On June 18, 2015, Teledyne Technologies Incorporated ("Teledyne") announced that, effective July 1, 2015, Teledyne's Board of Directors fixed the number of directors at 11 and appointed Robert A. Malone as a Class III Director for a term expiring at the 2017 Annual Meeting of Stockholders. Mr. Malone will become a member of the Audit Committee and the Personnel and Compensation Committee of the Teledyne Board.

Mr. Malone, age 63, has been the Executive Chairman, President and Chief Executive Officer of First Sonora Bancshares, Inc., a community bank, since 2014. Previously, Mr. Malone served as the President and Chief Executive Officer of The First National Bank of Sonora, Texas (a community bank owned by First Sonora Bancshares, Inc.) from 2009 to 2014. Mr. Malone was also an Executive Vice President of BP plc, an integrated oil and gas company, and Chairman of the Board and President, BP America Inc. from 2006 to 2009. Mr. Malone has been a director of Halliburton Company, a provider products and services to the energy industry, since 2009 and has been a director of Peabody Energy Corporation, a coal mining company, since 2009. Mr. Malone was appointed by the Governor of California as a founding Board member of the California Climate Registry and by Governor of Alaska as a founding Board member of the Alaska Children's Trust and was named to the Board of Regents for the University of Alaska System. Mr. Malone is on the faculty of the Stanford Law School Directors College.

As a non-employee director, Mr. Malone will be entitled to receive an annual retainer fee, currently \$110,000. For 2015, the retainer fee for Mr. Malone will be \$55,000, payable on July 1, 2015. Each non-employee director is also automatically granted a restricted stock unit award on the date of the Annual Meeting of Stockholders equal to \$110,000 divided by the fair market value of a share of Teledyne common stock on the date of grant, rounded down to the nearest whole unit share. If a person such as Mr. Malone becomes a non-employee director for the first time on a date other than an Annual Meeting date, such non-employee director will automatically be granted an award of restricted stock units, effective as of the date of becoming a director, equal to \$55,000 divided by the fair market value of a share of Teledyne common stock on the date of grant, rounded down to the nearest whole share. The restricted stock unit award vests on the earlier of (a) one year after the date of grant, (b) upon a separation of the director from board service, or (c) upon a change of control. Shares of stock underlying the restricted

stock award will be issued upon vesting unless the director elects to defer issuance until such time as the director separates from board service.
