Item 7.01. Regulation FD Disclosure

Attached as Exhibit 99.1 to this Current Report is the form of presentation that BioLife Solutions, Inc. (the “Company”) has prepared and will use at the Company’s presentation at the BIO CEO Investor Conference on February 12, 2018, and at future presentations of the Company.

The Company claims the protection of the safe harbor for “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements concerning the Company’s anticipated business and operations, guidance for financial results in 2018, the potential utility of and market for its products and services, potential revenue growth and market expansion, regulatory approvals and/or commercial manufacturing of its customers’ products, and potential customer revenue. All statements other than statements of historical fact are statements that could be deemed forward-looking statements. These statements are based on management’s current expectations and beliefs and are subject to a number of risks, uncertainties and assumptions that could cause actual results to differ materially from those described in the forward-looking statements, including among other things, uncertainty regarding market adoption of products; uncertainty regarding third-party market projections; market volatility; competition; litigation; and those other factors described in the Company’s risk factors set forth in its filings with the Securities and Exchange Commission from time to time, including in the Company’s Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. We undertake no obligation to update the forward-looking statements contained in the presentation or to reflect events or circumstances occurring after the date of the presentation, other than as may be required by applicable law.

Item 9.01. Financial Statements and Exhibits.
