NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

To Be Held on October 17, 2008

Dear Stockholder:

The Annual Meeting of Stockholders (the "Annual Meeting") of News Corporation (the "Company") will be held on October 17, 2008 at 10:00 a.m. (Eastern Time) at the Hudson Theatre, 145 W. 44th Street, New York, New York 10012.

At the Annual Meeting, stockholders will be asked to:

elect the 16 Directors identified in this proxy statement to the Board of Directors;
ratify the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2009;
amend the Company's Restated Certificate of Incorporation to Provide for the Annual Election of Directors beginning at the Company's 2008 Annual Meeting of Stockholders; and
consider any other business properly brought before the Annual Meeting and any adjournment thereof.

The foregoing items of business are more fully described in the proxy statement accompanying this Notice. **While all of the Company's stockholders and all holders of CHESSE Depository Interests exchangeable for shares of the Company's common stock are invited to attend the Annual Meeting, only stockholders of record of the Company's Class B Common Stock at the close of business on August 18, 2008 are entitled to notice of, and to vote at, the Annual Meeting and any adjournment thereof. Holders of the Company's Class A Common Stock are not entitled to vote on the matters to be presented at the Annual Meeting.**

It is important that your shares of the Company's Class B Common Stock be represented and voted at the Annual Meeting. If you are a holder of shares of Class B Common Stock, you may vote those shares by telephone or the Internet by following the instructions on the Notice of Internet Availability of Proxy Materials or in the 2008 Proxy Statement, or if you requested a paper proxy card, you may submit your vote by mail if you prefer. If you attend the Annual Meeting, you may vote your shares in person. Please review the instructions on the proxy card or the information forwarded by your broker, bank or other nominee regarding the voting instructions. You may vote your shares of Class B Common Stock in person even if you previously submitted a proxy. Please note, however, that if your shares of Class B Common Stock are held of record by a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must obtain a proxy issued in your name from such broker, bank or other nominee. **Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares of Class B Common Stock by voting your shares by telephone or the Internet or, if you requested a paper proxy card, by completing and returning the proxy card as promptly as possible, prior to the Annual Meeting to ensure that your shares will be represented at the Annual Meeting if you are unable to attend.**

If you are planning to attend the Annual Meeting in person, you will be asked to register before entering the Annual Meeting. **All attendees will be required to present government-issued photo identification** (e.g., driver's license or passport) to enter the Annual Meeting. If you are a stockholder of record, your ownership of the Company's common stock will be verified against the list of stockholders of record as of August 18, 2008.

prior to being admitted to the Annual Meeting or you must present a properly executed proxy card. **If you are not a stockholder of record and hold your shares of common stock in street name, i.e., your shares of common stock are held in a brokerage account or by a bank or other nominee, you must also provide proof of beneficial ownership as of August 18, 2008, such as your most recent account statement prior to August 18, 2008, and a copy of the voting instruction card provided by your broker, bank or nominee, or similar evidence of ownership.**

Prior to entering the Annual Meeting, all bags will be subject to search and all persons may be subject to a metal detector and/or hand wand search. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting. The security procedures may require additional time, so please plan accordingly. **If you do not provide government-issued photo identification or do not comply with the other registration and security procedures described above, you will not be admitted to the Annual Meeting.**

The Annual Meeting will be audiocast live on the Internet at www.newscorp.com.

In accordance with new rules approved by the Securities and Exchange Commission, instead of mailing a printed copy of the Company's proxy materials to stockholders, the Company may now furnish proxy materials to stockholders on the Internet by providing a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") to stockholders when the materials are available on the Internet. If you receive the Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the Notice of Internet Availability will instruct you on how you may access and review all of the Company's proxy materials and the Company's annual report, as well as how to submit your proxy, over the Internet. If you receive a Notice of Internet Availability and would still like to receive a printed copy of the Company's proxy materials, including a proxy card or voting instruction card, you should follow the instructions for requesting these materials included in the Notice of Internet Availability.

If you would like to register to receive materials relating to next year's annual meeting of stockholders electronically instead of by mail, please go to www.newscorp.com/investor/ElectronicDelivery.html and follow the instructions to enroll. We highly recommend that you consider electronic delivery of these documents as it helps lower the Company's costs and reduce the amount of paper mailed to your home.

PROXY STATEMENT

Annual Meeting of Stockholders October 17, 2008

GENERAL

Persons Making the Solicitation

This proxy statement is furnished in connection with the solicitation by the Board of Directors (the **Board**) of News Corporation (the **Company**) of proxies for use at an Annual Meeting of Stockholders (the **Annual Meeting**) to be held on October 17, 2008 at 10:00 a.m. (Eastern Time) at the Hudson Theatre, 145 W. 44th Street, New York, New York 10012 and at any adjournment thereof. This proxy statement is first being mailed to stockholders on or about September 5, 2008. You are requested to sign, date and return the enclosed proxy card in order to ensure that your shares are represented at the Annual Meeting.

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mail, but Directors, officers and regular employees of the Company may solicit proxies personally, by telephone or special letter without any additional compensation. Also, the Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for any reasonable expenses in forwarding proxy materials to beneficial owners.

Outstanding Shares

The Company has two classes of common stock, Class A Common Stock, par value \$0.01 per share (**Class A Common Stock**), and Class B Common Stock, par value \$0.01 per share (**Class B Common Stock** , and together with the Class A Common Stock, the **Common Stock**). Holders of Class B Common Stock are entitled to one vote per share on all matters to be presented at the Annual Meeting. Holders of Class A Common Stock are not entitled to vote on the matters to be presented at the Annual Meeting. All references to **you**, **your**, **yours** or other words of similar import in this proxy statement refers to holders of Class B Common Stock.

The Company's shares are also traded on the Australian Stock Exchange (**ASX**) in the form of CHESSE Depository Interests (**CDIs**). CDIs are exchangeable, at the option of the holder, into shares of either Class A Common Stock or Class B Common Stock, whichever is applicable, at the rate of one CDI per one such share of Common Stock.

Record Date

Only holders of record of shares of Class B Common Stock at the close of business on August 18, 2008 (the **Record Date**) are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof. **Holders of Class A Common Stock are not entitled to vote on the matters to be presented at the Annual Meeting.** As of the Record Date, there were 798,520,953 shares of Class B Common Stock outstanding held by approximately 1,503 holders of record. Each share of Class B Common Stock is entitled to one vote per share on all matters to be presented at the Annual Meeting. A list of the stockholders of record as of the Record Date will be available at the Annual Meeting and at the Company's principal executive offices during the ten (10) days prior to the Annual Meeting.

Table of Contents

If your shares of Class B Common Stock are registered directly in your name with our transfer agent, Computershare Investor Services LLC, you are a stockholder of record, and these proxy materials are being sent directly to you from the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting.

If your shares of Class B Common Stock are held in street name, meaning your shares of Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of these shares and these proxy materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record with respect to such shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and you will receive instructions from your broker, bank or other nominee describing how to vote your shares of Class B Common Stock. However, since you are not the stockholder of record, you may not vote these shares of Class B Common Stock in person at the Annual Meeting unless you obtain a signed proxy from the stockholder of record (i.e., your broker, bank or nominee) giving you the right to vote such shares.

Holders of CDIs exchangeable for Class B Common Stock (Class B CDIs) have a right to direct CHESSE Depository Nominees Pty Ltd. (CDN), the legal holder of the CDIs, on how it should vote with respect to the proposals described in this proxy statement.

Internet Availability of Proxy Materials

In accordance with new rules approved by the Securities and Exchange Commission (the SEC), instead of mailing a printed copy of the Company's proxy materials to stockholders, the Company may now furnish proxy materials to stockholders on the Internet by providing a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to stockholders when the materials are available on the Internet. If you receive the Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the Notice of Internet Availability will instruct you on how you may access and review all of the Company's proxy materials and the Company's annual report, as well as how to submit your proxy, over the Internet. If you receive a Notice of Internet Availability and would still like to receive a printed copy of the Company's proxy materials, including a proxy card or voting instruction card, you should follow the instructions for requesting these materials included in the Notice of Internet Availability.

The Company intends to commence distribution of the Notice of Internet Availability to stockholders on or about September 5, 2008.

The Company first made available the proxy solicitation materials at www.proxyvote.com on or about September 5, 2008 to all stockholders entitled to vote at the annual meeting. You may also request a printed copy of the proxy solicitation materials by any of the following methods: via Internet at www.proxyvote.com; by telephone at 1-800-579-1639; or by sending an e-mail to sendmaterial@proxyvote.com. Our 2008 annual report to stockholders was made available at the same time and by the same methods.

If you are a CDI holder, you may also request a printed copy of the proxy solicitation materials and our 2008 annual report to stockholders by any of the following methods: via Internet at www.computershare.com/NWS/annualreport; or by telephone at 1300-652-536 (within Australia) or +61-3-9415-4883 (outside of Australia).

Voting and Submission of Proxies

If you are a holder of Class B Common Stock, telephone and Internet voting is available 24 hours a day through 11:59 p.m. (Eastern Time) on October 16, 2008. If you are located in the United States or Canada and are a stockholder of record, you can vote your shares by calling toll-free 1-800-690-6903. Whether you are a stockholder of record or a beneficial owner, you can also vote your shares by Internet at www.proxyvote.com.

Table of Contents

Both the telephone and Internet voting systems have easy to follow instructions on how you may vote your shares and allow you to confirm that the system has properly recorded your vote. If you are voting your shares by telephone or Internet, you should have in hand when you call or access the website, as applicable, the Notice of Internet Availability or the proxy card or voting instruction card (for those holders who have received, by request, a hard copy of the proxy card or voting instruction card). If you vote by telephone or Internet, you do not need to return your proxy card to the Company.

If you have received, by request, a hard copy of the proxy card or voting instruction card, and wish to submit your proxy by mail, you must complete, sign and date the proxy card or voting instruction card and return it in the envelope provided so that it is received prior to the Annual Meeting.

If you hold Class B CDIs, Internet voting is available 24 hours a day through 5:00 p.m. (Australian Eastern Time) on October 15, 2008. You may vote your CDIs by Internet at www.computershare.com/NWS/annualreport. The Internet system has easy to follow instructions on how you may vote your CDIs and allow you to confirm that the system has properly recorded your vote. If you vote your CDIs by Internet, you should have in hand when you access the website the Notice of Internet Availability or the voting instruction card (for those CDI holders who have received, by request, a hard copy of the voting instruction card). If you vote your CDIs by Internet, you do not need to return your voting instruction form to the Company. If you have received, by request, a hard copy of the voting instruction card, and wish to submit your vote by mail, you should complete and return the voting instruction card to CDN by 5:00 p.m. (Australian Eastern Time) on October 15, 2008.

Properly completed proxies will be voted as you direct. Properly executed proxies that do not contain voting instructions will be voted FOR Proposals 1A, 1B, 2 and 3.

While the Company encourages holders of Class B Common Stock to vote by proxy, you also have the option of voting your shares of Class B Common Stock in person at the Annual Meeting. If your shares of Class B Common Stock are registered directly in your name with the Company's transfer agent, you are considered the stockholder of record with respect to such shares of Class B Common Stock and you have the right to attend the Annual Meeting and vote in person, subject to compliance with the procedures described below. If your shares of Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of such shares. As such, in order to attend the Annual Meeting or vote in person, you must obtain and present at the time of admission a properly executed proxy from the stockholder of record (i.e., your broker, bank or other nominee) giving you the right to vote the shares of Class B Common Stock.

Revocation of Proxies

A proxy may be changed or revoked by a stockholder at any time prior to the voting at the Annual Meeting:

- if you are a holder of record of Class B Common Stock, by notifying our Corporate Secretary, Laura A. O'Leary, at News Corporation, 1211 Avenue of the Americas, New York, New York 10036;
- by attending the Annual Meeting and voting in person (your attendance at the Annual Meeting will not by itself revoke your proxy);
- by submitting a later-dated proxy card;
- if you voted by telephone or Internet, by voting a second time by telephone or Internet; or
- if you have instructed a broker, bank or other nominee to vote your shares, by following the directions received from your broker, bank or other nominee to change those instructions.

Class B CDI holders may change prior voting instructions by submitting a later-dated CDI voting instruction form before 5:00 p.m. (Australian Eastern Time) on October 15, 2008. Revocation of prior voting instructions must be submitted in writing and received before 5:00 p.m. (Australian Eastern Time) on October 15, 2008.

Attending the Annual Meeting in Person

While all of the Company's stockholders and all holders of CDIs exchangeable for shares of Common Stock are invited to attend the Annual Meeting, only holders of Class B Common Stock are entitled to vote at the Annual Meeting. As discussed above, if your shares of Class B Common Stock are registered directly in your name with the Company's transfer agent, you are considered the stockholder of record with respect to such shares of Class B Common Stock and you have the right to attend the Annual Meeting and vote in person, subject to compliance with the procedures described below. If your shares of Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of such shares. As such, in order to attend the Annual Meeting or vote in person, you must obtain and present at the time of admission a properly executed proxy from the stockholder of record giving you the right to vote the shares of Class B Common Stock.

If you are planning to attend the Annual Meeting in person, you will be asked to register prior to entering the Annual Meeting. **All attendees will be required to present government-issued photo identification** (e.g., driver's license or passport) to enter the Annual Meeting. If you are a stockholder of record, your ownership of Common Stock will be verified against the list of stockholders of record as of the Record Date prior to being admitted to the Annual Meeting or you must present a properly executed proxy card. **If you are not a stockholder of record and hold your shares of Common Stock in street name, i.e., your shares of Common Stock are held in a brokerage account or by a bank or other nominee, you must also provide proof of beneficial ownership as of the Record Date, such as your most recent account statement prior to the Record Date, and a copy of the voting instruction card provided by your broker, bank or nominee, or similar evidence of ownership.**

Prior to entering the Annual Meeting, all bags will be subject to search and all persons may be subject to a metal detector and/or hand wand search. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting. The security procedures may require additional time, so please plan accordingly. **If you do not provide government-issued photo identification or do not comply with the other registration and security procedures described above, you will not be admitted to the Annual Meeting.**

If you require any special accommodations at the Annual Meeting due to a disability, please contact the Corporate Secretary at (212) 852-7000 or send an email to corporatesecretary@newscorp.com and identify your specific need no later than October 13, 2008.

The Annual Meeting will be audiocast live on the Internet at www.newscorp.com.

Required Vote

Quorum. In order for the Company to conduct the Annual Meeting, a majority of the holders of Class B Common Stock outstanding as of the Record Date must be present in person or represented by proxy at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the Annual Meeting. A broker non-vote occurs when you do not give your broker or nominee instructions on how to vote your shares of Class B Common Stock. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares of Class B Common Stock by completing and returning the enclosed proxy card as promptly as possible in the postage-paid envelope or to submit your proxy by telephone or the Internet prior to the Annual Meeting to ensure that your shares of Class B Common Stock will be represented at the Annual Meeting if you are unable to attend and so that the Company will know as soon as possible that enough votes will be present for the Annual Meeting to be held.

Table of Contents

Election of Directors. Directors are elected by a plurality of the votes cast. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more Directors will not be voted with respect to the Director or Directors indicated, although it will be counted for purposes of determining whether a quorum is present. Since Directors are elected by a plurality of the votes cast, abstentions and broker non-votes will have no effect on the election of Directors.

Ratification of Independent Registered Public Accounting Firm. Ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2009 requires the affirmative vote of a majority of the votes cast at the Annual Meeting to be voted **FOR** the proposal. For this proposal, abstentions will have the same effect as a vote **AGAINST** the proposal, but broker non-votes will have no effect on the outcome of the votes cast on this proposal.

Amendment to the Company's Restated Certificate of Incorporation. Approval of the amendment to the Company's Restated Certificate of Incorporation (the **Certificate of Incorporation**) to provide for the annual election of Directors beginning at this Annual Meeting requires the affirmative vote of the holders of sixty-five percent (65%) or more of the outstanding shares of Class B Common Stock. In determining whether holders of sixty-five percent (65%) or more of the outstanding shares of Class B Common Stock entitled to vote at the Annual Meeting have voted in favor of the amendment to the Certificate of Incorporation, abstentions and broker non-votes will be counted as votes **AGAINST** the proposal.

Other Items. Under the Company's Amended and Restated By-laws (the **By-laws**) and the rules of the New York Stock Exchange (**NYSE**), approval of each other proposal to be voted upon at the Annual Meeting requires a majority of the votes cast at the Annual Meeting to be voted **FOR** the proposal. A properly executed proxy marked **ABSTAIN** with respect to any proposal will not be counted as a vote cast **FOR** or **AGAINST** that proposal.

All shares of Class B Common Stock represented by properly executed proxies, which are returned and not revoked, will be voted in accordance with your instructions. If no instructions are provided in a proxy, the number of shares of Class B Common Stock represented by such proxy will be voted:

FOR the election of each of the Director nominees;

FOR the ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2009;

FOR the amendment to the Certificate of Incorporation to Provide for the Annual Election of Directors Beginning at this Annual Meeting; and

in accordance with the holder of the proxy's discretion as to any other matters raised at the Annual Meeting.

If you hold your shares of Class B Common Stock in street name through a broker, bank or other nominee, your broker, bank or nominee may not vote on certain Annual Meeting proposals without your specific instructions because the proposals are not considered to be routine matters. Your broker, bank or nominee is permitted to vote your shares of Class B Common Stock on the election of Directors and the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm even if the broker, bank or nominee does not receive voting instructions from you. However, under NYSE rules, your broker, bank or nominee may not vote your shares of Class B Common Stock on the other proposals to be voted on at the Annual Meeting absent instructions from you. Without your voting instructions on these items, a broker non-vote will occur.

A representative of Computershare Investment Services, LLC has been appointed to act as inspector of election for the Annual Meeting and will tabulate the votes.

Table of Contents

Information Regarding the Election of Directors

The Board currently has 16 Directors, divided into three classes. On April 15, 2008, the Board approved a resolution for all Directors to stand for election annually, commencing with this Annual Meeting. As set forth and more fully described in Proposal 3, the Board recommends that Class B Common Stockholders approve an amendment to the Certificate of Incorporation to provide that at each annual meeting beginning with this Annual Meeting all Directors be elected to hold office for a term expiring at the next annual meeting of stockholders, with each Director to hold office until his or her successor shall have been duly elected and qualified. If the Class B Common Stockholders approve of this amendment to the Certificate of Incorporation, the Company's classified board structure would be immediately eliminated, including for this year's election of Directors. If the Class B Common Stockholders do not approve this amendment to the Certificate of Incorporation, the Company's classified board structure will remain in place.

Accordingly, you will be voting for two slates of nominees, one slate in Proposal 1A and another slate in Proposal 1B. Each Director holds office until his or her successor has been duly elected and qualified or the Director's earlier resignation, death or removal. The nominees are all current Directors of the Company and each nominee has indicated that he or she will serve if elected. If any nominee should become unavailable for election prior to the Annual Meeting, an event that currently is not anticipated by the Board, the proxies will be voted for the election of a substitute nominee or nominees proposed by the Board. Each person nominated for election has agreed to serve if elected and management has no reason to believe that any nominee will be unable to serve.

PROPOSAL NO. 1A

ELECTION OF DIRECTORS

Under Proposal 1A, Messrs. Peter Chernin, Mark Hurd, Andrew S. B. Knight, James R. Murdoch and Sir Roderick I. Eddington, are nominees to serve as Directors to the Board. **This election of Directors under Proposal 1A is not conditioned upon approval of the Company's proposal to amend the Certificate of Incorporation to declassify the Board as set forth in Proposal 3. However, if the proposal to amend the certificate of incorporation to allow for the annual election of Directors beginning at this Annual Meeting, as set forth in Proposal 3, is approved by the requisite stockholder vote, then the Directors listed below as Proposal 1A Director nominees will hold office until the 2009 Annual Meeting of Stockholders or until their successors are elected and qualified. If Proposal 3 is not approved, these Directors will hold office until the 2011 Annual Meeting of Stockholders, subject to the provisions of the Certificate of Incorporation.**

CORPORATE GOVERNANCE MATTERS

Classified Board of Directors. The Certificate of Incorporation currently provides that the total number of Directors constituting the entire Board shall not be less than three, with the then-authorized number of Directors being fixed from time to time exclusively by the Board. The Board has designated the Board size at 16 members, and currently there are 16 members on the Board. The Board is divided into three classes: Class I, Class II and Class III. Currently the Class I Directors consist of Messrs. K.R. Murdoch, Barnes, Cowley, DeVoe and Dinh and Ms. Bancroft; Class II Directors consist of Messrs. Aznar, L.K. Murdoch, Perkins, Siskind and Thornton; and Class III Directors consist of Messrs. Chernin, Hurd, Knight and J.R. Murdoch and Sir Roderick Eddington. The terms of office of Directors in Class I, Class II and Class III end upon the later of the annual meeting of stockholders in 2010, 2009 and 2008, respectively, or the election and qualification of such Directors respective successors. Under the current Certificate of Incorporation, each Director elected at an annual meeting of stockholders will generally serve for a term ending at the third annual meeting following the annual meeting at which that Director was last elected, or until that Director's successor is elected and qualified. However, as discussed in more detail in Proposal 3, the Board recommends that the stockholders approve an amendment to the Certificate of Incorporation to provide for the annual election of Directors beginning at this Annual Meeting.

Board Independence. The Nominating and Corporate Governance Committee adopted the NYSE listing standards' definition of independence to assist the Board in its determination of whether a Director shall be deemed to be independent of the Company. In addition, the NYSE listing standards provide that a Director is not independent unless the Board affirmatively determines that the Director has no material relationship with the Company. The Board applies the following categorical standards to assist the Board in determining what constitutes a material relationship with the Company. Generally, under these categorical standards, the following relationships are deemed to be material:

A relationship where the Director has been, within the last three years, an employee of the Company (or subsidiary or parent of the Company), or an immediate family member is or has been, within the last three years, an executive officer of the Company;

A relationship where the Director or an immediate family member has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company (or subsidiary or parent of the Company), other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

A relationship where (i) the Director or an immediate family member is a current partner of a firm that is the Company's internal or external auditor; (ii) the Director is a current employee of such a firm; (iii) the Director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (iv) the Director or an immediate family member was, within the last three years (but is no longer), a partner or employee of such a firm and personally worked on the Company's audit within that time;

A relationship where the Director or an immediate family member is or has been, within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee; or

A relationship where the Director is a current employee or an immediate family member is a current executive officer of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of the other company's consolidated gross revenues.

For relationships that do not exceed the thresholds set forth above, the determination of whether the relationship is material or not, and, therefore, whether the Director would be independent or not, is made by the

Table of Contents

Directors who are independent. Generally, types of relationships that are not addressed above will not cause an otherwise independent Director to be considered not independent. However, the Board may determine that a Director is not independent for any reason it deems appropriate.

The Board undertook its annual review of Director independence during the fourth quarter of fiscal year 2008. During this review, the Board considered transactions and relationships between each Director or any member of his immediate family and the Company and its subsidiaries and affiliates. The Board also examined transactions and relationships between the Directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the Director is independent.

As a result of this review, the Board affirmatively determined that Sir Roderick Eddington, Ms. Bancroft and Messrs. Barnes, Cowley, Dinh, Hurd, Knight, Perkins and Thornton are independent of the Company and its management under the standards set forth by the listing standards of the NYSE.

Statement of Corporate Governance. The Board has adopted a Statement of Corporate Governance that sets forth the Company's corporate governance guidelines and practices. The full text of the Statement of Corporate Governance may be found on the Company's website at www.newscorp.com/corp_gov/socg.html and is available in print to any stockholder requesting a paper copy of the document by contacting the Corporate Secretary.

Standards of Business Conduct and Code of Ethics. The Board has adopted the Standards of Business Conduct (the Standards). The Standards confirm the Company's policy to conduct its affairs in compliance with all applicable laws and regulations and observe the highest standards of business ethics. The Standards also apply to ensure compliance with stock exchange requirements and to ensure accountability at a senior management level for that compliance. The Company intends that the spirit, as well as the letter, of the Standards be followed by all Directors, officers and employees of the Company, its subsidiaries and divisions. This is communicated to each new Director, officer and employee and was communicated to those in such positions at the time the Standards were adopted.

To further promote ethical and responsible decision-making, the Board has established a Code of Ethics for the Chief Executive Officer and senior financial officers that is included in the Standards.

The full text of the Standards and the Code of Ethics may be found on the Company's website at www.newscorp.com/corp-gov/sobc.html and each is available in print to any stockholder requesting a paper copy of the documents by contacting the Corporate Secretary.

Director Nomination Process. The Nominating and Corporate Governance Committee develops criteria for filling vacant Board positions, taking into consideration such factors as it deems appropriate, including the candidate's education and background; his or her general business experience and familiarity with the Company's businesses; and whether he or she possesses unique expertise that will be of value to the Company. Candidates should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed as a Director to the Company and its stockholders. All candidates must be individuals of personal integrity and ethical character, and who value and appreciate these qualities in others. It is expected that each Director will devote the necessary time to the fulfillment of his or her duties as a Director. In this regard, the Nominating and Corporate Governance Committee will consider the number and nature of each Director's other commitments, including other directorships. The Nominating and Corporate Governance Committee will seek to promote through the nomination process an appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship.

After completing this evaluation, the Nominating and Corporate Governance Committee will make a recommendation to the full Board which makes the final determination whether to nominate or appoint the new Director after considering the Nominating and Corporate Governance Committee's recommendation.

Stockholder Nomination Procedure. The By-laws provide procedures for stockholders to nominate persons for election as Directors.

Stockholders must provide timely notice of a Director nomination and such nomination must be submitted in writing to the attention of the Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. Pursuant to the By-laws, to be timely for the 2009 Annual Meeting of Stockholders, the notice must be delivered to the Corporate Secretary between June 22, 2009 and July 22, 2009. Stockholder nominations must contain, for each person nominated as Director, all information relating to the stockholder nominee as would be required pursuant to the By-laws and the stockholder nominee's written consent to serve as Director if elected. Stockholder nominations must also state the stockholder's name and address as they appear on the Company's books, the class and number of shares of the Company owned by the stockholder, a representation that the stockholder is a holder of record of Class B Common Stock and intends to appear in person or by proxy at such meeting to propose the nomination, and whether such stockholder intends to deliver a proxy statement and form of proxy to a sufficient number of holders of Class B Common Stock to elect such nominee or nominees.

Director candidates recommended by stockholders should meet the director qualifications set forth under the heading "Director Nomination Process." Director candidates recommended by stockholders who meet these director qualifications will be considered by the Chairman of the Nominating and Corporate Governance Committee, who will present the information on the candidate to the entire Nominating and Corporate Governance Committee. All director candidates recommended by stockholders will be considered by the Nominating and Corporate Governance Committee in the same manner as any other candidate.

Ms. Bancroft was appointed as a Director pursuant to the terms of the Agreement and Plan of Merger, dated as of July 31, 2007, by and among the Company, Ruby Newco LLC, a wholly-owned subsidiary of the Company, Dow Jones and Diamond Merger Sub Corporation, as amended (the "Dow Jones Merger Agreement"), whereby the Board agreed to take all requisite action to cause a member of the Bancroft family or another mutually agreed upon individual to become a member of the Board. For more information regarding this arrangement, see the section entitled "Certain Relationships and Related-Party Transactions" below.

Prior to his appointment to the Board, Mr. Hurd's nomination was presented to the Nominating and Corporate Governance Committee by another non-executive Director.

Communication with the Board. Stockholders play an integral part in corporate governance and the Board ensures that stockholders are kept fully informed through:

information provided on the Company's website www.newscorp.com, including the Company's annual report which is distributed to all stockholders in connection with distribution of the Company's proxy statement for its annual meeting of stockholders and which is available to all stockholders on request; reports and other disclosures made to the SEC, and the stock exchanges in New York, Australia and London; and notices and proxy statements of special and annual meetings of stockholders.

It is the policy of the Company to facilitate communications of stockholders and other interested parties with the Board and its various committees. Stockholders may raise matters of concern at the annual meetings of stockholders. In addition, any stockholder or other interested party wishing to communicate with any Director, any committee of the Board or the Board as a whole, may do so by submitting such communication in writing and sending it by regular mail to the attention of the appropriate party or to the attention of our Lead Director, Sir Roderick I. Eddington, at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. This information is also posted on the Company's website at www.newscorp.com.

Director Evaluation Policy. The Nominating and Corporate Governance Committee is responsible for conducting an annual review and evaluation of the Board's conduct and performance based upon completion by all Directors of a self-evaluation form that includes an assessment, among other things, of the Board's maintenance and implementation of the Standards and the Company's corporate governance policies. The review seeks to identify specific areas, if any, in need of improvement or strengthening and culminates in a discussion by the full Board of the results and any actions to be taken.

Committees and Meetings of the Board of Directors

During the fiscal year ended June 30, 2008, the Board held six regularly scheduled meetings and one special meeting. During the fiscal year 2008, all of the Directors attended at least 75% of the meetings of the Board held during the period for which he or she has been a Director and the meetings of the committees on which he or she served, with the exception of Mr. Hurd who was appointed to the Board on February 12, 2008 and was unable to participate in one Board meeting and one Nominating and Corporate Governance Committee meeting due to a pre-existing commitment that he had notified the Board of prior to his appointment to the Board. From the time Mr. Hurd was appointed to the Board until the end of the fiscal year, the Board and the Nominating and Corporate Governance Committee each held two meetings.

It is the policy of the Board to hold regular executive sessions of the Non-Executive Directors without management present. During the fiscal year ended June 30, 2008, the Non-Executive Directors of the Board held seven executive sessions. Sir Roderick Eddington currently serves as Lead Director, presiding over the executive sessions of the Non-Executive Directors and supervising the self-evaluation of the Directors and the Board's determination of the independence of its Directors.

Directors are encouraged to attend and participate in the Company's annual meetings of stockholders. At the annual meeting of stockholders held by the Company in October 2007, all of the then serving Directors attended the annual meeting, with the exception of Mr. Chase Carey.

The Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. These committees are comprised entirely of independent Directors, as currently required under the existing rules of the Securities Exchange Act of 1934, as amended (the Exchange Act) and the NYSE. Each committee is governed by a written charter approved by the Board. These charters are available on the Company's website at www.newscorp.com/corp_gov/bc.html and are available in print to any stockholder requesting a paper copy of these documents from the Corporate Secretary.

Audit Committee. The Audit Committee consists of Sir Roderick Eddington, who serves as Chairman, and Messrs. Barnes, Knight and Perkins. The Audit Committee assists the Board in its oversight of (i) the integrity of the Company's financial reporting processes and systems of internal control, (ii) the qualifications, independence and performance of the Company's independent registered public accounting firm and the performance of the Company's corporate auditors and corporate audit function, (iii) the Company's compliance with legal and regulatory requirements involving financial, accounting and internal control matters, (iv) investigations into complaints concerning financial matters, (v) risks that may have a significant impact on the Company's financial statements and (vi) the review, approval and ratification of transactions with related parties. The Audit Committee provides an avenue of communication among management, the independent registered public accounting firm, the corporate auditors and the Board. During the fiscal year ended June 30, 2008, the Audit Committee held six meetings. The Audit Committee's report required by the SEC rules is included in this proxy under the heading Report of the Audit Committee.

The Audit Committee Charter provides that its members shall consist entirely of Directors who the Board determines are independent in accordance with the NYSE listing standards. The Board determined that each member of the Audit Committee meets the foregoing independence requirements and that each member of the

Table of Contents

Audit Committee is financially literate in accordance with the NYSE listing standards. The Board also determined that Sir Roderick Eddington and Messrs. Perkins and Barnes are audit committee financial experts as defined under the SEC rules.

Compensation Committee. The Compensation Committee consists of Mr. Knight, who serves as Chairman, Sir Roderick Eddington and Messrs. Dinh (appointed August 2007), Perkins and Thornton. The primary responsibilities of the Compensation Committee are: (i) to review and approve goals and objectives relevant to the compensation of the Chief Executive Officer, to evaluate the performance of the Chief Executive Officer in light of these goals and objectives and to recommend to the Board the compensation of the Chief Executive Officer based on this evaluation; (ii) to consider, recommend and oversee the Company's incentive compensation plans and equity-based plans and recommend changes in such plans to the Board as needed, and to exercise all authority of the Board with respect to the administration of such plans, including the granting of awards under the Company's incentive compensation plans and equity-based plans; (iii) to review and approve compensation, benefits and terms of employment of senior executives who are members of the Company's Office of the Chairman; (iv) to review the Company's recruitment, retention, compensation, termination and severance policies for certain senior executives; (v) to review and assist with the development of executive succession plans and to consult with the Chief Executive Officer regarding the selection of senior executives; and (vi) to review the compensation of non-executive directors for service on the Board and its committees and recommend changes in compensation to the Board.

During the fiscal year ended June 30, 2008, the Compensation Committee held five meetings. Pursuant to its charter, the Compensation Committee may delegate its authority to one or more members of the Board or officers of the Company, to the extent permitted by law, as it deems appropriate. The Compensation Committee has delegated to Messrs. K.R. Murdoch, Chernin and DeVoe the authority to make grants of restricted stock units within certain prescribed limits to non-executive officers of the Company. Any grants made by Messrs. K.R. Murdoch, Chernin or DeVoe pursuant to this authority are reported to the Compensation Committee on an annual basis. Further discussion of the processes and procedures for the consideration and determination of the compensation paid to the named executive officers during fiscal 2008, including the role of our Chief Executive Officer in recommending the amount or form of compensation paid to the named executive officers, other than himself, is found in the section entitled "Compensation Discussion and Analysis" below.

Pursuant to its charter, the Compensation Committee has the sole authority to retain and terminate any compensation consultant. During the past several years, including fiscal 2008, the Compensation Committee has retained Deloitte Consulting LLP ("Deloitte") to provide advice on a variety of compensation matters as requested by the Compensation Committee. Deloitte primarily provides advice relating to named executive officer and non-executive director compensation, compensation trends, the design of the Company's equity incentive plans, and, from time to time, the structure of individual executive employment agreements. The Compensation Committee reviews information provided by Deloitte to determine the appropriate level and mix of compensation for each of the named executive officers in light of our compensation objectives.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Mr. Dinh, who serves as Chairman, and Messrs. Cowley, Hurd (appointed February 2008), Perkins (appointed August 2007) and Thornton. The responsibilities of the Nominating and Corporate Governance Committee are: (i) to review the qualifications of candidates for Director suggested by Board members, stockholders, management and others in accordance with criteria recommended by the Nominating and Corporate Governance Committee and approved by the Board; (ii) to consider the performance of incumbent Directors in determining whether to nominate them for re-election; (iii) to recommend to the Board a slate of nominees for election or re-election to the Board at each annual meeting of stockholders; (iv) to recommend to the Board candidates to be elected to the Board as necessary to fill vacancies and newly created directorships; and (v) to advise and make recommendations to the Board on corporate governance matters. The Nominating and Corporate Governance Committee also makes recommendations to the Board as to determinations of Director independence and conducts an annual self-evaluation for the Board. The Nominating and Corporate Governance Committee held five meetings during the fiscal year ended June 30, 2008.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established policies and procedures under which all audit and non-audit services performed by the Company's independent registered public accounting firm must be approved in advance by the Audit Committee. The Audit Committee's policy provides for pre-approval of audit, audit-related, tax and certain other services specifically described by the Audit Committee on an annual basis. In addition, individual engagements anticipated to exceed pre-established thresholds, as well as certain other services, must be separately approved. The policy also requires specific approval by the Audit Committee if total fees for tax services would exceed total fees for audit and audit-related services in any given fiscal year. The policy also provides that the Audit Committee can delegate pre-approval authority to any member of the Audit Committee provided that the decision to pre-approve is communicated to the full Audit Committee at its next meeting. The Audit Committee has delegated this responsibility to the Chairman of the Audit Committee. Management has also implemented internal procedures to ensure compliance with this policy. As required by the Sarbanes-Oxley Act, all audit and non-audit services provided in the fiscal years ended June 30, 2008 and June 30, 2007 have been pre-approved by the Audit Committee in accordance with these policies and procedures. The Audit Committee also reviewed the non-audit services provided by E&Y during the fiscal years ended June 30, 2008 and 2007, and determined that the provision of such non-audit services was compatible with maintaining the auditor's independence.

AMENDMENT OF THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO PROVIDE FOR THE ANNUAL ELECTION OF DIRECTORS BEGINNING AT THE COMPANY'S 2008 ANNUAL MEETING OF STOCKHOLDERS

The Company and the Board are committed to good corporate governance practices that will benefit the Company's stockholders. The Board is currently divided into three classes, with each Director elected at an annual meeting of stockholders generally serving a term of three years. Neither the Board nor the Nominating and Corporate Governance Committee believe that Directors who serve three-year terms are any less accountable to stockholders than Directors who serve a series of one-year terms. Under Delaware law, Directors owe fiduciary duties to the Company's stockholders regardless of the length of their term.

As the Board has previously stated, one of the Board's primary reasons for the classified board structure is to protect the Company's and its stockholders' interests in the event of an unfriendly or unsolicited proposal by a third party to takeover or restructure the Company. The classified board structure, together with the Company's stockholder rights plan (the "Stockholder Rights Plan"), would provide the Company with time to negotiate with the third party, to consider alternative proposals and to assure that stockholder value is maximized. The Board felt that the risk of such an unfriendly or unsolicited takeover or restructure proposal from a third party was significant given the substantial number of shares of the Company's common stock previously held by Liberty Media Corporation ("Liberty") and Liberty's prior public statement regarding its investment in the Company's common stock.

In February 2008, pursuant to the Share Exchange Agreement, dated December 22, 2006, by and between the Company and Liberty (the "Share Exchange Agreement"), the Company and Liberty completed an exchange whereby Liberty exchanged all of the shares of Class A Common Stock and Class B Common Stock held by Liberty for all of the shares of a wholly-owned subsidiary of the Company, whose holdings consisted of all of the Company's interests in DIRECTV, all of the Company's interest in three of the Company's Regional Sports Networks (FSN Northwest, FSN Pittsburgh and FSN Rocky Mountain) and approximately \$625 million in cash (the "Exchange").

With the completion of the Exchange, Liberty is no longer a significant stockholder. The Board believes that the risk of a third party takeover is now significantly reduced. Consequently, the Board has terminated the Stockholder Rights Plan, and the Board believes it is now the appropriate time and in the best interests of the Company and its stockholders to declassify the Board. In addition, Mrs. Evelyn Y. Davis, a stockholder, submitted proposals in 2006 and 2007 requesting that the Board take the necessary steps to eliminate the Company's classified Board structure. Ms. Davis' proposals received support from 32.7% and 17.3% of the votes cast by the Company's stockholders at the 2006 and 2007 annual meeting of stockholders, respectively, which indicated to the Board that a significant number of the Company's stockholders support the declassification of the Board. Therefore, the Board has approved, and recommends approval by the Company's stockholders, an amendment to the Certificate of Incorporation to provide for the annual election of Directors beginning at this Annual Meeting. The effect of this amendment to the Certificate of Incorporation, if approved by the Company's stockholders, would be to eliminate the classification of the Board effective upon the Company's filing of a Certificate of Amendment to the Certificate of Incorporation with the Secretary of State of Delaware. Assuming this Proposal 3 is approved, the Company intends to file the Certificate of Amendment promptly after the results of the stockholder vote are certified.

The Director nominees listed under Proposal 1B, consisting of the two classes of Directors currently scheduled to remain in office until the 2009 and 2010 Annual Meeting of Stockholders, are being nominated for election for a one-year term expiring at the 2009 Annual Meeting of Stockholders, with each Director to hold office until his or her successor shall have been duly elected and qualified. The election under Proposal 1B is conditioned upon, and will only be effective upon the effectiveness of the amendment to the Certificate of Incorporation as proposed in this Proposal 3.

The proposed amendment to the Certificate of Incorporation under this Proposal 3 provides that Article V, Section 1 would be revised as follows:

ARTICLE V

SECTION 1. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board of Directors. Except as otherwise provided for or fixed pursuant to the provisions of this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock) relating to the rights of the holders of any series of Preferred Stock or Series Common Stock to elect additional directors, the total number of directors constituting the entire Board of Directors shall be not less than three (3), with the then-authorized number of directors being fixed from time to time exclusively by the Board of Directors.

Except with respect to directors who may be elected by the holders of any series of Preferred Stock (the Preferred Stock Directors) or by holders of any series of Series Common Stock (the Series Common Stock Directors), beginning with the annual meeting of stockholders held in 2008 (the 2008 Annual Meeting), the directors of the Corporation shall be elected annually at each annual meeting of stockholders of the Corporation. The directors will hold office for a term of one year or until their respective successors are elected and qualified, subject to such director's earlier death, resignation, disqualification or removal. The terms of office of each director whose term of office did not expire at the 2008 Annual Meeting shall nonetheless expire upon the effectiveness of this Restated Certificate of Incorporation under the DGCL (the Effective Time), such that the directors elected at the 2008 Annual Meeting effective upon the Effective Time to succeed such directors shall commence their term of office at the Effective Time, for a term expiring at the next annual meeting of stockholders, with each such director to hold office until his or her successor shall have been duly elected and qualified.

Subject to the rights of the holders of any one or more series of Preferred Stock or Series Common Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors. Any director so chosen shall hold office until the next election of directors and until his or her successor shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

Except for such additional directors, if any, as are elected by the holders of any series of Preferred Stock or Series Common Stock, any director, or the entire Board of Directors, may be removed from office at any time by the affirmative vote of at least a majority of the total voting power of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (Voting Stock), voting together as a single class. At any time that there shall be three or fewer stockholders of record, directors may be removed with or without cause.

During any period when the holders of any series of Preferred Stock or Series Common Stock have the right to elect additional directors, then upon commencement and for the duration of the period during which such right continues: (i) the then otherwise total authorized number of directors of the Corporation shall automatically be increased by such specified number of directors, and the holders of such Preferred Stock or Series Common Stock, as applicable, shall be entitled to elect the additional directors so provided for or fixed pursuant to said provisions, and (ii) each such additional director shall serve until the next annual meeting of stockholders and until such director's successor shall have been duly elected and qualified, unless such director's right to hold such office terminates earlier pursuant to said provisions, subject in all such cases to his or her earlier death, disqualification, resignation or removal. Except as otherwise provided

by the Board of Directors in the resolution or resolutions establishing such series, whenever the holders of any series of Preferred Stock or Series Common Stock having such right to elect additional directors are divested of such right pursuant to the provisions of such stock, the terms of office of all such additional directors elected by the holders of such stock, or elected to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional directors, shall forthwith terminate and the total authorized number of directors of the Corporation shall be reduced accordingly.

Notwithstanding the foregoing, whenever the holders of outstanding shares of one or more series of Preferred Stock or Series Common Stock issued by the Corporation shall have the right, voting separately as a series or as a separate class with one or more such other series, to elect directors at an annual or special meeting of stockholders, the election, term of office, removal, filling of vacancies, and other features of such directorship shall be governed by the terms of this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series of Common Stock) applicable thereto.

Assuming this Proposal 3 is approved, the Board has approved, subject to the effectiveness of the amendment to the Certificate of Incorporation as proposed in this Proposal 3, conforming changes to the Company's By-laws to provide for the annual election of directors. As authorized by Article IX of the Company's By-laws, the Board is expressly authorized to amend the By-laws by the vote of a majority of the entire Board without stockholder approval. Accordingly, Article II, Sections 1 and 2 of the By-laws will be amended by the Board to read as follows:

ARTICLE II BOARD OF DIRECTORS

Section 1. Number, Election and Term of Directors.

The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. Except as otherwise provided for or fixed pursuant to the provisions of the Certificate of Incorporation relating to the rights of the holders of any series of Series Common Stock or Preferred Stock to elect additional directors, the total number of directors constituting the entire Board shall be not less than three with the then-authorized number of directors being fixed from time to time exclusively by the Board.

Except with respect to directors who may be elected by the holders of any series of Preferred Stock (the Preferred Stock Directors) or by holders of any series of Series Common Stock (the Series Common Stock Directors), beginning with the annual meeting of stockholders held in 2008, the directors of the Corporation shall be elected annually at each annual meeting of stockholders of the Corporation. The directors will hold office for a term of one year or until their respective successors are elected and qualified, subject to such director's earlier death, resignation, disqualification or removal.

Section 2. Newly Created Directorships and Vacancies.

Subject to the rights of the holders of any one or more series of Series Common Stock or Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board resulting from death, resignation, retirement, disqualification, removal from office or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board. Any director so chosen shall hold office until the next annual meeting of stockholders and until his or her successor shall be elected and qualified or until his or her earlier death, resignation or removal from office in accordance with the Certificate of Incorporation, these By-laws, or any applicable law or pursuant to an order of a court. No decrease in the number of directors shall shorten the term of any incumbent director.

Pursuant to Article VIII of the Certificate of Incorporation, the amendment to the Certificate of Incorporation proposed under this Proposal 3 requires the affirmative vote of the holders of sixty-five percent

(65%) or more of the then outstanding shares of Class B Common Stock of the Company. If this amendment to the Certificate of Incorporation is approved, then such amendment will become effective upon the filing of such amendment with the Secretary of State of Delaware, which filing will be made promptly after the results of the stockholder vote are certified.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL CONCERNING THE AMENDMENT OF THE COMPANY S RESTATED CERTIFICATE OF INCORPORATION TO PROVIDE FOR THE ANNUAL ELECTION OF DIRECTORS BEGINNING AT THE COMPANY S 2008 ANNUAL MEETING OF STOCKHOLDERS, WHICH IS DESIGNATED AS PROPOSAL NO. 3 ON THE ENCLOSED PROXY CARD.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Our Compensation Program Philosophy and Objectives

The goal of creating long-term growth and value for our stockholders drives our philosophy of how we design our executive compensation program. As one of the world's leading entertainment companies, with a diversified portfolio of businesses, News Corporation's executives are central to the value the Company creates for our stockholders. It is their leadership, creativity and ability to identify and execute on business opportunities that spur the Company's future growth and success. To that end, we must attract, motivate and retain the highest quality talent to lead the Company, and our compensation program is a key tool in achieving these goals.

In accordance with its charter, the Compensation Committee establishes and oversees our executive compensation program. The Compensation Committee has the primary responsibility of reviewing and approving the compensation levels and benefit programs for certain of our executives, including for the executive officers listed on the Summary Compensation Table below, who we collectively refer to as the named executive officers. The Compensation Committee also oversees and reviews our incentive compensation plans and equity-based plans. For more information on the Compensation Committee's responsibilities and its composition, see the section entitled "Committees and Meetings of the Board of Directors - Compensation Committee" above.

The Compensation Committee believes that compensation for executives, including the named executive officers, should fulfill the following objectives: (i) attracting the highest quality talent to the Company; (ii) motivating executives in the short-term and long-term by rewarding them for meeting or exceeding individual or Company performance goals; (iii) aligning our executives' interests with the long-term interests of our stockholders; and (iv) encouraging and providing incentives for executives to remain with the Company for long and productive careers.

In order to attract and retain the best talent, our executives' compensation packages must remain competitive. The Compensation Committee annually reviews the compensation practices of a group of our peer companies, consisting of other publicly-traded international media companies and other comparably sized Standard & Poor's 500 companies, as well as evolving market practices, to ensure that it makes informed compensation decisions. Although the Compensation Committee considers the compensation practices of our peer companies, because of the complex mix of industries and markets in which the Company operates, it does not use peer group data to base, justify or provide a framework for compensation decisions. The Compensation Committee also does not target any element of compensation or total compensation to a specific range within the peer group. Rather, it uses peer group data to obtain a general understanding of current compensation practices. The Compensation Committee's goal is to provide total compensation packages that are competitive with prevailing practices in our industry and in the geographic markets in which we conduct business. However, the Compensation Committee retains flexibility within the compensation program in order to respond to and adjust for specific circumstances and our evolving business environment.

The Compensation Committee retains Deloitte to provide advice on a variety of compensation matters as requested by the Compensation Committee. Deloitte primarily provides advice relating to named executive officer and non-executive director compensation, compensation trends, the design of the Company's equity incentive plans, and, from time to time, the structure of individual executive employment agreements. The Compensation Committee reviews information provided by Deloitte to determine the appropriate level and mix of compensation for each of the named executive officers in light of our compensation objectives. In addition, members of our senior management team keep abreast of developments in compensation and benefits matters and participate in the gathering and presentation of facts related to these matters as requested by the Compensation Committee. Our Chief Executive Officer (CEO) consults with and provides recommendations to the Compensation Committee on the design of our compensation program, as discussed below. In addition, our CEO periodically reports to the Compensation Committee on other named executive officers' performance and,

Table of Contents

when appropriate, provides recommendations regarding the other named executive officers' compensation packages. The CEO does not, however, make recommendations about, or participate in, decisions regarding his own compensation.

Elements of Our Named Executive Officers' Compensation Packages

The key elements of our executive compensation program for our named executive officers are base salary, incentive compensation and retirement benefits. The named executive officers also receive certain perquisites, but such perquisites are not a key element of compensation. The chart below illustrates how each element of compensation fulfills our four compensation objectives discussed above:

Element of Compensation	Motivation			Alignment with Stockholder Interests	Retention
	Attraction	Short-Term	Long-Term		
Base Salary	X				X
Incentive Compensation	X	X	X	X	X
Retirement Benefits	X				X

When making individual executive compensation decisions, the Compensation Committee considers such characteristics as the named executive officer's leadership and management expertise, performance history, the complexity of the position and responsibilities, growth potential, term of service with the Company, reporting structure and internal parity considerations. The Compensation Committee also takes into account certain other market factors, such as the significance that our industry and geographic markets (particularly New York City, Los Angeles and London) play in the Company's ability to attract and retain talent, among others. In determining the amount of total compensation, the Compensation Committee considers both currently paid compensation and the opportunity for future compensation, as well as the mix of cash and equity-based compensation.

The Compensation Committee annually reviews and analyzes the nature and amounts of all elements of each named executive officer's total compensation package, both separately and in the aggregate, to ensure that total compensation is competitive within the marketplace, that a significant portion of each named executive officer's compensation is performance based, and that an appropriate balance is maintained in focusing different elements of compensation on both the short-term and long-term performance of the Company. The Compensation Committee also reviews the amount of each named executive officer's equity interest in the Company. Any future compensation decisions by the Compensation Committee for the named executive officers are made in the context of this review.

Our fiscal 2008 named executive officers are Messrs. K. Rupert Murdoch, Peter Chernin, James R. Murdoch, David F. DeVoe and Roger Ailes. Messrs. K.R. Murdoch, Chernin, DeVoe and Ailes have served the Company or its subsidiaries or affiliates for 56, 19, 25 and 12 years, respectively. Mr. J.R. Murdoch has been with the Company for a total of 12 years, having rejoined the Company in December 2007 as our Chairman and Chief Executive, Europe and Asia, after serving as the Chief Executive Officer of BSKyB, in which the Company has a 39% equity interest, for the prior four years. The depth of each of the named executive officer's institutional knowledge, the breadth and continuity of their experience and their superior leadership talents have been instrumental and invaluable in making News Corporation one of the pre-eminent international entertainment companies.

With the exception of our Messrs. K. R. Murdoch and J.R. Murdoch, each of our named executive officers is party to a pre-existing negotiated employment agreement. (For a detailed description of Messrs. Chernin, DeVoe and Ailes' employment agreements, please see the section entitled Employment Agreements, and for a discussion of the compensation arrangement approved by the Compensation Committee for Mr. J.R. Murdoch, please see the section entitled Compensation Arrangement for Mr. James R. Murdoch.) The level of compensation contractually agreed upon and/or approved by the Compensation Committee reflects, among other

Table of Contents

factors, the scope and nature of their individual responsibilities, past performance and retention considerations at the time those agreements were entered into. The compensation package of each of the named executive officers does not necessarily contain each of the elements of compensation mentioned above. Instead, the Compensation Committee creates a compensation package for each of the named executive officers that contains a mix of compensation elements that it believes best addresses his particular responsibilities and that will best achieve our overall compensation objectives. In addition, the Compensation Committee has made a determination that, to the extent practicable, there should be parity in compensation between the Company's Chairman and Chief Executive Officer and its President and Chief Operating Officer because they both have responsibilities in establishing and executing the Company's overall strategy.

Base Salary

The basic element of compensation needed to attract and retain an employee in any organization is base salary. Base salary is the fixed element of a named executive officer's annual cash compensation, and serves as a baseline measure of the named executive officer's value to the Company and the foundation upon which the types and amounts of other elements of compensation for the named executive officer is based.

As discussed above, Messrs. Chernin, DeVoe and Ailes are each a party to a pre-existing negotiated employment agreement, which provides for a specified or minimum base salary. At the time each of these employment agreements was entered into, the Compensation Committee established each named executive officer's base salary in the context of the nature of the named executive officer's particular position, the responsibilities associated with that position, length of service with the Company, their experience, expertise, knowledge and qualifications, market factors, retention factors, our CEO's recommendation and the Company's overall compensation philosophy.

The Compensation Committee reviews annually the base salary of each of the named executive officers, subject to the terms of any applicable employment agreements. Base salary may be adjusted if the Compensation Committee determines that an adjustment is warranted or that a different mix of compensation elements may more appropriately compensate the individual named executive officer in light of the Company's compensation objectives. The factors considered by the Compensation Committee when determining adjustments in base salary include: past performance; the assumption by the named executive officer of any additional responsibilities; retention considerations; market factors; internal parity considerations; and the CEO's recommendation (with the exception of his own base salary). For purposes of parity between Messrs. K.R. Murdoch and Chernin, the Compensation Committee has made their base salaries equal since fiscal 2007.

The base salaries for each of the named executive officers remained unchanged in fiscal 2008 from fiscal 2007, with the exception of Mr. J.R. Murdoch who joined the Company on December 7, 2007.

Incentive Compensation

The named executive officers have a direct influence on our operations and strategy. Consequently, the Compensation Committee believes that a larger portion of each of the named executive officers' total compensation should be variable based on the Company's performance. As incentive for the named executive officers to strive continuously for better performance, a significant portion of a named executive officer's total compensation is at risk based upon the Company's short-term and long-term performance. Incentive compensation awarded to our named executive officers is designed to foster a performance-driven, pay-for-performance culture that also aligns our named executive officers' interests with those of our stockholders, and to reward the named executive officers for superior results.

In determining the performance criteria for incentive compensation, the Compensation Committee uses performance measures that are based on objective operational results of the Company because it believes that the performance measures should be based on results that are within the control of the named executive officers,

Table of Contents

rather than a stock price that is also influenced by external market forces and that could potentially lead to an undesirable focus on short-term factors outside of the named executive officer's control. Performance-based measures are chosen which the Compensation Committee believes will incentivize an executive to drive operating results in the short-term, as well as drive sustainable and profitable growth in order to create long-term value for our stockholders.

Beginning in fiscal 2005, the Compensation Committee adopted a methodology that based a portion of Messrs. K.R. Murdoch, Chernin and DeVoe's incentive compensation on the Company's year-over-year change in adjusted earnings per share (EPS Bonus). In February 2008, the Compensation Committee adopted the same methodology for Mr. J. R. Murdoch's EPS Bonus for fiscal 2008. A metric based on earnings per share (EPS) was chosen as a performance metric because the Compensation Committee believes that EPS is a significant factor in how our stockholders and analysts evaluate the performance of both the Company and our management. In addition, the Compensation Committee believes EPS is a performance metric that aligns the interests of these named executive officers with those of our stockholders and that continued growth in EPS year-over-year will lead to long-term improvement in return on investment for our stockholders through an increase in the market value of our shares over time. Thus, for these named executive officers who have responsibility for our overall business operations and strategy, the Compensation Committee determined that basing a portion of their incentive compensation, which can potentially be the most significant portion of the named executive officer's total compensation, on growth in adjusted EPS is appropriate. This methodology remains in effect for Messrs. K.R. Murdoch, Chernin, J.R. Murdoch and DeVoe through fiscal 2009 and involves the following calculation:

- Determination of the prior fiscal year's adjusted EPS;
- Determination of the current fiscal year's adjusted EPS; and
- Calculating the percentage change in adjusted EPS.

Adjusted EPS is used because the Compensation Committee believes that the adjustments provide a better evaluation of the Company's operating performance, as they take into account specific events that may distort the Company's performance in a specific performance period. The adjustments made reflect the elimination of the net income effect of the following items:

- Non-cash intangible asset impairment charges and write-downs on investments to realizable values;
- Gains or losses on the sale or other disposition of businesses or investments;
- Items classified as extraordinary items;
- The impact of changes in accounting in the fiscal year of such change (with the intent being to measure adjusted EPS in each fiscal year on the same bases of accounting);
- Costs of material business restructurings, reorganizations and relocations; and
- Gains and losses from capital and debt issuances and retirements.

In this manner, executives are not unduly influenced in their decision making, because they will neither benefit nor be penalized as a result of certain unanticipated and uncontrollable events that may positively or negatively affect EPS in the short term.

The Compensation Committee determined a pre-established range of the percentage change in adjusted EPS calculation with corresponding EPS Bonus payment levels for each of Messrs. K.R. Murdoch, Chernin, J.R. Murdoch and DeVoe. Although this methodology is based upon adjusted EPS on an annual basis, the fact that these EPS Bonus guidelines are in place for each of Messrs. K.R. Murdoch, Chernin and DeVoe over multiple years encourages them to look to the long-term performance of the Company. For purposes of parity, the EPS Bonus guidelines are the same for each of Messrs. K.R. Murdoch and Chernin. Based on the percentage change in adjusted EPS calculation, Messrs. K.R. Murdoch and Chernin could receive an EPS Bonus of between \$0 and \$25 million in a particular fiscal year and Mr. DeVoe could receive an EPS Bonus of between \$0 million

Table of Contents

and \$7 million in a particular fiscal year. Mr. J.R. Murdoch could receive an EPS Bonus of between \$0 to \$12.5 million, with the fiscal 2008 EPS bonus to be pro-rated based upon Mr. J.R. Murdoch's commencement of employment on December 7, 2007. For additional information on these ranges and the EPS Bonuses, see footnote (a) to the Grants of Plan-Based Awards Table below.

The annual EPS Bonuses are awarded following the Compensation Committee's certification that the performance goals upon which these EPS Bonuses are based have been attained. The Compensation Committee determined to pay the EPS Bonuses in cash to Mr. K.R. Murdoch and in a combination of cash and cash-settled RSUs to Messrs. Chernin, J.R. Murdoch and DeVoe, as reflected in the Summary Compensation Table and its associated footnotes below. Any portion of the EPS Bonus paid in cash must be paid no later than ninety days after the applicable fiscal year end or within ten days after the Company's earnings for the applicable fiscal year are publicly released. If any portion of the EPS Bonus is paid in cash-settled RSUs, the number of cash-settled RSUs awarded is determined by dividing the amount of any EPS Bonus allocated to cash-settled RSUs by the average of the closing price of our Class A Common Stock on the New York Stock Exchange for the 20-day trading period ending on the date prior to the date on which the cash portion of the EPS Bonus is paid.

The Compensation Committee determined to pay Mr. K.R. Murdoch's EPS Bonuses in cash because, as a significant stockholder of the Company and his long history with the Company, it believed that his interests were already significantly aligned with those of our stockholders and it is unlikely that he will leave the Company during his working career. For Messrs. Chernin, J.R. Murdoch and DeVoe, the Compensation Committee approved payment of their EPS Bonuses in a mix of cash and time-vested, cash-settled RSUs. The RSUs serve as a retention tool because, except in certain limited circumstances, Messrs. Chernin and DeVoe must remain with the Company through the term of their employment agreements and Mr. J.R. Murdoch must remain with the company for three years to receive their full value. In addition, by paying a portion of their EPS Bonuses in RSUs, these named executive officers have an increased equity interest in the Company, which further encourages decision making that will drive long-term results for the Company. RSUs provide a direct alignment between the interests of our stockholders and the named executive officers.

Based upon the above calculation, the Compensation Committee determined that the adjusted EPS percentage increase from fiscal 2007 to fiscal 2008 was 25% and approved a fiscal 2008 EPS Bonus of \$17.5 million for each of Messrs. K.R. Murdoch and Chernin, \$5.1 million for Mr. J.R. Murdoch (pro-rated as noted above) and \$5.5 million for Mr. DeVoe. See the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table below.

As discussed in more detail below in the Our Long-Term Incentive Plan section, the Compensation Committee granted awards under the Company's 2005 Long-Term Incentive Plan (the LTIP) to executives responsible for the Company's various business units that are conditioned upon the achievement of pre-determined fiscal 2008 operating profit goals for their respective business units at a target level of 50% of base salary for the highest level of executives. Pursuant to the terms of their respective employment agreements, Messrs. Chernin and DeVoe are entitled to participate in broad-based equity grants under the LTIP. In August 2008, the Compensation Committee considered that the Company as a whole had operating profit growth from fiscal 2007 to fiscal 2008 of 21%; therefore, pursuant to the terms of their employment agreements, the Compensation Committee determined to award time-vested, cash-settled RSUs under the LTIP in an amount equal in value to \$4.1 million for Mr. Chernin and \$1.4 million for Mr. DeVoe, which amounts are 50% of their respective annual base salaries. For purposes of parity among the named executive officers, the Compensation Committee determined to also award time-vested, cash-settled RSUs in amount equal in value to \$4.1 million to Mr. K.R. Murdoch which is 50% of his annual base salary, and \$947,600 to Mr. J.R. Murdoch which is 50% of his annual base salary pro-rated based on the commencement of his employment on December 7, 2007. In converting the dollar value of these awards to the number of RSUs to grant these named executive officers, the Compensation Committee used a similar formula as that used for the business unit executives which is discussed in more detail below. Consequently, in August 2008, the Compensation Committee awarded 282,821, 282,821, 66,173 and 99,642 time-vested, cash-settled RSUs to Messrs. K.R. Murdoch, Chernin, J.R. Murdoch and DeVoe, respectively. These awards are set forth in the Grants of Plan-Based Awards Table below. Twenty-five percent of

Table of Contents

these RSUs vested on August 15, 2008, with the remaining balance vesting in three equal annual installments over the next three years. These RSUs are not eligible to receive dividend payments. The Compensation Committee believes that these LTIP awards serve its compensation objectives because the payment of the awards in time-vested, cash-settled RSUs further encourages a longer term view of the Company's performance and promotes retention.

As a part of the compensation package approved by the Compensation Committee discussed below, beginning fiscal 2009, Mr. J.R. Murdoch is eligible to receive an annual bonus based on the operating profit growth of the operating divisions over which Mr. J.R. Murdoch has responsibility, with a target opportunity of 75% of his base salary and a maximum opportunity of 100% of his base salary. However, because of his hire in the middle of fiscal 2008, in August 2008, the Compensation Committee determined to award Mr. J.R. Murdoch a bonus award of \$1.0 million (approximately \$1.4 million) in cash, pro-rated due to the commencement of his employment on December 7, 2007, based on an assessment of the operating profit growth of the operating divisions that Mr. J.R. Murdoch is responsible for. See the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table below.

Under the terms of his employment agreement, one element of Mr. Ailes compensation is annual incentive compensation based solely upon the financial performance of the FOX News Channel. Similar to the responsibility of Messrs. K.R. Murdoch, Chernin and DeVoe for the overall financial performance of the Company, Mr. Ailes is directly responsible for FOX News Channel's operating results. Therefore, the Compensation Committee chose FOX News Channel's earnings before interest, tax, depreciation and amortization (EBITDA) as the objective financial performance measure to determine Mr. Ailes' incentive compensation (the FOX News Channel Bonus). The amount that Mr. Ailes will receive for his FOX News Channel Bonus in any fiscal year during the term of his agreement, including fiscal 2008, is tied to a performance range of FOX News Channel's EBITDA for that fiscal year. These ranges were approved and separately conveyed to Mr. Ailes by the Compensation Committee in fiscal 2007. The Compensation Committee established EBITDA ranges that were designed to reward Mr. Ailes for achieving significant growth in FOX News Channel's EBITDA. The Compensation Committee intended these ranges to be achievable by FOX News Channel; however, the high end of the EBITDA range assumed FOX News Channel's attainment of over 75% growth in EBITDA over the term of the employment agreement, which it believed is an extremely high level of performance. Because of previous time-vested equity awards granted to Mr. Ailes, the Compensation Committee determined that Mr. Ailes' interests were sufficiently aligned with stockholders in the long-term and that there was already a significant retention feature in Mr. Ailes' total compensation package, and therefore determined to pay Mr. Ailes' FOX News Channel Bonus in cash.

Pursuant to this arrangement, the Compensation Committee awarded Mr. Ailes a FOX News Channel Bonus of \$4.5 million in cash, reflecting FOX News Channel's performance in fiscal 2008 which was at the high end of the EBITDA range. In addition, pursuant to the terms of his employment agreement, Mr. Ailes is also entitled to receive awards in the form of shares of our Class A Common Stock upon the launch of the FOX Business Network and when the fair market value of the FOX Business Network equals or exceeds two times its cost as determined pursuant to the terms of Mr. Ailes' employment agreement. Accordingly, upon launch of the FOX Business Network on October 15, 2007, Mr. Ailes received an award of 333,333 shares of Class A Common Stock. Mr. Ailes' employment agreement also provides that he receive a minimum, annual bonus of \$1 million in cash, which he received for fiscal 2008.

Incentive compensation represented 73%, 73%, 48%, 71% and 67% of the total compensation awarded to Messrs. K.R. Murdoch, Chernin, J.R. Murdoch, DeVoe and Ailes, respectively, for fiscal 2008.

Retirement Benefits

Our defined-benefit pension plans serve as an important retention tool. In addition to a broad-based, tax-qualified pension plan, we also administer the News America Incorporated Supplemental Executive Retirement Plan, or SERP, in which certain executives who will earn more than \$230,000 in calendar 2008 are

Table of Contents

eligible to participate. The SERP increases the retirement benefits of its participants above the amounts available under our broad-based plan, as limited by the Internal Revenue Code. Generally, the compensation limit for the SERP is capped at \$330,000 for calendar 2008. As an additional retention incentive, Messrs. K.R. Murdoch, Chernin, J.R. Murdoch and DeVoe participate in the Company's Individual Supplemental Employee Retirement Agreement Plan (ISERA), which provides enhanced benefits to certain of the Company's executives. The ISERA raises the compensation limit of the SERP to \$2 million. The ISERA also provides enhanced retirement health benefits to the participating executives and their spouses. Although Mr. Ailes does not participate in the ISERA, his employment agreement provides for enhanced post-retirement healthcare benefits. The SERP and the ISERA are unfunded, unsecured obligations of the Company and are non-qualified for tax purposes. For additional information on these arrangements and plans, please see the Pension Benefits Table and the Potential Payments Upon Termination Table, together with their accompanying footnotes, below.

Perquisites

Our named executive officers are provided with limited types of perquisites and other personal benefits that the Compensation Committee feels are reasonable and consistent with the Company's overall compensation philosophy. Perquisites constitute a very small percentage of each of the named executive officer's total compensation package. Some perquisites are intended to serve a specific business need for the benefit of the Company; however, it is understood that some may be used for personal reasons as well.

For safety and security reasons, all of the named executive officers are required to use the Company aircraft for all travel. We also provide automobiles for certain of our named executive officers. In addition, pursuant to the terms of Mr. Ailes' negotiated employment agreement, we provide him personal security services in connection with his business responsibilities. Also, Mr. Chernin is provided with supplemental executive life insurance and reimbursement for country club dues. The perquisites received by each named executive officer in fiscal 2008, as well as their incremental cost to the Company, are reported in the Summary Compensation Table and its accompanying footnotes below.

Compensation Arrangement for Mr. James R. Murdoch

In December 2007, Mr. J.R. Murdoch rejoined the Company as our Chairman and Chief Executive, Europe and Asia, after serving as the Chief Executive Officer of BSKyB for four years. In determining Mr. J.R. Murdoch's compensation package upon his re-joining the Company, the Compensation Committee generally considered the scope of Mr. J.R. Murdoch's responsibilities in his new position, his compensation package at BSKyB, his achievements at BSKyB, his prior experience and history with the Company, including as Chairman and Chief Executive Officer of STAR, and parity with our other named executive officers. Given these factors, the Compensation Committee determined to provide Mr. J.R. Murdoch with a compensation package that ultimately would be comparable to his existing compensation package at BSKyB. Because of Mr. J.R. Murdoch's existing equity interest in the Company, the Compensation Committee determined his interests are already significantly aligned with those of our stockholders. Therefore, while his overall compensation has both a cash and equity component, a larger percentage of his overall compensation should be paid in cash. In addition, the Compensation Committee believes that a significant portion of Mr. J.R. Murdoch's compensation should be at risk, rather than fixed, based on the performance of the business units over which he has direct responsibility, as well as the overall performance of the Company.

Based upon the above considerations, in February 2008, the Compensation Committee approved the following terms of Mr. J.R. Murdoch's compensation arrangement: (a) an award of 400,000 cash-settled RSUs which vest in three equal annual installments beginning January 1, 2009, (b) an annual base salary of 2.3 million Euros (approximately US\$3.4 million); (c) eligibility to receive, on an annual basis, a bonus based on the performance of the operating divisions over which Mr. J.R. Murdoch has responsibility for the applicable fiscal year, with a target opportunity of 75% (and a maximum opportunity of 100%) of base salary, to be paid in cash; and (d) eligibility to receive, on an annual basis, an EPS Bonus of between \$0 and \$12.5 million in a particular

Table of Contents

fiscal year following the same methodology used for Messrs. K.R. Murdoch, Chernin and DeVoe's EPS Bonuses (as set forth in footnote (a) to the Grants of Plan-Based Awards Table below) to be paid in a combination of cash and cash-settled RSUs that will vest over a three-year period. In addition, the Compensation Committee determined that Mr. J.R. Murdoch will be eligible to participate in our LTIP, pursuant to which he may be granted performance-based or discretionary equity awards and will be entitled to other benefits and perquisites commensurate with executives of his level within the Company.

Severance and Change in Control Arrangements

The employment agreements of Messrs. Chernin, DeVoe and Ailes contain negotiated severance provisions which provide benefits to these named executive officers upon their separation from the Company, which are more fully described in the section entitled "Potential Payments Upon Termination" below. None of these named executive officers' employment agreements contains provisions relating to a change in control of the Company. However, as negotiated under Mr. Chernin's employment agreement, if Mr. K.R. Murdoch is no longer the CEO of the Company, Mr. Chernin may terminate his employment agreement and be entitled to the severance payable upon his resignation for "good reason." These severance provisions are more thoroughly described in the section entitled "Potential Payments Upon Termination" below.

Recoupment of Previously Paid Named Executive Officer Performance-Based Compensation

In August 2007, the Board of Directors adopted a policy regarding the recoupment of performance-based compensation paid to the named executive officers in the event of certain financial restatements. Under the policy, the Company will require reimbursement, to the extent permitted by governing law and any employment arrangements, of the excess of any performance-based compensation paid to an executive officer where:

the payment was predicated upon the achievement of certain financial results that were subsequently the subject of a restatement; in the Board's view, the officer engaged in fraud or misconduct that caused the need for the restatement; and a lower payment would have been made to the officer based upon the restated financial results.

In each such instance, the Company will, to the extent practicable, seek to recover the amount by which the named executive officer's performance-based compensation for the relevant period exceeded the lower payment that would have been made based on the restated financial results, plus a reasonable rate of interest.

Limitations on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally limits to \$1 million the U.S. federal tax deductibility of compensation (including stock options and RSUs) paid in one year to the named executive officers (other than, pursuant to Internal Revenue Service pronouncements, Mr. DeVoe, our Chief Financial Officer). The deductibility of non-qualified deferred compensation paid to an executive officer when he is no longer subject to Section 162(m) is not subject to this limitation. Performance based compensation (including if such compensation is paid stock options and RSUs) is also subject to an exception under Section 162(m), provided such compensation meets certain requirements, including stockholder approval.

The Compensation Committee strives to provide the named executive officers with a compensation package that will preserve the deductibility of those packages for the Company to the extent reasonably practicable and to the extent consistent with its other compensation objectives. However, the Compensation Committee believes that stockholder interests are best served by not restricting the Compensation Committee's discretion and flexibility in structuring compensation programs, even though those programs may result in certain non-deductible compensation expenses.

Our Long-Term Incentive Plan

We use equity awards to recognize performance of certain Company executives who drive the development and execution of our business strategies. The primary purposes of these equity awards are to align further the executive's interests with the Company's longer-term objectives, to drive stockholder return, to foster stock ownership and to promote retention.

Since fiscal 2007, the Compensation Committee has granted performance-based and discretionary awards that are settled in time-vested RSUs. The RSUs typically vest over four years and are generally subject to continued employment with the Company. The Compensation Committee believes RSUs provide a strong retention incentive to the grantees and further links their interests with our stockholders' interests.

In structuring our equity incentive program and determining the type and amounts of each award, we consider the impact the equity awards will have on our operating results, and we strive to achieve an appropriate balance between the impact on our financial operating results and our compensation objectives. Occasionally, the Compensation Committee will approve one-time equity grants for particular circumstances, such as upon a hiring, promotion, contract renewal or certain discretionary performance-based achievements. More generally, awards under the LTIP are primarily made once a year through a broad-based program. During the first quarter of each fiscal year, the Compensation Committee approves performance targets and the range of equity awards payable upon the achievement of those targets for that fiscal year.

Consequently, in the first quarter of fiscal 2008, the Compensation Committee approved a broad-based program under which a group of executives responsible for various business units within the Company had the opportunity to earn a grant of RSUs under the LTIP. These fiscal 2008 LTIP awards were conditioned upon the attainment of pre-determined operating profit goals for fiscal 2008 by the executive's particular business unit. If the actual fiscal 2008 operating profit of the executive's business unit as compared to its pre-determined target operating profit was within a certain performance goal range that was approved by the Compensation Committee, the executive was entitled to receive a grant of RSUs under the fiscal 2008 LTIP award. Following the end of the 2008 fiscal year, the Company determined the degree to which the operating profit goals were obtained. To the extent that it was determined that the business unit's actual fiscal 2008 operating profit fell within the performance goal range, the executive received a percentage of his or her annualized base salary, ranging from 0% to 100%, in time-vested RSUs representing shares of our Class A Common Stock. The number of RSUs awarded to an executive in satisfaction of a fiscal 2008 LTIP award was determined by dividing the value of the award by the average closing price of our Class A Common Stock on the New York Stock Exchange for the 20-day trading period ending on August 5, 2008. The RSUs are generally payable in shares of our Class A Common Stock. In fiscal 2009, approximately 8.9 million RSUs were issued in connection with these fiscal 2008 LTIP awards, 25% of which vested on August 15, 2008, with the remaining balance vesting in three equal annual installments over the next three years. The Compensation Committee believes that this combination of the performance feature of the fiscal 2008 LTIP award and the RSU award best serves our compensation objectives because the performance feature focuses on business priorities by clearly communicating to the executives what we believe is most important in driving business performance and ultimately creating value for our stockholders, and the time-vested RSU component further fosters stock ownership, encourages a longer term view of the Company's performance and promotes retention.

The Compensation Committee currently intends to grant equity awards under the LTIP to certain of its executives, including the named executive officers, on an annual basis. Such awards may be contractual, discretionary or based on pre-determined performance goals, including, but not limited to, operating profit, adjusted operating profit and adjusted EPS.

- (a) The amounts set forth in the Stock Awards column represent the value of RSU awards, including the portion of Messrs. Chernin, J.R. Murdoch and DeVoe's EPS Bonus paid in RSUs, recognized for financial statement reporting purposes for the applicable fiscal year, as computed in accordance with SFAS 123R, disregarding estimates of forfeitures related to service-based vesting conditions.
- (b) The amounts set forth in the Option Awards column represent the value of stock appreciation rights (SARs) recognized for financial statement reporting purposes for the applicable fiscal year as computed in accordance with SFAS 123R using the Black-Scholes option pricing model, disregarding estimates of forfeitures related to service-based vesting conditions. For additional information about the assumptions used in these calculations, see Note 13 to the audited consolidated financial statements of the Company included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2008. The discussion in the Company's fiscal 2008 audited consolidated financial statements reflects weighted-average assumptions on a combined basis for both retirement-eligible and non-retirement eligible employees and Non-Employee Directors.
- (c) The amounts set forth in the Non-Equity Incentive Plan Compensation column represent Mr. K.R. Murdoch's EPS Bonus for the applicable fiscal year, the cash portion of Messrs., Chernin, J. R. - (d) The values reported are theoretical as these amounts are calculated pursuant to SEC requirements and are based on a retirement assumption of age 55 or current age, if later, and other assumptions used in preparing the Company's audited consolidated financial statements for the fiscal years ended June 30, 2007 and June 30, 2008. The change in pension value from year to year as reported in the Summary Compensation Table is subject to market volatility and may not represent the value that a named executive officer will actually accrue under the Company's pension plans during any given fiscal year. The reduction of the pension value in the fiscal year ended June 30, 2008 was due to the change in the discount rate used in the actuarial calculation of the year-end obligation. The change in pension value is attributable to the following:

Summary of Peter Chernin's Employment Agreement

The Company entered into an Amended and Restated Employment Agreement with Mr. Peter Chernin, the Company's President and Chief Operating Officer, effective August 1, 2004 and expiring on June 30, 2009. The Company and Mr. Chernin subsequently agreed to amend the employment agreement on August 10, 2005, September 8, 2005 and August 8, 2006. Mr. Chernin's agreement provides that he will receive a base salary of not less than \$3,800,000 per year. Mr. Chernin is also eligible to receive annual incentive compensation based on the Company's achievement of financial performance targets. For the fiscal years ended June 30, 2005 and 2006, the terms of Mr. Chernin's annual incentive compensation were set forth in his employment agreement. For the fiscal years ended June 30, 2007 and 2008 and the fiscal year ending June 30, 2009, the Compensation Committee has determined annual incentive compensation criteria for Mr. Chernin pursuant to the LTIP, which compensation has been, or will be, paid pursuant to the terms of Mr. Chernin's employment agreement. If the Compensation Committee certifies that the performance criteria have been met, Mr. Chernin's incentive compensation will be determined by calculating the percentage change in Adjusted Earnings Per Share (as defined in the employment agreement and Compensation Discussion and Analysis Incentive Compensation above) of the Company for the fiscal year then ended and then determining the EPS Bonus payable based on the EPS Bonus guidelines set forth in the employment agreement (see footnote (a) to the Grants of Plan-Based Awards Table below).

Pursuant to Mr. Chernin's employment agreement, the first \$5 million of the annual EPS Bonus is payable in cash and the remaining balance is payable one-half in cash and the other half in RSUs (paid in two equal annual installments for the fiscal year ended June 30, 2007 and one annual installment for the fiscal year ended June 30, 2008). The RSUs may be paid, at the Company's discretion, in shares of Class A Common Stock or in cash equal to the value of the shares of Class A Common Stock subject to such RSUs. The number of RSUs to be delivered is equal to the applicable value divided by the average closing price of the Class A Common Stock on the NYSE for the 20-day trading period ending on the date prior to the date on which the cash portion of the EPS Bonus is paid. Any bonus earned for the period ending June 30, 2009 is to be paid solely in cash.

Pursuant to Mr. Chernin's employment agreement, in August 2004, Mr. Chernin received a grant of stock appreciation rights on 500,000 shares of Class A Common Stock which vest as to 25% on each anniversary date

Both the pension account and savings account are to be fully vested at all times. The funds in the savings account are maintained in a grantor trust. Mr. Chernin directs the investment of the assets in the grantor trust and their value fluctuates in accordance with the investment performance. The assets in the grantor trust are unsecured funds of the Company and may be used to satisfy the Company's obligations in the event of bankruptcy or insolvency. The pension and savings account are to be paid in cash in a lump sum to Mr. Chernin upon his termination of employment with the Company or at a time otherwise elected by Mr. Chernin in accordance with procedures developed by the Company. Table of Contents*Description of Pension Benefits*

The Company sponsors the News America Incorporated Employees Pension and Retirement Plan (the Qualified Pension Plan) which provides retirement benefits to each of the named executive officers and employees of certain U.S. subsidiaries. The Qualified Pension Plan is a broad-based, tax-qualified defined benefit plan for employees hired before January 1, 2008. Participation in the Qualified Pension Plan begins on January 1 or July 1 following the later of the date on which an eligible employee attains age 21 or completes one full year of service. Under the Qualified Pension Plan, participants become fully vested in their accrued benefit upon completion of five full years of service and are entitled to receive unreduced benefits upon retirement at age 65 or later. The benefit is paid in the form of a monthly annuity. The accrued benefit under the Qualified Pension Plan at normal retirement age for service after June 30, 1989 is equal to 1% of monthly compensation times years of service, plus 0.6% of average monthly compensation in excess of average covered compensation times years of service limited to 35 years (includes service prior to June 30, 1989 for limiting service). For service prior to June 30, 1989, the accrued benefit is the accrued benefit calculated under the prior plan formula and adjusted for increase in average compensation. Average compensation is generally compensation reported on the participant's W-2 form, plus 401(k) plan or Section 125 deferrals, but does not include non-cash bonuses) for any 60 consecutive months during the participant's last 120 months of service. The Company pays the entire cost of the benefits provided under the Qualified Pension Plan. Eligible compensation for purposes of the Qualified Pension Plan is limited by federal law.

In addition to the Qualified Pension Plan, the Company maintains the News America Incorporated Supplemental Executive Retirement Plan (the SERP), which provide benefits to employees who are participants in the Qualified Pension Plan but whose annual compensation exceeds the compensation limit of the Qualified Pension Plan (which was \$230,000 in 2008). With the exception of Mr. K.R. Murdoch, each of the named executive officers participates in the SERP. The compensation limit for the SERP is capped at \$100,000 in excess of the Qualified Pension Limit (\$330,000 in 2008). The benefits of the SERP are calculated using the same formula as the Qualified Pension Plan. The SERP is an unfunded, unsecured obligation of the Company and is non-qualified for tax purposes.

Messrs. K.R. Murdoch, Chernin, J.R. Murdoch and DeVoe also participate in the Company's Individual Supplemental Employee Retirement Agreement Plan (the ISERA), which provides enhanced benefits to a select group of the Company's top executives. The ISERA raises the compensation limit of the SERP to \$2 million. The benefit provided under the ISERA is unreduced for early retirement beginning at age 55 and for 100% joint and surviving spouse annuities. Messrs. Chernin and DeVoe are currently eligible for early retirement with unreduced benefits under the ISERA. The ISERA for Mr. J.R. Murdoch includes service while employed by BSKyB and, therefore, his ISERA benefit is reduced by any retirement benefit he may receive from BSKyB. For fiscal 2008, the additional benefit related to his BSKyB service is \$0. The ISERA also provides retirement health and life insurance benefits to the participating executives and their spouses. The ISERA is an unfunded, unsecured obligation of the Company and is non-qualified for tax purposes.

Messrs. Chernin and Ailes have accrued benefits under the Fox Pension Plan. They accrued benefits under the Fox Pension Plan prior to participating under the Qualified Pension Plan. The Qualified Pension Plan counts their service under the Fox Pension Plan. However, the benefit payable from the Qualified Pension Plan is reduced by their accrued benefit under the Fox Pension Plan. Similar to the Qualified Pension Plan, the Fox Pension Plan is a broad-based, tax-qualified, defined benefit plan that provides retirement benefits to employees hired before January 1, 2008 of certain U.S. subsidiaries of the Company. Under the Fox Pension Plan, participants become fully vested in their accrued benefit upon completion of five years of service and are entitled to receive unreduced benefits upon retirement at age 65 or later. Participants retiring after age 55 with five years of service can receive an unreduced benefit at age 62. The benefit is paid in the form of a monthly annuity. The accrued benefit under the Fox Pension Plan at normal retirement age is equal to 1.2% of the final average compensation times years of service, plus 0.4% of final average compensation in excess of average wage base times years of service. Final average compensation is the highest base salary plus commission during the five

calendar years in the ten most recent calendar years divided by the lesser of 60 or the participant's months of credited service. The Company pays the entire cost of the benefits provided under the Fox Pension Plan. Eligible compensation for purposes of the Fox Pension Plan is limited by federal law.

The material assumptions, except for assumed retirement age, used to quantify the present value of accumulated benefits for each named executive officer in the table above are set forth in Note 16 to the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2008, including the discount rate of 7% and mortality assumption of RP 2000 projected to 2015. The assumed retirement age for Messrs. K.R. Murdoch, Chernin, DeVoe and Ailes is current age as they are currently entitled to unreduced pension benefits under the ISERA. For Mr. J.R. Murdoch, the assumed retirement age is 55, the age he is entitled to receive unreduced benefits from the ISERA.

Non-Qualified Deferred Compensation for Fiscal Year Ended June 30, 2008

The following table sets forth information with respect to non-qualified deferred compensation for Mr. Chernin, the only named executive officers with deferred compensation for the fiscal year ended June 30, 2008.

Named Executive Officer	Executive Contributions in Last Fiscal Year	Registrant Contributions in Last Fiscal Year	Aggregate Earnings in Last Fiscal Year	Aggregate Withdrawals/Distributions	Aggregate Balance at Last Fiscal Year-End

- (a) Pursuant to the negotiated terms of Mr. Chernin's employment agreement, he participates in a non-qualified deferred cash compensation arrangement in which \$4.3 million of his annual base salary is deferred into a savings account, the entire amount of which is included in the fiscal 2008 Salary column of the above Summary Compensation Table. Pursuant to the non-qualified deferred compensation arrangement, the Company contributes a portion of Mr. Chernin's base salary to a deferred compensation account, which is maintained in a grantor trust. Mr. Chernin decides how these funds are invested and the value of his account fluctuates in accordance with the investment performance. The assets in the grantor trust are unsecured funds of the Company and may be used to satisfy the Company's obligations in the event of the Company's bankruptcy or insolvency. For additional information on this arrangement, see Employment Arrangements above. Of the amount set forth in the Aggregate Earnings in Last Fiscal Year column, \$221,947 is included in the fiscal 2008 Change in Pension Value and Non-Deferred Qualified Compensation Earnings column of the Summary Compensation Table above. Of the amount set forth in the Aggregate Balance at Last Fiscal Year-End column, \$9,022,857 was previously disclosed in the Summary Compensation Table for Mr. Chernin with respect to fiscal 2007 and 2008.

Potential Payments Upon Termination

As discussed under Employment Arrangements above, the employment agreements of each of Messrs. Chernin, DeVoe and Ailes provide for certain payments and benefits upon the respective named executive officer's separation from the Company. These provisions are summarized below.

Peter Chernin

Pursuant to his employment agreement, if Mr. Chernin's employment is terminated by the Company for cause, by reason of death or if Mr. Chernin resigns without good reason (as generally defined below), he is entitled to receive:

a payment equal to his base salary accrued through the date of such termination or resignation;

Table of Contents

a payment of the pro-rata portion of his annual incentive compensation;
a payment of any annual incentive compensation earned but not yet paid for any period ending prior to the date of such termination or resignation;
a payment of the total accrued amount in Mr. Chernin's pension account and savings account (as described under "Employment Arrangements" above and set forth in the Non-Qualified Deferred Compensation Table above);
a grant of SARs or other equity-based awards that he may be eligible to receive prior to the date of such termination or resignation to the extent not yet granted; and
other benefits, such as enhanced SERP benefits, lifetime medical and life insurance and lifetime health and welfare benefits.

Any unvested equity awards held by Mr. Chernin at the time of termination will be forfeited upon such termination unless Mr. Chernin elects to enter into post-termination production agreements (as described below); provided, however, that in the event of Mr. Chernin's death, he will be entitled to full vesting and exercisability of any outstanding unvested SARs, stock options and other equity-based awards granted to him prior to or on such death, and the ability to exercise such awards for their full ten-year terms, as well as payment of all RSUs.

Within 30 days following the termination of Mr. Chernin's employment for any reason (including for cause), except due to death, if Mr. Chernin resigns after declining to replace Mr. K.R. Murdoch as Chief Executive Officer of the Company (a "CEO Termination"), or if he becomes a full-time employee of an entity that derives more than 10% of its revenue from film or television production, Mr. Chernin may require that the Company enter into a six-year motion picture production agreement and a six-year television production agreement with him. The motion picture production agreement will provide for the purchase by the Company of at least two motion pictures per year, and both the motion picture and television production agreements will contain terms relating to guarantees, fees and compensation at least as favorable as the most favorable agreements entered into by the Company and any other producer prior to August 1, 2004, the effective date of the employment agreement. Both production agreements will provide the Company with the first look with respect to any television programming or motion picture projects developed pursuant to the agreements. During the term of the production agreements, Mr. Chernin's equity awards under his employment agreement will continue to vest or be paid out on their original schedule and Mr. Chernin will continue to receive credit for age and service for the purposes of post-retirement benefits under each pension plan, the SERP and the ISERA. In addition, Mr. Chernin will be entitled to certain other benefits, as described in footnote (c) to the table below.

If Mr. Chernin's employment is terminated by the Company without cause, for reason of disability, or if Mr. Chernin resigns for good reason, he is entitled to receive the payments listed above, plus:

full vesting and exercisability of outstanding unvested SARs, stock options and other equity-based awards granted to him prior to, on or after his termination, and the ability to exercise such equity awards for their full ten-year term, as well as payment of all RSUs;
a lump sum cash severance amount of \$40,000,000;
payment of all RSUs paid in accordance to the terms of the employment agreement; and
other benefits, including continued medical, disability, dental and life insurance coverage for life.

In addition, if Mr. Chernin becomes subject to golden parachute excise taxes as a result of the payments pursuant to the employment agreement, the Company is to pay him a tax gross-up for such taxes.

Pursuant to the employment agreement, "good reason" is defined to include, among other things:

any material reduction in Mr. Chernin's benefits under any employee benefit plan, or any material reduction in fringe benefits and perquisites provided to Mr. Chernin;
the assignment to Mr. Chernin of any duties inconsistent with his positions, duties and status with the Company;

Table of Contents

a change in Mr. Chernin's reporting responsibilities, title or offices; and
if any person other than Mr. K.R. Murdoch is appointed as Chairman and Chief Executive Officer of the Company.

In addition, as provided in the employment agreement, if Mr. Chernin terminates his employment without good reason to become the chief executive officer of another company engaged in material business that is competitive with the business conducted by the Company, and such company is not a listed company and its direct or indirect parent is a listed company, the Company and its affiliates will have no claim for damages against Mr. Chernin or any other person or entity if Mr. Chernin has provided six months notice to the Company and obtained the consent of the Chairman.

During the term of his employment agreement and for one year thereafter, Mr. Chernin may not induce any employee of the Company or its affiliates to leave his or her employment or to provide services for any other person or entity.

David F. DeVoe

Pursuant to his employment agreement, during any period that Mr. DeVoe fails to perform his duties as a result of disability, the Company will continue to pay Mr. DeVoe his full base salary, a minimum annual incentive compensation payment equal to the average of the two immediately preceding annual incentive compensation payments paid to Mr. DeVoe and the Benefits or payments on account of the Benefits until Mr. DeVoe returns to his duties or until Mr. DeVoe's employment is terminated.

If Mr. DeVoe's employment agreement is terminated by reason of his death, the Company will pay directly to his surviving spouse or legal representative of his estate, (i) for a period of one year (commencing with the date of termination) (a) an amount equal to and payable at the same rate as his then current base salary, (b) a minimum annual incentive compensation payment equal to the average of the two immediately preceding annual incentive compensation payments paid to Mr. DeVoe, and (c) the Benefits or payments on account of the Benefits, and (ii) any payment Mr. DeVoe's surviving spouse, beneficiaries or estate may be entitled to receive pursuant to any pension or employee benefit plan or life insurance policy then provided to Mr. DeVoe or maintained by the Company.

If Mr. DeVoe's employment is terminated for cause (as defined in his employment agreement), Mr. DeVoe will be entitled to receive his full base salary, a minimum annual incentive compensation payment equal to the average of the two immediately preceding annual incentive compensation payments paid to Mr. DeVoe and the Benefits or payment on account of the Benefits through the date of termination from employment.

If Mr. DeVoe's employment is terminated other than for disability, death or cause, or if Mr. DeVoe terminates his employment due to (i) a breach of the employment agreement by the Company, or (ii) the requirement that Mr. DeVoe be based outside the New York metropolitan area, Mr. DeVoe will be entitled to receive the compensation and other payments and Benefits through the remaining term of his employment agreement and in the same manner as though he continued to be employed under the terms of his employment agreement, including a minimum annual incentive compensation payment equal to the average of the two immediately preceding annual incentive compensation payments paid to Mr. DeVoe. In addition, the employment agreement provides that Mr. DeVoe will not be required to seek or accept other employment for the term of his employment agreement and any amounts earned from any other employment for the term of his employment agreement will not reduce or otherwise affect the payments due to Mr. DeVoe.

The employment agreement provides that, if, in the future, the Company, NAI or FEG enters into agreements with their senior executives for the purpose of providing such executives with severance benefits in the event of a change of control of the Company, NAI or FEG, then the Company, NAI or FEG will enter into an agreement with Mr. DeVoe which affords him comparable benefits. To date, none of the Company, NAI or FEG has entered into such agreements.

If Mr. Ailes' employment is terminated other than for death, disability or cause, he will be entitled to:

- his base salary plus the applicable minimum annual incentive compensation for the period from the date of termination to the end of the original term of the employment agreement (discounted 8% per annum);

Table of Contents**DIRECTOR COMPENSATION**

Directors' fees are not paid to Directors who are executives or employees of the Company (the "Executive Directors") because the responsibilities of Board membership are considered in determining compensation paid as part of the executives' normal employment conditions.

The basic fees payable to the Directors who are not executives of the Company (collectively, the "Non-Executive Directors") are reviewed and recommended by the Compensation Committee of the Board (the "Compensation Committee") and set by the Board. The Compensation Committee periodically reviews director compensation against the Company's peers and other comparably sized Standard & Poor's 500 companies and considers the appropriateness of the form and amount of director compensation and makes recommendations to the Board concerning director compensation with a view toward attracting and retaining qualified directors. The Company believes that compensation for Non-Executive Directors should be competitive and pay such Directors fairly for work required for a company of News Corporation's size and complexity. The Company also believes that Non-Executive Director compensation should include equity-based compensation in order to align Directors' interests with the long-term interests of stockholders. In accordance with the Company's Non-Executive Director equity ownership requirements, Non-Executive Directors are required to own equity securities of the Company equal in value to at least three times the amount of the Non-Executive Directors' annual cash retainer (as set forth below) within three years of his or her first election to the Board or August 2009, whichever is later.

During fiscal 2008, the Non-Executive Directors were Messrs. Aznar, Barnes, Cowley, Dinh, Hurd (appointed February 12, 2008), Knight, L.K. Murdoch, Perkins, Thornton, Sir Roderick Eddington, Dr. Paige (resigned February 12, 2008) and Ms. Bancroft (appointed December 7, 2007). The annual retainers paid to Non-Executive Directors for service on the Board and its committees in the fiscal year ended June 30, 2008 is set forth in the table below.

Board and Committee Retainers for the Fiscal Year Ended June 30, 2008

Annual Cash Retainer	\$ 90,000
Annual Deferred Stock Unit (DSU) Retainer	\$ 105,000
Audit Committee Chair Annual Retainer	\$ 27,000
Compensation Committee Chair Annual Retainer	\$ 16,000

Audit Committee Member Annual Retainer	\$ 16,000
Compensation Committee Member Annual Retainer	\$ 11,000
Nominating and Corporate Governance Committee Member Annual Retainer	\$ 11,000

Effective as of July 1, 2008, the cash portion of the Non-Executive Directors' annual retainer was increased to \$100,000 and the DSU portion of the Non-Executive Directors' annual retainer was increased to \$120,000.

The value of the Class A Common Stock underlying each DSU will be paid to the respective Non-Executive Director in cash at the market value of the Class A Common Stock on the fifth anniversary date of when it was credited to that Director's account, unless that Director leaves the Board before that date. Upon a Non-Executive Director's end of service on the Board, that Director will be paid in cash the value of the shares of Class A Common Stock credited to his or her account at the market value of those shares of Class A Common Stock as of the date of the Director's end of service.

In addition, all Non-Executive Directors are reimbursed for reasonable travel and other out-of-pocket business expenses incurred in connection with attendance at meetings of the Board and its committees.

- (a) The amounts set forth in the Stock Awards column represent the value of stock awards recognized for financial statement reporting purposes, as computed in accordance with SFAS 123R, disregarding estimates of forfeitures related to service-based vesting conditions, as applicable. Negative amounts result from a decrease in value of the outstanding DSUs during the fiscal year. The decrease value recognized represents the Director compensation expense previously recognized in the consolidated financial statements of the Company included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2008 and previously reflected in the Director Compensation Table. The grant date fair value of DSUs awarded to each of Messrs. Aznar, Barnes, Cowley, Dinh, Knight, L.K. Murdoch, Perkins, Thornton and Sir Roderick Eddington in fiscal 2008 was \$105,000. The grant date fair value of DSUs awarded to each of Miss Bancroft, Mr. Hurd and Mr. Paige was \$57,750, \$40,542 and \$78,750, respectively.
- (b) No stock options were granted in fiscal 2008. The amounts set forth in the Option Awards column represent the value of SARs recognized for financial statement reporting purposes as computed in accordance with SFAS 123R using the Black-Scholes option pricing model, disregarding estimates of forfeitures related to service-based vesting conditions. For additional information about the assumptions used in these calculations, see Note 13 to the audited consolidated financial statements of the Company included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2008. The discussion in the Company's fiscal 2008 audited consolidated financial statements reflects weighted-average assumptions on a combined basis for both retirement-eligible and non-retirement eligible employees and Non-Employee Directors. Negative amounts represent a decrease in value of the outstanding stock options during the fiscal year. The decrease in value recognized represents the Director compensation expense previously recognized in the consolidated financial statements of the Company included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2008 and previously reflected in the Director Compensation Table.
- (c) Certain Directors were previously employees of the Company and have vested pension benefits due to them. The values reported are theoretical as those amounts are calculated pursuant to SEC requirements and are based on a retirement assumption of age 55 or current age, if later, and other assumptions used in preparing the Company's audited consolidated financial statements for the fiscal years ended June 30, 2007 and June 30, 2008. There was a reduction in Mr. Siskind's pension value in the fiscal year ended June 30, 2008 of \$579,000, which was due to the change in the discount rate used in the actuarial calculation of the year-end obligation.
