Vesting of the LTIP award is subject to the satisfaction over a period of three financial years of specified performance conditions.

In the event of the award vesting, one half of it will be satisfied by the grant to the director of an option, exercisable in normal circumstances for the remainder of the period of 10 years which commenced on the original grant of the award, to acquire ordinary shares in Signet Group plc for nil cost.

The number of shares to be comprised in the option will be calculated by dividing the value of one half of the award by 124.42p, the average of the middle market quotations of an ordinary share for the 3 days prior to Tuesday 24 April 2007. The value of the award that vests will depend upon the extent to which the performance conditions have been fulfilled and will also be capped by reference to a percentage of the director's basic salary at that time. The number of shares to be comprised in the option will therefore not be established until the award vests and cannot therefore be notified at this stage.
