**CHECK POINT SOFTWARE REPORTS FINANCIAL RESULTS FOR THE
THIRD QUARTER OF 2006**

REDWOOD CITY, Calif., October 19, 2006 Check Point® Software Technologies Ltd. (NASDAQ: CHKP), the worldwide leader in securing the Internet, today announced its financial results for the third quarter ended September 30, 2006.

During the third quarter, we delivered solid financial performance, said Gil Shwed, chairman and chief executive officer of Check Point Software. These results were driven by strong adoption of our new UTM offerings, successful implementation of enhanced service initiatives and continued execution from our partners and employees.

Financial Highlights for the Third Quarter of 2006:

Total Revenues: \$142.5 million, an increase of 3 percent compared to \$138.9 million in the second quarter of 2006 and an increase of 1 percent compared to \$141.1 million in the third quarter of 2005.

Earnings per Diluted Share GAAP: \$0.31, an increase of 15 percent compared to \$0.27 in the second quarter of 2006 and the same when compared to \$0.31 in the third quarter of 2005. Equity based compensation expenses of \$0.03 are included in the third quarter of 2006 GAAP results pursuant to SFAS 123(R).

Earnings per Diluted Share Non GAAP: \$0.34, an increase of 6 percent compared to \$0.32 in the second quarter of 2006 and in the third quarter of 2005. Non-GAAP EPS excludes equity based compensation expenses and acquisition related charges¹.

Net Income GAAP: \$71.1 million, an increase of 8 percent compared to \$65.7 million in the second quarter of 2006 and a decrease of 10 percent compared to \$78.7 million in the third quarter of 2005. Net income in the third quarter of 2006 includes equity based compensation expenses in the amount of \$6.5 million. Equity based compensation expenses have been reported since the beginning of 2006 pursuant to SFAS 123(R). In the third quarter of 2005, the equity based compensation expenses of \$0.8 million relate to prior acquisitions.

¹ Equity based compensation expenses refer to the amortized fair value of all equity based awards granted to employees. Acquisition related charges refer to the impact of the amortization of intangible assets and other acquisition related expenses.

Edgar Filing: CHECK POINT SOFTWARE TECHNOLOGIES LTD - Form 6-K

Net Income Non GAAP: \$78.6 million, an increase of 3 percent compared to \$76.0 million in the second quarter of 2006 and a decrease of 2 percent compared to \$80.5 million in the third quarter of 2005. Non-GAAP net income excludes equity based compensation expenses and acquisition related charges.

Deferred Revenues: \$173.4 million, a decrease of \$3.1 million or 2 percent compared to deferred revenues as of June 30, 2006 and an increase of \$29.1 million or 20 percent compared to deferred revenues as of September 30, 2005.

Cash Flow: cash flow from operations was \$75.4 million, a decrease of 10 percent compared to the third quarter of 2005.

Share Repurchase Program: during the third quarter of 2006, Check Point repurchased 11.5 million shares at a total cost of \$201.4 million.

See Use of Non-GAAP Financial Information and Reconciliation of Supplemental Financial Information below for more information regarding Check Point's use of non-GAAP measures.

Recent Business Highlights Include:

Collaborated with Intel on Developing High Performance Security announced a performance breakthrough for security software in demanding network security environments. Working together, the Dual-Core Intel Xeon Processors 5100 BIOS was modified to deliver optimized performance for our security solutions. Using an open server approach allows customers the flexibility of software with the high-performance of hardware at a leading price-performance ratio.

Achieved Prominent EAL 4 U.S. Government Certification certified for all four critical network security categories – firewall, VPN, IDS/IPS and remote management. Check Point products meet and exceed the stringent requirements established by government standards, government approval processes and security industry tests. Use of Non-GAAP Financial Information

In addition to reporting financial results in accordance with generally accepted accounting principles, or GAAP, Check Point uses non-GAAP measures of operating income, net income and earnings per share, which are adjustments from results based on GAAP to exclude non-cash equity based compensation charges in accordance with SFAS 123(R) in 2006 and APB 25 in 2005 and acquisition related charges, as well as taxes on amortization of intangible assets and acquisition related expenses. Check Point's management believes the non-GAAP financial information provided in this release is useful to investors' understanding and assessment of Check Point's on-going core operations and prospects for the future. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for results prepared in accordance with GAAP. Management uses both GAAP and non-GAAP information in evaluating and operating business internally and such as deemed it important to provide all this information to investors.

Safe Harbor Statement

Certain statements in this press release are forward-looking statements. Forward-looking statements include statements regarding Check Point's expectations regarding continued efforts to develop a unified security architecture and execution on business objectives. Because these statements pertain to future events they are subject to various risks and uncertainties, and actual results could differ materially from Check Point's current expectations and beliefs. Factors that could cause or contribute to such differences include, but are not limited to: general market conditions in the company's industry; economic and political uncertainties; the impact of political changes and weaknesses in various regions of the world, including hostilities or acts of terrorism in Israel, where Check Point's international headquarters are based; inclusion of network security functionality in third-party hardware or system software; any foreseen and unforeseen developmental or technological difficulties with regard to Check Point's products; changes in the competitive landscape, including new competitors or the impact of competitive pricing and products; rapid technological advances and changes in customer requirements to which Check Point is unable to respond expeditiously, if at all; a shift in demand for products such as Check Point's; factors affecting third parties with which Check Point has formed business alliances; timely availability and customer acceptance of Check Point's new and existing products; the amount of equity based compensation charges and other factors and risks discussed in Check Point's Annual Report on Form 20-F for the year ended December 31, 2005, which is on file with the Securities and Exchange Commission. Check Point assumes no obligation to update information concerning its expectations.
