State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Taro Pharmaceutical Industries Ltd. (the "Company") is unable to timely file its annual report on Form 20-F for the fiscal year ended December 31, 2008 without unreasonable effort and expense because the Company has been unable to complete the audits of its financial statements for the years ended December 31, 2006 and December 31, 2007. Based on the Company's review of its 2006 financial statements, the Company has concluded that it will restate previously issued 2004 and 2005 financial statements, which will also reflect adjustments to prior years. The Company continues to work diligently with its outside auditors to complete the audit of its financial statements for 2006. After finalization of the 2006 financial statements, the Company will turn its attention to completing the audits for its 2007 and 2008 financial statements.
