DELAWARE INVESTMENTS® DIVIDEND AND INCOME FUND, INC.
ANNOUNCES SPECIAL SHAREHOLDER MEETING

PHILADELPHIA, August 19, 2010 — Today, Delaware Investments Dividend and Income Fund, Inc. (the “Fund”) announced that the Fund’s Board of Directors (the “Board”) approved the submission of a proposal to shareholders at a special meeting of shareholders of the Fund (the “Meeting”) to be held on November 17, 2010. At the Meeting, shareholders will be asked to vote on a proposal to amend the conditions under which the Fund may conduct a tender offer. Under the proposal, the Fund would conduct a tender offer, under certain circumstances, when the Fund is trading at an average discount of 10% or more from NAV during a 12-week measurement period designated by the Board. In keeping with current language, the 12-week measurement period would continue to be designated by the Board, beginning in the first calendar quarter and end in the second calendar quarter. Currently, the Fund has committed to conduct an annual tender offer when, under certain circumstances, the Fund is trading at an average discount of 3% or more from NAV during its 12-week measurement period. The Board believes that the higher threshold is more in line with current industry practice, preserves the opportunity for shareholders to tender shares in the presence of significant discounts, but avoids unnecessary depletion of Fund assets in the presence of less significant discounts. Shareholders who own shares as of August 25, 2010, will receive a proxy statement that describes the proposal in more detail.

CALL CENTER Q&A

COMMON QUESTIONS ABOUT THE PROPOSAL:

What is the proposal?

Shareholders will be asked to vote on a proposal to approve an amendment to the conditions under which the Fund will conduct tender offers.

Has the Board of Directors (the “Board”) approved the proposal?

Yes. After careful consideration, the Board of Directors has unanimously approved the proposal and recommends that shareholders vote “FOR” the proposal.

Has the Fund’s Board of Directors concluded that approving the amendment to the conditions under which the Fund will conduct tender offers is in the best interests of the Fund and its shareholders?

Yes. The Board recommends that shareholders approve an amendment providing that a tender offer would be conducted when the Fund’s market price per share is trading at an average discount of 10% or more from its net asset value (“NAV”) per share on the last trading day of each week during a twelve-week period designated by the Board. Currently, the tender offer is conducted when there is an average discount of 3% or more from the Fund’s NAV. The Board believes, however, that the interests of shareholders would be better served if the conditions under which tender offers are conducted were amended so that tender offers would only be conducted in the presence of more significant discounts.

What factors did the Board consider in approving the proposal?

In approving the proposed change in the Fund’s tender offer “trigger” from 3% to 10%, the Board considered that the increased trigger: (1) is more in line with more significant discounts; (2) will bring the Fund more in line with other closed-end funds; (3) will likely reduce costs for shareholders and provide other benefits to shareholders; and (4) may help increase investment performance.

Why are shareholders being asked to approve an amendment to the conditions under which the Fund will conduct tender offers?

While the Board has the authority to amend conditions relating to tender offers without the approval of shareholders, the Board ultimately concluded that shareholder solicitation is appropriate given the potential importance of the proposed change to shareholders.

When would the new tender offer conditions take effect?

If shareholders approve the Proposal, the proposed change to the tender offer conditions is anticipated to take effect during the first two calendar quarters of 2011.

COMMON QUESTIONS AND GENERAL INFORMATION ABOUT THE SHAREHOLDER MEETING

Who is paying the costs of the shareholder meeting?

How many votes are shareholders entitled to cast?
