Section 1 Registrant s Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On March 9, 2006, the Board of Directors of El Paso Electric Company (the Company) approved annual award opportunities under the Annual Short-Term Bonus Plan (the Plan) that provides for payment of cash awards to eligible Company employees, including each of its named executive officers. Payment of awards is based on the achievement of performance measures reviewed and approved by the Compensation Committee (the Committee) of the Board of Directors of the Company. Generally, these performance measures are based on meeting certain financial, operational and individual performance criteria. For fiscal year 2006, the Committee established the financial performance goals based on earnings per share and the operational performance goals based on safety and customer satisfaction. If a certain level of earnings per share is not attained, no bonuses will be paid under the Plan. The maximum potential payout for 2006 under the Plan for any named executive officer is approximately \$500,000. A copy of the Plan was previously filed as Exhibit 10.1 to Form 8-K dated February 11, 2005.

The foregoing description of the Plan does not purport to be complete and is qualified in its entirety by reference to such plan.
