Item 8.01 Other Events.

As previously reported, on December 18, 2006, Endeavor Acquisition Corp. (Company) entered into an agreement and plan of reorganization (Agreement) by which it will acquire American Apparel, Inc. (AAI) and its affiliated companies (American Apparel).

AAI has advised the Company that it has replaced its \$62.5 million senior secured revolving credit facility with a \$75 million facility from LaSalle Bank National Association. AAI advised the Company that this new facility was necessary to fund AAI s working capital requirements as its business continues to grow and new retail stores are opened. The Company was also advised by AAI that the new credit facility is on terms that the management of AAI determined to be more attractive than the previous facility with U.S. Bank.

As part of this refinancing, AAI also negotiated a waiver of various defaults with its existing second lien lender. At the request of AAI, this lender also advanced an additional \$10 million on the same terms as the original loan of January 18, 2007, increasing the overall commitment of this lender to \$51 million.

Upon completion of the refinancing, AAI was in compliance with its lenders.

The Company also has been advised by American Apparel that it intends to report its unaudited financial results for the second quarter ending June 30, 2007, including its second quarter same-store sales information, in mid-August 2007.
