Schedule 13D

Item 1. Security and Issuer

This statement on Schedule 13D (the "Schedule 13D") relates to the common stock, par value \$.01 per share (the "Common Stock") of MCI, Inc., a Delaware corporation (the "Issuer"). The principal executive offices of the Issuer are located at 22001 Loudoun County Parkway, Ashburn, Virginia 20147.

Item 2. Identity and Background

This Schedule 13D is being filed by Verizon Communications Inc., a Delaware corporation ("Verizon"), and Eli Acquisition, LLC, a Delaware limited liability company ("Eli Acquisition"), and, together with Verizon, the "Reporting Persons"). Eli Acquisition is a wholly owned subsidiary of Verizon. The principal business address of each of the Reporting Persons is 1095 Avenue of the Americas, New York, New York 10036. The directors and officers of each of the Reporting Persons are set forth on Schedule I hereto, which schedule lists for each such person his or her name, business address, present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted, and citizenship, all of which information is hereby incorporated herein by reference.

Verizon is one of the world's leading providers of communications services. Verizon's domestic wireline telecommunications business provides local telephone services, including broadband, in 29 states and Washington, D.C. and nationwide long distance and other communications products and services. The domestic wireline consumer business generally provides local, broadband and long distance services to customers. Verizon's domestic wireline business also provides a variety of services to other telecommunications carriers as well as large and small businesses. Verizon's domestic wireless business provides wireless voice and data products and services across the United States using one of the most extensive wireless networks. Information Services operates directory publishing businesses and provides electronic commerce services. Verizon's international presence extends primarily to the Americas. Verizon also maintains investments in Europe. As of December 31, 2004, Verizon employed more than 210,000 people.

ELI Acquisition was formed as a wholly owned subsidiary of Verizon in February 2005 in order to facilitate the Merger described below. It has not engaged in any business activities other than activities related to the Stock Purchase Agreement or the Merger Agreement, each of which is described below.

During the last five years, neither Verizon nor Eli Acquisition, nor, to the best knowledge of each of them, any of the persons listed on Schedule I, has been convicted in a criminal proceeding or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding been or become subject

to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The aggregate amount of funds that will be required to purchase the shares of Common Stock described in Item 5(a) is approximately \$1,117,474,432, plus an additional cash amount of three percent per annum from April 9, 2005 until the closing date of the Stock Purchase Agreement (as defined below), plus an adjustment amount per share of Common Stock payable at the end of one year equal to 0.7241 times the amount, if any, by which the price of Verizon's common stock then exceeds \$35.52 per share (measured over a 20-day period); provided that if the Merger (as defined below) occurs prior to the end of such year and Verizon's common stock exceeds \$62.50 per share (as measured over such 20-day period), such adjustment amount per share of Common Stock shall be 0.7241 times \$26.98. ELI Acquisition is obtaining such funds from its parent, Verizon, and Verizon is obtaining such funds from its internally generated working capital.

Item 4. Purpose of Transaction

On April 9, 2005, Verizon, and its wholly owned subsidiary, ELI Acquisition, entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") with Controladora de Servicios de Telecomunicaciones, S.A. de C.V., Global Telecom LLC, Inmobiliaria Inbursa, S.A. de C.V., Promotora Inbursa, S.A. de C.V., Banco Inbursa, S.A. Institucion de Banca Multiple Grupo Financiero Inbursa, Inmobiliaria para el Desarrollo de Proyectos, S.A. de C.V., Orient Star Holdings LLC and Commercial LLC (collectively, the "Sellers"), pursuant to which ELI Acquisition will acquire from the Sellers 43,447,684 shares of Common Stock, for total consideration per share equal to \$25.72 in cash, plus an additional cash amount of three percent per annum from April 9, 2005 until the closing date of the Stock Purchase Agreement. Under the Stock Purchase Agreement Verizon will pay the Sellers an adjustment at the end of one year in an amount per share of Common Stock equal to 0.7241 times the amount, if any, by which the price of Verizon's common stock then exceeds \$35.52 per share (measured over a 20-day period); provided that if the Merger occurs prior to the end of such year and Verizon's common stock exceeds \$62.50 (as measured over such 20-day period), such adjustment amount per share of Common Stock shall be 0.7241 times \$26.98. In addition, under the Stock Purchase Agreement, the Sellers have agreed not to knowingly take actions which would reasonably be expected to delay materially or prevent the transactions contemplated by the Merger Agreement described below and have agreed to support the transactions contemplated by the Merger Agreement. The closing of the Stock Purchase Agreement is subject to certain conditions described therein.

On February 14, 2005, Verizon and ELI Acquisition entered into an Agreement and Plan of Merger (as amended on March 4, 2005 and March 29, 2005, the "Merger

Agreement) with the Issuer. Subject to the terms and conditions of the Merger Agreement, at the closing of the merger (the Merger), the Issuer will be merged with and into Eli Acquisition, and Eli Acquisition, which will be renamed MCI, LLC, will continue as a wholly owned subsidiary of Verizon (or in certain situations, as provided in the Merger Agreement, a wholly owned corporate subsidiary of Verizon will merge with and into the Issuer, with the Issuer continuing as the surviving corporation). At the closing of the Merger, each share of Common Stock will be converted into the right to receive shares of Verizon common stock and cash in accordance with the Merger Agreement.

Except as noted above, the separate existence of the Issuer will cease following the Merger. The Merger Agreement provides that the directors of Eli Acquisition immediately prior to the Merger will be the initial directors of MCI, LLC following the Merger.

From and after the closing of the transactions contemplated by the Stock Purchase Agreement, the Reporting Persons intend to vote the shares of Common Stock covered by the Stock Purchase Agreement in favor of the Merger.

Verizon and the Issuer have agreed that, as soon as practicable after the Issuer's stockholders adopt the Merger Agreement and approve the Merger, and prior to the closing of the Merger, the Issuer's board of directors will, except to the extent prohibited by applicable law or covenants in certain indentures, declare and pay a special cash dividend equal to all its remaining excess cash (as described below) in an amount up to \$5.60 per share, less the per share amount of any dividend declared by the Issuer between February 14, 2005 and the closing of the Merger, not including the \$0.40 per share cash dividend declared by the Issuer on February 11, 2005. This dividend is sometimes referred to as the Special Cash Dividend.

The Debtors' Modified Second Amended Joint Plan of Reorganization, dated October 21, 2003 and as confirmed on October 31, 2003, by order of the United States Bankruptcy Court for the Southern District of New York, is referred to as the Issuer's bankruptcy plan. The Issuer's bankruptcy plan required the Issuer to determine the amount of excess cash it had upon emergence from bankruptcy and then utilize such cash in accordance with the Issuer's board of directors' best business judgment to maximize stockholder value. The Issuer's board of directors previously determined that the Issuer's excess cash was equal to \$2.2 billion, a portion of which has previously been used to pay three \$0.40 per share quarterly dividends. Under the Merger Agreement, the Issuer has agreed not to pay regular quarterly dividends of \$0.40 per share after the date on which the Special Cash Dividend is paid.

The Issuer's Common Stock is currently listed on The NASDAQ National Market (NASDAQ), under the symbol MCIP. After the Merger, the Issuer's Common Stock will be delisted from NASDAQ and deregistered under the Securities Exchange Act of 1934, as amended.

The foregoing description of the Merger Agreement, the Merger and the Stock Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Stock Purchase Agreement and the Merger Agreement, which are incorporated by reference into, and are filed as exhibits to, this Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) (b) Verizon and ELI Acquisition are the beneficial owners of 43,447,684 shares of Common Stock. As of the date hereof, neither Verizon nor ELI Acquisition owns of record any shares of Common Stock. ELI Acquisition has the right to acquire the 43,447,684 shares of Common Stock pursuant to the Stock Purchase Agreement described in Item 4 above. Verizon is deemed to have beneficial ownership of such shares of Common Stock because ELI Acquisition is a wholly owned subsidiary of Verizon. ELI Acquisition and Verizon have shared voting power and shared dispositive power with respect to such shares of Common Stock beneficially owned by them. Neither of such entities has sole voting power or sole dispositive power with respect to such shares of Common Stock. Such shares of Common Stock constitute approximately 13.4% of the Common Stock outstanding (based on the number of shares outstanding as contained in the Issuer's Annual Report on Form 10-K for the year ended December 31, 2004, as filed with the Securities and Exchange Commission on March 16, 2005). None of the persons listed on Schedule I hereto has, or has the right to acquire, voting or dispositive power with respect to any shares of Common Stock.

(c) Except as set forth in Item 4 above, no transactions in the Common Stock were effected by either of the Reporting Persons, or, to the best knowledge of each of the Reporting Persons, any of the persons listed on Schedule I hereto, during the 60-day period preceding the date hereof.

(d) None.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Except as set forth in this Schedule 13D, to the knowledge of each of the Reporting Persons, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 or listed on Schedule I hereto, and between such persons and any person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities of the Issuer, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency the occurrence of which would give another person voting power or investment power over the securities of the Issuer.
