PROXY STATEMENT

for

ANNUAL MEETING OF SHAREHOLDERS

to be held Tuesday, November 9, 2010

SOLICITATION OF PROXY

The accompanying proxy is solicited on behalf of the board of directors (the “Board of Directors”) of Intellicheck Mobilisa, Inc. (“Intellicheck Mobilisa” or the “Company”), for use at the annual meeting of shareholders of the Company (the “Annual Meeting”) to be held on Tuesday, November 9, 2010, at the Company’s offices at 100 Jericho Quadrangle, Suite 202, Jericho, NY 11753-2702. The meeting will begin promptly at 10:00 a.m., Eastern Time. This proxy statement contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting. In addition to mail, proxies may be solicited by personal interview, telephone or telegraph by our officers and regular employees, without additional compensation. We will bear the cost of solicitation of proxies. Brokerage houses, banks and other custodians, nominees and fiduciaries will be reimbursed for out-of-pocket and reasonable expenses incurred in forwarding proxies and proxy statements. The Board of Directors has set September 13, 2010 as the record date (the “Record Date”) to determine those holders of record of common stock, par value \$.001 (“Common Stock”) who are entitled to notice of, and to vote at the Annual Meeting. Each share of Common Stock entitles its owner to one vote. On the Record Date, there were 26,973,325 shares outstanding. On or about September 20, 2010, this Proxy Statement and the proxy card (the “Proxy Card” or “Proxy”) are being mailed to shareholders of record as of the close of business on September 13, 2010.

ABOUT THE MEETING

What is being considered at the meeting?

You will be voting on the following:

- the election of six directors, each to serve until the next annual meeting;
- the ratification of the appointment of EisnerAmper, LLP, as our independent registered public accountant firm.

Who is entitled to vote at the meeting?

You may vote if you owned common stock as of the close of business on September 13, 2010. Each share of common stock is entitled to one vote.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a Proxy by mail. In order for us to conduct our meeting, a majority of the combined voting power of our common stock as of September 13, 2010 must be present at the meeting. This is referred to as a quorum. We believe that on September 13, 2010, there were 26,973,325 outstanding shares of common stock entitled to vote.

How do I vote?

You can vote in two ways:

- by attending the meeting in person; or
- by completing, signing and returning the enclosed proxy card.

Can I change my mind after I submit my Proxy?

Yes, you may change your mind at any time before a vote is taken at the meeting. You can do this by (1) signing another Proxy with a later date and submitting it in the same manner as the prior proxy was submitted, (2) if you hold your shares in your name, voting again at the meeting, or (3) if you hold your shares in street name, arranging with your broker to vote your shares at the annual meeting.

What if I return my Proxy Card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted FOR the election of the nominated directors, and FOR the approval of the appointment of our independent public accountants.

What does it mean if I receive more than one Proxy Card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Continental Stock Transfer and Trust Company. The transfer agent's telephone number is (212) 509-4000.

Will my shares be voted if I do not provide my Proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a Proxy. Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain "routine" matters, including approval of the appointment of independent public accountants. When a brokerage firm votes its customer's unvoted shares, these shares are counted for purposes of establishing a quorum. At our meeting, these shares will be counted as voted by the brokerage firm in the approval of the appointment of our independent public accountants.

What vote is required to approve each item?

The affirmative vote of a plurality of the votes cast at the annual meeting is required for approval of the election of directors and the affirmative vote of a majority of the votes cast is required for the ratification of the appointment of our independent public accountants.

Do we currently have, or do we intend to submit for shareholder approval, any anti-takeover device?

Our Certificate of Incorporation, By-Laws and other corporate documents do not contain any provisions that contain material anti-takeover aspects. We have no plans or proposals to submit any other amendments to the Certificate of Incorporation or By-Laws or other measures in the future that have anti-takeover effects.

Directors generally serve for a one-year term and hold office until the next annual meeting of shareholders following the conclusion of their term and the election and qualification of their successors. Executive officers are elected by and serve at the discretion of the Board of Directors.

Board Leadership Structure

The current Chairman of the Board of Directors is Mr. John Paxton, who is an independent director under NYSE Amex listing standards. The roles of Chairman of the Board and Chief Executive Officer are separate. The Board of Directors believes that the separation of the offices of the Chairman of the Board and Chief Executive Officer allows the Company's Chief Executive Officer to focus primarily on the Company's business strategy, operations and corporate vision. The Board of Directors consists of a majority of independent directors, and each of the committees of the Board of Directors is comprised solely of independent directors. The Company does not have a policy mandating an independent lead director.

Risk Oversight

While management is responsible for assessing and managing risks to the Company, the Board of Directors is responsible for overseeing management's efforts to assess and manage risk. Risks are considered in virtually every business decision and as part of the Company's overall business strategy. The Board of Directors' risk oversight areas of focus include, but are not limited to:

- managing the Company's long-term growth;
- strategic and operational planning, including significant acquisitions and the evaluation of our capital structure; and
- legal and regulatory compliance.

While the Board of Directors has the ultimate oversight responsibility for the Company's risk management policies and processes, the committees of the Board of Directors also have responsibility for risk oversight. The Audit Committee oversees risks associated with our financial statements and financial reporting, mergers and acquisitions, credit and liquidity and business conduct compliance. The Compensation Committee considers the risks associated with our compensation policies and practices, with respect to both executive compensation and employee compensation generally. The Nominating and Corporate Governance Committee oversees risks associated with our overall governance practices and the leadership structure of the Board of Directors. The Board of Directors is kept informed of each committee's risk oversight and other activities via regular reports of the committee chairs to the full Board of

Directors. The Board of Directors' role in risk oversight is consistent with its leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and the Board of Directors and committees providing oversight in connection with those efforts.

Section 16(a) Beneficial Ownership Reporting Compliance

The Securities and Exchange Commission has adopted rules relating to the filing of ownership reports under Section 16(a) of the Securities Exchange Act of 1934. One such rule requires disclosure of filings, which under the Commission's rules, are not deemed to be timely. Based on a review of the filings received, Intellicheck Mobilisa is not aware of any non-timely filings for fiscal year 2009, except that a Form 4 filing was not timely filed for Emil R. Bedard, John W. Paxton, Guy L. Smith and former directors Jeffrey Levy, John E. Maxwell and Arthur L. Money.

All other transactions were reported in a timely fashion.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the fiscal year ended December 31, 2009, the Board of Directors held six meetings, the Audit Committee five meetings, and the Nominating and Corporate Governance and the Compensation Committees did not hold any meetings outside of the normal board meetings. All of the directors attended at least 75% of the aggregate of all Board meetings and meetings of committees on which they served. The Board of Directors has determined that Messrs. Smith, Paxton, Bedard, and McGee, are each independent directors as defined in Section 121(A) of the NYSE Amex listing standards. The Company does not have a written policy relating to attendance by members of the Board of Directors at annual shareholder meetings. However, it is communicated and understood by all directors that they are required to attend barring any unforeseen circumstance. All directors who were directors at the time of last year's annual shareholder meeting attended last year's annual shareholder meeting.

Compensation Committee

The Board of Directors established a Compensation Committee which is currently comprised of Mr. Smith, chairperson, Mr. Bedard and Mr. Paxton, each of whom is independent as defined in Section 803(A) of the NYSE Amex listing standards. The Compensation Committee reviews and recommends to the board the compensation for all officers and directors of the Company and reviews general policy matters relating to the compensation and benefits of all employees. The Compensation Committee also administers the stock option plans. The Compensation Committee has adopted a written charter, which is incorporated by reference to Registrant's Proxy Statement on Schedule 14A filed April 27, 2007. The charter sets forth responsibilities, authority and specific duties of the Compensation Committee.

Nominating and Corporate Governance Committee

The Board of Directors established a Nominating and Corporate Governance Committee, which is comprised of Mr. Bedard, chairperson, Mr. Paxton and Mr. Smith, each of whom is independent as defined in Section 803(A) of the NYSE Amex's listing standards. The Nominating and Corporate Governance Committee reviews our internal policies and procedures and by-laws. With respect to nominating director candidates, this committee identifies and evaluates potential director candidates and recommends candidates for appointment or election to the Board. The Nominating and Corporate Governance Committee has adopted a written charter, which is incorporated by reference to Registrant's Proxy Statement on Schedule 14A filed April 27, 2007. The charter sets forth responsibilities, authority and specific duties of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee may consider those factors it deems appropriate in evaluating director nominees, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other board members, and specialized knowledge or experience. Depending upon the current needs of our Board of Directors, certain factors may be considered more than others by the Committee in making its recommendation. In considering candidates for our

Board of Directors, the Nominating and Corporate Governance Committee will evaluate the entirety of each candidate's credentials and, other than the eligibility requirements established by the Nominating and Corporate Governance Committee, will not have any specific minimum qualifications that must be met by a nominee. The Nominating and Corporate Governance Committee will consider candidates for the Board from any reasonable source, including current board members, shareholders, professional search firms or other persons. The Nominating and Corporate Governance Committee will not evaluate candidates differently based on who has made the recommendation.

Although we do not currently have a formal policy or procedure for shareholder recommendations of director candidates, the Board of Directors welcomes such recommendations and will consider candidates recommended by shareholders. Because we do not prohibit or restrict such recommendations, we have not implemented a formal policy with respect to shareholder recommendations.

Audit Committee

The Board of Directors has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, which is currently comprised of Mr. McGee, chairperson, Mr. Bedard and Mr. Smith. The members of the Audit Committee are independent as defined in Section 803(A) of the NYSE Amex's listing standards. The Audit Committee recommends to the Board of Directors the annual engagement of a firm of independent accountants and reviews with the independent accountants the scope and results of audits, our internal accounting controls and audit practices and professional services rendered to us by our independent accountants. The Audit Committee has adopted a written charter, which sets forth the responsibilities, authority and specific duties of the Audit Committee. A copy of the Audit Committee charter is incorporated by reference to Registrant's Proxy Statement on Schedule 14A filed April 27, 2007.

The Board of Directors has determined that it has at least one audit committee financial expert serving on the audit committee. Woody McGee has vast corporate experience including his positions as CEO and President of several privately held companies. Mr. McGee has been the Chief Financial Officer of Telxon Corporation, Mosler, Inc. and Western Atlas (formerly Litton Industries). EXECUTIVE COMPENSATION

Overview

This compensation discussion describes the material elements of compensation awarded to, earned by, or paid to each of Intellicheck Mobilisa's executive officers who served as named executive officers during the last completed fiscal year. This compensation discussion focuses on the information contained in the following tables and related footnotes and narrative for primarily the last completed fiscal year, but also describes compensation actions taken before or after the last completed fiscal year to the extent it enhances the understanding of Intellicheck Mobilisa's executive compensation disclosure.

The Compensation Committee currently oversees the design and administration of Intellicheck Mobilisa's executive compensation program and compensation for the Board of Directors.

The principal elements of Intellicheck Mobilisa's executive compensation program are base salary, annual cash incentives, long-term equity incentives in the form of stock options and other benefits. Intellicheck Mobilisa's other benefits consist of reimbursed business travel and entertainment expenses, a vehicle allowance, health insurance benefits, vacation and sick pay and a qualified 401(k) savings plan. Intellicheck Mobilisa's philosophy is to position the aggregate of these elements at a level that is commensurate with Intellicheck Mobilisa's size and performance.

Compensation Program Objectives and Philosophy

In General. The objectives of Intellicheck Mobilisa's compensation programs are to:

- § attract, motivate and retain talented and dedicated executive officers;
- § provide Intellicheck Mobilisa's executive officers with both cash and equity incentives to further Intellicheck Mobilisa's interests and those of Intellicheck Mobilisa's stockholders; and
- § provide employees with long-term incentives so Intellicheck Mobilisa can retain them and provide stability during Intellicheck Mobilisa's growth stage.

Generally, the compensation of Intellicheck Mobilisa's executive officers is composed of a base salary, an annual incentive compensation award and equity awards in the form of stock options. In setting base salaries, the Compensation Committee generally reviewed the individual contributions of the particular executive. The annual incentive compensation awards for 2009 and 2010 have been and will be paid in accordance with the Executive Compensation Bonus Plan approved by the Compensation Committee based on expected Company performance. No annual incentive compensation was paid to executive officers in 2007 or 2008. In addition, stock options are granted to provide the opportunity for long-term compensation based upon the performance of Intellicheck Mobilisa's common stock over time.

Intellicheck Mobilisa generally intends to qualify executive compensation for deductibility without limitation under Section 162(m) of the Internal Revenue Code. Section 162(m) provides that, for purposes of the regular income tax and the alternative minimum tax, the otherwise allowable deduction for compensation paid or accrued with respect to a covered employee of a publicly-held corporation (other than certain exempt performance-based compensation) is limited to no more than \$1.0 million per year. The non-exempt compensation paid to any of our executive officers for fiscal 2009 as calculated for purposes of Section 162(m) did not exceed the \$1.0 million limit.

Competitive Marketplace for Talent. Intellicheck Mobilisa defines its competitive marketplace for executive talent and investment capital to be the technology and business services industries. To date, Intellicheck Mobilisa has not engaged in the benchmarking of executive compensation but Intellicheck Mobilisa may choose to do so in the future.

Compensation Process. For each of Intellicheck Mobilisa's named executive officers, the Compensation Committee reviews and approves all elements of compensation, taking into consideration recommendations from Intellicheck Mobilisa's CEO (for compensation other than his own), as well as competitive marketplace guidance. Based upon its review, the Compensation Committee approves salaries for executive officers. The Compensation Committee sets the salary level of each executive officer on a case by case basis, taking into account the individual's level of responsibilities and performance. All executive officer salaries are reviewed on an annual basis. Salary changes for executives are based primarily on their performance in supporting the strategic initiatives of the Chief Executive Officer, economic and competitive factors, meeting individual goals and objectives set by the Chief Executive Officer, and improving the operating efficiency of the Company. Also, where applicable, changes in the duties and responsibilities of each other executive officer may be considered in deciding on changes in annual salary. For 2009, the aggregate of the compensation paid to Intellicheck Mobilisa's Chief Executive Officer and other executive officers was 96% cash and 4% non-cash option awards.

Executive Officer Bonuses. The Board of Directors approved an Executive Compensation Bonus Plan beginning with the third quarter of 2009 and effective until otherwise stopped or revised. The Compensation Committee will review the bonus plan each year in accordance with its duties to ensure that the plan continues to be in the best interest of the Company. As long as the following named executives are contributing to the overall success of the Company, quarterly cash bonuses will be paid if there is net income under GAAP as shown below:

	Quarterly Net Income		
	\$30,000 - \$499,000	\$500,000 - \$999,999	\$1,000,000 or more
Nelson Ludlow	\$ 5,000	\$ 10,000	\$ 25,000
Steven Williams	5,000	10,000	25,000
Russell Embry	2,500	5,000	12,500
John Lange	2,500	5,000	12,500
Bonnie Ludlow	2,500	5,000	12,500
Peter Mundy	2,500	5,000	12,500

For the third quarter of 2009, the Company had net income of \$109,803 and paid a total of \$20,000 in bonuses under the plan. No bonuses were paid in the fourth quarter of 2009.

Stock Option Grants. The Compensation Committee currently administers Intellicheck Mobilisa's stock option and equity incentive plans for executive officers, employees, consultants and outside directors. Under the plans, the Compensation Committee grants options to purchase Common Stock with an exercise price of no less than the fair market value of the Common Stock on the date of grant. The Compensation Committee believes that providing stock options to the executive officers, who are responsible for Intellicheck Mobilisa's management and growth, gives them an opportunity to own Intellicheck Mobilisa stock and better aligns their interests with the interests of the stockholders. It also promotes retention of the officers because of the vesting provisions of the option grants and the potential for stock price appreciation.

For these reasons, the Compensation Committee considers stock options as an important element of compensation when it reviews executive officer compensation. At its discretion, the Compensation Committee also grants options based on individual and corporate achievements.

Normally, the Chief Executive Officer makes a recommendation to the Committee for awards to be made to executive officers other than the Chief Executive Officer. The Committee approves grants made to the Chief Executive Officer and other executive officers and, in certain cases, recommends grants for approval by the entire Board. The Compensation Committee determines the number of shares underlying each stock option grant based upon the executive officer's and Intellicheck Mobilisa's performance, the executive officer's role and responsibilities at

Intellicheck Mobilisa and the executive officer's base salary. Effective November 7, 2006, the Board enacted a new policy regarding all future stock option grants. Such policy requires that all future stock option issuances will be granted on the third Thursday of each month after they have been approved and that each such issuance will have a strike price per share equal to the closing price of the Corporation's common stock on such day.

Chief Executive Officer Compensation. On March 14, 2008, the Company entered into an employment agreement with Dr. Ludlow, pursuant to which Dr. Ludlow was appointed the Company's Chief Executive Officer. Dr. Ludlow receives a salary of \$220,000 (\$226,500 effective October 1, 2009) per year, was granted options to purchase 25,000 shares of the Company's common stock on March 20, 2008 that are immediately exercisable at a price per share equal to 110% of the fair market value of the Company's common stock on the date of grant, and an annual bonus based on reasonable objectives established by the Company's Board of Directors. In the first quarter of 2008, the Company recorded \$66,120 of stock-based compensation related to these options. Dr. Ludlow will be entitled to receive benefits in accordance with the Company's existing benefit policies and will be reimbursed for Company expenses in accordance with the Company's expense reimbursement policies. The employment agreement has a term of two years. Dr. Ludlow may terminate the agreement at any time on 60 days prior written notice to the Company. In addition, the Company or Dr. Ludlow may terminate the employment agreement immediately for cause, as described in the employment agreement. If the Company terminates the agreement without cause, Dr. Ludlow will be entitled to severance equal to one year of his base salary, in addition to salary already earned. If Dr. Ludlow terminates the agreement for cause, Dr. Ludlow will be entitled to receive a payment equal to \$50,000, in addition to salary already earned.

The determination of the base salary to be paid to the Chief Executive Officer was based on a number of factors including the historical compensation of Dr. Ludlow and the relative compensation in comparison to the other existing senior executives in the Company. In deciding on future changes in the base salary of the Chief Executive Officer, the Compensation Committee will consider several performance factors. Among these are operating and administrative efficiency and the maintenance of an appropriately experienced management team. The Compensation Committee also evaluates the Chief Executive Officer's performance in the area of finding and evaluating new business opportunities to establish the most productive strategic direction for Intellicheck Mobilisa.
