**Item 1.01 Entry into a material definitive agreement**

**Execution of Agreement and Plan of Merger**

On September 14, 2009 Natus Medical Incorporated ( "Natus", the "Company" ) executed an Agreement and Plan of Merger (the "Merger Agreement" ) among the Company, Squaw Acquisition Corporation, and Alpine Biomed Holdings Corp. ( "Alpine" ) providing for the Company's acquisition of all of the outstanding shares of capital stock of Alpine for a cash price of \$43.2 million. The Merger Agreement includes an earn-out provision that provides for the payment of up to \$3.8 million of additional cash consideration depending upon Alpine sales for calendar 2009. Alpine, a privately-held company headquartered in Fountain Valley, California, with operations in Montreal, Canada and Copenhagen, Denmark, and sales subsidiaries in France and Germany, develops, manufactures, and sells devices for the diagnosis of neurological disorders.

Financing for the transaction was provided by Natus' existing cash balances, and based on cash and short-term investments held at June 30, 2009, Natus retains cash of approximately \$25 million before giving any effect to potential earn-out payments in the transaction.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the complete copy of the Merger Agreement, which is attached hereto as Exhibit 2.1 and incorporated herein by reference.
