ADDITIONAL COMPANY INFORMATION

COMMITTEES AND MEETING DATA

The Board of Directors has an Audit Committee comprised of Dr. Duerig and Mr. Hedges. The Audit Committee meets with the Company's independent auditors and reviews with them matters relating to corporate financial reporting and accounting procedures and policies, the adequacy of financial, accounting and operating controls, the scope of the audit and the results of the audit. The

Audit Committee is also charged with the responsibility of submitting to the Board of Directors any recommendations it may have from time to time with respect to financial reporting and accounting practices, policies and financial accounting and operation controls and safeguards.

The Board has designated Dr. William H. Duerig as the Company's "Audit Committee financial expert" in accordance with the SEC rules and regulations. The Board has determined that Dr. Duerig is independent pursuant to Section 121A of the listing Standards of the American Stock Exchange ("AMEX").

The Company has a formal Audit Committee which performs all the required functions. The Company's full Board of Directors performs the functions of all other committees and in lieu thereof as permitted by the Company's Bylaws and the current AMEX listing standards. The Company is on a planned schedule to timely comply with all the new appropriate AMEX requirements on or before the July 31, 2005 effective date applicable to small business issuers. Currently, the full Board of Directors participates in the consideration of all director nominees. See "Director Nominating Process" on page 11. Additionally, the Board's practice is to require all compensation provisions relative to the Chief Executive Officer to be approved by a majority of independent directors as well as a majority of the Board of Directors. During the fiscal year ended December 31, 2003, the Audit Committee met 5 times and the Board of Directors met 9 times. No director attended less than 100% of the meetings held.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee serves as the representative of the Board of Directors for general oversight of the Company's financial accounting and reporting, systems of internal control, audit process, and monitoring compliance with standards of business conduct. The Charter for the Audit Committee is set out in full in Appendix A of this Proxy Statement. PricewaterhouseCoopers LLP, acting as independent auditors, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles.

In this context, the Audit Committee hereby reports as follows:

4. Based on the review and discussion referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board of Directors of the Company, and the Board of Directors has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

Dr. Trbovich has an employment agreement with the Company pursuant to which he is entitled to receive minimum direct compensation of \$363,995 per annum, or such greater amount as the Company's Board of Directors may determine, and lifetime health and life insurance benefits. In the event of Dr. Trbovich's death or total disability during the term of the employment agreement, he or his estate is entitled to receive 50% of the compensation he is receiving from the Company at the time of his death or disability during the remainder of the term of the employment agreement. If this provision is invoked by Dr. Trbovich and the Company makes the required payment, the Company will be relieved of any further liability under the agreement notwithstanding the number of years covered by the agreement prior to termination. In the event the agreement is not extended by the Company beyond the scheduled expiration date (September 30, 2008), as such date may be extended, Dr. Trbovich will be entitled to a severance payment equal to nine months' salary and benefits.

- (1) Audit fees represent fees for professional services provided in connection with the audit of the Company's financial statements and review of the Company's quarterly financial statements and audit services provided in connection with other statutory or regulatory filings.
- (2) Tax fees principally included fees for tax preparation and tax consulting services.

The Audit Committee pre-approves all audit and legally permissible non-audit services provided by the independent accountants. The Audit Committee pre-approved all services performed by PricewaterhouseCoopers LLP during 2003.

The Audit Committee of the Board of Directors has considered whether provision of the services described above is compatible with maintaining our accountant's independence and has determined that such services have not adversely affected PricewaterhouseCoopers LLP's independence.

VOTING INFORMATION

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. The form of proxy submitted by the Company's management

Edgar Filing: SERVOTRONICS INC /DE/ - Form DEF 14A

confers on the named proxies the authority to vote in their discretion on any other matter submitted for a vote at a meeting as to which the Company did not have notice on or before May 2, 2004, which date is 45 days before the date (June 18) on which the Company mailed its proxy materials for last year's annual meeting. At May 2, 2004, the Company had not received notice of any intention to submit any other matter; and, therefore, the proxies have discretion to vote on any other matter that comes before the meeting.

Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (1) present for purposes of determining the presence of a quorum and (2) as having voted in accordance with the directions and statements on the form of proxy.

DIRECTOR NOMINATING PROCESS

Currently, the Company's Board of Directors is responsible for director nominations as permitted by the current AMEX listing standards. The Company is on a planned schedule to be in timely compliance with the appropriate new AMEX listing standards regarding director nominations which are scheduled to be effective on July 31, 2005. The Board has determined that Dr. Duerig and Mr. Hedges are independent under the AMEX listing standards.

The Board has not adopted specific minimum criteria for director nominees. Nominees are identified by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in services are considered for re-nomination. If any member of the Board does not wish to continue in service, the Board first considers the appropriateness of the size of the Board and then consider factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee.

The Board will consider director nominees from any reasonable source, including nominees suggested by incumbent Board members and management as well as shareholder recommendations tendered in accordance with the advance notice provisions discussed below under "Shareholder Proposals." The Company does not

10

currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Shareholders who wish to contact the Board of Directors or any of its members may do so by addressing their written correspondence to Board of Directors, 1110 Maple Street, P.O. APPENDIX A

SERVOTRONICS, INC.
(THE "COMPANY")
AUDIT COMMITTEE CHARTER

ORGANIZATION

A committee of the Board of Directors is designated as the Audit Committee. The Audit Committee shall be composed of two or more directors, as determined from time to time by the Board of Directors. The members of the Audit Committee are referred to below as "Members", each of which is a "Member". A majority of the Members shall be independent of the management of the Company and shall have no relationship to the Company that, in the judgment of the Board of Directors, may interfere with the exercise of those Members' independence from management and the Company. In determining whether any Member is independent, the Board of Directors will be guided by the definition of "independent" contained in Section 121 of the American Stock Exchange Listing Standards, Policies and Requirements ("Amex Company Guide"), including the specific restrictions applicable to each Member with respect to certain relationships between a Member and the Company as set forth in the Amex Company Guide.

Each Member shall be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the Audit Committee. The Board of Directors shall designate one Member as Chairman of the Audit Committee.

STATEMENT OF POLICY

The Audit Committee shall provide assistance to the corporate directors in fulfilling their responsibilities to the shareholders and investment community relating to corporate accounting, reporting practices of the Company and the quality and integrity of the financial reports of the Company. In so doing, the Audit Committee is responsible to maintain free and open means of communication among the Members, the independent auditors, and the financial management of the Company.

RESPONSIBILITIES

To fulfill its responsibilities, the Audit Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to achieve and maintain a standard that the corporate accounting and reporting practices of the Company are not only in accordance with generally accepted accounting principles, but also are of the highest quality.

In carrying out these responsibilities the Audit Committee will:

- o Review and recommend to the Board of Directors the independent auditors to be engaged to audit the financial statements of the Company. The independent auditors are ultimately accountable to the Board of Directors and Audit Committee; and the Audit Committee and the Board of Directors have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditors.
- o Meet with the independent auditors and financial management of the Company to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion of the audit conduct a review as set forth below.

E-1

- o Review with the independent auditors and Company financial and accounting personnel the adequacy and effectiveness of the accounting and financial controls of the Company, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.
- o Review with management and the independent auditors the financial statements proposed to be contained in the annual report to shareholders and the Company's Annual Report on Form 10-KSB to be filed with the Securities and Exchange Commission ("Form 10-KSB") to determine that the independent auditors are satisfied with the quality of the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed; and the independent auditors shall disclose and present for discussion the matters required by the Statement on Auditing Standards No. 61 (as amended from time to time).
- o Provide sufficient opportunity for the independent auditors to meet with the members of the Audit Committee without Company management and employee personnel present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Company's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.
- o Review and discuss with the independent auditors, upon their request, matters appropriate to determination of their independence, including the disclosures made by the auditors pursuant to Independence Standards Board Standard No. 1.
- o Establish a procedure whereby the Audit Committee or a Member on behalf of the Audit Committee may review quarterly financial statements or other financial presentations of the Company and have an opportunity, upon request, to discuss them with Company financial management personnel and the independent auditors before public release or public filing of the financial statements or presentations.
- o Review accounting and financial human resources and succession planning within the Company.
- o Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each committee meeting with, the Board of Directors. Recommend to the Board of Directors whether the audited

annual financial statements of the Company, after review by the Audit Committee as described above, should be included in the Form 10-KSB.

- o Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
