INTRODUCTORY STATEMENT

This Amendment No. 1 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO (which, together with any amendments and supplements thereto, collectively constitute the Schedule TO) that was originally filed with the Securities and Exchange Commission (the SEC) on November 19, 2009 by (i) Jupiter Acquisition Sub, Inc., a Montana corporation (Acquisition Sub) and a wholly-owned subsidiary of Applied Materials, Inc., a Delaware corporation (Applied), and (ii) Applied. The Schedule TO relates to the purchase of all of the outstanding shares of common stock, no par value per share, of Semitool, Inc., at a purchase price of \$11.00 per share, net to the seller in cash, without interest thereon and less any required withholding tax, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated November 19, 2009 (the Offer to Purchase), and in the related Letter of Transmittal (which, together with the Offer to Purchase and any amendments or supplements thereto, collectively constitute the Offer), copies of which were filed with the Schedule TO as Exhibits (a)(1) and (a)(2) thereto, respectively. This Amendment is being filed on behalf of Acquisition Sub and Applied. The information set forth in the Offer to Purchase and the related Letter of Transmittal is hereby expressly incorporated by reference in answer to Items 1 through 9 and 11 of this Amendment, and is amended and supplemented by the information specifically provided herein.

Capitalized terms used and not defined in this Amendment have the meanings assigned to such terms in the Offer to Purchase.

ITEM 11. ADDITIONAL INFORMATION.

Item 11 of the Schedule TO is amended and supplemented by amending and supplementing the information set forth in Section 14 (Certain Legal Matters) of the Offer to Purchase as follows:

The following paragraph replaces the first paragraph under the caption Foreign Approvals on page 50:

Under German merger control law, the purchase of shares of Semitool common stock in the Offer may not be completed until the expiration of a one month waiting period following the Federal Cartel Office's (the FCO) receipt of a complete filing by Applied and no decision of the FCO to enter into an in-depth investigation (Hauptprüfverfahren) has been passed or a clearance has been obtained. Applied filed a merger control notification with the FCO on November 18, 2009. Accordingly, the required waiting period with respect to the Offer and the Merger is expected to expire at 5:59 p.m., New York City time, on December 18, 2009 unless clearance has been obtained earlier or the FCO has entered into an in-depth investigation prior to that time. If the latter is the case, the waiting period with respect to the Offer and the Merger will be extended until the expiration of four months following the FCO's receipt of the complete notification, unless clearance has been obtained. After expiration of the four month waiting period, the waiting period can be extended only with the consent of Applied and Semitool.

The following text is added after the fifth full paragraph on page 50:

Litigation

On or about November 19, 2009, a purported class action lawsuit related to the Offer and the Merger was filed in the Montana Eleventh Judicial District Court, County of Flathead, captioned *Stationary Engineers Local 39 Pension Trust Fund vs. Semitool, Inc., et al.* (Cause No. DV-09-1461(B)). The action, brought by Stationary Engineers Local 39 Pension Trust Fund, a purported shareholder of Semitool, seeks certification of a class of all holders of Semitool common stock (except the defendants and their affiliates) and names Semitool, each of Semitool's directors, Applied and Acquisition Sub as defendants. The lawsuit alleges, among other things, that the Offer and the Merger are the result of an unfair process, that the \$11.00 per share price is unfair, and that Semitool's directors breached their fiduciary duties by, among other things: (i) failing to maximize shareholder value; (ii) securing benefits for certain defendants at the expense or to the detriment of Semitool's public shareholders; (iii) discouraging and/or inhibiting alternative offers to purchase control of Semitool or its assets; and (iv) failing to disclose material non-public information. In addition, the lawsuit alleges that Applied aided and abetted such alleged breaches of fiduciary duties by Semitool's directors. Based on these allegations, the lawsuit seeks, among other relief, injunctive relief enjoining the defendants from consummating the Offer and the Merger and damages. It also purports to seek recovery of the costs of the action, including reasonable attorneys and experts' fees.

On November 23, 2009, plaintiff filed a motion for expedited proceedings requesting, among other things, that the Court schedule a hearing on plaintiff's proposed motion for a preliminary injunction no later than December 15, 2009. While it has not yet been served in the action, Applied believes the claims alleged against it in the complaint to be without merit and intends to defend against them vigorously. In addition, Semitool has informed us that it also believes the allegations against it to be without merit, and that it intends to defend against the claims vigorously. The foregoing description of this lawsuit is qualified in its entirety by reference to the complaint related thereto, a copy of which is filed as Exhibit (a)(10) to the Schedule TO and is incorporated herein by reference.
