**Item 8.01 Other Events.**

On May 8, 2012, Evolving Systems, Inc. (the Company) declared a special dividend of \$1.70 per share, or approximately \$19.1 million, which is to be paid on May 29, 2012. This dividend was in addition to the special dividend of \$2.00 per share paid on January 3, 2012 and the Company's regular \$0.05 quarterly dividend paid April 13, 2012. Following the May 29th dividend, the Company will have returned approximately \$42.0 million to stockholders in 2012.

The Company evaluated whether the May 29th distribution should be treated as a dividend for tax withholding purposes and on May 25, 2012, the Company instructed its transfer agent to not treat the distribution as a dividend. This conclusion was reached because the Company does not have accumulated earnings and profits and expects that its current earnings and profits in the United States during 2012 will be less than \$22.9 million, the amount paid in dividends in 2012 prior to the May 29th distribution.

**SIGNATURES**
