PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

WEDNESDAY, APRIL 10, 2013

This proxy statement (the “Proxy Statement”) is furnished to shareholders of Silver Bull Resources, Inc. (“Silver Bull” or the “Company”) in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Silver Bull, on behalf of the Company, to be voted at the Annual Meeting of Shareholders (the “Meeting”). The Meeting will be held at the Metropolitan Hotel Vancouver, 645 Howe Street, Vancouver, British Columbia V6C 2Y9 on Wednesday, April 10, 2013 at 1:30 p.m. local time, or at any adjournment or postponement thereof. The Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement, the accompanying proxy card and the Notice of Annual Meeting of Shareholders, as well as the Company’s Annual Report on Form 10-K, as amended, for the year ended October 31, 2012 (collectively, the “Proxy Materials”), are first being mailed to shareholders beginning on or about Thursday, February 28, 2013.

The solicitation of proxies by the Board of the Company will be made primarily by mail, but solicitation may be made by telephone or in person, with the cost of all solicitation to be borne by the Company. While no arrangements have been made to date, the Company may contract for the solicitation of proxies for the Meeting. Such arrangements would include customary fees, which would be borne by the Company.

All references to currency in this Proxy Statement are in U.S. dollars, unless otherwise indicated.

ABOUT THE ANNUAL MEETING

Why am I receiving this proxy statement and proxy card?

You have received these proxy materials because the Board is soliciting your proxy to vote your shares at the Meeting. This proxy statement describes issues on which we would like you to vote at our annual meeting of shareholders. It also provides you with information on these issues so that you may make an informed decision on the proposals to be voted on at the Meeting. The costs of the solicitation will be borne by the Company. Proxies may be solicited personally or by mail, telephone or facsimile by directors, officers and regular employees of the Company, none of whom will receive any additional compensation for such solicitations. The Company will reimburse banks, brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses incurred in sending the proxy materials to beneficial owners of the shares. The proposed corporate actions on which the shareholders are being asked to vote are not corporate actions for which shareholders of a Nevada corporation have the right to dissent under the Nevada Private Corporations Chapter of the Nevada Revised Statutes, Nev. Rev. Stat. 78.

What is the purpose of the annual meeting of shareholders?

At our annual meeting, shareholders will vote on the following items of business:

1. Elect six (6) directors, each to serve until the next annual meeting of shareholders of the Company or until their successors are elected and qualified; and
-

2. Ratify and approve the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ended October 31, 2013.

You will also vote on such other matters as may properly come before the meeting or any postponement(s) or adjournment(s) thereof.

What are the Board's recommendations?

Our Board recommends that you vote:

1. "FOR" the election of the six (6) nominated directors; and
2. "FOR" the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2013.

With respect to any other matter that properly comes before the Meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, at their own discretion.

What shares are entitled to vote?

As of Friday, February 22, 2013, the record date for the meeting, we had 159,072,657 shares of common stock outstanding. Each share of our common stock outstanding on the record date is entitled to one vote on all items being voted on at the Meeting. You can vote all of the shares that you owned on the record date. These shares include: (1) shares held directly in your name as the shareholder of record; and (2) shares held for you as the beneficial owner through a broker, bank or other nominee.

What is required to approve each item?

1. For Proposal No. 1 (election of directors), six (6) candidates will be elected by a plurality of affirmative votes. That is, the six (6) candidates that receive the highest number of affirmative votes will be elected to serve on our Board.
2. For Proposal No. 2 (ratification of independent auditors), the affirmative vote of the holders of a majority of the shareholders' shares present in person or represented by proxy at the meeting and entitled to vote, is required.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most shareholders hold their shares through a broker, bank or other holder of record rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record. If your shares are registered directly in your name with our transfer agent, Corporate Stock Transfer, Inc., you are considered, with respect to those shares, the shareholder of record, and we are sending these proxy materials directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to the named proxy holder or to vote in person at the meeting. We have enclosed a proxy card for you to use.

Beneficial Owner. If your shares are held through a broker, bank, or other holder of record you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you from that holder together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, bank or

other holder of record how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not necessarily the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the broker, bank or other holder of record that holds your shares, giving you the right to vote the shares at the meeting. Your broker, bank or other holder of record has enclosed or provided voting instructions for you to use in directing the broker, bank or other holder of record how to vote your shares.

Who may attend the annual meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the annual meeting. If you are not a shareholder of record but hold shares through a broker or bank (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement as of Friday, February 22, 2013, a copy of the voting instruction card provided by your broker, bank or other holder of record, or other similar evidence of ownership. Cameras, recording devices and other electronic devices will not be permitted at the annual meeting.

How may I vote my shares in person at the annual meeting?

Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or other holder of record that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions prior to the meeting as described below so that your vote will be counted if you later decide not to attend the annual meeting.

How may I vote my shares without attending the annual meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a stockholder of record, you may vote your shares by either completing, signing and returning the accompanying proxy card or casting your vote via a toll-free telephone number at 1-800-690-6903 or over the Internet at www.proxyvote.com at least 48 hours prior to the meeting and any adjournment(s) or postponement(s) thereof (excluding Saturdays, Sundays, and holidays). If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other holder of record. For directions on how to vote, please refer to the instructions included in the Notice or, for shares held beneficially in street name, the voting instruction card provided by your broker, bank or other holder of record.

Proxies submitted properly by one of the methods discussed above will be voted in accordance with the instructions contained therein. If the proxy is submitted but voting directions are not provided, the proxy will be voted "FOR" each of the six (6) director nominees, and "FOR" the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2013, and in such manner as the proxy holders named on the proxy, in their discretion, determine upon such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

If your shares are held through a broker, bank or other nominee (collectively referred to as "brokers"), the broker will vote your shares according to the specific instructions it receives from you. If the broker does not receive voting instructions from you, the broker may vote only on a proposal that is considered a "routine" matter. The election of directors is not a "routine" matter on which your broker may vote without your instructions. At this year's annual meeting, your broker may vote without your instructions only on the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2013. The broker's failure to vote on the election of directors because it lacks discretionary authority to do so, commonly referred to as a "broker non-vote," will not affect the outcome of the vote on the election of directors or the ratification of the independent public accounting firm.

May I change my vote or revoke my proxy after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change the votes you cast or revoke your proxy at any time before the votes are cast at the meeting by: (1) delivering a written notice of your revocation to our principal executive office, 925 West Georgia Street, Suite 1908 Vancouver, British Columbia V6C 3L2; or (2) executing and delivering a later dated proxy. In addition, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the annual meeting will not by itself revoke a previously granted proxy.

What is a "broker non-vote"?

Brokers, banks or other holders of record are not permitted to vote in the election of directors if the broker has not received instructions from the beneficial owner. In these cases, the broker can register your shares as being present at the annual meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required. This is called a "broker non-vote." If you are a beneficial owner whose

shares are held of record by a broker, bank or other holder of record, you must instruct the broker, bank or other holder of record how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any non-routine proposal on which the broker does not have discretionary authority to vote. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

What constitutes a quorum?

The presence, in person or by proxy, of one-third of the shares of Common Stock outstanding as of the record date constitutes a quorum for the transaction of business at the Meeting. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Meeting, the Meeting may be adjourned in order to permit further solicitation of proxies. Abstentions and broker non-votes will count towards quorum requirements.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that you hold shares registered in more than one name or brokerage account. You should sign and return all proxies for each proxy card that you receive in order to ensure that all of your shares are voted.

How may I vote on each of the proposals?

For the election of directors pursuant to Proposal One, you may vote “FOR” any nominee, or you may indicate that you wish to withhold authority to vote for one or more of the nominees being proposed. For Proposal Two, you may vote “FOR” or “AGAINST” the proposal, or you may indicate that you wish to “ABSTAIN” from voting on the proposal.

Who will count the proxy votes?

Votes will be counted by Broadridge Financial Solutions, Inc., whom we have retained to act as the inspector of election for the annual meeting.

How will abstentions be counted?

Because the election of directors requires only a plurality vote, abstentions will have no impact upon the election of directors. With regard to the ratification of the independent public accounting firm, abstentions will be counted as votes against the proposal.

How will voting on any other business be conducted?

We do not expect any matters to be presented for a vote at the Meeting other than the matters described in this proxy statement. If you grant a proxy, either of the officers named as proxy holder, Brian Edgar or Timothy Barry, will have the discretion to vote your shares on any additional matters that are properly presented for a vote at the meeting.

How do I submit a stockholder proposal for consideration at next year’s annual meeting?

Please refer to the “Shareholder Proposals” section below for detailed information on the submission of shareholder proposals and instructions for the submission of shareholder proposals.

The Company has not implemented a majority voting policy for the election of directors. The Board seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight obligations effectively. The Company's Corporate Governance and Nominating Committee is charged with identifying, screening and/or appointing persons to serve on the Board. In identifying Board candidates, it is the Company's goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of a company of the Company's nature while also reviewing other appropriate factors. The Board believes that the process in place to identify candidates and elect directors allows the most qualified candidates to be appointed independently.

The Company believes that each of the persons standing for election to the Board at the Meeting has the experience, qualifications, attributes and skills that, when taken as a whole, will enable the Board to satisfy its oversight responsibilities effectively. With regard to the Board nominees, the following factors were among those considered that led to the Board's conclusion that each would make valuable contributions to the Board:

- Brian Edgar: The Board believes that Mr. Edgar is qualified to serve as a director of the Company because of his extensive executive level experience working with junior and mid-size natural resource companies, as well as his experience with and general knowledge of the capital markets.
- Timothy Barry: The Board believes that Mr. Barry is qualified to serve as a director of the Company because of his geological education and background, and his significant experience with junior and mid-size natural resources companies.
- Joshua Crumb: The Board believes that Mr. Crumb is qualified to serve as a director of the Company because of his extensive experience in the mining industry, including valuation and analysis of mineral projects and analysis of commodity prices, as well as his education and general knowledge of the mining industry.
- Murray Hitzman: The Board believes that Mr. Hitzman is qualified to serve as a director of the Company because of his extensive experience in the mining sector and his experience as serving as a director of public companies with international projects.
- Daniel Kunz: The Board believes that Mr. Kunz is qualified to serve as a director of the Company because of his significant experience in international mining, engineering and construction projects, and his many years of senior management and director experience.
- John McClintock: The Board believes that Mr. McClintock is qualified to serve as a director of the Company because of his significant experience in all facets of the mineral exploration business, which includes managing large exploration organizations, as well as his education and general knowledge of the exploration industry.

Involvement in Certain Legal Proceedings

During the past ten years none of the persons currently serving as executive officers and/or directors of the Company has been the subject matter of any of the following legal proceedings that are required to be disclosed pursuant to Item 401(f) of Regulation S-K, including: (a) any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time; (b) any criminal convictions; (c) any order, judgment, or decree permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities; (d) any finding by a court, the SEC or the CFTC to have violated a federal or state securities or commodities law, any law or regulation respecting financial institutions or insurance companies, or any law or regulation prohibiting mail or wire fraud; or (e) any sanction or order of any self-regulatory organization or registered entity or equivalent exchange, association or entity. Further, no such legal proceedings are believed to be contemplated by governmental authorities against any director or executive officer.

Transactions with Related Persons

Pursuant to its charter, our Audit Committee reviews and approves all related party transactions on an ongoing basis. The following sets out information regarding transactions between the Company and its officers, directors and

significant shareholders since November 1, 2011.

Employment and Independent Contractor Agreements

Each of our current executive officers has entered into an employment agreement with the Company. The terms of the employment agreements with Messrs. Edgar, Barry and Fallis, and the independent contractor agreement under which Mr. Jason Cunliffe formerly provided services to the Company, are described below under the heading Executive Compensation.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors and persons who own more than 10% of the Company's outstanding Common Stock to file reports of ownership with the Securities and Exchange Commission ("SEC"). Directors, officers, and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of Forms 3, 4 and 5, and amendments thereto, furnished to the Company during and for the Company's year ended October 31, 2012, and as of February 22, 2013, there were no directors, officers or more than 10% shareholders of the Company who failed to timely file a Form 3, 4 or 5.

Independence of the Board

The Company's Board consists of Timothy Barry, Brian Edgar, Murray Hitzman, Daniel Kunz, Joshua Crumb and John McClintock. The same Board is nominated by the Company for re-election at the Meeting. Each of Mr. Crumb, Mr. Hitzman, Mr. Kunz and Mr. McClintock is considered "independent" as that term is defined in Section 803A of the NYSE MKT Company Guide and Section 311 of the TSX Company Manual. Nicole Adshead-Bell and Duncan Hsia also served as directors of the Board until April 11, 2012, the date of our last annual meeting, and were considered "independent" as that term is defined in Section 803A of the NYSE MKT Company Guide and Section 311 of the TSX Company Manual through that date.

Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Until April 2010, Merlin Bingham served as the Company's Chief Executive Officer and Chairman of the Board; however, since April 16, 2010 different persons have served in each of those positions. Currently, Brian Edgar is the Company's Chairman of the Board, while Timothy Barry serves as the Company's Chief Executive Officer. The Board believes that this leadership structure is appropriate as Mr. Edgar and Mr. Barry bring complimenting attributes to the Company's business operations and strategic plans and generally are focused on somewhat different aspects of the Company's operations. Mr. Barry, with his geological background and experience, has a greater depth of knowledge regarding the Company's exploration activities, while Mr. Edgar has a significant amount of experience with mid-sized and junior level exploration and mining companies and with the Canadian capital markets.

Although Mr. Edgar does not work full-time for the Company, he does devote a significant portion of his time to the day-to-day affairs of, and plays a key policy-making role for, the Company. For this reason, the Company views Mr. Edgar as one of its executive officers.

Also, the Board does not have a formal policy with respect to the consideration of diversity when assessing directors and directorial candidates but considers diversity as part of its overall assessment of the Board's functioning and needs.

Board's Role in Risk Oversight

Company management is charged with the day-to-day management of risks the Company faces. However, the Board, directly and through its committees, is actively involved in the oversight of the Company's risk management policies. The Audit Committee is charged with overseeing enterprise risk management, generally, and with reviewing and discussing with management the Company's major risk exposures (whether financial, operating or otherwise) and the steps management has taken to monitor, control and manage these exposures, including the Company's risk assessment and risk management guidelines and policies. The Audit Committee reports to the Board regarding the foregoing matters, and the Board ultimately approves any changes in corporate policies, including those pertaining to risk management. Additionally, the Compensation Committee oversees the Company's compensation policies generally, in part to determine whether they create risks that are reasonably likely to have a material adverse effect on the Company. The Audit Committee and the Compensation Committee correspond with, and report to, management and the Board.

Meetings of the Board and Committees

Board of Directors

The Company's Board held 15 meetings during the year ended October 31, 2012, and four additional meetings during the current fiscal year. Such meetings consisted of both actions taken by the unanimous written consent of the directors and live meetings at which the directors were present in person or by telephone. All of the Company's directors attended at least 75% of the Board meetings conducted during the fiscal year ended October 31, 2012, except for Mr. Hitzman who attended 73% of the Board meetings. The Company does not have a formal policy with regard to board members' attendance at annual meetings but encourages them to attend shareholder meetings. Messrs. Edgar, Barry and McClintock attended last year's annual meeting of shareholders.

Audit Committee

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The following persons serve on our Audit Committee, each of whom is considered "independent" under Section 803A of the NYSE Amex Company Guide and Rule 10A-3 of the Exchange Act: Joshua Crumb, John McClintock and Daniel Kunz. Mr. Kunz is the "financial expert" for the Audit Committee.

The Audit Committee held five meetings during the year ended October 31, 2012, and has held two meetings during the current fiscal year. All of the members attended the meetings in person or by telephone. On May 1, 2006, the Board adopted a written charter for the Audit Committee, which was amended February 14, 2012. The Audit Committee charter is available on our website at www.silverbullresources.com.

Compensation Committee

The Company's Compensation Committee consists of Murray Hitzman, John McClintock and Daniel Kunz, each of whom is considered "independent" under Section 803A of the NYSE MKT Company Guide and under the new Section 805 of the NYSE MKT Company Guide, which goes into effect July 1, 2013. The Compensation Committee held five meetings during the year ended October 31, 2012, some of which were held by unanimous written consent, and has held two additional meetings during the current fiscal year. Such meetings consisted of both actions taken by unanimous written consent of the Compensation Committee and live meetings at which the members of the Compensation Committee were present in person or by telephone. The Compensation Committee has not engaged the services of or paid a fee to any third party to evaluate or assist with the evaluation of the Company's compensation arrangements.

Duties of the Compensation Committee include reviewing and making recommendations regarding compensation of executive officers and determining the need for and the appropriateness of employment or independent contractor agreements for senior executives. This includes the responsibility: (1) to determine, review and approve on an annual basis the corporate goals and objectives with respect to compensation for the senior executives; and (2) to evaluate at least once a year the performance of the senior executives in light of the established goals and objectives and, based upon these evaluations, to determine the annual compensation for each, including salary, bonus, incentive and equity compensation. The Compensation Committee has authority to retain such compensation consultants, outside counsel and other advisors as the Committee in its sole discretion deems appropriate. The Committee may also invite the executive officers and other members of management to participate in their deliberations, or to provide information to the Committee for its consideration with respect to such deliberations, except that the chief executive officer may not be present for the deliberation of or the voting on compensation for the Chief Executive Officer. The Chief Executive Officer may, however, be present for the deliberation of or the voting on compensation for any other officer.

The Compensation Committee also has the authority and responsibility: (1) to review the fees paid to independent directors for service on the Board and its committees, and make recommendations to the board with respect thereto (however disinterested members of the board ultimately determine the fees paid to the independent directors); and (2) to review the Company's incentive compensation and other stock-based plans and recommend changes in such plans to the board as needed.

The Compensation Committee is authorized to delegate any of its responsibilities to a subcommittee as the Compensation Committee deems appropriate. The Compensation Committee's charter was adopted by the Board on May 1, 2006 and amended on December 5, 2006 and February 22, 2013. The charter is available on our web site at www.silverbullresources.com.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee served as an employee of the Company during the year ended October 31, 2012 (or subsequently). No current member of Compensation Committee formerly served as an officer of the Company, and none of the current members of the Compensation Committee have entered into a transaction with the Company in which they had a direct or indirect interest that is required to be disclosed pursuant to Item 404(a) of Regulation S-K. During the past year, no executive officer of the Company served as a director or on the compensation committee of another entity whose executive officer also served on the Company's Board or Compensation Committee.

Corporate Governance and Nominating Committee

The Company's Corporate Governance and Nominating Committee consists of Daniel Kunz, Murray Hitzman and Joshua Crumb, each of whom is considered "independent" under Section 803A of the NYSE MKT Company Guide. Duties of the Corporate Governance and Nominating Committee include oversight of the process by which individuals may be nominated to our Board. Our Corporate Governance and Nominating Committee's charter was adopted by the Board on May 1, 2006 and amended on July 7, 2006 and February 22, 2013 and is available on our web site at www.silverbullresources.com.

The functions performed by the Corporate Governance and Nominating Committee include identifying potential directors and making recommendations as to the size, functions and composition of the Board and its committees. In making nominations, our Corporate Governance and Nominating Committee is required to submit candidates who have the highest personal and professional integrity, who have demonstrated exceptional ability and judgment and who shall be most effective, in conjunction with the other nominees to the board, in collectively serving the long-term interests of the shareholders.

The Corporate Governance and Nominating Committee will consider nominees proposed by our shareholders. To recommend a prospective nominee for the Corporate Governance and Nominating Committee's consideration, you may submit the candidate's name by delivering notice in writing to Silver Bull Resources, Inc., Attention: Corporate Governance and Nominating Committee, 925 West Georgia Street, Suite 1908, Vancouver, British Columbia V6C 3L2.

A shareholder nomination submitted to the Corporate Governance and Nominating Committee must include at least the following information (and can include such other information the person submitting the recommendation desires to include), and must be submitted to the Company by the date mentioned in the most recent proxy statement under the heading Shareholder Proposals, as such date may be amended in cases where the annual meeting has been changed as contemplated in SEC Rule 14a-8(e), Question 5:

- (i) The name, address, telephone number, fax number and e-mail address of the person submitting the recommendation.
- (ii) The number of shares and description of the Company voting securities held by the person submitting the nomination and whether such person is holding the shares through a brokerage account (and if so, the name of the broker-dealer) or directly.

- (vi) Information regarding the share ownership of the proposed nominee required by Item 403 of Regulation S-K.
- (vii) Information regarding certain relationships and related party transactions of the proposed nominee as required by Item 404 of Regulation S-K.
- (viii) The signed consent of the proposed nominee in which he or she: (a) consents to being nominated as a director of the Company if selected by the nominating committee; (b) states his or her willingness to serve as a director if elected for compensation not greater than that described in the most recent proxy statement; (c) states whether the proposed nominee is

“independent” as defined by Section 803A of the NYSE MKT Company Guide; and (d) attests to the accuracy of the information submitted pursuant to paragraphs (i) through (vii), above.

Although the information may be submitted by fax, e-mail, mail or courier, the Corporate Governance and Nominating Committee must receive the proposed nominee’s signed consent, in original form, within ten days of making the nomination.

When the information required above has been received, the Corporate Governance and Nominating Committee will evaluate the proposed nominee based on the criteria described below, with the principal criteria being the needs of the Company and the qualifications of such proposed nominee to fulfill those needs. No shareholder nominations were received in connection with the Meeting.

The process for evaluating a director nominee is the same whether a nominee is recommended by a shareholder or by an existing officer or director. The Corporate Governance and Nominating Committee will:

- (1) Establish criteria for selection of potential directors, taking into consideration the following attributes which are desirable for a member of our Board: leadership, independence, interpersonal skills, financial acumen, business experiences, industry knowledge and diversity of viewpoints. The Corporate Governance and Nominating Committee will periodically assess the criteria to ensure it is consistent with best practices and the goals of the Company;

- (2) Identify individuals who satisfy the criteria for selection to the Board and, after consultation with the Chairman of the Board, make recommendations to the Board on new candidates for Board membership; and
- (3) Receive and evaluate nominations for Board membership which are recommended by existing directors, corporate officers or shareholders in accordance with policies set by the Corporate Governance and Nominating Committee and applicable laws.

The Corporate Governance and Nominating Committee held one telephonic meeting during the year ended October 31, 2012 and has held one telephonic meeting during the current fiscal year. The Corporate Governance and Nominating Committee has nominated Brian Edgar, Timothy Barry, Joshua Crumb, John McClintock, Daniel Kunz and Murray Hitzman to stand for re-election at the Meeting. The Company has not engaged the services of or paid a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees.

Environmental Health and Safety Committee:

The Company's Environmental Health and Safety Committee consists of Murray Hitzman, Joshua Crumb and John McClintock. The Environmental Health and Safety Committee did not hold any meetings during the year ended October 31, 2012, nor has it held any meetings during the current fiscal year.

Shareholder Communication with the Board

The Company values the views of its shareholders (current and future shareholders, employees and others). Accordingly, the Board established a system through its Audit Committee to receive, track and respond to communications from shareholders addressed to the Company's Board or to its Non-Management Directors. Any shareholder who wishes to communicate with the Board or the Non-Management Directors may write to:

COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis describes the material elements of compensation for the executive officers identified in the Summary Compensation Table contained above (the “named executive officers”).

The Compensation Committee of the Board (the “Committee”) reviews and approves the total direct compensation packages for each of our executive officers. Notably, the salary and other benefits payable to those persons who served as our named executive officers during the year ended October 31, 2012 are set forth in employment or independent contractor agreements which are discussed below. Stock option grants, as applicable to the named executive officers, are reviewed by the Committee and approved by the Board.

The principle objectives that guide the Committee in its deliberations regarding executive compensation matters include:

- attracting and retaining highly qualified executives who share our Company values and commitment by designing the total compensation package to be fair and competitive;
- providing executives with contractual terms that offer them reasonable security; and
- motivating executives to provide excellent leadership and achieve Company goals by linking short-term and long-term incentives to the achievement of business objectives, thereby aligning the interests of executives and shareholders.

The primary elements of compensation to our named executive officers are cash compensation and equity compensation in the form of stock option grants, each of which are further described below.

In April 2011, we held a shareholder advisory vote on the compensation of our named executive officers, commonly referred to as a “say-on-pay” vote. Our shareholders overwhelmingly approved the compensation of our named executive officers, with over 95% of shareholder votes cast in favor of our say-on-pay resolution. As we evaluated our compensation practices throughout fiscal year 2012, we were mindful of the strong support our shareholders expressed for our philosophy of linking compensation to our operating objectives and the enhancement of shareholder value. As a result, our Committee decided to retain our general approach to executive compensation, with an emphasis on short and long-term incentive compensation that rewards our executives when they deliver value for our shareholders. In addition, our shareholders recommended, in a non-binding vote, that shareholder advisory votes on the compensation of our executive officers be held every three years. Approximately 60% of the votes cast were voted in favor of a three-year frequency. Accordingly, the Board adopted the shareholders’ recommendation to hold the say-on-frequency vote every three years. The next advisory vote on executive compensation matters will be in 2014.

The Compensation Committee evaluates executive performance and makes salary adjustments, discretionary bonus determinations and equity awards. For calendar year 2013, the Compensation Committee approved a discretionary bonus of CDN\$30,000 to Mr. Barry for his performance during calendar year 2012. In awarding this bonus, the Committee considered, among other things, Mr. Barry's oversight of the continued advancement of the Sierra Mojada project, satisfactory compliance with legal requirements impacting the project, and his efforts toward completion of an equity financing. The Committee also approved a discretionary bonus of CDN\$30,000 to Mr. Fallis for his performance during calendar year 2012. In awarding his bonus, the Committee considered, among other things, Mr. Fallis' oversight of accounting and administrative staff in Mexico and Gabon as well as his success in collecting a significant portion of the outstanding value added taxes receivable in Mexico. Mr. Edgar was not awarded a discretionary bonus for calendar year 2012.

Cash Compensation Payable to our Named Executive Officers

Our named executive officers receive a base salary payable in accordance with our normal payroll practices. The base salaries of our executive officers are set forth in employment agreements between the Company and each officer. Based on the Committee's knowledge of the industry and size and financial resources of the Company, the Committee believes that the base salaries of the Company's executive officers are competitive to those that are received by comparable officers with comparable responsibilities in similar companies.

When the Committee considers total cash compensation for our named executive officers, we do so by evaluating their responsibilities, experience and the competitive marketplace. Specifically, the Committee considers the following factors:

- the executive's leadership and operational performance and potential to enhance long-term value to the Company's shareholders;
- the Company's financial resources;
- performance compared to the financial, operational and strategic goals established for the Company;
- the nature, scope and level of the executive's responsibilities;
- competitive market compensation paid by other companies for similar positions, experience and performance levels; and
- the executive's current salary, the appropriate balance between incentives for long-term and short-term performance.

Historically, the Company has entered into employment agreements with its executive officers that provide for a base salary and other benefits.

Option Grants to our Named Executive Officers

We have granted stock options to our named executive officers. Historically, options were granted to officers on or about the time of their initial appointment. We also may make additional awards to our executive officers at the discretion of the Board. Options granted to our executive officers generally vest over a period of two years from the date of grant. These option grants are intended to provide incentives to our officers who contribute to the success of the Company by offering them the opportunity to acquire an ownership interest in it. We believe that option grants also help to align the interests of our management and employees with the interests of shareholders. Further, we believe that these option grants serve as additional incentive for our officers and in turn the achievement of these objectives will help our performance. The amount of the option grant to our executive officers is intended, in conjunction with cash salary and bonus amounts, to provide aggregate compensation that is competitive with amounts received by similarly experienced officers of comparable companies.

Employment and Independent Contractor Agreements with our Named Executive Officers

Historically the Company has entered into employment or independent contractor agreements with its named executive officers. Each of our executive officers is paid a salary for their services and has been granted stock options in consideration for their services. When the Committee considers salaries for our executives, it does so by evaluating their responsibilities, experience, the competitive marketplace and our financial resources and projections. Pursuant to

its charter, the Committee reviews and approves the terms of the compensation granted and awarded to our named executive officers.

Timothy Barry

On February 26, 2013, Mr. Barry entered into an amended and restated employment agreement with the Company, pursuant to which he receives a base salary of CDN \$18,000 per month (CDN \$216,000 per year). Mr. Barry is also eligible to receive an annual bonus based on performance criteria set by the Board. According to the severance terms of the amended and restated employment agreement, upon termination of employment by the Company, Mr. Barry is entitled to receive a lump sum severance payment equal to twelve (12) months of base salary if Mr. Barry is terminated without cause. However, upon a change of control (which is defined in the amended and restated employment agreement), Mr. Barry is entitled to receive a lump sum severance payment equal to twenty-four (24) months of his base salary plus the previous year's bonus, if Mr. Barry or the Company terminates his employment within three months of such change of control.

Under his amended and restated employment agreement, Mr. Barry will also be subject to a non-compete provision for six (6) months following termination of his employment for any reason; provided, however, that the non-compete provision shall not apply if the Company terminates his employment following a change of control.

Sean Fallis

On February 26, 2013, the Company entered into an amended and restated employment agreement with Sean Fallis that increases his annual base salary to CDN \$180,000 effective March 1, 2013. Mr. Fallis is eligible to receive an annual bonus based on performance criteria set by the Board. The amended and restated employment agreement provides that Mr. Fallis is entitled to receive, upon termination of employment by the Company, a lump sum severance payment of up to six (6) months base salary if such termination takes place after February 7, 2014, if Mr. Fallis meets certain employment terms and is terminated without cause. However, upon a change of control (which is defined in the amended and restated employment agreement), Mr. Fallis is entitled to receive a lump sum severance payment equal to twenty-four (24) months of his base salary plus the previous year's bonus, if Mr. Fallis or the Company terminates his employment within three months of such change of control.

Under his amended and restated employment agreement, Mr. Fallis will also be subject to a non-compete provision for six (6) months following termination of his employment for any reason; provided, however, that the non-compete provision shall not apply if the Company terminates his employment following a change of control.

Brian Edgar

Effective February 26, 2013, Mr. Edgar entered into an amended and restated employment agreement with the Company, pursuant to which he receives a base salary of CDN \$7,500 per month (CDN \$90,000 per year). Mr. Edgar is also eligible to receive an annual bonus for prior calendar year service at the discretion of the Board. Although Mr. Edgar holds the title of Chairman, because he dedicates a significant portion of his time to the day-to-day affairs of the Company and continues to have a key role in policy-making for the Company, the Company views Mr. Edgar as one of its named executive officers.

According to the severance terms of the amended and restated employment agreement, upon termination of employment by the Company without cause, Mr. Edgar is entitled to receive a lump sum severance payment equal to twelve (12) months of his base salary. However, upon a change of control (which is defined in the amended and restated employment agreement), Mr. Edgar is entitled to receive a lump sum severance payment equal to twenty-four (24) months of his base salary plus the previous year's bonus, if Mr. Edgar or the Company terminates his employment within three months of such change of control.

Under his amended and restated employment agreement, Mr. Edgar will also be subject to a non-compete provision for six (6) months following termination of his employment for any reason; provided, however, that the non-compete provision shall not apply if the Company terminates his employment following a change of control.

Jason Cunliffe

Effective August 4, 2011, Jason Cunliffe entered into an amended and restated independent contractor agreement with the Company, pursuant to which he received a base consulting rate of \$700 per day for each day that consulting services were provided to the Company. Mr. Cunliffe was also eligible to receive an annual bonus of up to \$20,000 for prior calendar year service if certain milestones were met for the Sierra Mojada Project.

On May 15, 2012, Mr. Cunliffe's independent contractor agreement with the Company was terminated, effective July 4, 2012. According to the severance terms of the amended and restated independent contractor agreement, either Mr. Cunliffe or the Company could terminate his agreement by providing the other party thirty (30) days written notice.

Potential Payments Upon Termination or Change of Control

The following table shows the potential payments upon termination of employment of our executive officers as of October 31, 2012, under the terms of the employment agreements currently in effect for each of our executive officers. For the purposes of this table, it is assumed that the terminated employee receives the maximum payment under his amended and restated employment agreement with the Company, and, in the case of a change of control, that each officer terminates employment following the change of control. For purposes of the officers' amended and restated employment agreements, "Change of Control" means the occurrence of one or more of the following events:

- (i) a sale, lease or other disposition of all or substantially all of the assets of the Company;
- (ii) a consolidation or merger of the Company with or into any other corporation or other entity or person (or any other corporate reorganization) in which the shareholders of the Company immediately prior to such consolidation, merger or reorganization, own less than fifty percent (50%) of the outstanding voting power of the surviving entity (or its parent) following the consolidation, merger or reorganization; or

- (iii) a transaction or series or related transactions pursuant to which any person, entity or group or any comparable successor acquires beneficial ownership of securities of the Company representing at least fifty percent (50%) of the combined voting power entitled to vote in the election of directors.

- (1) The CDN \$ amounts have been converted to US \$ as of the CDN \$/US \$ exchange rate as of October 31, 2012.
- (2) Options to purchase common stock vest in equal installments annually over one to two years from the date of grant. The value of the vesting acceleration was calculated by multiplying the number of unvested in-the-money options as of October 31, 2012 by the spread between the closing price of our common stock on October 31, 2012 and the exercise price of such unvested options.
- (3) Mr. Barry's employment agreement provided that a termination without cause prior to February 25, 2013 would result in a lump sum severance payment of six (6) months of his base salary. The amount shown in the table above assumes that a termination occurred on October 31, 2012 and therefore a six-month severance payment would have been payable. A "without cause" termination after February 25, 2013 would result in a lump sum severance payment of twelve (12) months of his base salary, or \$216,216. In February 2013, Mr. Barry's employment agreement was amended to increase the amount payable upon a change of control from twelve (12) months of base salary, plus prior year's bonus, to twenty-four (24) months of base salary, plus prior year's bonus. The amount shown in the table above assumes that the amended agreement would have been in effect as of October 31, 2012 and therefore shows the higher change in control severance payment.
- (4) In February 2013, Mr. Fallis' employment agreement was amended to increase the amount payable upon a change of control from twelve (12) months of base salary, plus prior year's bonus, to twenty-four (24) months of base salary, plus prior year's bonus. The amount shown in the table above assumes that the amended agreement would have been in effect as of October 31, 2012 and therefore shows the higher change in control severance payment. All amounts are also based on Mr. Fallis' annual salary of CDN\$180,000, effective March 1, 2013.
- (5) In February 2013, Mr. Edgar's employment agreement was amended to increase the amount payable upon a change of control from twelve (12) months of base salary, plus prior year's bonus, to twenty-four (24) months of base salary, plus prior year's bonus. The amount shown in the table above assumes that the amended agreement would have been in effect as of October 31, 2012 and

therefore shows the higher change in control severance payment.

Stock Option, Stock Awards and Equity Incentive Plans

The Company has two stock option plans. The 2006 Stock Option Plan (the “2006 Plan”) was adopted by the Board in May 2006, and approved by the shareholders in July 2006. The 2010 Stock Option and Bonus Plan (the “2010 Plan”, together with the 2006 Plan, the “Plans”) was adopted by the Board in December 2009 and approved by the shareholders in April 2010.

Under the 2006 Plan, the Company may grant incentive options or stock bonuses to employees (including officers), consultants and directors (whether or not they are employees) of the Company or its present or future divisions, affiliates and subsidiaries (together, “Eligible Persons”) for up to a total of 5,000,000 shares of common stock. Under the 2010 Plan, the lesser of (i) 30,000,000 shares or (ii) 10% of the total shares outstanding will be reserved to be issued upon the exercise of options or the grant of stock bonuses granted to Eligible Persons.

Options granted under the Plans shall have an exercise price equal to or greater than the “Fair Market Value” which is defined in the Plan as the closing price of the Company’s Shares on the principal trading market on the date of the grant.

Options granted under the Plans typically have a graded vesting schedule over approximately one to two years and have a contractual term of five to ten years. In any event, no exercise period of options granted can exceed ten years from the date of the grant. Options granted are not assignable other than by will or applicable laws of intestacy.

Unless otherwise provided in the option agreement between the Company and the optionee, if the optionee ceases to be an employee, officer, director or consultant of the Company, other than by reason of death or disability, all vested and unexercised options granted thereunder to such optionee will terminate three months following the date the optionee ceases to hold such office or directorship, or the end of the original term of the option if earlier, and will terminate upon the date of termination of employment or other relationship if the optionee is discharged for cause. Vested and unexercised options granted will be exercisable within one year after the date of death or disability of the optionee, or the end of the original terms if earlier. Unvested options expire immediately upon the date optionee ceases to be an employee, officer, director or consultant of the Company, including by death or disability.

The following table sets forth the outstanding equity awards for each named executive officer at October 31, 2012.

Independent Director Compensation Structure

As of October 31, 2012, the Board concluded that the following directors were considered “independent”: (a) Joshua Crumb, (b) Murray Hitzman, (c) John McClintock and (d) Daniel Kunz.

The Company’s independent directors are compensated \$20,000 per year, paid in quarterly installments, and are issued additional stock option grants for their services. In addition, the person serving as the Chair of the Company’s Audit Committee receives an annual cash fee of \$6,000 (payable in equal increments on the last day of each fiscal quarter), and its Compensation Committee Chair and its Corporate Governance and Nominating Committee Chair each receive, respectively, an annual cash fee of \$3,000 (payable in the same manner), in each case in consideration for their respective service as the chairs of such committees.

Chairman Compensation Structure

Effective April 16, 2010, Brian Edgar began serving as the Company’s Executive Chairman. Effective September 2, 2011, the Company entered into an amended and restated employment agreement with Mr. Edgar. Mr. Edgar is being compensated at the rate of CDN \$7,500 per month (CDN \$90,000 per year) and will be eligible for an annual bonus at the discretion of the Board. The amended and restated employment agreement Silver Bull entered into with Mr. Edgar on February 26, 2013, did not change Mr. Edgar’s annual salary. Because the Company views Mr. Edgar as an executive officer, his compensation is shown above in the Summary Compensation Table rather than in the Director Compensation Table below. On January 9, 2012, the Company changed Mr. Edgar’s title to Chairman.

According to the severance terms of the of the amended and restated employment agreement, upon termination of employment by the Company without cause, Mr. Edgar is entitled to receive a lump sum severance payment equal to twelve (12) months of his base salary. Upon a change of control (which is defined in the amended and restated employment agreement), Mr. Edgar is entitled to receive a lump sum severance payment equal to twenty-four (24) months of his base salary plus the amount of the prior year’s bonus (if any), if Mr. Edgar or the Company terminates his employment within three (3) months of such change of control.

Audit Committee's Pre-Approval Practice

Section 10A(i) of the Exchange Act prohibits our auditors from performing audit services for us as well as any services not considered to be "audit services" unless such services are pre-approved by the Audit Committee of the Board, or unless the services meet certain de minimis standards. The Audit Committee's charter provides that the Audit Committee must:

- preapprove all audit services that the auditor may provide to us or any subsidiary (including, without limitation, providing comfort letters in connection with securities underwritings or statutory audits) as required by §10A(i)(1)(A) of the Exchange Act (as amended by the Sarbanes-Oxley Act of 2002).
- preapprove all non-audit services (other than certain de minimis services described in §10A(i)(1)(B) of the Exchange Act (as amended by the Sarbanes-Oxley Act of 2002)) that the auditors propose to provide to us or any of our subsidiaries.

The Audit Committee considers at each of its meetings whether to approve any audit services or non-audit services. In some cases, management may present the request; in other cases, the auditors may present the request.

REPORT OF THE AUDIT COMMITTEE
To the Board of Directors of Silver Bull Resources, Inc.

Management is responsible for our internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of our financial statements in accordance with U.S. generally accepted accounting principles (“GAAP”) and the standards of the Public Company Accounting Oversight Board and to issue an opinion on our financial statements. Our responsibility is to monitor and oversee those processes. We hereby report to the Board of Directors that, in connection with the financial statements for the year ended October 31, 2012, we have:

- reviewed and discussed the audited financial statements with management and the independent accountants;
- discussed with the independent accountants the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU section 380), as modified by SAS 89 and SAS 90; and

Based on the discussions and our review described above, we recommended to the Board of Directors that the audited financial statements for the year ended October 31, 2012 be included in the Company’s Annual Report on Form 10-K, as amended, for the year ended October 31, 2012, which is being provided with this Proxy Statement.

Respectfully submitted,

PROPOSAL ONE:
ELECTION OF DIRECTORS

The Board is nominating six (6) directors for election to serve until the next Annual Meeting or until their successors are duly elected and qualified, or until their earlier death, resignation or removal.

Nominees for Election of Directors

The persons named in the enclosed form of Proxy will vote the shares represented by such Proxy for the re-election of the six (6) nominees for director: Timothy Barry, Joshua Crumb, Brian Edgar, Murray Hitzman, Daniel Kunz and John McClintock .

If, at the time of the Meeting, any of these nominees shall become unavailable for any reason, which event is not expected to occur, the persons entitled to vote the Proxy will vote for such substitute nominee or nominees, if any, as they determine in their sole discretion. If re-elected, each of the above named directors will each hold office until their successors are duly elected and qualified at the next Annual Meeting or until their earlier death, resignation or removal.

The Board recommends a vote "FOR" the election of Timothy Barry, Joshua Crumb, Brian Edgar, Murray Hitzman, Daniel Kunz and John McClintock. Unless otherwise specified, the enclosed proxy will be voted "FOR" the election of the Board's slate of nominees. Neither Management nor the Board is aware of any reason which would cause any nominee to be unavailable to serve as a director.

PROPOSAL TWO:
RATIFICATION AND APPROVAL OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM

On September 4, 2007, the Board unanimously approved the Audit Committee's recommendation to appoint Hein as our independent registered public accounting firm. Since that time, Hein has served as the Company's independent registered accounting firm. On February 22, 2013, the Board directed by resolution that the Company submit the selection of Hein as the Company's independent registered public accounting firm for ratification and approval by our shareholders at the Meeting. Although the Company is not required to submit the selection of independent registered public accountants for shareholder approval, if the shareholders do not ratify this selection, the Board may reconsider its selection of Hein. The Board considers Hein to be well qualified to serve as the independent auditors for the Company; however, even if the selection is ratified, our Board may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee and Board determine that the change would be in our best interests.

The Board recommends a vote "FOR" Proposal Two. Proposal Two requires the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote at the Meeting. Unless otherwise specified, the enclosed proxy will be voted "FOR" the ratification of Hein & Associates LLP as our independent registered public accounting firm.

ANNUAL REPORT TO SHAREHOLDERS

Included with this Proxy Statement is the Company's 2012 Annual Report on Form 10-K, as amended, for the year ended October 31, 2012.

Management and the Board of the Company know of no matters to be brought before the Meeting other than as set forth herein. However, if any such other matters properly are presented to the shareholders for action at the Meeting and any adjournment(s) or postponement(s) thereof, it is the intention of the proxy holder named in the enclosed proxy to vote in his discretion on all matters on which the shares represented by such proxy are entitled to vote.

DELIVERY OF DOCUMENTS TO SHAREHOLDERS SHARING AN ADDRESS

Only one Proxy Statement and Annual Report on Form 10-K, as amended, for the year ended October 31, 2012 is being delivered to shareholders sharing an address, unless we have received contrary instructions from one or more of the shareholders. Upon the written or oral request of a shareholder, we will deliver promptly a separate copy of the Proxy Statement and Annual Report to shareholders at a shared address to which a single copy was delivered. Shareholders desiring to receive a separate copy in the future, or those that desire to receive only one copy if they are receiving multiple copies, may contact us by mail at 925 West Georgia Street, Suite 1908, Vancouver, British Columbia V6C 3L2 or by telephone at (604) 687-5800.

SHAREHOLDER PROPOSALS

Shareholders may submit proposals or director nominations for inclusion by the Company in next year's Proxy Statement. For your proposal or director nomination to be considered for inclusion in our proxy statement for next year's annual meeting, your written proposal must be received by our corporate secretary at our principal executive office no later than 120 days before the anniversary of this year's Meeting, unless the date of next year's annual meeting is changed by more than 30 days from the date of this year's Meeting. After such date, any shareholder proposal will be considered untimely.

If we change the date of next year's annual meeting by more than thirty (30) days from the date of this year's Meeting, then the deadline is a reasonable time before we begin to print and mail our proxy materials. You should also be aware that your proposal must comply with SEC regulations regarding inclusion of stockholder proposals in company-sponsored proxy materials, and with any provision in our Amended and Restated Bylaws regarding the same.

Silver Bull Resources, Inc. expects to hold its next annual meeting of shareholders in April 2014. Proposals from shareholders intended to be present at the next annual meeting of shareholders should be addressed to Silver Bull Resources, Inc., Attention: Corporate Secretary, 925 West Georgia Street, Suite 1908, Vancouver, British Columbia V6C 3L2, and we must receive the proposals by Wednesday, December 11, 2013. Upon receipt of any such proposal, we shall determine whether or not to include any such proposal in the Proxy Statement and proxy in accordance with applicable law. It is suggested that shareholders forward such proposals by Certified Mail-Return Receipt Requested. After Wednesday, December 11, 2013, any shareholder proposal will be considered to be untimely.

As to any proposal that a shareholder intends to present to shareholders other than by inclusion in our proxy statement for our 2014 annual meeting of shareholders, the proxies named in our proxy for that meeting will be entitled to exercise their discretionary voting authority on that proposal unless we receive notice of the matter to be proposed not later than Monday, February 25, 2014. Even if proper notice is received on or prior to that date, the proxies named in our proxy for that meeting may nevertheless exercise their discretionary authority with respect to such matter by

advising shareholders of that proposal and how they intend to exercise their discretion to vote on such matter, unless the shareholder making the proposal solicits proxies with respect to the proposal to the extent required by Rule 14a-4(c)(2) under the Exchange Act.
