Item 7.01 Regulation FD Disclosure.

On February 8, 2013, EnergySolutions, Inc. (the Company, EnergySolutions, we, us or our) announced that we are seeking a proposed amendment (the Proposed Amendment) with respect to the Credit Agreement, by and among the Company, EnergySolutions, LLC, a Utah limited liability company, the lenders party thereto and JPMorgan Chase Bank, N.A., as administrative agent, dated August 13, 2010, as amended by that certain Amendment No. 1, dated August 23, 2010 (the Credit Agreement). The Proposed Amendment is being sought in connection with the Agreement and Plan of Merger, dated January 7, 2013 (the Merger Agreement), by and among Rockwell Holdco, Inc., a Delaware corporation (Parent), which is an affiliate of Energy Capital Partners II, LLC (Energy Capital or ECP), Rockwell Acquisition Corp. (Merger Sub) and the Company. The Merger Agreement provides that, subject to certain conditions, Merger Sub merge with and into the Company (the Merger).

In connection with the entry into the Merger Agreement, Parent received a debt commitment letter, dated January 7, 2013 (the Debt Commitment Letter), from Morgan Stanley Senior Funding, Inc. (the Commitment Party). Pursuant to the Debt Commitment Letter, the Commitment Party has committed to provide an aggregate of \$685 million in debt financing to Merger Sub. The Proposed Amendment is being sought as an alternative to the funding under the Debt Commitment Letter.

The Proposed Amendment has not been entered into, and we provide no assurance that it may or will be entered into. We have proposed to our lenders under the Credit Agreement, as well as JPMorgan Chase Bank, N.A., as administrative agent under the Credit Agreement, that the Proposed Amendment be entered into on the following terms and conditions:

1. that the lenders and the administrative agent:
 - a. consent to the consummation of the Merger and the transactions contemplated by the Merger Agreement, including that the Merger will not constitute a change of control under the Credit Agreement and related documents;
 - b. provide a waiver of the change of control provisions and certain other covenants and provisions under the Credit Agreement, including our senior secured revolving credit facility and senior secured term loan made available to us pursuant to the Credit Agreement;
 - c. consent to any repayment of our 10.75% Senior Notes due 2018, provided that any payments are funded from equity contributions made to us by ECP or its affiliates;
 - d. provide the ability to extend the maturity date of our senior secured revolving credit facility, subject to certain conditions; and
 - e. consent to a 1% prepayment premium if any senior secured term loans are refinanced prior to the date that is one year following the execution date of the Proposed Amendment;
2. that the definition of change of control and reporting requirements under the Credit Agreement be amended;
3. that upon the closing of the Merger, that the applicable margin for our senior secured term loan made pursuant to the Credit Agreement be increased;
4. that we will pay a consent fee to each lender that has entered into the Proposed Amendment equal to (i) 0.5% of the sum of the outstanding term loans and revolving commitments of such lender on the execution date of the Proposed Amendment and (ii) 0.5% of the sum of the outstanding term loans and revolving commitments of such lender on the closing date of the Merger;

6. that no later than a certain number of days after the closing of the Merger, that we reduce our debt with respect to our senior secured term loans under the amended Credit Agreement and our 10.75% Senior Notes due 2018, after giving effect to the Merger, to \$675 million or less; and
7. that the Proposed Amendment would take effect upon the consummation of the Merger.

If the Merger Agreement is terminated, the consent fee and fees, charges and disbursements of counsel referenced above will ultimately be borne by ECP and its affiliates and not by our stockholders, subject to the
