**PROXY STATEMENT
FOR THE
2005 ANNUAL MEETING OF STOCKHOLDERS**

Solicitation

This Proxy Statement is furnished to the holders of the common stock, par value \$.001 (the "Common Stock"), of Perma-Fix Environmental Services, Inc. (the "Company") in connection with the solicitation on behalf of the Board of Directors of the Company (the "Board of Directors" or the "Board") of proxies to be used in voting at the 2005 Annual Meeting of Stockholders to be held at the Company's offices, located at 1940 N.W. 67th Place, Gainesville, Florida 32653, on Wednesday, July 27, 2005, at 1:00 p.m. (EDST), and any adjournments thereof (the "Meeting"). The Notice of Annual Meeting of Stockholders, this Proxy Statement and the accompanying Proxy Card were first mailed to stockholders on or about June 20, 2005.

The Company will pay the cost of preparing, printing, assembling and mailing this Proxy Statement and the Proxy Card. In addition to solicitation by use of the mail, certain of the Company's officers and employees may, without receiving additional compensation therefore, solicit the return of proxies by telephone, telegram or personal interview. The Company will reimburse brokerage houses and custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding soliciting materials to their principals, the beneficial owners of Common Stock.

Revocation of Proxy

The enclosed proxy is for use at the Meeting if the stockholder will not be able to attend in person. Any stockholder who executes a proxy may revoke it at any time before it is voted by delivering to the Company's Secretary either an instrument revoking the proxy or a duly executed proxy bearing a later date. Any stockholder present at the Meeting who expresses a desire to vote his shares in person may also revoke a proxy.

Record Date and Voting Shares

Only the holders of Common Stock of record at the close of business on June 3, 2005 (the "Record Date"), will have the right to receive notice of, and be entitled to vote at, the Meeting. At the close of business on the Record Date, 41,805,267 shares (excluding 988,000 treasury shares) of Common Stock were issued and outstanding. Each stockholder of record, as of the Record Date, is entitled to one vote for each share of Common Stock that the stockholder owned as of the Record Date on each matter to be voted upon at the Meeting. A majority of all of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Meeting, represented in person or by proxy, will constitute a quorum for the holding of the Meeting. The failure of a quorum to be represented at the Meeting will necessitate adjournment and will subject the Company to additional expense.

Pursuant to the General Corporation Law of the State of Delaware, only votes cast "FOR" a matter constitute affirmative votes, except proxies in which the stockholder fails to make a specification as to whether the stockholder votes "FOR," "AGAINST," "ABSTAIN" or "WITH-HOLD" as to a particular matter shall be considered as a vote "FOR" that matter. Votes in which the stockholder specifies "WITHHOLD" or "ABSTAIN" are counted for quorum purposes. Abstentions and broker non-votes are not considered as votes "FOR" a particular matter. An inspector of election appointed by the Board of Directors will tabulate votes.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Company's Certificate of Incorporation, as amended, provides that each member of the Board of Directors shall hold office until the next annual meeting of stockholders and their successors have been elected and qualified or until

their earlier resignation or removal. Suc-cessors to those Directors whose terms have expired are required to be elected by stockholder vote. The existing Board of Directors fills vacancies for an unexpired term and any additional positions created by the Board of Directors' action.

The Company's Bylaws provide that the number of the Company's directors (the "Directors") shall be at least three, and that the number of Directors may be increased or decreased by action of the Board. The Board of Directors currently has determined that the number of Directors shall be seven.

The seven Directors named below have been recommended by the Corporate Governance and Nominating Committee ("Nominating Committee") to the Board of Directors for election at the Meeting to serve until the next annual meeting of the stockholders and until their respective successors are elected and qualified. All nominees are incumbent Directors. Shares represented by the enclosed proxy will be voted "FOR" the election as Directors of the seven nominees named below unless authority is withheld. Except as described below, if any nominee named below becomes unavailable for election, the proxies in the form solicited will be voted for a person who is recommended by the Nominating Committee and who the Board of Directors proposes to replace such nominee. Approval of each nominee for election to the Board of Directors will require the affirmative vote of a plurality of the votes cast by the holders of the Company's Common Stock.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE ELECTION OF THE SEVEN NOMINEES AS THE COMPANY’S DIRECTORS.

Board Independence

The Board of Directors has determined that each of Messrs. Zwecker, Colin, Lahav, Warrington, Reeder, and Young is an “independent director” under the current listing standards of the Nasdaq Stock Market, Inc. (“NASDAQ”). Dr. Centofanti is not considered to be an “independent director” because of his employment as a senior executive of the Company.

Meetings and Committees of the Board of Directors

During 2004, the Board of Directors held nine meetings. No Director attended fewer than 75% of the aggregate number of meetings held by the Board of Directors and the committees on which he served during 2004, except Dr. Young was only able to attend 44% of the Board meetings and committee meetings on which he serves. The Board of Directors has an Audit Committee, Compensation and Stock Option Committee and a Corporate Governance and Nominating Committee.

Audit Committee:

The Audit Committee assists the Board of Directors in monitoring the integrity of the financial statements of the Company, the independent auditor's qualifications and independence, the performance of the Company's internal audit function and independent auditor, and the Company's compliance with legal and regulatory requirements. In carrying out these purposes, the Audit Committee, among other things:

- appoints, evaluates, and approves the compensation of, the Company's independent auditor;
 - pre-approves all auditing services and permitted non-audit services;
 - annually considers the qualifications and independence of the independent auditors;
- reviews recommendations of independent auditors concerning the Company's accounting principles, internal controls and accounting procedures and practices;
 - reviews and approves the scope of the annual audit;
- reviews and discusses with the independent auditors the audited financial statements; and
 - performs such other duties as set forth in the Audit Committee Charter.

The Audit Committee acts under an Audit Committee Charter that was adopted by the Board of Directors on February 27, 2003, which replaced its previous charter. A copy of the Audit Committee Charter is available on the website at www.perma-fix.com. The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding accounting or auditing matters.

The Audit Committee members during 2004 were Al Warrington (Chairperson), Jon Colin and Mark Zwecker. The Board of Directors has determined that each of the three members of the Audit Committee is an "audit committee financial expert." The Audit Committee meets at least quarterly and at such additional times as necessary or advisable and held nine meetings in 2004. The Board of Directors has determined that each member of the Audit Committee is "independent" as that term is defined by the current NASDAQ listing standards and as specified in Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Compensation and Stock Option Committee:

The Compensation and Stock Option Committee reviews and recommends to the Board of Directors the compensation and benefits of all of the Company's officers and reviews general policy matters relating to compensation and benefits of the Company's employees. The Compensation and Stock Option Committee also administers the Company's stock option plans, and its 2003 Employee Stock Purchase Plan. The members of the Compensation and Stock Option Committee during 2004 were Mark Zwecker (Chairperson), Jack Lahav, Joe Reeder, Dr. Charles Young and Jon Colin. The Compensation and Stock Option Committee held four meetings in 2004.

Corporate Governance and Nominating Committee:

The Corporate Governance and Nominating Committee recommends to the Board of Directors candidates to fill vacancies on the Board, as well as, the nominees for election as the Company's directors by the stockholders at each annual meeting of stockholders. Members of the Nominating Committee during 2004 were Jack Lahav (Chairperson), Joe Reeder, Dr. Charles Young and Al Warrington. The Corporate Governance and Nominating Committee held one meeting in 2004. Effective after the second quarter of 2005, the Corporate Governance and Nominating Committee will meet not less than quarterly. The Corporate Governance and Nominating Committee adopted a Corporate Governance and Nominating Committee Charter, which is available on our website at www.perma-fix.com. All

members of the Corporate Governance and Nominating Committee are "independent" as that term is defined by the current NASDAQ listing standards.

The Corporate Governance and Nominating Committee does not have a formal policy with regard to the consideration of any director candidate recommended by security holders, because our Board of Directors believes that our by-laws and the procedures noted below provide sufficient guidance for the consideration of such persons so recommended. Although there is no formal procedure for stockholders to recommend nominees for the Board of Directors, the Nominating Committee will consider such recommendations if received in writing, together with all of the information described below as to the person so recommended, 120 days in advance of the annual meeting of stockholders. The Committee will consider appropriate factors such as experience with other organizations, skills, diversity, integrity, judgment and independence. Recommendations should be made in compliance with the Company's by-laws and be addressed to the Nominating Committee at the Company's address and provide all information relating to such person that the stockholder desires to nominate that is required to be disclosed in solicitation of proxies for the election of such nominee, including the nominee's written consent to serve as a director if so elected. If the chairman of the Meeting determines that a person is not nominated in accordance with the nomination procedure, such nomination will be disregarded.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all executive officers. The Code of Ethics is available on our website at www.perma-fix.com. If any amendments are made to the Code of Ethics or any grants of waivers are made to any provisions of the Code of Ethics to any of its executive officers, the Company will promptly disclose the amendment or waiver and nature of such amendment or waiver on the Company's website.

Compensation of Directors

In 2004, we paid our outside directors fees of \$1,500 for each month of service, resulting in the six outside directors earning annual director's fees in the total amount of \$108,000. As a member of the Board of Directors, each director elects to receive either 65% or 100% of the director's fee in shares of our Common Stock based on 75% of the fair market value of the Common Stock determined on the business day immediately preceding the date that the fee is due. The balance of each director's fee, if any, is payable in cash. The aggregate amount of accrued directors' fees at December 31, 2004, to be paid during 2005 to the six outside directors (Messrs. Colin, Lahav, Reeder, Warrington, Young and Zwecker) was \$54,000. Reimbursement of expenses for attending meetings of the Board are paid in cash at the time of the applicable Board meeting. The outside directors do not receive additional compensation for committee participation or special assignments, except for reimbursement of expenses. We do not compensate the directors that also serve as our officers or employees of our subsidiaries for their service as directors. Although Dr. Centofanti is not compensated for his services provided as a director, Dr. Centofanti is compensated for his services rendered as an officer of the Company. See "EXECUTIVE COMPENSATION — Summary Compensation Table."

Effective May 1, 2005, the Board of Directors approved an increase in the director fee paid to the chairman of our Audit Committee to \$3,750 for each month of service, which represents an increase of \$2,250 from the previous \$1,500 monthly director fee. The increase is a result of the additional time and responsibilities placed on this board position.

We believe that it is important for our directors to have a personal interest in our success and growth and for their interests to be aligned with those of our stockholders. Therefore, under our 1992 Outside Directors Stock Option and Incentive Plan ("1992 Directors Plan"), each outside director was granted a 10 year option to purchase up to 15,000 shares of Common Stock on the date such director was initially elected to the Board of Directors and received on each reelection date an option to purchase up to another 5,000 shares of Common Stock, with the exercise price being the fair market value of the Common Stock on the date that the option is granted. No option granted under the 1992 Directors Plan is exercisable until after the expiration of six months from the date the option is granted and no option shall be exercisable after the expiration of ten years from the date the option is granted. In 2003, our stockholders approved the 2003 Outside Directors Stock Plan ("2003 Directors Plan"). The 2003 Directors Plan is substantially similar to the 1992 Directors Plan (which terminated in 2003), with the exception that each outside director is granted a 10 year option to purchase 30,000 shares of Common Stock when initially elected, and granted a 10 year option to purchase 12,000 shares of Common Stock on each reelection date. As of December 31, 2004, options to purchase 220,000 shares of Common Stock had been granted and are outstanding under the 1992 Directors Plan and options to purchase 162,000 shares of Common Stock were granted and are outstanding under the 2003 Directors Plan. During 2004, 45,000 option shares expired under the 1992 Directors' Plan.

As of the date of this report, we have issued 226,550 shares of our Common Stock in payment of director fees under the 1992 Directors Plan, covering the period January 1, 1995 through December 31, 2003. No new shares may be issued under the 1992 Directors Plan, except for the exercise of options already granted. We have also issued 140,035 shares of our Common Stock in payment of director fees under the 2003 Directors Plan, covering the period October 1, 2003, through December 31, 2004.

Communications with the Board

The Company's Board of Directors believes that it is important for the Company to have a process that enables stockholders to send communications to the Board. Accordingly, stockholders who wish to communicate with the Board of Directors or a particular director may do so by sending a letter to the Secretary of the Corporation, at 1940 N.W. 67th Place, Gainesville, Florida 32653. The mailing envelope must clearly indicate that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all members of the Board of Directors or only certain specified individual directors. The Secretary of the Corporation will make copies of all such letters and circulate them to the appropriate director or directors.

Compensation Committee Interlocks and Insider Participation

During 2004, the Compensation and Stock Option Committee for the Company's Board of Directors was composed of Mark Zwecker, Jack Lahav, Joe Reeder, Dr. Charles Young and Jon Colin. Messrs. Zwecker, Lahav, Reeder, Young and Colin were neither officers nor employees of the Company or any subsidiaries during 2004.

Certain Relationships

There are no family relationships between any of the Company's existing Directors, executive officers, or persons nominated or chosen to become a Director or executive officer. Dr. Centofanti is the only Director who is the Company's employee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the regulations promulgated thereunder require our executive officers and directors and beneficial owners of more than ten percent (10%) of any class of our equity security registered pursuant to Section 12 of the Exchange Act to file reports of ownership and changes of ownership of our equity securities with the Securities and Exchange Commission, and to furnish us with copies of all such reports. Based solely on a review of the copies of such reports furnished to us and information provided to us, we believe that during 2004 none of our executive officers and directors failed to timely file reports under Section 16(a).

Capital Bank-Grawe Gruppe AG ("Capital Bank") has advised us that it is a banking institution regulated by the banking regulations of Austria, which holds shares of our Common Stock as agent on behalf of numerous investors. Capital Bank has represented that all of its investors are accredited investors under Rule 501 of Regulation D promulgated under the Act. In addition, Capital Bank has advised us that none of its investors beneficially own more than 4.9% of our Common Stock. Capital Bank has further informed us that its clients (and not Capital Bank) maintain full voting and dispositive power over such shares. Consequently, Capital Bank has advised us that it believes it is not the beneficial owner, as such term is defined in Rule 13d-3 of the Exchange Act, of the shares of our Common Stock registered in the name of Capital Bank because it has neither voting nor investment power, as such terms are defined in Rule 13d-3, over such shares. Capital Bank has informed us that it does not believe that it is required (a) to file, and has not filed, reports under Section 16(a) or (b) to file either Schedule 13D or Schedule 13G in connection with the shares of our Common Stock registered in the name of Capital Bank.

If the representations, or information provided, by Capital Bank are incorrect or Capital Bank was historically acting on behalf of its investors as a group, rather than on behalf of each investor independent of other investors, then Capital Bank and/or the investor group would have become a beneficial owner of more than 10% of our Common Stock on February 9, 1996, as a result of the acquisition of 1,100 shares of Series 1 Preferred Stock that were convertible into a maximum of 1,282,798 shares of our Common Stock commencing 45 days after issuance of the Series 1 Preferred. If either Capital Bank or a group of Capital Bank's investors became a beneficial owner of more than 10% of our Common Stock on February 9, 1996, and thereby required to file reports under Section 16(a) of the Exchange Act, then Capital Bank has failed to file a Form 3 or any Forms 4 or 5 for period from February 9, 1996, until the present.

Audit Committee Report

The Audit Committee is responsible for providing independent objective oversight of the Company's accounting functions and internal controls. In accordance with rules adopted by the Commission, the Audit Committee of the Company states that:

- The Audit Committee has reviewed and discussed with management the Company's audited financial statements for the fiscal year ended December 31, 2004.
- The Audit Committee has discussed with BDO Seidman, LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 ("Communications with Audit Committees"), as modified or supplemented.

- The Audit Committee has received the written disclosures and the letter from BDO Seidman, LLP, required by Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees”), as modified or supplemented, and has discussed with BDO Seidman, LLP, the independent accountant’s independence.

In connection with the Audit Committee’s discussion with BDO Seidman, LLP, as described above, the Audit Committee discussed and considered (a) that approximately 60% of the total hours spent on audit services for the Company for the year ended December 31, 2004, were spent by Gallogly, Fernandez & Riley, LLP (“GFR”), members of the BDO Seidman, LLP alliance network of firms, and (b) the nature and scope of the non-audit services performed by GFR, and determined that the audit and non-audit services provided by BDO Seidman, LLP and GFR were compatible with maintaining the independence of BDO Seidman, LLP.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company’s audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission. The Audit Committee also appointed BDO Seidman, LLP as the Company’s independent auditor for 2005.

This report is submitted on behalf of the members of the Audit Committee:

Alfred C. Warrington, IV
(Chairperson)
Jon Colin
Mark Zwecker

The Report of the Audit Committee shall not be deemed to be “soliciting material” or to be “filed” with the Securities and Exchange Commission, nor shall it be incorporated by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference and shall not otherwise be deemed filed under such Acts.

Employment Contracts and Change-in-Control Arrangements

The Company does not have any employment agreements with any of its executive officers. Nor does the Company have any compensatory plan or arrangement that would result in any payments to any executive officers upon such officer's resignation, retirement or other termination or from a change in control of the Company. However, the Company's 1991 Performance Equity Plan, the 1993 Non-qualified Stock Option Plan, and the 2004 Stock Option Plan, described under "Report of the Compensation and Stock Option Committee (c) Stock Options" (collectively, the "Plans") provide that in the event of a change in control (as defined in the Plans) of the Company, each outstanding option and award granted under the Plans shall immediately become exercisable in full notwithstanding the vesting or exercise provisions contained in the stock option agreement.

401(k) Plan

We adopted the Perma-Fix Environmental Services, Inc. 401(k) Plan (the "401(k) Plan") in 1992, which is intended to comply with Section 401 of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974. All employees who have attained the age of 18 are eligible to participate in the 401(k) Plan. Participating employees may make annual pretax contributions to their accounts up to 18% of their compensation, up

to a maximum amount as limited by law. We, at our discretion, may make matching contributions based on the employee's elective contributions. Company contributions vest over a period of five years. We currently match up to 25% of our employees' contributions, not to exceed 3% of a participant's compensation. We contributed \$272,000 in matching funds during 2004.

Report of the Compensation and Stock Option Committee

The Compensation and Stock Option Committee (the “Compensation Committee”) is responsible for reviewing and approving the Company’s compensation policies and the compensation paid to the Company’s executive officers, including the executive officers named in the Summary Compensation Table. The Company’s compensation program for its executive officers is generally not formalized but is designed to provide levels of compensation required to assist the Company in attracting and retaining qualified executive officers. The Compensation Committee attempts to set an executive officer’s compensation at a level that is similar to such officer’s peers in the industry consistent with the size of the Company. Generally, executive officer compensation, including that of the Chief Executive Officer, is not directly related to the Company’s performance. Instead, the Compensation Committee has a philosophy that recognizes individual initiative and achievement in arriving at an officer’s compensation. The executive compensation program is comprised of salary, cash incentives and stock options. The following is a discussion of each of the elements of the executive compensation program.

Salary

Generally, base salary for each executive officer is similar to levels within the industry and comparable to the level which the Company believes could be attained for equal positions elsewhere, but consistent with the Company's size. Also taken into account are benefits, years of service, responsibilities, Company growth, future plans and the Company's current ability to pay. The Board of Directors increased Dr. Centofanti's salary in 2004 through application of an inflation factor and, in addition, the Compensation Committee further increased Dr. Centofanti's compensation to a level it believed was consistent with salary levels of other Chief Executive Officers at similar situated and sized companies in the waste industry. Mr. Kelecy's, Mr. McNamara's and Mr. Keegan's salaries were increased in 2004 in response to the Compensation Committee's review of executive officer salary levels at similarly sized and situated companies within the Company's industry. Salaries were again increased in 2005 in conjunction with new compensation plans approved by the Compensation Committee. See below under Cash Incentives for discussion on the new compensation plans.

Cash Incentives

The cash incentive plan is a program through which cash bonuses may be paid on an annual basis to reward significant corporate accomplishments and individual initiative demonstrated by executive officers during the prior fiscal year. The Compensation Committee determines the amount of cash bonuses.

In May 2005, the Compensation Committee approved the adoption of the executive compensation plans for fiscal year 2005, that in addition to salary increases, also established a bonus plan for each executive officer. Establishes a quarterly and annual bonus compensation plan (the "Bonus Plan") for each of the above listed executive officers of the Company. Each executive officer has a separate Bonus Plan, with eligible quarterly payments to that executive officer, if they meet the required criteria for a quarterly bonus payment, which shall be payable the subsequent month and an annual bonus payment to that executive officer, if they meet the required criteria for annual bonus payments, which shall be payable the subsequent month following the close of the Company's books for the year in question. Annual or quarterly bonus payments under a Bonus Plan is payable only if the Company meets a minimum threshold of 85% of its budgeted EBITDA for the quarter and year end. If the EBITDA criteria are met, the executive officer is eligible to receive quarterly and annual payments based on achieving certain targets set forth in the executive officer's particular Bonus Plan during the quarter in question and the year in question. The amount of the quarterly and annual payments will vary depending on the target met and the percentage of meeting such target.

Stock Options

The Company's Stock Option Plans were adopted for the purpose of promoting the interests of the Company and its stockholders by attracting and retaining executive officers and other key employees of outstanding ability. Options are granted to eligible participants based upon their potential impact on corporate results and on their individual performance. Generally, options are granted at market value, vest over a number of years, and are generally dependent upon continued employment. The Compensation Committee believes that the grant of time-vested options provides an incentive that focuses the executive officers' attention on managing the Company from the perspective of owners with an equity stake in the Company. Options further motivate executive officers to maximize long-term growth and profitability because value is created in the options only as the Common Stock price increases after the option is granted.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Security Ownership of Certain Beneficial Owners

The table below sets forth information as to the shares of voting securities beneficially owned as of June 3, 2005, by each person known by us to be the beneficial owners of more than 5% of any class of our voting securities.

Name of Beneficial Owner	Title Of Class	Amount and Nature of Ownership	Percent Of Class ⁽¹⁾
Rutabaga Capital Management ⁽²⁾	Common	5,033,014 ⁽²⁾	12.0%

⁽¹⁾ In computing the number of shares and the percentage of outstanding Common Stock "beneficially owned" by a person, the calculations are based upon 41,805,267 shares of Common Stock issued and outstanding on June 3, 2005 (excluding 988,000 Treasury Shares), plus the number of shares of Common Stock which such person has the right to acquire beneficial ownership of within 60 days. Beneficial ownership by our stockholders has been determined in accordance with the rules promulgated under Section 13(d) of the Exchange Act.

⁽²⁾ This beneficial ownership amount is according to the Schedule 13F-HR, filed with the Securities and Exchange Commission, on May 11, 2005, and according to discussions with Rutabaga Management, which provides that Rutabaga Capital Management, an investment advisor, has sole voting power over 2,168,700 shares and shared voting power over 2,864,314 shares, and has sole dispositive power over all of these shares. The address of Rutabaga Capital Management is: 64 Broad Street, 3rd Floor, Boston, MA 02109.

Security Ownership of Capital Bank

Capital Bank represented to us that:

- Capital Bank owns shares of our Common Stock and rights to acquire shares of our Common Stock only as agent for certain of Capital Bank's investors;
 - All of the Capital Bank's investors are accredited investors;

- None of Capital Bank's investors beneficially own more than 4.9% of our Common Stock;
- Capital Bank's investors maintain full voting and dispositive power over the Common Stock beneficially owned by such investors; and
- Capital Bank has neither voting nor investment power over the shares of Common Stock owned by Capital Bank, as agent for its investors.

Notwithstanding the previous paragraph, if Capital Bank's representations to us described above are incorrect or if Capital Bank's investors are acting as a group, then Capital Bank or a group of Capital Bank's investors could be a beneficial owner of more than 5% of our voting securities. If Capital Bank is deemed the beneficial owner of such shares, the following table sets forth information as to the shares of voting securities that Capital Bank may be considered to beneficially own on June 3, 2005.

Name of Record Owner	Title Of Class	Amount and Nature of Ownership	Percent Of Class ⁽¹⁾
Capital Bank Grawe Gruppe ⁽²⁾	Common	10,236,007 ⁽²⁾	22.2%

⁽¹⁾ This calculation is based upon 41,805,267 shares of Common Stock issued and outstanding on June 3, 2005 (excluding 988,000 Treasury Shares), plus the number of shares of Common Stock which Capital Bank, as agent for certain accredited investors has the right to acquire within 60 days.

⁽²⁾ This amount includes 5,901,202 shares that Capital Bank owns of record, as agent for certain accredited investors and 2,668,138 shares that Capital Bank has the right to acquire, as agent for certain investors, within 60 days under certain Warrants. The Warrants are exercisable at an exercise price of \$1.75 per share of Common Stock. This amount also includes 1,666,667 shares of Common Stock issuable upon the conversion of 2,500 shares of Series 17 Preferred held by Capital Bank. This amount does not include the shares of Common Stock, which may be issuable for payment of dividends on the Series 17 Preferred. Capital Bank has also advised us that it is holding these Warrants and shares on behalf of numerous clients, all of which are accredited investors. Although Capital Bank is the record holder of the shares of Common Stock and Warrants described in this note, Capital Bank has advised us that it does not believe it is a beneficial owner of the Common Stock or that it is required to file reports under Section 16(a) or Section 13(d) of the Exchange Act. Because Capital Bank (a) has advised us that it holds the Common Stock as a nominee only and that it does not exercise voting or investment power over the Common Stock held in its name and that no one investor of Capital Bank for which it holds our Common Stock holds more than 4.9% of our issued and outstanding Common Stock; (b) has no right to, and is not believed to possess the power to, exercise control over our management or its policies; (c) has not nominated, and has not sought to nominate, a director to our board; and (d) has no representative serving as an executive officer of the Company, we do not believe that Capital Bank is our affiliate. Capital Bank's address is Burgring 16, 8010 Graz, Austria. Capital Bank has advised us that it is a banking institution.

Capital Bank owns, as agent for its investors, 2,500 shares of Series 17 Preferred, which may be converted into shares of Common Stock at any time at a conversion price of \$1.50 per share, subject to adjustment as set forth in the Certificate of Designations relating to the Series 17 Preferred. The Series 17 Preferred has a "stated value" of \$1,000 per share. The 2,500 shares are currently convertible into 1,666,667 shares of Common Stock. The Company may, at its sole option, redeem, in whole or in part, at any time, and from time to time the then outstanding Series 17 Preferred at the cash redemption price of \$1,200 per share. Upon any notice of redemption, Capital Bank shall have only five business days to exercise its conversion rights regarding the redeemed shares.

The Series 17 Preferred accrues dividends on a cumulative basis at a rate of 5% per annum, which dividends are payable semiannually when and as declared by the Board of Directors. During 2003, accrued dividends on the Series 17 Preferred of approximately \$125,000 were paid in the form of 53,478 shares of our Common Stock, of which 19,643 were issued in February 2004. During 2004, accrued dividends on the Series 17 Preferred of approximately

\$125,000 were paid in the form of 34,938 shares of our Common Stock and \$63,000 in cash, of which the \$63,000 was paid in March 2005.

During 2004, Capital Bank exercised outstanding warrants to purchase (a) 14,262 shares of Common Stock at a total exercise price of \$24,959, or \$1.75 per share; (b) 105,000 shares of Common Stock at a total exercise price of \$206,724, or \$1.9688 per share; (c) 105,000 shares of Common Stock at a total exercise price of \$203,438, or \$1.9375 per share; and (d) 105,000 shares of Common Stock at a total exercise price of \$190,313, or \$1.8125 per share.

Engagement of the Independent Auditor

The Audit Committee is responsible for approving all engagements with BDO and GFR to perform audit or non-audit services for us prior to us engaging BDO and GFR to provide those services. All of the services under the headings Audit Related Fees, Tax Services, and All Other Fees were approved by the Audit Committee pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X of the Exchange Act. The Audit Committee's pre-approval policy provides as follows:

- The Audit Committee will review and pre-approve on an annual basis any known audit, audit-related, tax and all other services, along with acceptable cost levels, to be performed by BDO and GFR. The Audit Committee may revise the pre-approved services during the period based on subsequent determinations. Pre-approved services typically include: statutory audits, quarterly reviews, regulatory filing requirements, consultation on new accounting and disclosure standards, employee benefit plan audits, reviews and reporting on management's internal controls and specified tax matters.
- Any proposed service that is not pre-approved on the annual basis requires a specific pre-approval by the Audit Committee, including cost level approval.
- The Audit Committee may delegate pre-approval authority to one or more of the Audit Committee members. The delegated member must report to the Audit Committee, at the next Audit Committee meeting, any pre-approval decisions made.
