ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

Streicher Mobile Fueling, Inc. (the “Company”) issued a press release on October 13, 2006, reporting operating results for the fiscal year and three months ended June 30, 2006. The Company hereby incorporates by reference into this Item 2.02 the information set forth in that press release, a copy of which is attached hereto as Exhibit 99.1.

ITEM 8.01 OTHER EVENTS

As disclosed in the Company’s annual report on Form 10-K filed with Commission on October 13, 2006, the Company on October 10, 2006, filed a civil complaint in Broward County, Florida Circuit Court against Financial Accounting Solutions Group, Inc., (“FAS”), Kramer Professional Staffing, Inc., (“KPS”), and Mitchell Kramer, an officer, director, shareholder and control person of FAS and KPS. In the Form 10-K, the Company suggested that it was likely that FAS would file a counterclaim or a countersuit seeking to recover fees billed to the Company that the Company had refused to pay on account of the various failings cited in the Company’s complaint. On October 13, 2006, shortly after the Company’s Form 10-K was filed, the Company learned that FAS had in fact filed its own civil complaint against the Company in Broward County, Florida Circuit Court seeking the fees allegedly due. The Company believes that the lawsuit filed by FAS will likely be transferred to the same division and judge assigned to the case filed by the Company and will thereafter be consolidated with that case as a counterclaim. As noted in the Form 10-K, the Company has been advised by counsel that, based on all available information, the likelihood of FAS prevailing in any litigation against the Company is remote and the chance of recovery by FAS against the Company is slight.
