Forward-Looking Statements

Certain statements in this report relate to future events and expectations and as such constitute forward-looking statements involving known and unknown risks and uncertainties that may cause actual results, performance or achievements of Alcoa to be different from those expressed or implied in the forward-looking statements. Alcoa disclaims any obligation to update publicly any forward-looking statements, whether in response to new information, future events or otherwise, except as required by applicable law. Important factors that could cause actual results to differ materially from those in the forward-looking statements include: (a) material adverse changes in economic or aluminum industry conditions generally, including global supply and demand conditions and fluctuations in London Metal Exchange-based prices for primary aluminum and other products; (b) material adverse changes in the markets served by Alcoa, including automotive and commercial transportation, aerospace, building and construction, distribution, packaging, and industrial gas turbine markets; (c) Alcoa's inability to achieve the level of cost reductions, cash generation or conservation, return on capital improvement, improvement in profitability and margins, or strengthening of operations anticipated by management in connection with its restructuring activities; (d) continued volatility or deterioration in the financial markets, including disruptions in the commercial paper, capital, and credit markets; (e) Alcoa's inability to mitigate impacts from increased energy, transportation, and raw materials costs, including caustic soda, calcined coke, and natural gas, or from other cost inflation; (f) Alcoa's inability to complete its joint venture or growth projects or achieve efficiency improvements at newly constructed or acquired facilities as planned and by targeted completion dates; (g) unfavorable changes in laws, governmental regulations or policies, foreign currency exchange rates or competitive factors in the countries in which Alcoa operates; (h) significant legal proceedings or investigations adverse to Alcoa, including environmental, product liability, safety and health, and other claims; and (i) the other risk factors summarized in Alcoa's Form 10-K for the year ended December 31, 2007, Forms 10-Q for the quarters ended March 31, 2008, June 30, 2008, and September 30, 2008, and other reports filed with the Securities and Exchange Commission.
