Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

(c) Effective August 20, 2008, John A. Labate, age 59, was appointed Senior Vice President and Chief Financial Officer of Golden Star Resources Ltd. (the Company). Prior to joining the Company, Mr. Labate acted as Vice President and Chief Financial Officer of Constellation Copper Corporation from March 2004 to August 2008. From September 1999 to February 2004, Mr. Labate served as Vice President and Chief Financial Officer of Applied Optical Technologies, Inc., a technology and services company. Prior to that, Mr. Labate served as Vice President and Chief Financial Officer of Geobiotics, Inc. and of Crown Resources Corporation, corporate controller of Bond International Gold, Inc. and in various accounting positions at Anaconda Minerals Company.

The Company, through its wholly owned subsidiary, Golden Star Management Services Company, entered into an employment agreement (the Agreement) with Mr. Labate as of August 20, 2008. The Agreement provides for employment for one-year terms with automatic renewals for successive one-year periods and an annual base salary of US\$210,000, as may be increased from time to time during the term of the Agreement. Mr. Labate is entitled to participate in the Company's Second Amended and Restated 1997 Stock Option Plan (the Option Plan), the Executive Management Performance Bonus Plan (Bonus Plan), and in benefit and deferred compensation plans generally available to executive officers of the Company from time to time. His target bonus rate under the Bonus Plan is 40% of his annual base salary.

On August 20, 2008, Mr. Labate was granted 200,000 options under the Option Plan, of which 25% are vested and the remaining 75% will vest in three equal installments of 25% on the anniversary dates of the grant during the next three years of employment. The options are exercisable at Cdn\$1.63 per share (US\$1.53), which was the closing price of the Company's common shares on the Toronto Stock Exchange on the day immediately preceding the grant date as provided by the terms of the Option Plan.

Mr. Labate is entitled to payments upon certain termination of employment events as described in the Agreement. Mr. Labate is entitled to a lump sum payment upon a termination of employment by the Company without cause or upon a termination by Mr. Labate in the event of a material breach of the Agreement by the Company, subject to limitation in certain circumstances, in the amount of Mr. Labate's accrued compensation plus an amount equal to 1.0 times the sum of (a) Mr. Labate's then current base salary, (b) the average of the target bonus for Mr. Labate for the current calendar year and the bonus paid to Mr. Labate for the previous year, (c) the amount of Company contributions to Mr. Labate's 401(k) account for the most recent plan year before the termination date, and (d) the amount paid by the Company for welfare benefits on behalf of Mr. Labate for the most recent year.

Mr. Labate is also entitled to a lump sum payment in the event of a termination upon a change in control as defined in the Agreement, subject to limitation in certain circumstances, in the amount of his accrued compensation plus an amount equal to (i) two times the sum of (a) Mr. Labate's base salary for the calendar year in which the termination became effective, (b) the

average of the target bonus for Mr. Labate for the current calendar year and the bonus paid to Mr. Labate for the previous year, (c) the amount of Company contributions to Mr. Labate's 401(k) account for the most recent plan year before the termination date, and (d) the amount paid by the Company for welfare benefits on behalf of Mr. Labate for the most recent year, plus (ii) a pro rata portion of Mr. Labate's target bonus for the current calendar year.

The foregoing summary of the material terms of the Agreement is by its nature incomplete. For further information regarding the terms and conditions of the Agreement, please refer to the Agreement which is attached as Exhibit 10.1 hereto and is incorporated by reference herein.
