Item 1.01. Entry into a Material Definitive Agreement.

On December 12, 2016, Teledyne Technologies Incorporated (“Teledyne”), through its subsidiary Rhombi Holdings Limited (“Teledyne Bidco”), issued an announcement (the “Rule 2.7 Announcement”) pursuant to Rule 2.7 of the United Kingdom City Code on Takeovers and Mergers (the “Code”) disclosing the terms of a recommended offer (the “Offer”) by Teledyne to acquire all of the issued and outstanding and to be issued shares of e2v technologies plc, a public limited company registered in England and Wales (“e2v”), in a cash transaction (the “Acquisition”) to be effected by means of a court-sanctioned scheme of arrangement (the “Scheme”) under Part 26 of the United Kingdom Companies Act 2006 (the “Companies Act”). In connection with the Acquisition, Teledyne, together with certain of its subsidiaries as guarantors, has entered into a Credit Agreement (the “Bridge Facility”) dated December 11, 2016 with Bank of America, N.A., as administrative agent and a lender and the other lenders parties thereto from time to time. The lenders under the Bridge Facility (the “Bridge Lenders”) have committed to lend up to £625,000,000 to fund the Acquisition.

Rule 2.7 Announcement

On December 12, 2016, Teledyne Bidco issued the Rule 2.7 Announcement disclosing the terms of the Offer. For each e2v share held, e2v shareholders will receive 275 pence pursuant to the terms of the Offer. The Offer values e2v at a maximum equity value of approximately £620 million on a fully diluted basis. The aggregate enterprise value for the transaction is expected to be approximately £627 million (or approximately \$789 million) taking into account expected vesting of e2v employee equity awards and net debt. For the year ended March 31, 2016, e2v had sales of approximately £236 million.

The Acquisition will be conditional upon, among other things, (i) approval of a majority in number of e2v shareholders who vote, representing not less than 75% in value of the e2v shares voted, in person or by proxy, at an e2v shareholder meeting (the “Court Meeting”) convened with the permission of the High Court of England and Wales (the “Court”); (ii) approval by a majority of at least 75% of the votes cast by e2v shareholders at a separate e2v shareholder general meeting; (iii) the sanction of the Scheme by the Court and the filing of the Court order with the Registrar of Companies in England and Wales; and (iv) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, as well as the approval of the acquisition by the relevant

regulatory authorities or the expiration or termination of applicable waiting periods under the antitrust laws and foreign investment notification requirements of certain other jurisdictions, including Germany and France, and associated approvals and clearances being received. It is expected that, subject to the satisfaction or, where applicable, waiver of all relevant conditions, the Acquisition will be completed in the first half of 2017.

Teledyne reserves the right, subject to the prior consent of the United Kingdom Panel on Takeovers and Mergers (the “Panel”), to elect to implement the Offer by way of a contractual takeover offer (as such term is defined in the Companies Act) (a “Takeover Offer”).

Bridge Facility

In connection with the proposed acquisition of e2v, Teledyne, together with certain of its subsidiaries as guarantors, has entered into the Bridge Facility with the Bridge Lenders. Pursuant to the Bridge Facility, the Bridge Lenders have committed to lend up to £625,000,000 to fund the Acquisition. Loans advanced under the Bridge Facility will mature 364 days from the date the loans are made. The Bridge Facility is unsecured and, except as described in the following paragraph, contains representations and warranties, covenants, events of default and certain other provisions on substantially the same terms as the Amended and Restated Credit Agreement, dated as of March 1, 2013, with the lender parties thereto and Bank of America, N.A. as administrative agent, swing-line lender and L/C issuer, as amended. Teledyne Brown Engineering, Inc., Teledyne Instruments, Inc., Teledyne Scientific & Imaging, LLC and Teledyne LeCroy, Inc., each of which is a subsidiary of Teledyne, are guarantors under the Bridge Facility. Borrowings under the Bridge Facility will bear interest at a variable annual rate based on LIBOR plus an applicable margin based on the leverage of Teledyne and its subsidiaries from time to time.

Borrowings under the Bridge Facility will be subject to customary “certain funds” provisions consistent with the Code. Such provisions apply until the date that is the earlier of, among other things: (i) June 11, 2017; or (ii) the date on which the Scheme or, if applicable, Takeover Offer under the Code with respect to the Acquisition has become effective, wholly unconditional or has lapsed or been terminated or withdrawn (the “Certain Funds Period”).

During the Certain Funds Period, there are a limited range of circumstances in which funds cannot be drawn under the Bridge Facility to pay the consideration under the Offer, or if funded, the principal amount outstanding thereunder, together with all accrued unpaid interest and other amounts owed

thereunder, may be declared immediately due and payable. These circumstances include the occurrence of certain major defaults or breaches of major representations.

The Bridge Lenders and their affiliates have engaged, and may in the future engage, in commercial banking, investment banking or financial advisory transactions with Teledyne and its affiliates in the ordinary course of business. Such Bridge Lenders and their affiliates have received customary compensation and expenses for these commercial banking, investment banking or financial advisory transactions.

The foregoing summaries of the Rule 2.7 Announcement, and the Acquisition contemplated thereby, and the Bridge Facility do not purport to be complete and are subject to, and qualified in their entirety by, the full text of the Rule 2.7 Announcement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and the full text of the Bridge Facility, which is attached as Exhibit 10.1 to this Current Report on Form 8-K, and each of these exhibits is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
