*Issuance of 6.750% Senior Notes due 2021*

On May 21, 2013, SUPERVALU INC. (the Company) issued and sold \$400,000,000 in aggregate principal amount of its 6.750% Senior Notes due 2021 (the Notes), pursuant to the Indenture dated as of July 1, 1987, as amended and supplemented by the First Supplemental Indenture dated as of August 1, 1990, the Second Supplemental Indenture dated as of October 1, 1992, the Third Supplemental Indenture dated as of September 1, 1995, the Fourth Supplemental Indenture dated as of August 4, 1999, and the Fifth Supplemental Indenture dated as of September 17, 1999, each between the Company and Deutsche Bank Trust Company Americas (formerly known as Bankers Trust Company), as Trustee (the Indenture, as amended and supplemented, the Indenture). The Notes were sold pursuant to the Purchase Agreement dated May 16, 2013 by and among the Company and Goldman, Sachs & Co. and Credit Suisse Securities (USA) LLC, as representatives of the initial purchasers (the Initial Purchasers) party thereto.

The Notes are general unsecured obligations of the Company and are *pari passu* in right of payment with all other existing and future unsecured senior indebtedness of the Company, senior in right of payment to all future subordinated indebtedness of the Company and subordinate in right of payment to all existing and future secured obligations of the Company, to the extent of the value of the assets securing such obligations. On the date of issuance of the Notes, the Notes will not be guaranteed by any of the Company's subsidiaries and therefore the Notes are effectively subordinated in right of payment to all of the Company's subsidiaries existing and future obligations.

Interest on the Notes will be paid on June 1 and December 1 of each year, beginning on December 1, 2013. The Notes will mature on June 1, 2021. Prior to June 1, 2017, the Company may redeem the notes, in whole or in part, at a redemption price equal to 100% of the principal amount plus a makewhole premium and accrued and unpaid interest, if any, to the date of redemption. On or after June 1, 2017, the Company has the option to redeem all or a portion of the notes at any time at the redemption prices set forth in the Notes. In addition, prior to June 1, 2016, the Company may redeem up to 35% of the aggregate principal amount of the Notes with the net proceeds of certain equity offerings at a redemption price equal to 106.750% of the aggregate principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, provided that at least 65% of the Notes remain outstanding after the redemption. In addition, if the Company experiences a Change of Control (as defined in the Notes), the Company will be required to offer to purchase all of the Notes at a purchase price of 101% of the principal amount, plus accrued and unpaid interest, if any, to the date of purchase.

The Indenture and the Notes contain covenants that limit, among other things, the Company's ability and the ability of certain of its subsidiaries to incur secured indebtedness and engage in sale and leaseback transactions. The Indenture and the Notes do not contain any financial or operating covenants or restrictions on the payment of dividends, the incurrence of unsecured indebtedness, the entry into transactions with affiliates or the issuance or repurchase of securities by the Company or any of its subsidiaries.

The Company intends to use the net proceeds from this offering, together with borrowings under its amended and restated five-year \$1 billion (subject to borrowing base availability) asset-based revolving credit facility (the Amended ABL Facility), to fund the purchase price (including accrued interest, the applicable tender premium and estimated transaction fees and expenses) of the \$372,018,000 aggregate principal amount of the Company's outstanding 8.000% Senior Notes due 2016 tendered and accepted by the Company for purchase pursuant to its previously announced modified Dutch Auction tender offer to purchase up to \$372,018,000 (increased from \$300,000,000) aggregate principal amount of such 8.000%

Senior Notes due 2016 (the Debt Tender Offer ).

The foregoing summary of the Notes does not purport to be complete and is qualified in its entirety by reference to the Officers Certificate and Authentication Order dated May 21, 2013, for the 6.750% Senior Notes due 2021 (which includes the form of Note) filed as Exhibit 4.1 hereto, which is incorporated by reference herein.

On May 21, 2013, the Company issued a press release announcing the closing of the issuance and sale of the Notes. A copy of the press release is attached as Exhibit 99.1 hereto and is incorporated herein by reference.

#### *Registration Rights Agreement*

In connection with the issuance and sale of the Notes, the Company entered into a Registration Rights Agreement, dated as of May 21, 2013 (the Registration Rights Agreement ), with the representatives of the Initial Purchasers. Under the Registration Rights Agreement, the Company agreed, among other things, to file with the Securities and Exchange Commission (the SEC ) a registration statement under the Securities Act of 1933, as amended, to allow holders of the Notes to exchange their Notes (the Exchange Offer ) for the same principal amount of a new issue of notes (the Exchange Notes ) with identical terms, except that the Exchange Notes will not be subject to certain restrictions on transfer or to any increase in annual interest rate. If the registration statement is not filed with the SEC on or prior to the 135th day after May 21, 2013, if it is not declared effective by the SEC on or prior to the 180th day after May 21, 2013 or the exchange offer is not completed on or prior to the 45th day that the registration statement becomes effective, the Company will be required to pay additional interest to the holders of the Notes.

The foregoing summary of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the Registration Rights Agreement filed as Exhibit 4.2 hereto, which is incorporated by reference herein.
