PROXY STATEMENT

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

GENERAL INFORMATION

This proxy statement and the accompanying proxy card or voting instruction form are being furnished in connection with the solicitation of proxies by and on behalf of the board of directors (the "Board of Directors") of CompX International Inc., a Delaware corporation ("CompX"), for use at the 2002 Annual Meeting of Stockholders of CompX to be held on Tuesday, May 14, 2002 and at any adjournment or postponement thereof (the "Meeting"). The accompanying Notice of Annual Meeting of Stockholders (the "Notice") sets forth the time, place and purposes of the Meeting. The Notice, this proxy statement, the accompanying proxy card or voting instruction form and CompX's Annual Report to Stockholders, which includes CompX's Annual Report on Form 10-K for the fiscal year ended December 31, 2001 (the "Annual Report"), are first being mailed to the holders of CompX's class A common stock, par value \$0.01 per share ("CompX Class A Common Stock"), and CompX's class B common stock, par value \$0.01 per share ("CompX Class B Common Stock" and collectively with the CompX Class A Common Stock, the "CompX Common Stock"), on or about April 8, 2002. CompX's principal executive offices are located at Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

QUORUM, VOTING RIGHTS AND PROXY SOLICITATION

The record date set by the Board of Directors for the determination of stockholders entitled to notice of and to vote at the Meeting was the close of business on March 18, 2002 (the "Record Date"). As of the Record Date, there were 5,103,280 shares of CompX Class A Common Stock and 10,000,000 shares of CompX Class B Common Stock issued and outstanding. Each share of CompX Class A Common Stock entitles its holder to one vote on all matters to be acted on at the Meeting. Each share of CompX Class B Common Stock entitles its holder to ten votes with respect to the election of directors and one vote on all other matters to be acted on at the Meeting. The presence, in person or by proxy, of the holders of a majority of the votes of CompX Common Stock entitled to vote at the Meeting, counted as a single class, is necessary to constitute a quorum for the conduct of business at the Meeting. Shares of CompX Common Stock that are voted to abstain from any business coming before the Meeting and broker/nominee non-votes will be counted as being in attendance at the Meeting for purposes of determining whether a quorum is present.

A plurality of the affirmative votes of the CompX Class A and Class B Common Stock, voting together as a single class, represented and entitled to be voted at the Meeting, is necessary to elect a director of CompX. The accompanying proxy card or voting instruction form provides space for a stockholder to withhold authority to vote for any of the nominees of the Board of Directors. Neither shares as to which the authority to vote on the election of directors has been withheld nor broker/nominee non-votes will be counted as affirmative votes to elect director nominees to the Board of Directors. However, since director nominees need only receive the vote of a plurality of the votes represented at the Meeting and entitled to vote, a vote withheld from a particular nominee will not affect the election of such nominee.

A majority of the votes cast of the CompX Class A and Class B Common Stock, voting together as a single class, represented and entitled to be voted at the Meeting, is required to approve the CompX International Inc. 1997 Long-Term Incentive Plan (the "1997 Plan"). Broker/nominee non-votes will not be

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

counted as voted with regard to the approval of the 1997 Plan and, therefore, will have no effect on its approval. Abstentions will be counted as voted and will have the same effect as a vote against the approval of the 1997 Plan.

Except as applicable laws may otherwise provide, the approval of any other matter that may properly come before the Meeting will require the affirmative vote of a majority of the votes represented and entitled to vote at the Meeting. Shares of CompX Common Stock that are voted to abstain from any other business coming before the Meeting and broker/nominee non-votes will not be counted as votes for or against any such other matter.

Unless otherwise specified, the agents designated in the proxy card or voting instruction form will vote the shares represented by a proxy at the Meeting "FOR" the election of the nominees for director of the Board of Directors, "FOR" the approval of the 1997 Plan and, to the extent allowed by the federal securities laws, in the discretion of the agents on any other matter that may properly come before the Meeting.

Valcor, Inc. ("Valcor") directly holds 100% of the outstanding shares of CompX Class B Common Stock as of the Record Date, which represents approximately 66.2% of the outstanding shares of CompX Class A and B Common Stock combined. Valcor is a wholly owned subsidiary of Valhi, Inc. ("Valhi") and both are affiliates of Contran Corporation ("Contran"). Valhi directly holds approximately 7.3% of the outstanding shares of CompX Class A Common Stock as of the Record Date (approximately 2.5% of the combined voting power of the CompX Common Stock). Together Valcor and Valhi hold approximately 68.7% of the combined voting power of the CompX Common Stock (approximately 95.5% for the election of directors) as of the Record Date. Both Valhi and Contran are diversified holding companies that Harold C. Simmons may be deemed to control.

Valcor and Valhi have indicated their intention to have their shares of CompX Common Stock represented at the Meeting, voted "FOR" the election of each of the nominees for director of the Board of Directors and "FOR" the approval of the 1997 Plan. If Valcor alone attends the Meeting in person or by proxy and votes as indicated, the Meeting will have a quorum present, the stockholders will elect all the nominees for the Board of Directors and approve the 1997 Plan.

Computershare Investor Services, L.L.C. or its successor ("Computershare"), the transfer agent and registrar for CompX Class A and Class B Common Stock as of the Record Date, has been appointed by the Board of Directors to ascertain the number of shares represented, receive proxies and ballots, tabulate the vote and serve as inspector of election at the Meeting.

Each holder of record of CompX Common Stock giving the proxy enclosed with this proxy statement may revoke it at any time prior to the voting of such stock at the Meeting by delivering to Computershare a written revocation of the proxy, delivering to Computershare a duly executed proxy bearing a later date or by voting in person at the Meeting. Attendance by a stockholder at the Meeting will not in itself constitute the revocation of such stockholder's proxy.

Employees participating in the CompX Contributory Retirement Plan, as amended (the "CompX 401(k) Plan"), who are beneficial owners of CompX Class A Common Stock under such plan may use the enclosed voting instruction form to instruct the plan trustee how to vote the shares held for such employees. The trustee will, subject to the terms of the plan, vote such shares in accordance with such instructions.

The Board of Directors is making this proxy solicitation. CompX will pay all expenses related to the solicitation, including charges for preparing, printing, assembling and distributing all materials delivered to stockholders. In addition to solicitation by mail, directors, officers and regular employees

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

of CompX may solicit proxies by telephone or in person for which such persons will receive no additional compensation. Upon request, CompX will reimburse banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred in distributing proxy materials and voting instructions to the beneficial owners of CompX Class A Common Stock that such entities hold of record.

ELECTION OF DIRECTORS (Proposal 1)

The bylaws of CompX provide that the Board of Directors shall consist of not less than one and not more than fifteen persons, as determined from time to time by the Board of Directors in its discretion. The Board of Directors has currently set the number of directors at six. The directors elected at the Meeting will hold office until the 2003 Annual Meeting of Stockholders and until their successors are duly elected and qualified or their earlier removal, resignation or death.

All of the nominees are currently directors of CompX whose terms will expire at the Meeting. All of the nominees have agreed to serve if elected. If any nominee is not available for election at the Meeting, a proxy will be voted "FOR" an alternate nominee to be selected by the Board of Directors, unless the stockholder executing such proxy withholds authority to vote for such nominee. The Board of Directors believes that all of its present nominees will be available for election at the Meeting and will serve if elected.

The Contran Deferred Compensation Trust No. 2 (the "CDCT No. 2") directly holds approximately 0.4% of the outstanding Valhi common stock. U.S. Bank National Association serves as trustee of the CDCT No. 2. Contran established the CDCT No. 2 as an irrevocable "rabbi trust" to assist Contran in meeting certain deferred compensation obligations that it owes to Harold C. Simmons. If the CDCT No. 2 assets are insufficient to satisfy such obligations, Contran must satisfy the balance of such obligations. Pursuant to the terms of the CDCT No. 2, Contran retains the power to vote the shares held by the CDCT No. 2, retains dispositive power over such shares and may be deemed the indirect beneficial owner of such shares. Mr. Simmons, however, disclaims such beneficial ownership of the shares beneficially owned, directly or indirectly, by the CDCT No. 2, except to the extent of his interest as a beneficiary of the CDCT No. 2.

The Combined Master Retirement Trust (the "Master Trust") holds approximately 0.1% of the outstanding shares of Valhi common stock. Valhi established the Master Trust to permit the collective investment by master trusts that maintain the assets of certain employee benefit

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

plans Valhi and related companies adopt. Harold C. Simmons is the sole trustee of the Master Trust and a member of the trust investment committee for the Master Trust. Paul M. Bass, Jr. is also a member of the trust investment committee for the Master Trust. Valhi's board of directors select the trustee and members of the trust investment committee for the Master Trust. Harold C. Simmons, Glenn R. Simmons and Steven L. Watson are members of Valhi's board of directors and along with David A. Bowers are participants in one or more of the employee benefit plans that invest through the Master Trust. Each of such persons disclaims beneficial ownership of the shares held by the Master Trust, except to the extent of his individual vested beneficial interest in the assets held by the Master Trust.

For purposes of calculating the percentage ownership of the outstanding shares of Valhi common stock as of the Record Date, 1,186,200 shares of Valhi common stock that a subsidiary of NL, Valhi's majority-owned titanium dioxide pigments subsidiary, directly holds and 1,000,000 shares of Valhi common stock that Valmont Insurance Company ("Valmont"), a wholly owned subsidiary of Valhi, directly holds are excluded from the amount of Valhi common stock outstanding. Pursuant to Delaware corporate law, Valhi treats these excluded shares as treasury stock for voting purposes.

(1) Pursuant to the rules of the SEC, the amounts under these columns reflect calculations at assumed 5% and 10% appreciation rates and, therefore, are not intended to forecast future appreciation, if any, of CompX Class A Common Stock. The potential realizable value to the optionees was computed as the difference between the appreciated value, at the expiration dates of the stock options, of the CompX Class A Common Stock obtainable upon exercise of such stock options over the aggregate exercise price of such stock options.

The amount of gain to the optionees is dependent on the amount of increase in the price of CompX Class A Common Stock, which would benefit all stockholders proportionately. These potentially realizable values are based solely on arbitrarily assumed rates of appreciation required by applicable SEC regulations. Actual gains, if any, on stock option exercises are dependent on the future performance of CompX Class

A Common Stock, overall market conditions and the timing of the exercise thereof by each respective optionee. There can be no assurance that the amounts reflected in the table will be achieved.

- (2) This stock option is exercisable for shares of CompX Class A Common Stock and becomes exercisable at a rate of 20% on each of the first five anniversary dates of December 6, 2000. The exercise price for this stock option can be paid in already owned shares of CompX Class A Common Stock, provided such tendered shares were held by the optionee for at least six months.
- (3) The appreciated value per share on the expiration date of this stock option, December 6, 2010, based on the \$10.00 per share market value of a share of CompX Class A Common Stock on the date of grant, January 10, 2001, would be \$16.20 and \$25.65 at the hypothetical 5% and 10% rates, respectively.
- (4) This stock option is exercisable for shares of CompX Class A Common Stock and becomes exercisable at a rate of 20% on each of the first five anniversary dates of the date of grant. The exercise price for this stock option can be paid in already owned shares of CompX Class A Common Stock, provided such tendered shares were held by the optionee for at least six months.
- (5) The appreciated value per share on the expiration date of this stock option, July 2, 2011, based on the \$12.98 per share market value of a share of CompX Class A Common Stock on the date of grant, July 2, 2001, would be \$21.14 and \$33.67 at the hypothetical 5% and 10% rates, respectively.
- (6) The appreciated value per share on the expiration date of this stock option, March 19, 2011, based on the \$10.80 per share market value of a share of CompX Class A Common Stock on the date of grant, March 19, 2001, would be \$17.59 and \$28.01 at the hypothetical 5% and 10% rates, respectively.
- (7) This stock option is exercisable for shares of CompX Class A Common Stock and becomes exercisable at a rate of 60% on the fourth anniversary date of the date of grant and 40% on the sixth anniversary of the date of grant. The optionee has the right to limit his exercise of this stock option to avoid adverse Dutch income tax consequences. If the optionee notifies CompX on or prior to five business days prior to a vesting of shares under the stock option of the holder's election to forego the vesting, the stock option will terminate with respect to such shares. In the event of the optionee's death, CompX must pay the value of the stock option on his death to his estate. The exercise price for this stock option can be paid in already owned shares of CompX Class A Common Stock, provided such tendered shares were held by the optionee for at least six months.
- (8) Since none of the shares underlying this stock option had vested on Mr. Steinberg's resignation date of September 7, 2001, CompX canceled the entire stock option on his resignation date.
- (9) The \$80,540,000 and \$154,010,000 amounts shown represent the cumulative increase in value stockholders would receive on all outstanding shares of CompX Class A Common Stock over a ten-year period at the hypothetical 5% and 10% appreciation rates, respectively, based on the \$12.98 per share market value of the 5,103,280 shares of CompX Class A Common Stock outstanding on the close of business on July 2, 2001 and the reinvestment of cash dividends paid at a rate equal to CompX's current cash dividend payments of \$0.125 per share per calendar

Dammers Employment Agreement. Pursuant to an employment agreement dated August 30, 1999 between CompX and Wouter J. Dammers, CompX's Dutch subsidiary, Thomas Regout, employs Mr. Dammers as its managing director. The agreement provides Mr. Dammers a gross annual salary of NLG 320,000, including a holiday allowance, and participation in the CompX variable compensation plan and the 1997 Plan. Under the agreement, Thomas Regout provides Mr. Dammers with an automobile with a value of approximately NLG 100,000 that he may use for his private purposes, supplemental sickness or disability insurance payments and certain other benefits. Mr. Dammers must protect CompX's confidential information as provided in the agreement. Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

Mr. Dammers' employment agreement also provides for Mr. Dammers and Thomas Regout to share the expense of private supplemental pension insurance for his benefit. Mr. Dammers established the private supplemental pension insurance before he became an employee of Thomas Regout. Pursuant to the agreement, Mr. Dammers continues to purchase supplemental pension insurance. Under the insurance, Mr. Dammers' pension benefits after retirement at 65 years of age are determined annually by taking his annual salary less the maximum salary insured through the Dutch General Old Age Pensions Act multiplied by his years of service and 2.0%. The compensation eligible to be utilized for purposes of the pension benefits while Thomas Regout employs Mr. Dammers includes only the annual salary that Thomas Regout pays Mr. Dammers. See "--Summary of Cash and Certain Other Compensation of Executive Officers." The supplemental pension insurance also provides for payments upon Mr. Dammers' death of a widow's pension of 70% of Mr. Dammers' retirement pension benefits and an orphan's pension of 20% of the widow's pension benefits per orphan up to 40%, to be paid until the orphan reaches the age of 18. Mr. Dammers pays one-third of the supplemental pension insurance premiums, which amounts are withheld from his salary. Thomas Regout pays the balance of the supplemental pension insurance premiums. At December 31, 2001, Mr. Dammers' pension benefits under the supplemental pension insurance attributable to his 2.25 years of service with Thomas Regout was \$5,049 (NLG 12,420) per annum payable after retirement at age 65.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires CompX's executive officers, directors and persons who own more than 10% of a registered class of CompX's equity securities to file reports of ownership with the SEC, the New York Stock Exchange, Inc. and CompX. Based solely on the review of the copies of such forms and representations by certain reporting persons, CompX believes that for 2001 its executive officers, directors and 10% stockholders complied with all applicable filing requirements under Section 16(a), except Ann Manix, who filed one Form 4 late reporting a sale of 2,500 shares of CompX Class A Common Stock in December 2001.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2001, the MD&C Committee deliberated on certain CompX executive officer compensation. The MD&C Committee is currently comprised of Paul M. Bass, Jr. (chairman) and Ann Manix, both nonemployee directors of CompX.

COMPENSATION COMMITTEE'S REPORT ON EXECUTIVE COMPENSATION

The MD&C Committee consists of individuals who are neither officers nor employees of CompX or its subsidiaries. The MD&C Committee reviews and approves certain compensation policies and practices related to CompX's executive officers and other employees, including stock-based compensation. See "Meetings and Committees of the Board of Directors - Management Development and Compensation Committee."

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

CompX's executive compensation system generally consists of three primary components: salary, annual operating income bonus award compensation and stock-based compensation, including stock options, restricted stock and/or stock appreciation rights. Through the use of the foregoing, the MD&C Committee seeks to achieve a balanced compensation package that will attract and retain high quality key executives, appropriately reflect each such executive officer's individual performance, contributions, and general market value, and provide further incentives to the executive officers to maximize annual operating performance and long-term stockholder value.

Annual Salaries

Base salaries for executive officers of CompX have been established on a position-by-position basis. The chief executive officer conducts annual internal reviews of executive officer salary levels in an attempt to rank salary and job value to each position. The chief executive officer then makes recommendations on salaries to the MD&C Committee. The MD&C Committee reviews the chief executive officer's recommendations regarding changes in salaries for executive officers. When recommendations regarding changes in salary levels are made by the chief executive officer, the MD&C Committee may take such actions, including any modifications to the recommendation, as it deems appropriate. The determinations of the MD&C Committee may be based primarily on a subjective evaluation of past and potential future individual performance and contributions and alternative opportunities that might be available to the executives in question. The MD&C Committee may also review compensation data from companies employing executives in positions similar to those whose salaries were being reviewed as well as market conditions for executives in general with similar skills, background and performance levels, both inside and outside of CompX's businesses (such companies may include companies contained in the peer group index plotted on the Performance Graph following this report), and other companies with similar financial and business characteristics as CompX, or where the executive in question has similar responsibilities.

As authorized by the board of directors in December 2000, the chairman of the board negotiated the hiring of CompX's chief executive officer effective January 1, 2001 and in the process determined the chief executive officer's base salary for 2001. In February 2001, the MD&C Committee ratified the chief executive officer's 2001 base salary and approved executive officer salary increases for 2001 for three other executive officers. In March 2001, one of the three other executive officers who had received a salary increase resigned. Subsequently, the chairman of the board negotiated the hiring of a new chief financial officer in March 2001 and a new controller in August 2001. In each case, the chairman of the board determined each such executive officer's base salary for 2001. The chairman of the board determined the 2001 base salary of the new controller based on the recommendation of the chief executive officer.

The chairman of the board based his actions regarding 2001 salaries primarily upon his general business knowledge and, where applicable, the chief executive officer's recommendations. The MD&C Committee based its actions regarding 2001 salaries primarily upon the chief executive officer's recommendations and its members' general business knowledge. In 2001, no specific survey or study was utilized to make salary determinations. The chief executive officer's 2001 annual salary was not based on any measure of CompX's performance. No action was taken with respect to the 2001 salaries of any of the other executive officers of CompX.

Annual Variable Compensation

Operating income bonus awards under the variable compensation plan constitute a significant portion of an executive's potential annual cash compensation (between 0% and 150% of base salary for the chief executive officer

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

and certain executive officers). Operating income bonus awards are based on CompX and/or business units of CompX achieving annual predetermined operating income goals. CompX's management makes recommendations to the Board of Directors regarding the operating income plan for the year after reviewing market conditions and CompX's operations, competitive position, marketing opportunities and strategies for maximizing financial performance. The Board of Directors approves this recommendation with modifications it deems appropriate. Based on the business plan for the year, the MD&C Committee sets CompX's and its business units' operating income goals at three levels that are designed to help focus CompX's executives on achieving superior annual operating results in light of existing conditions: a threshold level, which is the minimum operating income level for any operating income bonus award to be made under the variable compensation plan (the "Minimum Level"), a target level (the "Target Level") and a maximum level (the "Maximum Level"). The MD&C Committee then selects the participants and determines which and how much of a CompX business unit's operating income performance will affect such participant's operating income bonus award by apportioning the participant's base salary among CompX's business units and assigning percentage awards of such apportioned base salary to the operating income goals of the applicable business unit. If a business unit achieves operating income above the Minimum Level, participants whose operating income bonus award is based in whole or in part on such unit will receive the highest achieved operating income performance percentage of the participant's base salary apportioned to such unit, which award is proportionately increased based on the amount that the unit exceeds the highest achieved operating income goal. In no event, however, shall the operating income bonus award exceed the percentage of base salary assigned to the Maximum Level. An operating income bonus award, in combination with salary, is designed to result in executive officers and other eligible participants receiving annual cash compensation below competitive compensation levels if the Minimum Level is not achieved.

Pursuant to the variable compensation plan, if operating income is below the Minimum Level, no operating income bonus award is paid. The MD&C Committee, however, does have discretion under the variable compensation plan to award discretionary bonuses to certain executive officers. At the Minimum Level, executive officer operating income bonus awards for 2001 ranged between 10% and 50% of base salary, depending on the executive. At the Target Level, executive officer operating income bonus awards for 2001 ranged between 10% and 100% of base salary, depending on the executive. At the Maximum Level, executive officer operating income bonus awards for 2001 ranged between 10% and 150% of base salary, depending on the executive.

As a result of all applicable CompX business units achieving 2001 operating income below the Minimum Level, no executive officer received an operating income bonus award for 2001. Upon the recommendation of CompX management, the MD&C Committee decided to award certain of the executive officers and other employees discretionary bonuses under a discretionary provision of the variable compensation plan. The executive officers received discretionary bonuses ranging from 0% to 35% of such officer's base salary. The MD&C Committee decided to award a discretionary bonus based upon the committee's belief that such bonus was necessary to retain such individual or to reflect such individual's contributions to CompX in 2001.

The 2001 discretionary bonuses the named executive officers received pursuant to the variable compensation plan are disclosed in the bonus column in the Summary Compensation Table set forth above.

Stock-Based Compensation

The 1997 Plan supports the goal of maximizing long-term stockholder value by providing for stock-based compensation, the value of which is directly related to increases in stockholder value. Stock option grants, in particular, are considered a significant element of CompX's total compensation package for

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

the chief executive officer and the other executive officers of CompX. The MD&C Committee believes that compensation linked to stock price performance helps focus the executives' attention on management of CompX from the stockholders' perspective.

Stock option grants are intended to provide incentives to increase stockholder value in the future and to reward past performance by the executive. In 2001, the MD&C Committee reviewed recommendations by the chief executive officer regarding stock option grants to executive officers. The MD&C Committee granted stock options to executive officers based on the chief executive officer's recommendations. The chief executive officer based his recommendations on a subjective evaluation regarding each executive's performance and responsibilities. In 2001, the chief executive officer included in his recommendations regarding the number of options to be granted to each executive officer the amount and terms of options already held by such officers. Stock options granted to named executive officers in 2001 are reported in the Option Grants in 2001 table set forth above.

To help assure a focus on long-term creation of stockholder value, in 2001 the MD&C Committee granted to other than Dutch recipients stock options with a term of ten years that vest 20% on each of the first five anniversaries of the stock option's date of grant. In 2001, one Dutch recipient received a stock option with a term of ten years that vests 60% on the fourth anniversary and 40% on the sixth anniversary of the date of grant. Although permitted under the 1997 Plan, the MD&C Committee in 2001 did not grant any restricted stock, stock appreciation rights or other equity-based awards to employees.

Defined Contribution Plans

The MD&C Committee also reviews and approves CompX's discretionary annual contributions to the National Cabinet Lock, Inc. Capital Accumulation Pension Plan (the "CAP Plan"), a profit sharing defined contribution plan, and the CompX Contributory Retirement Plan (the "CCR Plan"), a 401(k) defined contribution plan. Participants of these plans are employees of certain of CompX's domestic operations. Under the CAP Plan for the 2001 plan year, the MD&C Committee approved a contribution of 7.25% of 2001 earnings before taxes of CompX's National Cabinet Lock division and Timberline Lock, Ltd. subsidiary and similar contributions for other participants, subject to certain limitations under the Code. Under the CCR Plan for the 2001 plan year, the MD&C Committee approved matching contributions based on each participant's business unit that ranged between 24% to 100% of the such employee's contribution, subject to certain limitations under the CCR Plan and the Code. Certain of the named executive officers received such contributions, which are disclosed in the all other compensation column in the Summary Compensation Table set forth above. For the 2001 plan year, the MD&C committee approved aggregate contributions of approximately \$590,000 to the CAP Plan and \$520,000 to the CCR Plan, subject to certain limitations of the Code and the respective plans.

Tax Code Limitation on Executive Compensation Deductions

In 1993, Congress amended the Code to impose a \$1.0 million deduction limit on compensation paid to the chief executive officer and the four other most highly compensated executive officers of public companies, subject to certain transition rules and exceptions for compensation received pursuant to non-discretionary performance-based plans approved by such company's shareholders. It is CompX's general policy to structure the performance-based portion of the compensation of its executive officers in a manner that permits CompX to deduct fully such compensation.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Relationships with Related Parties. As set forth under the caption "Security Ownership," Harold C. Simmons, through Contran, may be deemed to control CompX. CompX and other entities that may be deemed to be controlled by or affiliated with Mr. Simmons sometimes engage in (a) intercorporate transactions such as guarantees, management and expense sharing arrangements, shared fee arrangements, tax sharing agreements, joint ventures, partnerships, loans, options, advances of funds on open account and sales, leases and exchanges of assets, including securities issued by both related and unrelated parties and (b) common investment and acquisition strategies, business combinations, reorganizations, recapitalizations, securities repurchases and purchases and sales (and other acquisitions and dispositions) of subsidiaries, divisions or other business units, which transactions have involved both related and unrelated parties and have included transactions that resulted in the

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

acquisition by one related party of a publicly held minority equity interest in another related party. CompX continuously considers, reviews and evaluates and understands that Contran and related entities consider, review and evaluate transactions of the type described above. Depending upon the business, tax and other objectives then relevant, it is possible that CompX might be a party to one or more of such transactions in the future. In connection with these activities CompX may consider issuing additional equity securities or incurring additional indebtedness. CompX's acquisition activities may in the future include participation in the acquisition or restructuring activities conducted by other companies that may be deemed to be controlled by Mr. Simmons. It is the policy of CompX to engage in transactions with related parties on terms, in the opinion of CompX, no less favorable to CompX than could be obtained from unrelated parties.

No specific procedures are in place that govern the treatment of transactions among CompX and its related entities, although such entities may implement specific procedures as appropriate for particular transactions. In addition, under applicable principles of law, in the absence of stockholder ratification or approval by directors who may be deemed disinterested, transactions involving contracts among companies under common control must be fair to all companies involved. Furthermore, directors owe fiduciary duties of good faith and fair dealing to all stockholders of the companies for which they serve.

Intercorporate Services Agreements. Under the Contran ISA, Contran renders or provides for certain management, financial, tax and administrative services to CompX on a fee basis. Such fees are based upon estimates of time devoted to the affairs of CompX by the individual providers of such services and Contran's costs for providing such services. CompX paid Contran fees of approximately \$1.21 million for services rendered under the Contran ISA in 2001. The Contran ISA automatically extends on a quarter-to-quarter basis, subject to termination by either party pursuant to written notice 30 days prior to a quarter-end, and may be amended by mutual agreement.

CompX and NL were parties to an intercorporate services agreement (the "NL ISA") whereby NL made available to CompX certain services with respect to CompX's occupancy, accounting, computer support and internal audit needs. CompX paid fees of approximately \$23,245 for services pursuant to the NL ISA during 2001. The NL ISA was terminated in the first quarter of 2001.

Insurance Matters. Tall Pines Insurance Company ("Tall Pines"), Valmont and EWI RE, Inc. ("EWI Inc.") provide for or broker certain of CompX's insurance policies. Tall Pines is a wholly owned captive insurance company of Tremont. Valmont is a wholly owned captive insurance company of Valhi. During 2001, one of the daughters of Harold C. Simmons and a wholly owned subsidiary of Contran owned, directly or indirectly, 57.8% and 42.2%, respectively, of the outstanding common stock of EWI Inc. and of the membership interests of EWI Inc.'s management company, EWI RE, Ltd. (collectively with EWI Inc., "EWI"). Through December 31, 2000, a son-in-law of Harold C. Simmons managed the operations of EWI. Subsequent to December 31, 2000, pursuant to an agreement that terminates on December 31, 2002, such son-in-law provides advisory services to EWI as requested by EWI, for which the son-in-law is paid \$11,875 per month and receives certain other benefits under EWI's benefit plans. Consistent with insurance industry practices, Tall Pines, Valmont and EWI Inc. receive commissions from the insurance and reinsurance underwriters for the policies that they provide or broker. During 2001, CompX and its subsidiaries paid approximately \$719,000 for policies provided or brokered by Tall Pines, Valmont and/or EWI Inc. These amounts principally included payments for reinsurance and insurance premiums paid to unrelated third parties, but also included commissions paid to Tall Pines, Valmont and EWI Inc. In CompX's opinion, the amounts that CompX and its subsidiaries paid for these insurance policies are reasonable and similar to those they could have obtained through unrelated

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

insurance companies and/or brokers. CompX expects that these relationships with Tall Pines, Valmont and EWI will continue in 2002.

Law Firm Relationship. Contran and its affiliates, including CompX, engaged and paid to Rogers & Hardin, LLP, a law firm of which CompX's director Edward J. Hardin is a partner, in the aggregate approximately \$240,000 in fees for services Rogers & Hardin LLP rendered to such entities in 2001. The aggregate amount paid includes approximately \$10,300 in fees that CompX paid to Rogers & Hardin, LLP for services rendered to CompX in 2001. CompX presently expects, and understands that Contran and its other affiliates presently expect, to continue their relationship with Rogers & Hardin LLP in 2002.

INDEPENDENT AUDITOR MATTERS

Independent Auditors. The firm of PricewaterhouseCoopers LLP served as CompX's independent auditors for the year ended December 31, 2001. CompX's audit committee has appointed PricewaterhouseCoopers LLP to review CompX's quarterly unaudited consolidated financial statements to be included in its Quarterly Reports on Form 10-Q for the first three quarters of 2002. CompX expects PricewaterhouseCoopers LLP will be considered for appointment to audit CompX's annual consolidated financial statements for the year ending December 31, 2002. Representatives of PricewaterhouseCoopers LLP are not expected to attend the Meeting.

Audit Committee Report. The audit committee of the Board of Directors is composed of three directors, all of whom are independent within the meaning of New York Stock Exchange listing standards. The audit committee operates under a written charter the Board of Directors adopted, a copy of which was attached as Exhibit A to CompX's proxy statement for its 2001 annual meeting of stockholders. CompX's management is responsible for preparing CompX's consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. CompX's independent auditors are responsible for auditing CompX's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America. The audit committee serves as an independent and objective party to review CompX's auditing, accounting and financial reporting processes.

The audit committee has reviewed and discussed CompX's audited consolidated financial statements for the year ended December 31, 2001 with CompX's management and independent auditors. The audit committee discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), received written disclosures from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with the independent auditors their independence. The audit committee also considered whether the independent auditors' provision of non-audit services to CompX and its subsidiaries is compatible with such auditors' independence. Additionally, the audit committee discussed with CompX's management and the independent auditors such other matters as the committee deemed appropriate. Based on the audit committee's review of CompX's audited consolidated financial statements and the audit committee's discussions with CompX's management and independent auditors, the audit committee recommended to the Board of Directors that CompX's audited consolidated financial statements for the year ended December 31, 2001 be included in CompX's Annual Report on Form 10-K for the year ended December 31, 2001, which has been filed with the SEC.

APPROVAL OF THE
COMPX INTERNATIONAL INC. 1997 LONG-TERM INCENTIVE PLAN
(Proposal 2)

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE 1997 PLAN.

The Board of Directors seeks the approval by CompX's stockholders of the 1997 Plan in order for the 1997 Plan to qualify under certain performance-based compensation provisions of Section 162(m) of the Internal Revenue Code of 1986, as amended. Section 162(m) of the Code sets a \$1.0 million deduction limit for compensation paid to each of the chief executive officer and the four other most highly compensated executive officers of a publicly held corporation. The \$1.0 million deduction limit is subject to certain exceptions for compensation received pursuant to performance-based plans approved by a corporation's stockholders.

The Board of Directors and CompX's sole stockholder adopted the 1997 Plan on December 16, 1997 to be effective as of CompX's initial public offering of CompX Class A Common Stock. Subsequently, the Board of Directors and CompX's sole stockholder advanced the effective date of the 1997 Plan to February 13, 1998.

For future executive officer compensation awarded under the 1997 Plan to be exempt from the \$1.0 million deduction limit set forth in Section 162(m), the material terms of the 1997 Plan must be disclosed to, and approved by,

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

CompX's public stockholders. If CompX's public stockholders fail to approve the 1997 Plan, the cost to CompX of continuing the 1997 Plan may increase if CompX is unable to deduct fully future compensation paid under the 1997 Plan. The text of the 1997 Plan is attached as Appendix A. The description of the 1997 Plan in this proxy statement is qualified in its entirety by reference to the complete text of the 1997 Plan in Appendix A.

Description of the 1997 Plan

General

Purpose. The purpose of the 1997 Plan is to advance the interests of CompX and its stockholders by providing incentives to certain eligible persons who contribute significantly to the strategic and long-term performance objectives and growth of CompX or its parent or subsidiary corporations (collectively with CompX, the "CompX Group").

Types of Awards. The 1997 Plan provides for awards or grants of stock options, SARs, restricted stock, performance grants and other awards deemed by the MD&C Committee to be consistent with the purposes of the 1997 Plan (collectively, "Awards").

Eligible Persons. Key individuals employed by, or performing services for, the CompX Group are eligible to receive Awards. A person who is eligible to receive an Award may be a nonemployee director or some other person who is not employed by the CompX Group. As of December 31, 2001, the CompX Group had approximately 2,060 employees.

Administration. The 1997 Plan provides that unless the Board of Directors shall designate a committee of the Board of Directors or a designated administrator to administer the 1997 Plan, the 1997 Plan shall be administered by the Board of Directors. If a committee of the Board of Directors administers the 1997 Plan, the 1997 Plan requires that such committee consist of two or more persons each of whom are "nonemployee directors" as defined in Rule 16b-3 promulgated by the SEC under the Exchange Act and "outside directors" as defined in Section 162(m) of the Code (the "Plan Committee"). Members of the Plan Committee must also meet any applicable requirements of any stock exchange or other market quotation system on which shares of CompX Class A Common Stock are traded. As of July 6, 1998, the Board of Directors delegated to the MD&C Committee all administrative powers of the Board of Directors under the 1997 Plan, except that the Board of Directors retained the sole power to amend, terminate or extend the term of the 1997 Plan. Eligible persons entitled to receive Awards include members of the MD&C Committee serving as the Plan Committee.

The Plan Committee determines the eligible persons to whom it grants Awards and the type, size and terms of such Awards. The Plan Committee may also amend the terms of any Award in any manner the Plan Committee could have determined at the grant of the original Award. In addition, the Plan Committee can construe and interpret the 1997 Plan and any Award and to make all other determinations deemed necessary or advisable for the administration of the 1997 Plan.

Number of Shares Subject to the 1997 Plan. The 1997 Plan reserves a maximum of 1,500,000 shares of CompX Class A Common Stock for Awards, subject to certain adjustments. CompX Class A Common Stock issued under the 1997 Plan may be either newly issued shares, treasury shares, reacquired shares or any combination of the three. If any shares of CompX Class A Common Stock issued as restricted stock under the 1997 Plan are reacquired by CompX pursuant to such rights, or if any Award is canceled, terminates or expires unexercised, the CompX Class A Common Stock that would otherwise have been issuable pursuant to such Award will be available for issuance under new Awards.

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

Annual Limit on Awards to an Individual. The underlying shares of CompX Class A Common Stock issuable in any single fiscal year under Awards to an individual shall not exceed 500,000 shares of CompX Class A Common Stock.

Limitations on Transfers of Awards. Generally, an Award is nontransferable except by approval of the Plan Committee or by will or the laws of descent and distribution. Incentive stock options, however, are transferable only by will or the laws of descent and distribution. Certain transfers of Awards may cause the issuance of the shares of CompX Class A Common Stock pursuant to such Award not to be registered under the Registration Statement on Form S-8 (Registration No. 333-47539) that CompX filed with the SEC on March 6, 1998.

Description of Awards under the 1997 Plan

Stock Options. An Award of a stock option (a "Stock Option") is the right to purchase a specified number of shares of CompX Class A Common Stock at a specified exercise price, both of which the Plan Committee determines. The Plan Committee can choose whether or not the grant of a Stock Option requires the recipient to pay a purchase price at the time of grant. The Plan Committee also determines when and how a Stock Option becomes exercisable. The term of a Stock Option, however, cannot exceed ten years. A Stock Option may be either a nonqualified or an incentive stock option.

The Plan Committee may grant nonqualified Stock Options to any eligible person under the 1997 Plan. The exercise price for nonqualified Stock Options may be at any price the Plan Committee determines.

The Plan Committee may only grant incentive Stock Options to employees of the CompX Group. The exercise price of an incentive Stock Option may not be less than the fair market value of the underlying shares of CompX Class A Common Stock on the date of grant. The maximum aggregate fair market value of CompX Class A Common Stock (determined as of the respective dates of grant) with respect to which incentive stock options are first exercisable by any one employee of the CompX Group in any calendar year cannot exceed \$100,000. If the Plan Committee grants an incentive Stock Option to a person who owns more than 10% of the voting power of all classes of the stock of any of the CompX Group, the option cannot have an exercise price lower than 110% of fair market value on the date of the grant or a term longer than five years. In addition, the recipient of an incentive Stock Option cannot exercise the option beyond the time the Code allows for the favorable tax treatment of incentive stock options.

Payment of the exercise price of a Stock Option must be made in such form as the Plan Committee determines in its discretion. If the Committee allows payment to be made with shares of CompX Class A Common Stock, such shares are valued at their fair market value on the day of exercise and shall have been held by the option holder for a period of at least six months.

The Plan Committee may grant Stock Options in conjunction with any other Award, except that incentive Stock Options cannot have an associated Award that is a nonqualified Stock Option. When the Plan Committee awards a Stock Option in conjunction with an associated Award, the number of shares of CompX Class A Common Stock subject to the Stock Option may be reduced on an appropriate basis to the extent that the associated Award is exercised, paid to or otherwise received by the recipient, as determined by the Committee.

Stock Appreciation Rights. SARs are rights to receive (without payment to CompX) cash, shares of CompX Class A Common Stock, other property or any combination of the three based on the increase in the value of the shares of CompX Class A Common Stock specified in the SAR. A SAR that is related to another Award is exercisable only to the extent that the other Award is

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

exercisable and then only during such period or periods as the Plan Committee determines. In addition, a SAR that is associated with a Stock Option is exercisable only when the fair market value of a share of CompX Class A Common Stock exceeds the exercise price per share of the associated Stock Option. If a SAR's associated Award is an incentive Stock Option, the exercise of the SAR is limited to those instances where its exercise would not disqualify the associated stock option's status as an incentive stock option under the Code. When the Plan Committee awards a SAR in conjunction with an associated Award, the number of shares of CompX Class A Common Stock subject to the SAR may be reduced on an appropriate basis to the extent that the associated Award is exercised, paid to or otherwise received by the recipient, as determined by the Committee.

Upon the exercise of a SAR, the holder receives, at the election of the Plan Committee, cash, shares of CompX Class A Common Stock, other consideration or any combination of the three equal in value (or in the discretion of the Plan Committee, less than) to the excess of the fair market value of the shares of CompX Class A Common Stock subject to such exercise over the exercise price for such shares as specified in the SAR.

Restricted Stock. An Award of restricted stock is an award of a number of shares of CompX Class A Common Stock that are subject to certain restrictions (e.g., such stock shall be issued but not delivered to the recipient and, generally, shall be forfeited if the recipient's employment or performance of services for the CompX Group terminates). Such restrictions exist for a certain restricted period and in accordance with such terms as the Plan Committee specifies. Prior to the expiration of the restricted period and the satisfaction of any applicable terms, a recipient who has received an Award of restricted stock has the rights of ownership of the shares of CompX Class A Common Stock subject to such award, including the right to vote and to receive dividends.

Performance Grants. At the time an Award of a performance grant is made, the Plan Committee establishes performance objectives during a specified award period. The final value, if any, of a performance grant is determined by the degree to which the performance objectives have been achieved during the award period, subject to adjustments that the Plan Committee may approve based on relevant factors. Performance objectives may be based on the performance of the recipient, the CompX Group, one or more of its subsidiaries or one or more of their divisions or units, or any combination of thereof, as the Plan Committee determines. The Plan Committee may, in its discretion, make adjustments in the computation of any performance measure. The maximum value of an Award of a performance grant as established by the Plan Committee may be a fixed amount, an amount that varies from time to time based on the value of the CompX Class A Common Stock, or an amount that is determinable from other criteria the Plan Committee specifies. Performance grants may have different classes or series, having different names, terms and conditions.

The Plan Committee may grant Awards of performance grants in conjunction with other Awards. If awarded in conjunction with an associated Award, the number of performance grants may be reduced on an appropriate basis to the extent that the associated Award is exercised by, paid to, or otherwise received by, the recipient, as determined by the Plan Committee.

The Plan Committee will generally determine the value of an Award of a performance grant as promptly as practicable after the end of the award period or upon the earlier termination of the recipient's employment or performance of services. The Plan Committee may, however, determine the value of the performance grant and pay it out at any time during the award period. If the performance grant does not have an associated Award, the holder of the performance grant will be paid the final value. If the performance grant has value and has an associated Award, however, the Plan Committee will determine whether to cancel the performance grant and permit the recipient to retain the

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

associated Award, to cancel the associated Award and pay out the value of the performance grant or to pay out the value of only a portion of the performance grant and to cancel the associated Award as to an appropriate portion thereof.

Payment. Payment of an Award such as a performance grant may be made in cash, shares of CompX Class A Common Stock or other consideration (for example, other CompX Group securities or property) or a combination of the three, and in accordance with terms the Plan Committee sets. The Plan Committee may also permit any payments under an Award be deferred until a later date upon such terms as the Plan Committee provides.

Additional Information

Adjustments in Shares of CompX Class A Common Stock. Under the 1997 Plan, if any change in the outstanding shares of CompX Class A Common Stock occurs by reason of an extraordinary or unusual event (e.g. stock split, stock dividend, recapitalization or merger), the Plan Committee may direct appropriate changes in the terms of any Award or the number of shares of CompX Class A Common Stock available for Awards. Such changes may include the number or kind of securities that may be subject to, the exercise price under, or any measure of performance or the number or value of any Award.

Amendments to Awards. The Plan Committee may amend or modify any outstanding Award in any manner (including, but not limited to, acceleration of the date of exercise of or payments under any Award) if the Plan Committee could grant such amended or modified Award under the terms of the 1997 Plan at the time of such amendment or modification. Only in certain circumstances, however, may the Plan Committee amend or modify an outstanding Award in a material manner that adversely affects the holder of the affected Award without the holder's written consent

Substitution of Awards. The Plan Committee may permit holders of Awards to surrender outstanding Awards in order to exercise or realize the rights under other Awards. In addition, the Plan Committee may allow or require holders of Awards to exchange such outstanding Awards for the grant of new Awards.

Significant Corporate Events. In the event of the proposed dissolution or liquidation of CompX, all outstanding Awards terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Plan Committee. In the event of a proposed sale of all or substantially all of the assets of CompX or the merger of CompX with or into another corporation, all restrictions on any outstanding Awards lapse and recipients of Awards become entitled to the full benefit of their Awards immediately prior to the closing date of such sale or merger, unless otherwise provided by the Plan Committee.

Rights to Continue as Employee or Service Provider. Neither the 1997 Plan nor any Award confers on any individual any right to continue in the employ of, or provide services to, the CompX Group.

Effectiveness of Rights as Stockholders. A recipient of an Award has no rights as a stockholder with respect to the shares of CompX Class A Common Stock issuable pursuant to the Award until the date of issuance of the stock certificate for such shares.

Financing. If the Plan Committee deems it advisable, the CompX Group may assist recipients of Awards with financing from the CompX Group or a third party so as to permit the payment of taxes with respect to an Award or to enable the recipient to acquire, exercise or realize the rights of an Award. Such assistance may take any form as the Plan Committee considers appropriate.

Deferrals. The Plan Committee may grant an Award in conjunction with the deferral of a recipient's compensation. The Plan Committee may provide that

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

any such deferred compensation be forfeited to CompX under certain circumstances, subject to an increase or decrease in value based upon specified performance measures or credited with income equivalents until the date or dates of payment of the Award.

Alternative Payments for Tax Withholding. The Plan Committee may permit a recipient of an Award to elect to pay taxes required to be withheld with respect to an Award in any appropriate manner (including, without limitation, by the surrender to CompX of shares of CompX Class A Common Stock owned by such person or that would otherwise be distributed, or have been distributed, as the case may be, pursuant to such Award).

Termination. The 1997 Plan terminates on the earlier of February 13, 2008 or such time as the Board of Directors adopts a resolution terminating the 1997 Plan. The Board of Directors may extend the 1997 Plan for up to an additional five years for the grant of Awards other than incentive Stock Options. Except in certain circumstances, the termination of the 1997 Plan shall not adversely affect in a material manner any right of any recipient of an Award without such recipient's written consent.

Amendments to the 1997 Plan. The Board of Directors may amend the 1997 Plan at any time. Except in certain circumstances, no amendment shall adversely affect in a material manner any right of any recipient of an Award without such recipient's written consent.

Registration of CompX Class A Common Stock under 1997 Plan. CompX registered the issuance of the shares of CompX Class A Common Stock under the 1997 Plan with the SEC pursuant to a Registration Statement on Form S-8 (Registration No. 333-47539) filed with the SEC on March 6, 1998.

Federal Income Tax Consequences

The following is a summary of the principal current federal income tax consequences of transactions under the 1997 Plan. It does not describe all federal tax consequences under the 1997 Plan, nor does it describe state, local or foreign tax consequences.

Incentive Stock Options. No taxable income is realized by the recipient upon the grant or exercise of an incentive stock option. However, the exercise of an incentive stock option may result in alternative minimum tax liability for the recipient. If no disposition of shares issued to a recipient pursuant to the exercise of an incentive stock option is made by the recipient within two years from the date of grant or within one year after the transfer of such shares to the recipient, then upon sale of such shares, any amount realized in excess of the exercise price will be taxed to the recipient as a long-term capital gain and any loss sustained will be a long-term capital loss, and no deduction will be allowed to CompX for federal income tax purposes.

If the shares of CompX Class A Common Stock acquired upon the exercise of an incentive stock option are disposed of prior to the expiration of the two-year and one-year holding periods described above, generally the recipient will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of the shares at exercise (or, if less, the amount realized on an arms'-length sale of such shares) over the exercise price, and CompX will be entitled to deduct such amount. Any further gain or loss realized will be taxed as short-term or long-term capital gain or loss and will not result in any deduction by CompX. Special rules may apply where all or a portion of the exercise price of the incentive stock option is paid by tendering shares of CompX Class A Common Stock.

If an incentive stock option is exercised at a time when it no longer qualifies for the tax treatment described above, the option is treated as a

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

nonqualified stock option. Generally, an incentive stock option will not be eligible for the tax treatment described above if it is exercised more than three months following termination of employment (one year following termination of employment by reason of permanent and total disability), except in certain cases where the incentive stock option is exercised after the death of a recipient.

Nonqualified Stock Options. With respect to nonqualified stock options granted under the 1997 Plan, no income is realized by the recipient at the time the option is granted. Generally, at exercise, ordinary income is realized by the recipient in an amount equal to the difference between the exercise price and the fair market value of the shares on the date of exercise, and CompX receives a tax deduction for the same amount, and at disposition, appreciation or depreciation after the date of exercise is treated as either short-term or long-term capital gain or loss, depending on how long the shares have been held.

SARs. The grant of a SAR does not result in income for the grantee or in a deduction for CompX. Upon the exercise of a SAR, the grantee generally recognizes ordinary income and CompX is entitled to a deduction equal to the positive difference between the fair market values of the shares subject to the SAR on the date of grant and the date of exercise.

Restricted Stock. A recipient of restricted stock generally will be subject to tax at ordinary income rates on the fair market value of the stock at the time the stock is either transferable or is no longer subject to forfeiture, less any amount paid for such stock. CompX is entitled to a corresponding tax deduction for the amount of ordinary income recognized by the recipient. However, a recipient who so elects under Section 83(b) of the Code within 30 days of the date of issuance of the restricted stock will realize ordinary income on the date of issuance equal to the fair market value of the shares of restricted stock at that time (measured as if the shares were unrestricted and could be sold immediately), less any amount paid for such stock. If the shares subject to such election are forfeited, the recipient will not be entitled to any deduction, refund or loss for tax purposes with respect to the ordinary income previously recognized. Upon the sale of the shares after the forfeiture period has expired, the appreciation or depreciation since the shares became transferable or free from risk of forfeiture (or, if a Section 83(b) election was made, since the shares were issued, taking into account the ordinary income previously recognized) will be treated as long-term or short-term capital gain or loss. The holding period to determine whether the recipient has long-term or short-term capital gain or loss begins when the restriction period expires (or upon the earlier issuance of the shares, if the recipient elected immediate recognition of income under Section 83(b)).

Performance Awards. The recipient of a performance award will generally be subject to tax at ordinary income rates on any cash received and the fair market value of any CompX Class A Common Stock issued under the award, and CompX will generally be entitled to a deduction equal to the amount of ordinary income realized by the recipient. Any cash received under a performance award will be included in income at the time of receipt. The fair market value of any CompX Class A Common Stock received will also generally be included in income (and a corresponding deduction will generally be available to CompX) at the time of receipt. The capital gain or loss holding period for any CompX Class A Common Stock distributed under a performance award will begin when the recipient recognizes ordinary income with respect to that distribution.

1997 Plan Benefits

In February 1999, the MD&C Committee, serving as the Plan Committee, upon the recommendation of the Board of Directors, approved under the 1997 Plan annual grants to CompX's nonemployee directors on the day of the annual meeting of stockholders. Each annual grant consists of a grant at each annual meeting of

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

CompX's stockholders of 500 shares of CompX Class A Common Stock and nonqualified Stock Options exercisable for 2,000 shares, which Stock Options have an exercise price equal to the closing sales price of CompX Class A Common Stock on the date of grant, have a term of 10 years and vest 20% over the first five anniversaries of the date of grant. The Plan Committee may elect in the future to amend or cancel future grants of Stock Options and shares of CompX Class A Common Stock to CompX's nonemployee directors. Since the Plan Committee grants Awards in its discretion, the benefits that recipients of Awards shall receive in the future under the Plan are presently indeterminable.

As of March 20, 2002, 227,180 shares of CompX Class A Common Stock have been issued pursuant to the 1997 Plan, 867,000 shares of CompX Class A Common Stock are reserved for issuance under outstanding Stock Options and 405,820 shares of CompX Class A Common Stock remain available for future issuance under the 1997 Plan. Based on the \$13.10 per share closing sales price of the CompX Class A Common Stock as reported on the New York Stock Exchange on March 20, 2002, the 405,820 shares of CompX Class A Common Stock available for future issuance under the 1997 Plan had an aggregate market value of approximately \$5.3 million.

As of March 20, 2002, CompX's directors, named executive officers and the following groups had received the following benefits under the 1997 Plan with respect to Stock Options, performance awards granted pursuant to the 1997 Plan and shares of CompX Class A Common Stock. No other types of Awards have been granted under the 1997 Plan and no recipient of a Stock Option was required to pay a purchase price at the time of the grant of the Stock Option for the Stock Option.

OTHER MATTERS

The Board of Directors knows of no other business that will be presented for consideration at the Meeting. If any other matters properly come before the Meeting, the persons designated as agents in the enclosed proxy card or voting instruction form will vote on such matters in accordance with their best judgment.

STOCKHOLDER PROPOSALS FOR ANNUAL MEETING IN 2003

Stockholders may submit proposals on matters appropriate for stockholder action at CompX's annual stockholder meetings, consistent with rules adopted by the SEC. Such proposals must be received by CompX not later than December 9, 2002 to be considered for inclusion in the proxy statement and form of proxy relating to the Annual Meeting of Stockholders in 2003. For proposals to be brought at the 2003 Annual Meeting of Stockholders but not included in the proxy statement for such meeting, CompX's bylaws require that the proposal must be delivered to or mailed and received at the principal executive offices of

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

CompX no later than ten days following the date on which notice of the date of the annual meeting was mailed or public disclosure of the date of the meeting was made. Any such proposals should be addressed to: Corporate Secretary, CompX International Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

2001 ANNUAL REPORT ON FORM 10-K

A copy of CompX's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, as filed with the SEC, is included as part of the annual report mailed to CompX's stockholders with this proxy statement.

ADDITIONAL COPIES

The SEC recently approved a new rule concerning the delivery of annual reports and proxy statements. It permits a single set of these reports to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding. Certain beneficial stockholders who share a single address may have received a notice sent earlier this year that only one annual report and proxy statement will be sent to that address unless a stockholder at that address gave contrary instructions. CompX will promptly deliver a separate copy of CompX's 2001 annual report or this proxy statement to any stockholder at a shared address to which a single copy of such documents was delivered, upon written or oral request of such stockholder.

To obtain copies of CompX's 2001 annual report or this proxy statement without charge, please mail your request to A. Andrew R. Louis, Corporate Secretary, at CompX International Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697, or call him at 972.233.1700.

The Board has all the powers vested in it by the terms of this Plan, such powers to include exclusive authority to select the Eligible Persons to be granted Awards under this Plan, to determine the type, size and terms of the Award to be made to each Eligible Person selected, to modify the terms of any Award that has been granted, to determine the time when Awards will be granted, to establish performance objectives, to make any adjustments necessary or desirable as a result of the granting of Awards to Eligible Persons located outside the United States and to prescribe the form of the agreements embodying Awards made under this Plan. Expenses (including reasonable attorneys' fees) incurred by a such a member or officer in defending any such proceeding or suit shall be paid by the Company in advance of the final disposition of such proceeding or suit upon receipt of a written affirmation by such member or officer of his good faith belief that he has met the standard of conduct necessary for indemnification and a written undertaking by or on behalf of such member or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company as authorized in this Section.

Section 4. Participation. Consistent with the purposes of this Plan, the Board shall have exclusive power to select the Eligible Persons who may participate in this Plan and be granted Awards under this Plan. Eligible Persons may be selected individually or by groups or categories, as determined by the Board in its discretion.

Section 5. Awards under this Plan.

(a) Types of Awards. Awards under this Plan may include, but need not be limited to, one or more of the following types, either alone or in any combination thereof: (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock, (iv) Performance Grants and (v) any other type of Award deemed by the Board in its discretion to be consistent with the purposes of this Plan (including, but not limited to, Awards of or options or similar rights granted with respect to unbundled stock units or components thereof, and Awards to be made to Participants who are foreign nationals or are employed or performing services outside the United States).

(b) Maximum Number of Shares that May be Issued. There may be issued under this Plan (as Restricted Stock, in payment of Performance Grants, pursuant to the exercise of Stock Options or Stock Appreciation Rights or in payment of or pursuant to the exercise of such other Awards as the Board, in its discretion, may determine) an aggregate of not more than 1,500,000 Class A Common Shares, subject to adjustment as provided in Section 15. No Eligible Person may receive Awards under this Plan for more than 500,000 Class A Common Shares in any one fiscal year of CompX, subject to adjustment as provided in Section 15. Class A Common Shares issued pursuant to this Plan may be either authorized but unissued shares, treasury shares, reacquired shares or any combination thereof. If any Class A Common Shares issued as Restricted Stock or otherwise subject to repurchase or forfeiture rights are reacquired by the Company pursuant to such rights or, if any Award is canceled, terminates or expires unexercised, any Class A Common Shares that would otherwise have been issuable pursuant thereto will be available for issuance under new Awards.

(c) Rights with Respect to Class A Common Shares and Other Securities. Except as provided in subsection 8(c) with respect to Awards of Restricted Stock and unless otherwise determined by the Board in its discretion, a Participant to whom an Award is made (and any person succeeding to such a Participant's rights pursuant to this Plan) shall have no rights as a stockholder with respect to any Class A Common Shares or as a holder with respect to other securities, if any, issuable pursuant to any such Award until the date of the issuance of a stock certificate to him for such Class A Common Shares or other instrument of ownership, if any. Except as provided in Section 15, no adjustment shall be made for dividends, distributions or other rights (whether ordinary or extraordinary, and whether in cash, securities, other property or other forms of consideration, or any combination thereof) for which the record date is prior to the date such stock certificate or other instrument of ownership, if any, is issued. In all events, a Participant with whom an Award agreement is made to issue

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

Class A Common Shares in the future, shall have no rights as a stockholder with respect to Class A Common Shares related to such agreement until issuance to him of a stock certificate representing such shares.

Section 6. Stock Options. The Board may sell Purchased Options or grant other Stock Options either alone, or in conjunction with Associated Awards, either at the time of grant or by amendment thereafter; provided that an Incentive Stock Option may be granted only to Eligible Persons who are employees of the Company and have an Associated Award only to the extent that such Associated Award does not disqualify the Incentive Stock Option's status as such under the Code. Each Stock Option granted or sold under this Plan shall be evidenced by an agreement in such form as the Board shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Section and this Plan, and with such other terms and conditions, including, but not limited to, restrictions upon the Stock Option or the Class A Common Shares issuable upon exercise thereof, as the Board, in its discretion, shall establish.

(a) The exercise price of a Stock Option may be less than, equal to, or greater than, the Fair Market Value of the Class A Common Shares subject to such Stock Option at the time the Stock Option is granted, as determined by the Board; provided, however, that in the case of an Incentive Stock Option granted to an employee of the Company, the exercise price shall not be less than the Fair Market Value of the Class A Common Shares subject to such Stock Option at the time the Stock Option is granted, or if granted to a Ten Percent Employee, such exercise price shall not be less than 110% of such Fair Market Value at the time the Stock Option is granted. In no event, however, will the exercise price per share of a Stock Option be less than the par value per share of a Common Share.

(b) The Board shall determine the number of Class A Common Shares to be subject to each Stock Option. In the case of a Stock Option awarded in conjunction with an Associated Award, the number of Class A Common Shares subject to an outstanding Stock Option may be reduced on an appropriate basis to the extent that the Associated Award has been exercised, paid to or otherwise received by the Participant, as determined by the Board.

(c) Any Stock Option may be exercised during its term only at such time or times and in such installments as the Board may establish.

(d) A Stock Option shall not be exercisable:

(i) in the case of any Incentive Stock Option granted to a Ten Percent Employee, after the expiration of five years from the date it is granted, and, in the case of any other Stock Option, after the expiration of ten years from the date it is granted; and

(ii) unless payment in full is made for the shares being acquired thereunder at the time of exercise as provided in subsection 6(i).

(e) The Board shall determine in its discretion and specify in each agreement embodying a Stock Option the effect, if any, the termination of the Participant's employment with or performance of services for the Company shall have on the exercisability of the Stock Option; provided, however, that an Incentive Stock Option shall not be exercisable at a time that is beyond the time an Incentive Stock Option may be exercised in order to qualify as such under the Code.

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

(f) In the case of an Incentive Stock Option, the amount of the aggregate Fair Market Value of Class A Common Shares (determined at the time of grant of the Stock Option) with respect to which incentive stock options are exercisable for the first time by an employee of the Company during any calendar year (under all such plans of his employer corporation and its parent and subsidiary corporations) shall not exceed \$100,000.

(g) It is the intent of CompX that Nonqualified Stock Options granted under this Plan not be classified as Incentive Stock Options, that the Incentive Stock Options granted under this Plan be consistent with and contain or be deemed to contain all provisions required under Section 422 and the other appropriate provisions of the Code and any implementing regulations (and any successor provisions thereof), and that any ambiguities in construction shall be interpreted in order to effectuate such intent.

(h) A Purchased Option may contain such additional terms not inconsistent with this Plan, including but not limited to the circumstances under which the purchase price of such Purchased Option may be returned to the holder of the Purchased Option, as the Board may determine in its sole discretion.

(i) For purposes of payments made to exercise Stock Options, such payment shall be made in such form (including, but not limited to, cash, Class A Common Shares, the surrender of another outstanding Award under this Plan or any combination thereof) as the Board may determine in its discretion; provided, however, that for purposes of making such payment in Class A Common Shares, such shares shall be valued at their Fair Market Value on the day of exercise and shall have been held by the Participant for a period of at least six (6) months.

Section 7. Stock Appreciation Rights. The Board may grant Stock Appreciation Rights either alone, or in conjunction with Associated Awards, either at the time of grant or by amendment thereafter. Each Award of Stock Appreciation Rights granted under this Plan shall be evidenced by an agreement in such form as the Board shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Section 7 and this Plan, and with such other terms and conditions, including, but not limited to, restrictions upon the Award of Stock Appreciation Rights or the Class A Common Shares issuable upon exercise thereof, as the Board, in its discretion, shall establish.

(a) The Board shall determine the number of Class A Common Shares to be subject to each Award of Stock Appreciation Rights. In the case of an Award of Stock Appreciation Rights awarded in conjunction with an Associated Award, the number of Class A Common Shares subject to an outstanding Award of Stock Appreciation Rights may be reduced on an appropriate basis to the extent that the Associated Award has been exercised, paid to or otherwise received by the Participant, as determined by the Board.

(b) The Award of Stock Appreciation Rights shall not be exercisable:

(i) unless the Associated Award, if any, is at the time exercisable;

(ii) if the Associated Award is a Stock Option and the Fair Market Value per share of the Class A Common Shares on the exercise date does not exceed the exercise price per

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

share of such Stock Option; or

(iii) if the Associated Award is an Incentive Stock Option and the exercise of the Award of Stock Appreciation Rights would disqualify the Incentive Stock Option as such under the Code.

(c) The Board shall determine in its discretion and specify in each agreement embodying an Award of Stock Appreciation Rights the effect, if any, the termination of the Participant's employment with or performance of services for the Company shall have on the exercisability of the Award of Stock Appreciation Rights.

(d) An Award of Stock Appreciation Rights shall entitle the holder to exercise such Award or to surrender unexercised an Associated Award (or any portion of such Associated Award) to CompX and to receive from CompX in exchange thereof, without payment to CompX, that number of Class A Common Shares having an aggregate value equal to (or, in the discretion of the Board, less than) the excess of the Fair Market Value of one share, at the time of such exercise, over the exercise price, times the number of shares subject to the Award or the Associated Award, or portion thereof, that is so exercised or surrendered, as the case may be. The Board shall be entitled in its discretion to elect to settle the obligation arising out of the exercise of a Stock Appreciation Right by the payment of cash or Other CompX Securities or property, or other forms of payment or any combination thereof, as determined by the Board, equal to the aggregate value of the Class A Common Shares it would otherwise be obligated to deliver. Any such election by the Board shall be made as soon as practicable after the receipt by the Board of written notice of the exercise of the Stock Appreciation Right.

(e) A Stock Appreciation Right may provide that it shall be deemed to have been exercised at the close of business on the business day preceding the expiration date of the Stock Appreciation Right or of the related Stock Option (or other Award), or such other date as specified by the Board, if at such time such Stock Appreciation Right has a positive value. Such deemed exercise shall be settled or paid in the same manner as a regular exercise thereof as provided in subsection 7(d) hereof.

Section 8. Restricted Stock. The Board may grant Awards of Restricted Stock either alone, or in conjunction with Associated Awards, either at the time of grant or by amendment thereafter. Each Award of Restricted Stock under this Plan shall be evidenced by an agreement in such form as the Board shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Section and this Plan, and with such other terms and conditions as the Board, in its discretion, shall establish.

(a) The Board shall determine the number of Class A Common Shares to be issued to a Participant pursuant to the Award of Restricted Stock, and the extent, if any, to which they shall be issued in exchange for cash, other consideration, or both.

(b) Until the expiration of such period as the Board shall determine from the date on which the Award is granted and subject to such other terms and conditions as the Board in its discretion shall establish (the "Restricted Period"), a Participant to whom an Award of Restricted Stock is made shall be issued, but shall not be entitled to the delivery of, a stock certificate representing the Class A Common Shares subject to such Award.

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

(c) Unless otherwise determined by the Board in its discretion, a Participant to whom an Award of Restricted Stock has been made (and any person succeeding to such a participant's rights pursuant to this Plan) shall have, after issuance of a certificate for the number of Class A Common Shares awarded and prior to the expiration of the Restricted Period, ownership of such Class A Common Shares, including the right to vote such Class A Common Shares and to receive dividends or other distributions made or paid with respect to such Class A Common Shares (provided that such Class A Common Shares, and any new, additional or different shares, or Other CompX Securities or property, or other forms of consideration that the Participant may be entitled to receive with respect to such Class A Common Shares as a result of a stock split, stock dividend or any other change in the corporation or capital structure of CompX, shall be subject to the restrictions hereinafter described as determined by the Board in its discretion), subject, however, to the options, restrictions and limitations imposed thereon pursuant to this Plan.

(d) The Board shall determine in its discretion and specify in each agreement embodying an Award of Restricted Stock the effect, if any, the termination of the Participant's employment with or performance of services for the Company during the Restricted Period shall have on such Award of Restricted Stock.

Section 9. Performance Grants. The Board may grant Awards of Performance Grants either alone, or in conjunction with Associated Awards, either at the time of grant or by amendment thereafter. The Award of a Performance Grant to a Participant will entitle him to receive a specified amount determined by the Board (the "Actual Value"), if the terms and conditions specified in this Plan and in the Award are satisfied. Each Award of a Performance Grant shall be subject to the applicable terms and conditions of this Section and this Plan, and to such other terms and conditions, including but not limited to, restrictions upon any cash, Class A Common Shares, Other CompX Securities or property, or other forms of payment, or any combination thereof, issued with respect to the Performance Grant, as the Board, in its discretion, shall establish, and shall be embodied in an agreement in such form and substance as is determined by the Board.

(a) The Board shall determine the value or range of values of a Performance Grant to be awarded to each Participant selected for an Award and whether or not such a Performance Grant is granted in conjunction with an Associated Award. As determined by the Board, the maximum value of each Performance Grant (the "Maximum Value") shall be: (i) an amount fixed by the Board at the time the Award is made or amended thereafter, (ii) an amount that varies from time to time based in whole or in part on the then current value of the Class A Common Shares, Other CompX Securities or property, or other securities or property, or any combination thereof or (iii) an amount that is determinable from criteria specified by the Board. Performance Grants may be issued in different classes or series having different names, terms and conditions. In the case of a Performance Grant awarded in conjunction with an Associated Award, the Performance Grant may be reduced on an appropriate basis to the extent that the Associated Award has been exercised, paid to or otherwise received by the Participant, as determined by the Board.

(b) The award period ("Award Period") related to any Performance Grant shall be a period determined by the Board. At the time each Award is made, the Board shall establish performance objectives to be attained within the Award Period as the means of determining the Actual Value of such a Performance Grant. The performance objectives shall be based on such measure or measures of

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

performance, which may include, but need not be limited to, the performance of the Participant, the Company or one or more of its divisions or units, or any combination of the foregoing, as the Board shall determine, and may be applied on an absolute basis or be relative to industry or other indices or any combination thereof. The Actual Value of a Performance Grant shall be equal to its Maximum Value only if the performance objectives are attained in full, but the Board shall specify the manner in which the Actual Value of Performance Grants shall be determined if the performance objectives are met in part. Such performance measures, the Actual Value or the Maximum Value, or any combination thereof, may be adjusted in any manner by the Board in its discretion at any time and from time to time during or as soon as practicable after the Award Period, if it determines that such performance measures, the Actual Value or the Maximum Value, or any combination thereof, are not appropriate under the circumstances.

(c) The Board shall determine in its discretion and specify in each agreement embodying a Performance Grant the effect, if any, the termination of the Participant's employment with or performance of services for the Company during the Award Period shall have on such Performance Grant.

(d) The Board shall determine whether the conditions of a Performance Grant have been met and, if so, shall ascertain the Actual Value of the Performance Grant. If the Performance Grant has no Actual Value, the Award and such Performance Grant shall be deemed to have been canceled and the Associated Award, if any, may be canceled or permitted to continue in effect in accordance with its terms. If the Performance Grant has any Actual Value and:

(i) was not awarded in conjunction with an Associated Award, the Board shall cause an amount equal to the Actual Value of the Performance Grant earned by the Participant to be paid to him or his permitted assignee or Beneficiary; or

(ii) was awarded in conjunction with an Associated Award, the Board shall determine, in accordance with criteria specified by the Board (A) to cancel the Performance Grant, in which event no amount with respect thereto shall be paid to the Participant or his permitted assignee or Beneficiary, and the Associated Award may be permitted to continue in effect in accordance with its terms, (B) to pay the Actual Value of the Performance Grant to the Participant or his permitted assignee or Beneficiary as provided below, in which event the Associated Award may be canceled or (C) to pay to the Participant or his Beneficiary, the Actual Value of only a portion of the Performance Grants, in which event all or a portion of the Associated Award may be permitted to continue in effect in accordance with its terms or be canceled, as determined by the Board.

Such determination by the Board shall be made as promptly as practicable following the end of the Award Period or upon the earlier termination of employment or performance of services, or at such other time or times as the Board shall determine, and shall be made pursuant to criteria specified by the Board.

(e) Payment of any amount with respect to the Performance Grants that the Board determines to pay as provided above shall be made by CompX as promptly as practicable after the end of the Award Period or at such other time or times as the Board shall determine, and may be made in cash, Class A Common Shares, Other CompX Securities or

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

property, or other forms of payment, or any combination thereof or in such other manner, as determined by the Board in its discretion. Notwithstanding anything in this Section to the contrary, the Board may, in its discretion, determine and pay out the Actual Value of the Performance Grants at any time during the Award Period.

Section 10. Deferral of Compensation. The Board shall determine whether or not an Award shall be made in conjunction with the deferral of the Participant's salary, bonus or other compensation, or any combination thereof, and whether or not such deferred amounts may be:

(a) forfeited to the Company or to other Participants or any combination thereof, under certain circumstances (which may include, but need not be limited to, certain types of termination of employment or performance of services for the Company);

(b) subject to increase or decrease in value based upon the attainment of or failure to attain, respectively, certain performance measures; and/or

(c) credited with income equivalents (which may include, but need not be limited to, interest, dividends or other rates of return) until the date or dates of payment of the Award, if any.

Section 11. Deferred Payment of Awards. The Board may specify that the payment of all or any portion of cash, Class A Common Shares, Other CompX Securities or property, or any other form of payment, or any combination thereof, under an Award shall be deferred until a later date. Deferrals shall be for such periods or until the occurrence of such events, and upon such terms, as the Board shall determine in its discretion. Deferred payments of Awards may be made by undertaking to make payment in the future based upon the performance of certain investment equivalents (which may include, but need not be limited to, government securities, Class A Common Shares, other securities, property or consideration, or any combination thereof), together with such additional amounts of income equivalents (which may be compounded and may include, but need not be limited to, interest, dividends or other rates of return or any combination thereof) as may accrue thereon until the date or dates of payment, such investment equivalents and such additional amounts of income equivalents to be determined by the Board in its discretion.

Section 12. Transferability of Awards. Except as may be approved by the Board, a Participant's rights and interest under this Plan or any Award may not be assigned or transferred, hypothecated or encumbered in whole or in part either directly or by operation of law or otherwise (except in the event of a Participant's death), including, but not by way of limitation, execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner; provided, however, that any Incentive Stock Option granted pursuant to this Plan shall not be transferable other than by will or the laws of descent and distribution and shall be exercisable during the Participant's lifetime only by him.

Section 13. Amendment or Substitution of Awards under this Plan. The terms of any outstanding Award under this Plan may be amended or modified from time to time by the Board in its discretion in any manner that it deems appropriate (including, but not limited to, acceleration of the date of exercise of any Award and/or payments thereunder) if the Board could grant such amended or modified Award under the terms of this Plan at the time of such amendment or modification; provided that no such amendment or modification shall adversely affect in a material manner any right of a Participant under the Award without his written consent, unless the Board determines in its discretion that there have occurred or are about to occur significant changes in the Participant's position, duties or responsibilities, or significant changes in economic, legislative, regulatory, tax, accounting or cost/benefit conditions that are

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

determined by the Board in its discretion to have or to be expected to have a substantial effect on the performance of the Company, or any affiliate, division or department thereof, on this Plan or on any Award under this Plan. The Board may, in its discretion, permit holders of Awards under this Plan to surrender outstanding Awards in order to exercise or realize the rights under other Awards, or in exchange for the grant of new Awards, or require holders of Awards to surrender outstanding Awards as a condition precedent to the grant of new Awards under this Plan.

Section 14. Termination of a Participant. For all purposes under this Plan, the Board shall determine whether a Participant has terminated employment with, or the performance of services for, the Company; provided, however, an absence or leave approved by the Company, to the extent permitted by applicable provisions of the Code, shall not be considered an interruption of employment or performance of services for any purpose under this Plan.

Section 15. Dilution and Other Adjustments. In the event of any change in the outstanding Class A Common Shares by reason of any stock split, dividend, split-up, split-off, spin-off, recapitalization, merger, consolidation, rights offering, reorganization, combination or exchange of shares, a sale by CompX of all or substantially all of its assets, any distribution to stockholders other than a normal cash dividend, or other extraordinary or unusual event, if the Board shall determine, in its discretion, that such change equitably requires an adjustment in the terms of any Award or the number of Class A Common Shares available for Awards, such adjustment may be made by the Board and shall be final, conclusive and binding for all purposes of this Plan. Each adjustment made pursuant to this Section shall be made with a view toward preserving the value of the affected Award had prior to the event or transaction giving cause to such adjustment.

In the event of the proposed dissolution or liquidation of CompX, all outstanding Awards shall terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board. In the event of a proposed sale of all or substantially all of the assets of CompX or the merger of CompX with or into another corporation, all restrictions on any outstanding Awards shall lapse and Participants shall be entitled to the full benefit of all such Awards immediately prior to the closing date of such sale or merger, unless otherwise provided by the Board.

Section 16. Designation of Beneficiary by Participant. A Participant may name a beneficiary to receive any payment to which he may be entitled with respect to any Award under this Plan in the event of his death, on a written form to be provided by and filed with the Board, and in a manner determined by the Board in its discretion (a "Beneficiary"). The Board reserves the right to review and approve Beneficiary designations. A Participant may change his Beneficiary from time to time in the same manner, unless such Participant has made an irrevocable designation. Any designation of a Beneficiary under this Plan (to the extent it is valid and enforceable under applicable law) shall be controlling over any other disposition, testamentary or otherwise, as determined by the Board in its discretion. If no designated Beneficiary survives the Participant and is living on the date on which any amount becomes payable to such a Participant's Beneficiary, such payment will be made to the legal representatives of the Participant's estate, and the term "Beneficiary" as used in this Plan shall be deemed to include such person or persons. If there are any questions as to the legal right of any Beneficiary to receive a distribution under this Plan, the Board in its discretion may determine that the amount in question be paid to the legal representatives of the estate of the Participant, in which event the Company, the Board, the Committee, the Designated Administrator (if any), and the members thereof, will have no further liability to anyone with respect to such amount.

Section 17. Financial Assistance. If the Board determines that such

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

action is advisable, the Company may assist any Participant in obtaining financing from the Company (or under any program of the Company approved pursuant to applicable law), or from a bank or other third party, on such terms as are determined by the Board, and in such amount as is required to accomplish the purposes of this Plan, including, but not limited to, to permit the exercise of an Award, the participation therein, and/or the payment of any taxes with respect thereto. Such assistance may take any form that the Board deems appropriate, including, but not limited to, a direct loan from the Company, a guarantee of the obligation by the Company or the maintenance by the Company of deposits with such bank or third party.

Section 18. Miscellaneous Provisions.

(a) Any proceeds from Awards shall constitute general funds of CompX.

(b) No fractional shares may be delivered under an Award, but in lieu thereof a cash or other adjustment shall be made as determined by the Board in its discretion.

(c) No Eligible Person or other person shall have any claim or right to be granted an Award under this Plan. Determinations made by the Board under this Plan need not be uniform and may be made selectively among Eligible Persons under this Plan, whether or not such Eligible Persons are similarly situated. Neither this Plan nor any action taken hereunder shall be construed as giving any Eligible Person any right to continue to be employed by or perform services for the Company, and the right to terminate the employment of or performance of services by Eligible Persons at any time and for any reason is specifically reserved.

(d) No Participant or other person shall have any right with respect to this Plan, the Class A Common Shares reserved for issuance under this Plan or in any Award, contingent or otherwise, until written evidence of the Award shall have been delivered to the recipient and all the terms, conditions and provisions of this Plan and the Award applicable to such recipient (and each person claiming under or through him) have been met.

(e) No Class A Common Shares, Other CompX Securities or property, other securities or property or other forms of payment shall be issued hereunder with respect to any Award unless counsel for CompX shall be satisfied that such issuance will be in compliance with applicable law and any applicable rules of any stock exchange or other market quotation system on which Class A Common Shares are listed.

(f) It is the intent of CompX that this Plan comply in all respects with Rule 16b-3 with respect to Awards granted to executive officers of CompX, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with Rule 16b-3, such provision shall be deemed null and void with respect to Awards granted to executive officers of CompX to the extent required to permit such Awards to comply with Rule 16b-3. It is also the intent of CompX that this Plan comply in all respects with the provisions of the Code providing favorable treatment to Incentive Stock Options, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with the Incentive Stock Option provisions of the Code, such provision shall be deemed null and void with respect to Incentive Stock Options granted to employees of the Company to the extent required to permit such

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

Incentive Stock Options to receive favorable treatment under the Code.

(g) The Company shall have the right to deduct from any payment made under this Plan any federal, state, local or foreign income or other taxes required by law to be withheld with respect to such payment. It shall be a condition to the obligation of CompX to issue Class A Common Shares, Other CompX Securities or property, other securities or property, or other forms of payment, or any combination thereof, upon exercise, settlement or payment of any Award under this Plan, that the Participant (or any Beneficiary or person entitled to act) pay to CompX, upon its demand, such amount as may be required by the Company for the purpose of satisfying any liability to withhold federal, state, local or foreign income or other taxes. If the amount requested is not paid, CompX may refuse to issue Class A Common Shares, Other CompX Securities or property, other securities or property, or other forms of payment, or any combination thereof. Notwithstanding anything in this Plan to the contrary, the Board may, in its discretion, permit an Eligible Person (or any Beneficiary or person entitled to act) to elect to pay a portion or all of the amount requested by the Company for such taxes with respect to such Award, at such time and in such manner as the Board shall deem to be appropriate (including, but not limited to, by authorizing CompX to withhold, or agreeing to surrender to CompX on or about the date such tax liability is determinable, Class A Common Shares, Other CompX Securities or property, other securities or property, or other forms of payment, or any combination thereof, owned by such person or a portion of such forms of payment that would otherwise be distributed, or have been distributed, as the case may be, pursuant to such Award to such person, having a Fair Market Value equal to the amount of such taxes).

(h) The expenses of this Plan shall be borne by the Company; provided, however, the Company may recover from a Participant or his Beneficiary, heirs or assigns any and all damages, fees, expenses and costs incurred by the Company arising out of any actions taken by a Participant in breach of this Plan or any agreement evidencing such Participant's Award.

(i) This Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Award under this Plan, and rights to the payment of Awards shall be no greater than the rights of the Company's general creditors.

(j) By accepting any Award or other benefit under this Plan, each Participant and each person claiming under or through him shall be conclusively deemed to have indicated his acceptance and ratification of, and consent to, any action taken under this Plan by the Company, the Board, the Committee (if applicable) or the Designated Administrator (if applicable).

(k) The appropriate officers of the Company shall cause to be filed any reports, returns or other information regarding Awards hereunder of any Class A Common Shares issued pursuant hereto as may be required by applicable law and any applicable rules of any stock exchange or other market quotation system on which Class A Common Shares are listed.

(l) The validity, construction, interpretation, administration and effect of this Plan, and of its rules and regulations, and rights relating to this Plan and to Awards granted under this Plan, shall be governed by the substantive laws, but not the choice of law rules, of the State of Delaware.

Edgar Filing: COMPX INTERNATIONAL INC - Form DEF 14A

(m) Records of the Company shall be conclusive for all purposes under this Plan or any Award, unless determined by the Board to be incorrect.

(n) If any provision of this Plan or any Award is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of this Plan or any Award, but such provision shall be fully severable, and this Plan or Award, as applicable, shall be construed and enforced as if the illegal or invalid provision had never been included in this Plan or Award, as applicable.

(o) The terms of this Plan shall govern all Awards under this Plan and in no event shall the Board have the power to grant any Award under this Plan that is contrary to any of the provisions of this Plan.

(p) For purposes of interpretation of this Plan, the masculine pronoun includes the feminine and the singular includes the plural wherever appropriate.

Section 19. Plan Amendment or Suspension. This Plan may be amended or suspended in whole or in part at any time from time to time by the Board. No amendment of this Plan shall adversely affect in a material manner any right of any Participant with respect to any Award previously granted without such Participant's written consent, except as permitted under Section 13.

Section 20. Plan Termination. This Plan shall terminate upon the earlier of the following dates or events to occur:

(a) upon the adoption of a resolution of the Board terminating this Plan; or

(b) the tenth anniversary of the Effective Date; provided, however, that the Board may, prior to such date, extend the term of this Plan for an additional period of up to five years for the grant of Awards other than Incentive Stock Options. No termination of this Plan shall materially alter or impair any of the rights or obligations of any person, without his consent, under any Award previously granted under this Plan, except that subsequent to termination of this Plan, the Board may make amendments or modifications permitted under Section 13.

Section 21. Effective Date. This Plan shall be effective, and Awards may be granted under this Plan, on or after the Effective Date; provided, however, if this Plan is not approved by at least a majority of the votes cast by the stockholders of CompX at a meeting of stockholders at which a quorum is present within one year after the Effective Date then, in such event, this Plan and all Awards granted pursuant to this Plan shall be null and void.
