ITEM 8.01 OTHER EVENTS

As previously disclosed in Danaher Corporation's periodic reports filed with the SEC, Accu-Sort, Inc., a Danaher subsidiary, was a defendant in a suit filed by Federal Express Corporation on May 16, 2001 and subsequently removed to the United States District Court for the Western District of Tennessee alleging breach of contract, misappropriation of trade secrets, breach of fiduciary duty, unjust enrichment and conversion. On March 9, 2006 Accu-Sort settled the case with Federal Express for an amount which the Company believes is not material to its financial position. Pursuant to the settlement, the parties agreed to a release of claims related to the litigation and on March 10, 2006 jointly dismissed the litigation with prejudice. The purchase agreement pursuant to which the Company acquired Accu-Sort in 2003 provides certain indemnification for the Company with respect to this matter, and the Company will pursue recovery under the agreement.

In connection with this settlement, the Company has adjusted previously provided reserves by \$15.5 million (\$9.9 million after-tax, or \$0.03 per share) through a charge to other expense (income). Pursuant to Statement of Financial Accounting Standard No. 5, because the settlement occurred after December 31, 2005 but prior to the filing of the Company's Annual Report on Form 10-K for the 2005 fiscal year (the 2005 Form 10-K), the charge is required to be reflected in the Company's results of operations for the year ended December 31, 2005. As a result, in the 2005 Form 10-K the Company will report net earnings for the full year 2005 of \$897.8 million, or \$2.76 per diluted share, compared to the net earnings of \$907.7 million, or \$2.79 per diluted share that the Company reported in its earnings release issued on January 26, 2006.
