None of TCO, TCM, TM or TOA directly owns any shares of Common Stock. The shares of Common Stock and the Note (as defined below) purchased by the Reporting Persons were purchased with working capital and on margin. The Reporting Persons margin transactions are with UBS Securities LLC, on such firm's usual terms and conditions. All or part of the shares of Common Stock directly owned by the Reporting Persons may from time to time be pledged with one or more banking institutions or brokerage firms as collateral for loans made by such bank(s) or brokerage firm(s) to the Reporting Persons. Such loans bear interest at a rate based upon the broker's call rate from time to time in effect. Such indebtedness may be refinanced with other banks or broker dealers.

**Item 4. Purpose of Transaction**

As previously reported in Amendment 4 to this Schedule 13D, TCP purchased a senior subordinated note of the Company and certain of its subsidiaries (collectively, the Borrowers) in the original principal amount of \$25,000,000 (the Note) on December 12, 2007. TCP's purchase was made in connection with a \$25,000,000 financing conducted by the Borrowers. The Note matures on May 15, 2013, and bears interest at a rate of 11% per annum. TCP purchased the Note pursuant to a Note Purchase Agreement, dated as of December 12, 2007, which contains customary representations and warranties from the Borrowers relating to their authority to issue the Note and their operations.

On March 11, 2008, TP purchased 39,000 shares of Common Stock, and on March 12, 2008, TP purchased 4,800 shares of Common Stock.

The Reporting Persons purchased the Note and have acquired their currently held shares of Common Stock for investment purposes and in the ordinary course of business.

As discussed in this Schedule 13D, the Reporting Persons own approximately 58% of the Company's outstanding Common Stock and can control the Company's affairs, including (i) the election of directors who in turn appoint management, (ii) any action requiring the approval of the holders of Common Stock, including adoption of amendments to the Company's corporate charter, and (iii) approval of a merger or sale of all or substantially all assets. The Reporting Persons can also control certain decisions affecting the Company's capital structure.

An affiliate of the Reporting Persons serves on the Board of Directors of the Company.

The Reporting Persons will begin to explore alternatives for the disposition of their holdings in the Company, which alternatives may include, without limitation: (a) dispositions through open market sales, underwritten offerings and/or privately negotiated sales by the Reporting Persons, (b) a sale of the Company, or (c) distributions by the Reporting Persons of their interests in the Company to their respective investors. The Reporting Persons expect to engage in discussions with the Company's management and Board of Directors in the evaluation of such alternatives. As part of such process, the Reporting Persons (i) may encourage the Company to engage an investment banker or other financial advisor with respect to an underwritten offering of their holdings, a sale of the Company or other strategic transaction involving the Company, (ii) may encourage third parties to consider an acquisition of their

## Edgar Filing: INTEGRATED ELECTRICAL SERVICES INC - Form SC 13D/A

holdings, an acquisition of the Company or other strategic transaction involving the Company, or (iii) may independently engage an investment banker or other financial advisor to assist the Reporting Persons with respect to the analysis and execution of various alternatives in connection with their holdings. In deciding which alternative or alternatives to pursue, the Reporting Persons will seek to maximize the value of their holdings in the Company. Accordingly, the disposition of the Reporting Persons' holdings will be effected over time and in an orderly fashion. The timing, manner and aggregate amount of any such dispositions will be dependent on many factors, including, without limitation, market conditions, available prices, and the Reporting Persons' ability to conduct sales in compliance with federal and state securities laws.

The disposition of the Reporting Persons' holdings in the Company may result in changes to the size and/or composition of the Company's Board of Directors.

Although the forgoing represents the range of activities presently contemplated by the Reporting Persons with respect to the Company, it should be noted that the possible activities of the Reporting Persons are subject to change at any time. Accordingly, the Reporting Persons reserve the right to change their plans or intentions and to take any and all actions that

they may deem to be in their best interests.

Except as set forth in the Schedule 13D, the Reporting Persons do not have any current intention, plan or proposal with respect to: (a) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present Board of Directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange, if any, or cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act, or (j) any action similar to any of those enumerated in items (a) through (i) above.
