**Item 1.01. Entry into a Material Definitive Agreement**

On August 25, 2008, Silicon Graphics, Inc. (the Company) and certain of its subsidiaries (with the Company, the Borrowers) entered into the Fifth Amendment to the Senior Secured Credit Agreement (the Fifth Amendment) with Morgan Stanley Senior Funding, Inc. as administrative agent and revolving agent, Morgan Stanley & Co., Incorporated as collateral agent, and the other Lenders and Credit Parties thereto (as defined therein). The Senior Secured Credit Agreement, dated October 17, 2006, as amended (the Credit Agreement), provides the Borrowers with a term loan facility and a line of credit.

The Fifth Amendment modified the Credit Agreement's restrictions on incurring additional Indebtedness (as defined therein) by expanding the definition of Permitted Indebtedness (as defined therein) to include (i) the Borrowers' systems warehousing agreement with ECS United Kingdom plc, pursuant to which the Borrowers may incur up to \$20 million in Indebtedness, and (ii) unsecured Indebtedness, not to exceed \$10 million, incurred to fund the required cash collateralization of the guarantee that will be issued to the North German Group for High- and Highest-Performance Computers (HLRN). The total leverage ratio was amended to be 5.75 for the period ending September 25, 2009; 4.50 for the period ending December 25, 2009; 4.25 for the period ending March 26, 2010 and 3.5 for each fiscal quarter-end thereafter until and including September 30, 2011. Consolidated EBITDA was amended to be \$30 million as of September 25, 2009; \$37.5 million as of December 25, 2009; \$40 million as of March 26, 2010; and \$45 million on June 25, 2010 and for each fiscal quarter-end until and including September 30, 2011. Minimum global liquidity was set at \$15 million and fiscal year 2009 capital expenditures are limited to \$10 million for fiscal year 2009, and for following fiscal years to \$15 million.

Under the Fifth Amendment, the Company has additional reporting requirements. The Company must provide a minimum thirteen week cash forecast on a monthly basis and offers Private Lenders, as defined in the Fifth Amendment, monthly conference calls with management and any financial advisors. Also, the interest rate on the Term Loan is increased by 2% and the related accrued interest can be paid-in-kind by adding the amount of such interest to the principal amount of the Term Loan. A fee of \$662,500 was added to the principal and is payable at maturity. The Fifth Amendment also includes other revisions that are administrative in nature.
