SVU / UNFI Employee Memo – Trucking / Warehouse

Team,

I am pleased to share some exciting news. Today we announced that SUPERVALU has reached an agreement to combine with United Natural Foods, Inc. (UNFI), creating a truly diversified grocery wholesale distribution company.

Before I share more on the agreement, I'd like to thank each of you for the hard work and focus you've shown since we began our transformation to return to our wholesale supplier roots. Joining with UNFI is truly a testament to the quality of our team and the consistent service we have delivered to our customers and partners. I'm extremely proud of all we've accomplished.

You may already be familiar with UNFI as the largest publicly traded wholesale distributor to the natural, organic and specialty food industry in the U.S. and Canada. Together, we will have an expanded network of over 60 distribution facilities that will offer over 200,000 on-trend products and serve customers in all 50 States and Canada. As a combined company, UNFI and SUPERVALU will be well positioned to succeed in today's grocery landscape.

Importantly, our two companies are an excellent cultural fit and share a customer-first focus. UNFI has great respect for the talent and dedication of SUPERVALU's employees, and I'm confident the SUPERVALU team will benefit from expanded opportunities as part of the combined organization.

We expect to complete the combination in the fourth quarter of calendar year 2018. Until then, SUPERVALU and UNFI will continue to operate as separate companies, and it remains business as usual at SUPERVALU. It is therefore as important as ever that we stay focused on serving our customers.

We understand that you may have many questions, and we're committed to providing as much clarity as possible. Please feel free to speak with your manager or supervisor, or send any questions you have regarding the combination to mergerupdate@supervalu.com and we'll do our best to address them in a timely manner.

I hope you share my excitement about both our future and this combination with UNFI. On behalf of the entire leadership team, thank you for your continued hard work and dedication.

Sincerely,

INSERT

UNFI and SVU Forward Looking Statements

This communication contains, and certain statements made by representatives of UNFI and SUPERVALU, and their respective affiliates, from time to time may contain, “forward-looking statements” within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, without limitation, UNFI’s and SUPERVALU’s expectations with respect to future performance and anticipated financial impacts of the business combination, the satisfaction of the closing conditions to the business combination and the timing of the completion of the business combination. More information about other potential factors that could affect UNFI’s and SUPERVALU’s business and financial results is included under the captions “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in UNFI’s Annual Report on Form 10-K for the fiscal year ended July 29, 2017 and SUPERVALU’s Report on Form 10-K for the fiscal year ended February 24, 2018, as amended, and any updates to those risk factors set forth in UNFI’s and SUPERVALU’s Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings, which have been filed with the SEC and are available on the SEC’s website at www.sec.gov. The foregoing list of factors is not exclusive. UNFI and SUPERVALU caution readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. UNFI and SUPERVALU do not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based, other than as required by applicable law.
