Item 1.01 Entry into a Material Definitive Agreement.

On June 30, 2006 Aleris International, Inc. (the Company) commenced an offer to purchase for cash any and all of its outstanding $1\frac{3}{8}\%$ Senior Secured Notes Due 2010 (CUSIP No. 449681AC9) (the $1\frac{3}{8}\%$ Notes) and 9% Senior Notes Due 2014 (CUSIP No. 014477AA1) (the 9% Notes), and together with the $1\frac{3}{8}\%$ Notes, the Notes), on the terms and subject to the conditions set forth in the Offer to Purchase and Consent Solicitation Statement dated June 30, 2006 and the accompanying Consent and Letter of Transmittal (together, the Offer Documents). Upon the expiration of the consent solicitation at 5:00 p.m., New York City time, on July 14, 2006 (the Consent Date), the Company had received tenders and related consents from the holders of at least a majority of the aggregate principal amount of outstanding Notes. On July 14, 2006, the Company, the guarantors named therein and JPMorgan Chase Bank, N.A. (the $1\frac{3}{8}\%$ Notes Trustee), executed a supplemental indenture (the $1\frac{3}{8}\%$ Notes Second Supplemental Indenture), to the indenture, dated October 6, 2003 (as amended, supplemented, waived or otherwise modified, the $1\frac{3}{8}\%$ Notes Indenture), among the Company, the guarantors named therein and the Trustee, relating to the $1\frac{3}{8}\%$ Notes, and the Company, the guarantors named therein and LaSalle Bank National Association (the 9% Notes Trustee), executed a supplemental indenture (the 9% Notes Third Supplemental Indenture, and together with the $1\frac{3}{8}\%$ Notes Second Supplemental Indenture, the Supplemental Indentures), to the indenture, dated November 4, 2004 (as amended, supplemented, waived or otherwise modified, the 9% Notes Indenture, and together with the $10\frac{3}{8}\%$ Notes Indenture, the Indentures), among the Company, the guarantors named therein and the 9% Notes Trustee, relating to the 9% Notes. The Supplemental Indentures amend the Indentures to eliminate or make less restrictive substantially all of the restrictive covenants and events of defaults and certain related provisions contained in the Indentures governing the Notes. The Supplemental Indentures provide that the amendments to the Indentures will only become operative when validly tendered Notes are accepted for purchase pursuant to the tender offer. The tender offer is subject to the satisfaction of certain conditions, including obtaining the requisite funding, the acquisition of the downstream aluminum business of Corus Group plc having occurred or occurring substantially concurrent with the expiration date of the tender offer and certain other customary conditions. There can be no assurance that any of such conditions will be met. The tender offer will expire at midnight, New York City time, on July 28, 2006, unless terminated or extended and remains subject to the prior satisfaction or waiver of the conditions described in the offer documents. Copies of the 9% Notes Third Supplemental Indenture and the $10\frac{3}{8}\%$ Notes Second Supplemental Indenture are filed herewith as Exhibits 4.1 and 4.2, respectively.

Item 7.01. Regulation FD Disclosure.

On July 14, 2006, the Company issued a press release announcing the receipt of the requisite consents to amend the Indentures under which the Notes were issued, pursuant to the terms of the tender offer and consent solicitation for the Notes. As of the Consent Date, approximately \$200,830,000 principal amount, or 96.17%, of the outstanding principal amount of the $10\frac{3}{8}\%$ Notes and approximately \$124,910,000 principal amount, or 99.93%, of the outstanding principal amount of the 9% Notes, and the consents related thereto, have been validly tendered. A copy of that press release is attached hereto as Exhibit 99.1.

The information contained in this Item 7.01 shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the Securities Act) or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing. The information set forth in this Item 7.01 shall not be deemed an admission as to the materiality of any information in this Current Report on Form 8-K.

The information contained in this Current Report on Form 8-K and on Exhibit 99.1 contains certain forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Statements contained in this report and on such exhibit that are not historical in nature are considered to be forward-looking statements. They include statements regarding our expectations, hopes, beliefs, estimates, intentions or strategies regarding the future. These include statements that contain words such as believe, expect, anticipate, intend, estimate, should, and similar expressions intended to connote future events and circumstances, and include statements regarding future earnings and earnings per share, future improvements in margins, processing volumes and pricing, improvements in internal controls, future effects of derivatives accounting, anticipated continuation of strengthened U.S. and worldwide industrial activity, expected cost savings, and anticipated synergies resulting from the acquisitions of Commonwealth Industries Inc., ALSCO Holdings, Inc., certain assets of Ormet Corporation, Alumitech, Inc., Tomra Latasa Reciclagem and Corus Aluminum.

Investors are cautioned that all forward-looking statements involve risks and uncertainties, and that actual results could differ materially from those described in the forward-looking statements. These risks and uncertainties would include, without limitation, our ability to effectively integrate the business and operations of Corus Aluminum, Commonwealth and our other acquisitions; slowdowns in automotive production in the U.S. and Europe; the financial condition of our customers and future bankruptcies and defaults by our major customers; the availability at favorable cost of aluminum scrap and other metal supplies that we process; our ability to enter into effective metals, natural gas and other commodity derivatives; future natural gas and other fuel costs; a weakening in industrial demand resulting from a decline in economic conditions, including any decline caused by terrorist activities or other unanticipated events; future utilized capacity of our various facilities; restrictions on and future levels and timing of capital expenditures; retention of major customers; the timing and amounts of collections; the future mix of product sales vs. tolling business; currency exchange fluctuations; future write-downs or impairment charges which may be required because of the occurrence of uncertainties listed above; and other risks listed in our filings with the Securities and Exchange Commission, including but not limited to our annual report on Form 10-K for the year ended December 31, 2005 and our quarterly report on Form 10-Q for the quarter ended March 31, 2006, particularly the sections entitled Risk Factors and Management's Discussion and Analysis of Financial Condition and Results of Operations contained therein and in the section entitled Risk Factors contained in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on June 30, 2006.

The forward-looking statements contained in this report and on such exhibit are made only as of the date hereof. We do not assume any obligation to update any of these forward-looking statements.
