Senior Executive Bonus Plan

On October 4, 2006, our Board of Directors approved a Senior Executive Bonus Plan for 2006 (the "Plan"), which is a variable cash incentive program designed to motivate participants to achieve our financial and other performance objectives, and to reward them when those objectives are met. All of our executive officers (excluding our Chief Executive Officer and our Presidents) are eligible to be considered for participation in the Plan at the discretion of the Board of Directors. Target bonuses vary based on the executive's salary, and the amount of target bonus actually paid to individual employees will be based on the achievement of (i) certain individual performance objectives tailored to each executive's role at Google and (ii) certain performance objectives tied to our annual revenue and operating profit; provided that other financial goals may be assessed as determined appropriate by our Board of Directors.

This brief description of the Plan is qualified by reference to the 2006 Senior Executive Bonus Plan attached as Exhibit 10.16 to this report.
