2005 management incentive plan. Heska's 2005 management incentive plan calls for a performance in excess of the Company's internal budget before any bonus payments are made.

Stock Options. We believe that stock options to purchase shares of the Company's common stock provide excellent long-term incentives for Heska's Executive Officers to increase Heska's market value for the benefit of all stockholders. We are responsible for determining the number and terms of options to be granted to Executive Officers, taking into account such factors as individual and Company performance, policies regarding cash compensation and practices of comparable companies. Options granted to Executive Officers generally have exercise prices equal to fair market value on the date of grant, vest over a four-year period and expire ten years from the date of grant. Vesting ceases and the vested portion of options must be exercised within a certain period should an Executive leave Heska's employ (subject to any rights to partial acceleration of vesting upon termination without cause under employment agreements). Accordingly, option grants will provide a return to an Executive Officer only if said Executive Officer remains with the Company and only if Heska's market price per share appreciates over the option term. We believe that these vesting provisions help both to retain qualified employees and to motivate them to achieve long-term increases in stock value, providing continuing benefits to the Company and its stockholders beyond those in the year of grant. On December 2, 2004, we considered the significant impact that the use of fair values, rather than intrinsic values, for option grants likely to be required under the then recently proposed accounting rules would have on our future results of operations, as well as factors including that the management team had requested that their salaries be frozen for 2005, many non-management employees' 2005 raises were to be at below market levels, no management bonus payments were made for 2004 and the 2005 management incentive plan calls for a performance in excess of the Company's internal budget before any bonus payments are made, and approved an acceleration of vesting of outstanding but unvested stock options with a strike price greater than \$1.08. This action effected approximately 2.2 million options, approximately 1.1 million of which were held by Heska's Directors and Executive Officers. Similarly, on February 24, 2005, Heska's Board approved that all options granted from that date through June 30, 2005 shall be immediately vested and authorized Heska's Stock Option Committee, which currently

consists solely of Heska's Chief Executive Officer, to accelerate the vesting of any outstanding but unvested stock options with a strike price that is not "in-the-money" through June 30, 2005 at its discretion. On March 30, 2005, Heska's Stock Option Committee exercised its discretion and accelerated the vesting of outstanding but unvested stock options with a price greater than or equal to \$0.82. This action effected approximately 750,000 options, including approximately 55,000 held by Heska's Directors and Executive Officers. We are currently considering alternatives regarding different forms of long term compensation for future use, including the continued use of stock options.

Chief Executive Officer Compensation

The annual salary of Robert B. Grieve, Heska's Chief Executive Officer, was increased from \$310,000 in 2003 to \$341,000 in 2004, based on data provided by an independent consultant and the Radford Biotechnology Survey. At Dr. Grieve's request, his annual salary will not be increased in 2005.

On January 5, 2004, we awarded Dr. Grieve an option to purchase 475,000 shares of common stock. This award was made at the same time we granted stock options to other Executive Officers of the Company, and is part of an annual grant program to substantially all of our employees under Heska's broad based stock option program. The award reflects Dr. Grieve's continued leadership of the Company and is intended to provide him with additional incentives to reach Heska's financial metrics and goals in the near term and beyond. The option award was initially subject to a four-year vesting schedule, to provide further incentives to Dr. Grieve to continue to maintain his superior performance and leadership with Heska and place a significant portion of his total compensation at risk, since the option grants deliver a return only if Heska's common stock appreciates over the option term. As discussed above, in December 2004 we accelerated the vesting on all options with prices above \$1.08, including those granted to Dr. Grieve on January 5, 2004, which had a strike price of \$2.30.

Compliance with Internal Revenue Code Section 162(m)

It is Heska's policy generally to qualify compensation paid to Executive Officers for deductibility under section 162(m) of the Internal Revenue Code. Section 162(m) generally disallows Heska from deducting the compensation of Executive Officers that exceeds \$1,000,000 unless that compensation is based on the satisfaction of objective performance goals. Heska has structured its 2003 Equity Incentive Plan, its 1997 Stock Incentive Plan and its Management Incentive Plan to qualify awards under such plans as performance-based compensation and to maximize the tax deductibility of such awards. However, the Company reserves the discretion to pay compensation to its Executive Officers that may not be deductible.

REPORT OF OUR AUDIT COMMITTEE

The ultimate responsibility for good corporate governance rests with Heska Corporation's Board of Directors (the "Board"), whose primary roles are oversight, counseling and direction to Heska Corporation's management in the best long-term interests of Heska Corporation ("Heska" or the "Company") and its stockholders. The Audit Committee of the Board (the "Audit Committee") has been established for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of Heska's financial statements.

The Audit Committee operates under a written charter, a copy of which is available on Heska's website at www.heska.com. As described more fully in its charter, the purpose of the Audit Committee is to assist the Board in its oversight and monitoring of Heska's financial reporting, internal controls and audit function. Management is responsible for the preparation, presentation and integrity of Heska's financial statements; accounting and financial reporting principles; internal controls; and procedures designed to ensure compliance with accounting standards, applicable laws and regulations.

KPMG LLP, Heska's independent auditors, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace Heska's independent auditors.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditors, nor can the Audit Committee certify that the independent auditors are "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters. The Audit Committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management.

In this context, during the year 2004, we met and held discussions with management and KPMG LLP. Management represented to us that Heska's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and we have reviewed and discussed the consolidated financial statements with management and KPMG LLP. In Audit Committee meetings with KPMG LLP, we discussed matters as required by Statement of Auditing Standards No. 61 (Communication with Audit Committees). Our review included a discussion with management of the quality, not merely the acceptability, of Heska's accounting principles, the reasonableness of significant estimates and judgments and the disclosure in Heska's consolidated financial statements.

The Audit Committee received from KPMG LLP the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with KPMG LLP its independence. In reliance on the reviews and discussions noted above, and the report of the independent auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2004, and be filed with the Securities and Exchange Commission.

"Householding" of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Heska and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Investor Relations, Heska Corporation, 1613 Prospect Parkway, Fort Collins, Colorado 80525 through May 31, 2005, and Investor Relations, Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538 after May 31, 2005.

OTHER MATTERS

Our Board knows of no other matters to be presented for stockholder action at our Annual Meeting. However, if other matters do properly come before our Annual Meeting or any adjournments or postponements thereof, our Board intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.
