**SUMMARY**

*This summary highlights selected information from this prospectus, but may not contain all information that may be important to you. The following summary is qualified in its entirety by the more detailed information included in or incorporated by reference into this prospectus. For a more complete understanding of the Company, our Class A common stock and the Plan, and before making your investment decision, you should carefully read this entire prospectus, any applicable prospectus supplement, and the documents referred to in *Where You Can Find More Information and Documents Incorporated by Reference*. See the *Certain Defined Terms* section beginning on page v of this prospectus for the definition of certain terms used in this prospectus and the documents incorporated by reference herein.*

When we use the words *BGC Partners, we, us, our or the Company*, we are referring to *BGC Partners, Inc. and its consolidated subsidiaries*.

**Our Company**

We are a leading global financial intermediary to the financial markets specializing in the brokering of a broad range of financial products globally, including fixed income securities, interest rate swaps, foreign exchange, equities, equity derivatives, credit derivatives, commodities, futures, structured products and other instruments. We also provide a full range of services, including trade execution, broker-dealer services, clearing, processing, information, and other back office services, to a broad range of financial and non-financial institutions. Through our eSpeed and BGCantor Market Data brands, we also offer financial technology solutions, market data, and analytics related to select financial instruments and markets. Our customers include many of the world's largest banks, broker-dealers, investment banks, trading firms, hedge funds, governments and investment firms. Our integrated platform is designed to provide flexibility to customers with regard to price discovery, execution and processing of transactions, and enables them to use voice, hybrid, or, where available, fully electronic brokerage services in connection with transactions executed either over-the-counter, which we refer to as OTC, or through an exchange.

We have offices located in 24 cities, including New York and London, as well as Aspen, Beijing, Chicago, Copenhagen, Dubai, Garden City (New York), Hong Kong, Istanbul, Johannesburg, Mexico City, Moscow, Nyon, Paris, Rio de Janeiro, São Paulo, Sarasota, Seoul, Singapore, Sydney, Tokyo, Toronto and West Palm Beach.

As of December 31, 2010, we had 1,705 brokers and salespeople across approximately 200 desks and products (more than triple the number we had in October 2004). In 2010, we processed approximately 21.3 million transactions, totaling almost \$171 trillion notional on our hybrid and fully electronic platforms.

**Our Organizational Structure**

On April 1, 2008, BGC Partners OldCo and eSpeed merged to form BGC Partners. Immediately prior to the merger, pursuant to a separation agreement, Cantor transferred certain assets and liabilities to BGC Partners OldCo and/or its subsidiaries.

We are a holding company, and our business is operated through two operating partnerships: BGC U.S., which holds our U.S. businesses, and BGC Global, which holds our non-U.S. businesses. In connection with the separation, Maxcor Financial Group Inc. was contributed to BGC Partners OldCo in exchange for BGC Partners OldCo units that became shares of our common stock in the merger, and certain businesses were contributed to the OpCos in exchange for limited partnership interests in the OpCos. In connection with the merger, eSpeed contributed certain businesses to the OpCos in exchange for limited partnership interests in the OpCos.

The limited partnership interests of the OpCos are held by us and BGC Holdings and the limited partnership interests of BGC Holdings are currently held by Cantor and the founding/working partners. We hold the BGC Holdings general partnership interest and the BGC Holdings special voting limited partnership interest, which entitle us to remove and appoint the general partner of BGC Holdings, and serve as the general partner of BGC Holdings, which entitles us to control BGC Holdings. BGC Holdings, in turn, holds the BGC U.S. general partnership interest and the BGC U.S. special voting limited partnership interest, which entitle the holder thereof to remove and appoint the general partner of BGC U.S., and the BGC Global general partnership interest and the BGC Global special voting limited partnership interest, which entitle the holder thereof to remove and appoint the general partner of

**Table of Contents**

BGC Global, and serves as the general partner of BGC U.S. and BGC Global, all of which entitle BGC Holdings (and thereby us) to control each of BGC U.S. and BGC Global. BGC Holdings holds its BGC Global general partnership interest through a company incorporated in the Cayman Islands, BGC Global Holdings GP Limited.

The following diagram illustrates our ownership structure as of March 1, 2011. The following diagram does not reflect the various subsidiaries of us, BGC U.S., BGC Global, BGC Holdings or Cantor, or, to the extent applicable, outstanding RSUs.

\* Shares of Class B common stock are convertible into shares of our Class A common stock at any time in the discretion of the holder on a one-for-one basis. Accordingly, if Cantor converted all of its Class B common stock into Class A common stock, Cantor would hold 27.5% of the voting power and the public stockholders would hold 72.5% of the voting power (and the indirect economic interests in BGC U.S. and BGC Global would remain

## **Table of Contents**

unchanged). The diagram does not reflect Cantor's economic interest in the convertible notes or the 21,805,897 shares of our Class A common stock acquirable by Cantor upon conversion thereof. If Cantor converted all of the convertible notes into shares of our Class A common stock, Cantor would hold 79.8% of the voting power and the public stockholders would hold 20.2% of the voting power (and its indirect economic interests in each of BGC U.S. and BGC Global would be 44.8%). Further, the diagram does not reflect (i) 5,064,090 shares of our Class A common stock that may be sold pursuant to the September 2010 sales agreement and (ii) 10,000,000 shares of our Class A common stock covered by this prospectus. For purposes of the diagram and this paragraph, Cantor's percentage ownership also includes CFGM's percentage ownership.

### **Dividend Reinvestment and Stock Purchase Plan**

The Plan provides holders of shares of our Class A common stock with a convenient and cost-effective method to purchase shares of our Class A common stock by reinvesting the cash dividends paid on all or a portion of their holdings of shares of our Class A common stock in additional shares of our Class A common stock. Holders of shares of our Class A common stock may also invest funds in shares of our Class A common stock under the Plan through Optional Cash Purchases of not less than \$100 per month and not more than \$10,000 per month (except in cases covered by a request for waiver, which we refer to as a Request for Waiver). Persons who are not currently holders of shares of our Class A common stock may make Initial Cash Purchases of not less than \$500 and not more than \$10,000 (except in cases covered by Requests for Waiver) to purchase shares of Class A common stock under the Plan. The price to be paid for each share of our Class A common stock purchased directly from us under the Plan will be the volume-weighted average sales price per share of our Class A common stock reported on the Nasdaq Stock Market as described herein less a discount rate ranging from 0% to 3%. The price of a share of our Class A common stock purchased on the open market or in privately negotiated transactions will be the volume-weighted average price paid per share of our Class A common stock as described herein, subject to any discount rate, plus any fees and commissions. The primary purpose of the Plan is to benefit long-term investors who want to increase their investment in shares of our Class A common stock. Please see Description of the Plan beginning on page 9 of this prospectus.

The Plan is administered by the Administrator, which will be American Stock Transfer & Trust Company LLC, or any successor bank or trust company that we may from time to time designate. Certain of the administrative support to the Administrator may be performed by its designated affiliates.

**USE OF PROCEEDS**

We intend to use any net proceeds from the sale of shares of our Class A common stock we offer by this prospectus pursuant to the Plan for general corporate purposes, which, among other things, are expected to include repurchases of shares of Class A common stock or purchases of limited partnership interests in BGC Holdings or other equity interests in our subsidiaries from Cantor, our executive officers, other employees, partners and others. Certain of such partners will be expected to use the proceeds from such sales to repay outstanding loans from, or credit enhanced by, Cantor or BGC Holdings. To the extent available, from time to time, we may also contribute a portion of the net proceeds to us from the sale of shares of our Class A common stock we offer by this prospectus pursuant to the Plan to BGC U.S. and/or BGC Global in exchange for BGC U.S. limited partnership interests and/or BGC Global limited partnership interests, in each case on a one-for-one basis (subject to customary anti-dilution adjustments).

BGC U.S. and BGC Global intend to use the net proceeds they receive from us, if any, for various purposes, including for general partnership purposes, including to finance our business and operations. In addition, from time to time, we have evaluated and we expect to continue to evaluate and potentially pursue possible strategic alliances, acquisitions, joint ventures or broker hires, or other business combinations or other transactions.

We may raise additional funds from time to time through equity or debt financing, including borrowings under credit facilities and offerings of shares of our Class A common stock pursuant to controlled equity or other offerings, to finance our business and operations and possibly pursue other such transactions.

**Table of Contents**

**DIVIDEND POLICY**

Our board of directors has authorized a dividend policy which provides that we expect to pay not less than 75% of our post-tax distributable earnings per fully diluted share (defined below) as cash dividends to our common stockholders, with the balance of such distributable earnings to be available to repurchase shares of our Class A common stock or purchase BGC Holdings limited partnership interests or other equity interests in our subsidiaries, including from Cantor, our executive officers, other employees, partners and others. We calculate our post-tax distributable earnings generally as our GAAP income (loss) from continuing operations before minority interest and income taxes and excluding certain non-cash compensation and other non-cash expenses, as well as non-cash undistributed income or non-cash losses from our equity investments, adjusted to assume that such earnings were taxed at the same effective tax rate as BGC Partners, Inc. (please see below for a more detailed definition of post-tax distributable earnings).

Our board of directors and our audit committee have authorized repurchases of our Class A common stock and purchases of BGC Holdings limited partnership interests or other equity interests in our subsidiaries as part of this policy, including those held by Cantor, our executive officers, other employees, partners and others, at the volume-weighted average price, to the extent available, of such securities on the date on which such purchase or repurchase is made. As of March 3, 2011, we had approximately \$97.5 million remaining under this authorization and may continue to actively make repurchases or purchases, or cease to make such repurchases or purchases, from time to time.

We expect to pay such dividends, if and when declared by our board of directors, on a quarterly basis. The dividend to our common stockholders is expected to be calculated based on post-tax distributable earnings allocated to BGC Partners, Inc. and generated over the fiscal quarter ending prior to the record date for the dividend.

The declaration, payment, timing and amount of any future dividends payable by us will be at the sole discretion of our board of directors. We are a holding company, with no direct operations, and therefore we are able to pay dividends only from our available cash on hand and funds received from distributions from BGC U.S. and BGC Global. Our ability to pay dividends may also be limited by regulatory considerations as well as by covenants contained in future financing or other agreements. In addition, under Delaware law, dividends may be payable only out of surplus, which is our net assets minus our liabilities and our capital, or, if we have no surplus, out of our net profits for the fiscal year in which the dividend is declared and/or the preceding fiscal year. Accordingly, any unanticipated accounting, tax or other charges against net income may adversely affect our ability to declare dividends. While we intend to declare and pay dividends quarterly, there can be no assurance that our board of directors will declare dividends at all or on a regular basis or that the amount of our dividends will not change.

***Certain Definitions***

Revenues for distributable earnings, pre-tax distributable earnings and post-tax distributable earnings are supplemental measures of operating performance that are used by our management to evaluate the financial performance of us and our subsidiaries. We believe that distributable earnings best reflects the operating earnings generated by the Company on a consolidated basis and are the earnings which management considers available for distribution to BGC Partners, Inc. and our common stockholders, as well as to holders of BGC Holdings limited partnership interests during any period.

As compared with income (loss) from continuing operations before income taxes, net income (loss) for fully diluted shares, and fully diluted earnings (loss) per share, all prepared in accordance with GAAP, distributable earnings calculations primarily exclude certain non-cash compensation and other expenses which generally do not involve the receipt or outlay of cash by us, which do not dilute existing stockholders, and which do not have economic consequences, as described below.

Revenues for distributable earnings are defined as GAAP revenues excluding the impact of our non-cash earnings or losses related to our equity investments, such as in Aqua Securities, L.P. and ELX Futures, L.P., and its holding company general partner, ELX Futures Holdings LLC.

Pre-tax distributable earnings are defined as GAAP income (loss) from continuing operations before income taxes excluding items that are primarily non-cash, non-dilutive, and non-economic items, such as:

Non-cash stock-based equity compensation charges for REUs granted or issued prior to the merger of

**Table of Contents**

BGC Partners Old Co with and into eSpeed, as well as post-merger non-cash, non-dilutive equity-based compensation related to partnership unit exchange or conversion;

Allocations of net income to founding/working partner and other limited partnership units, including REUs, RPU, PSUs and PSIs;

Non-cash asset impairment charges, if any; and

Acquisition-related costs not capitalized under GAAP.

Distributable earnings calculations also exclude charges related to purchases, cancellations or redemptions of partnership interests and certain one-time or non-recurring items, if any.

Since distributable earnings are calculated on a pre-tax basis, management intends to also report post-tax distributable earnings and post-tax distributable earnings per fully diluted share :

Post-tax distributable earnings are defined as pre-tax distributable earnings adjusted to assume that all pre-tax distributable earnings were taxed at the same effective rate.

Post-tax distributable earnings per fully diluted share are defined as post-tax distributable earnings divided by the weighted average number of fully diluted shares for the period.

In the event that there is a GAAP loss but positive distributable earnings, the distributable earnings per share calculation will include all fully diluted shares that would be excluded under GAAP to avoid anti-dilution, but will exclude quarterly interest expense, net of tax, associated with the convertible notes.

Each quarter, the dividend to common stockholders is expected to be determined by our board of directors with reference to post-tax distributable earnings per share. In addition to the quarterly dividend to our common stockholders, we expect to pay a pro rata distribution of net income to BGC Holdings founding/working partner and other units, including REUs, RPU, PSUs and PSIs, and to Cantor for its noncontrolling interest. The amount of all of these payments is expected to be determined using the above definition of pre-tax distributable earnings.

Certain employees who are holders of RSUs are granted pro-rata payments equivalent to the amount of dividends paid to common stockholders. Under GAAP, dividend equivalents on RSUs are required to be taken as a compensation charge in the period paid. However, to the extent that they represent cash payments made from the prior period's distributable earnings, they do not dilute existing stockholders and are therefore excluded from the calculation of distributable earnings.

Distributable earnings is not meant to be an exact measure of cash generated by operations and available for distribution, nor should it be considered in isolation or as an alternative to cash flow from operations or income (loss) for fully diluted shares. We view distributable earnings as a metric that is not necessarily indicative of liquidity or the cash available to fund our operations.

Pre- and post-tax distributable earnings are not intended to replace the presentation of our GAAP financial results. However, management believes that they help provide investors with a clearer understanding of our financial performance and offer useful information to both management and investors regarding certain financial and business trends related to our financial condition and results of operations. Management believes that distributable earnings and the GAAP measures of our financial performance should be considered together.

**DESCRIPTION OF THE PLAN**

The Plan, which is described in the following questions and answers, offers a variety of convenient, cost-effective methods to make it easier for you to invest in shares of our Class A common stock. Your participation in the Plan is entirely voluntary, and you may terminate your Plan participation at any time.

**1. What is the purpose of the Plan?**

The Plan provides holders of shares of our Class A common stock with a convenient and cost-effective method to purchase shares of our Class A common stock by reinvesting the cash dividends paid on all or a portion of their holdings of shares of our Class A common stock in additional shares of our Class A common stock. You must reinvest at least 10% of your Plan share balance to be considered a dividend reinvestment account under the new Emergency Economic Stabilization Act of 2008 enacted by the United States Congress. Holders of shares of our Class A common stock may also invest funds in shares of our Class A common stock under the Plan through Optional Cash Purchases of not less than \$100 per month and not more than \$10,000 per month (except in cases covered by a request for waiver, which we refer to as a Request for Waiver, as discussed in Questions 10 and 11). Persons who are not currently holders of shares of our Class A common stock may make Initial Cash Purchases of not less than \$500 and not more than \$10,000 (except in cases covered by Requests for Waiver) to purchase shares of our Class A common stock under the Plan. The primary purpose of the Plan is to benefit long-term investors who want to increase their investment in shares of our Class A common stock. We may also use the Plan to raise additional capital through direct sales of shares of our Class A common stock to existing holders of shares of our Class A common stock or new investors. Our ability to waive limitations applicable to the amounts that participants in the Plan, which we refer to as Participants, may invest pursuant to Cash Purchases (as defined below) will allow for these sales.

**2. Who administers the Plan?**

American Stock Transfer & Trust Company LLC, which we refer to as the Administrator, administers the Plan. As the agent for Participants, the Administrator will establish an account for each Participant under the Plan and will send each Participant a statement of his or her Plan account confirming any transaction and the resulting share balance in the account, as well as quarterly statements containing year-to-date summaries of the account. The Administrator also performs other duties related to the Plan, including the safekeeping of shares of our Class A common stock purchased for Participants. See Question 13. The Administrator also acts as the transfer agent and registrar for our Class A common stock.

**3. What investment options are available under the Plan?**

If you are a holder of shares of our Class A common stock and elect to participate in the Plan, you may have cash dividends paid on all or a portion of your shares of our Class A common stock automatically reinvested in additional shares of our Class A common stock. See Question 8. You may also make Optional Cash Purchases to purchase shares of our Class A common stock, subject to a minimum investment of \$100 per month and a maximum investment of \$10,000 per month. If you are a new investor, you may make an Initial Cash Purchase, subject to a minimum investment of \$500 and a maximum investment of \$10,000. See Question 9. We may permit Optional Cash Purchases and Initial Cash Purchases, which we refer to collectively as Cash Purchases, in greater amounts pursuant to Requests for Waiver, in our sole discretion. See Questions 10 and 11.

Shares of our Class A common stock purchased by the Administrator under the Plan may be, in our sole discretion, newly-issued shares purchased directly from us or shares purchased in the open market or in privately negotiated transactions. We may, without prior notice to Participants, change our determination that shares of our Class A common stock will be purchased by the Administrator directly from us, or in the open market or in privately negotiated transactions.

We may also establish a discount rate ranging from 0% to 3% below the relevant market price for shares purchased under the Plan. Any discount rate that we may establish with respect to Cash Purchases of \$10,000 or less per month may differ from any discount rate that we may establish with respect to the reinvestment of dividends. We may change or discontinue any discount rate that we may establish, from time to time in our sole discretion, without prior notice to Participants, after a review of current market conditions, the level of participation in the Plan, and our current and projected capital needs. We may establish a different discount rate ranging from 0% to 3%,

## **Table of Contents**

which we refer to as the Waiver Discount, with respect to shares purchased from us for Cash Purchases exceeding \$10,000 per month that we have approved pursuant to Requests for Waiver.

### **4. What are the advantages and disadvantages of participating in the Plan?**

The primary advantages of participating in the Plan are as follows:

Shares of our Class A common stock may be purchased under the Plan at a discount rate from the relevant market price ranging from 0% to 3%.

You may automatically reinvest cash dividends paid on all or a portion of your holdings of shares of our Class A common stock in additional shares of our Class A common stock. If you choose to reinvest cash dividends, you must reinvest dividends on at least 10% of your Plan share balance.

You may also invest in shares of our Class A common stock by making Cash Purchases, subject to a minimum and maximum amount. You may make Cash Purchases by check or electronic funds transfer from a pre-designated bank account or wire transfer (for a Cash Purchase pursuant to Requests for Waiver, see Question 10). You may make Cash Purchases occasionally or at regular intervals. You may make Cash Purchases even if you do not elect to participate in the Plan's dividend reinvestment option. You may make Cash Purchases whether you currently own shares of our Class A common stock or are a new investor.

Shares of our Class A common stock purchased directly from us under the Plan will be issued without fees or commissions. If shares of our Class A common stock are purchased in the open market or in privately negotiated transactions, the purchase price may be adjusted to include brokerage commissions (currently \$0.05 per share).

Your funds are subject to full investment under the Plan because your Plan account will be credited with the purchase of whole shares of our Class A common stock, as well as fractional shares. Dividends will be paid not only on whole shares of our Class A common stock, but also proportionately on fractional shares in your Plan account. Dividends paid on all such shares of our Class A common stock, including fractional shares, will be used to purchase additional shares of our Class A common stock, unless you specify otherwise by contacting the Administrator, you withdraw from the Plan, or the Plan is terminated.

You may direct the Administrator to transfer, at any time at no cost to you, all or a portion of your shares of our Class A common stock in the Plan to a Plan account for another person, as long as you meet all the transfer requirements.

The Plan offers a share safekeeping service that allows you to have your ownership of shares of our Class A common stock purchased under the Plan maintained at no charge on the Administrator's records in book-entry (uncertificated) form as part of your Plan account, if you so desire. In addition, you may deposit stock certificates for shares of our Class A common stock with the Administrator for a \$7.50 deposit fee.

You will receive statements containing year-to-date information on all Plan transactions and the share balance in your Plan account within a reasonable time after a transaction occurs, as well as on a quarterly basis, that are designed to simplify your recordkeeping.

The primary disadvantages of participating in the Plan are as follows:

## Edgar Filing: BGC Partners, Inc. - Form S-3

Your investment in shares of our Class A common stock purchased under the Plan is not different from any investment in shares of our Class A common stock that you purchase directly. We cannot assure you of a profit or protect you against a loss on your investment in shares of our Class A common stock. You bear the risk of loss and enjoy the benefits of any gain from market price changes with respect to shares of our Class A common stock purchased or held under the Plan. Plan Participants must make independent decisions about participating in the Plan and investments in our Class A common stock based upon their own judgment and research.

If you reinvest cash dividends under the Plan, you will be treated for United States federal income tax purposes as having received a dividend on the related date of purchase of shares of our Class A common stock under the Plan, which may give rise to a tax obligation without providing you with immediate cash to pay such tax when it becomes due. In addition, discounts from the market price on purchases of shares of our Class A common stock under the Plan will be treated as taxable dividend income to you and reported accordingly.

## **Table of Contents**

You will not know the price of the shares of our Class A common stock that you are purchasing under the Plan at the time you elect to have your dividends reinvested or authorize a Cash Purchase. You will have limited control over the specific timing of purchases and sales of shares of our Class A common stock under the Plan, and, therefore, your investments in our shares may be exposed to changes in market conditions.

We may, in our sole discretion, without prior notice to Participants, change our determination as to whether shares of our Class A common stock will be purchased by the Administrator directly from us or through open market or privately negotiated transactions. We may also, without prior notice, lower or eliminate any discount rate that we have established for shares of our Class A common stock to be purchased directly from us for future investment periods. As a result, you will be unable to depend on the availability of a discount for shares of our Class A common stock purchased under the Plan.

No interest will be paid on funds that the Administrator holds pending investment or that may ultimately be returned to you. See Questions 9 and 11.

The purchase price for shares of our Class A common stock purchased under the Plan may exceed the price of acquiring shares of our Class A common stock on the open market at any given time on the actual purchase date.

This Plan is designed for the long-term investor in shares of our Class A common stock and does not afford the same flexibility as a stockbroker's account.

Securities held by the Administrator in your Plan account are not subject to protection under the Securities Investor Protection Act of 1970.

Commissions for open market or privately negotiated purchases of shares of our Class A common stock under the Plan may be paid to a broker-dealer that is affiliated with the Administrator.

### **5. Who is eligible to participate in the Plan?**

**Record Owners.** If you are a record owner of shares of our Class A common stock, meaning that the shares are registered in your name on our stock transfer books, you may participate immediately by completing the Authorization Form that will appoint the Administrator as your agent and that will direct us to pay to the Administrator cash dividends, if and when declared by our board of directors, on all or a specified number of shares of our Class A common stock that are registered in the Plan under your name. The Authorization Form directs the Administrator to purchase on the relevant date of reinvestment of cash dividends, which we refer to as the Dividend Reinvestment Date, additional shares of our Class A common stock with such dividends. The Authorization Form also directs the Administrator to purchase on the relevant date of investment of Cash Purchases, which we refer to as the Cash Purchase Investment Date, shares of our Class A common stock for any Cash Purchases that you choose to make, subject to a minimum investment of \$100 per month and a maximum investment of \$10,000 per month. The anticipated Dividend Reinvestment Dates and Cash Purchase Investment Dates for the remainder of 2011 and the first quarter of 2012, are set forth on Schedule A, subject to change in our sole discretion. The Administrator will continue to automatically reinvest all subsequent cash dividends paid on shares of our Class A common stock that are registered in the Plan unless you specify otherwise by contacting the Administrator, you withdraw from the Plan, or the Plan is terminated.

**Beneficial Owners.** If you are a beneficial owner of shares of our Class A common stock, meaning that your shares are held through a broker, bank or other nominee, you may request that the number of shares that you wish to enroll in the Plan be re-registered by your broker, bank or other nominee in your name as record owner in order to enable you to participate directly in the Plan. Alternatively, beneficial owners who wish to join the Plan may instruct their broker, bank or other nominee to arrange participation in the Plan on the beneficial owner's behalf. The broker, bank or other nominee should then make arrangements with its securities depository, and the securities depository will provide the Administrator with the information necessary to allow the beneficial owner to participate in the Plan.

**Non-Stockholders.** If you do not currently own any shares of our Class A common stock, you can participate by making an Initial Cash Purchase of not less than \$500 and not more than \$10,000 through the Plan directly or, if you wish to purchase through a broker, bank or other

Edgar Filing: BGC Partners, Inc. - Form S-3

nominee, have your broker, bank or nominee contact the Administrator for instructions on how to participate on your behalf.

### 8. How do I reinvest cash dividends under the Plan?

You can choose to reinvest the cash dividends paid on all or a portion of the shares of our Class A common stock registered in your Plan account in additional shares of our Class A common stock, as explained below. If you choose to reinvest cash dividends, you must reinvest dividends on at least 10% of your Plan share balance. Subject to the availability of shares of our Class A common stock registered for issuance under the Plan, there is no limitation on the amount of cash dividends that you may reinvest. In order for you to begin participating in the Plan, the Administrator must receive your Authorization Form on or before the record date established for a particular dividend in order for funds to be invested on the Dividend Reinvestment Date relating to that dividend. A record date for a dividend normally precedes the payment of the dividend by approximately two weeks. A schedule of the anticipated record dates for dividend payments on shares of our Class A common stock for the remainder of 2011 and the first quarter of 2012 are set forth on Schedule A, subject to change in our sole discretion. If the Administrator does not receive your Authorization Form in the time period described above, your reinvestment will begin on the Dividend Reinvestment Date immediately following the next record date.

If you elect to reinvest your cash dividends, you must choose one of the following options when completing the Authorization Form:

**Full Dividend Reinvestment.** You may purchase shares of our Class A common stock by reinvesting cash dividends paid on all shares of our Class A common stock registered in your Plan account.

**Partial Dividend Reinvestment.** You may purchase shares of our Class A common stock by reinvesting cash dividends paid on a specified number of shares of our Class A common stock that are registered in your Plan account. If you choose to reinvest cash dividends, you must reinvest dividends on at least 10% of your Plan share balance. You will continue to receive cash dividends, if and when declared by our board of directors, on the remainder of the shares of our Class A common stock registered in your Plan account.

You may change your investment options at any time by submitting a new Authorization Form to the Administrator.

### 9. How do I make Cash Purchases under the Plan?

If you already own shares of our Class A common stock and participate in the Plan, you can send the Administrator a check for Optional Cash Purchases of not less than \$100 per month and not more than \$10,000 per month. If you do not already own shares of our Class A common stock, you can send the Administrator a completed Authorization Form and a check for an Initial Cash Purchase of not less than \$500 and not more than \$10,000. You may also make Cash Purchases by electronic funds transfer from a pre-designated bank account, and, for a Cash Purchase pursuant to Requests for Waiver (see Question 10), by wire transfer. You may also make monthly purchases of a specified dollar amount, paid for by automatic withdrawal from your bank account by electronic funds transfer, by contacting the Administrator or us or by accessing the Administrator's website at [www.amstock.com](http://www.amstock.com) and following the simple instructions contained therein. Funds will be withdrawn from your bank account on the 10th day of each month (or the next following business day if the 10th is not a business day). Cash Purchases may not exceed \$10,000, unless we approve Requests for Waiver in writing. Please see Question 10 regarding our criteria for granting Requests for Waiver.

In order for funds to be invested on the next Cash Purchase Investment Date, you must submit to the Administrator by the designated cash purchase due date, which we refer to as the Cash Purchase Due Date, (i) a completed Authorization Form (if you are not already a Participant in the Plan); and (ii) a check, electronic funds transfer from a bank account that you designate or wire transfer (for a Cash Purchase pursuant to Requests for Waiver only), although we may, in our sole discretion, accept such funds after the Cash Purchase Due Date. Funds must clear before the related Cash Purchase Investment Date. Wire transfers may be used only if the Administrator approves them in advance. You may call the Administrator toll-free at (877) 854-0857 for instructions relating to electronic funds transfers and wire transfers. **Checks should be made payable to American Stock Transfer & Trust Company LLC BGC Partners, Inc. Dividend Reinvestment and Stock Purchase Plan.**

If you submit funds for a Cash Purchase after the Cash Purchase Due Date, the Administrator will hold the funds until the next Cash Purchase Investment Date, unless you otherwise instruct the Administrator. If you decide not to make a Cash Purchase after you have submitted funds to the Administrator, you may make a written request

---

## **Table of Contents**

to the Administrator no later than two business days prior to the Cash Purchase Investment Date, and funds submitted for a Cash Purchase not already invested under the Plan will be canceled or returned to you as soon as practicable. However, in the latter event, the Administrator will not refund a check until the Administrator has actually received the funds. Accordingly, such refunds may be delayed up to three weeks. No interest will be paid on funds that the Administrator holds pending investment or return to the Participant. The anticipated Cash Purchase Due Dates for the remainder of 2011 and the first quarter of 2012 are set forth on Schedule A, subject to change in our sole discretion.

If your check or automatic withdrawal is returned to the Administrator as unpaid, then the Administrator will debit the un-invested cash from your Plan account. However, if the investment has been made, then the Administrator will sell the shares of our Class A common stock that have been purchased. If the sale of the shares of our Class A common stock purchased is not sufficient to cover the return check or automatic withdrawal, then additional shares will be sold from your Plan account. In addition, the Administrator reserves the right to sell additional shares of our Class A common stock from your Plan account to cover all processing fees assessed.

After you have submitted an initial Authorization Form, you do not need to submit additional Authorization Forms. You may choose to make Cash Purchases monthly or periodically, and you may make Cash Purchases even if you do not participate in the dividend reinvestment option of the Plan.

In our sole discretion, we may aggregate all Plan accounts that we believe to be under the common control or management of a Participant for purposes of determining applicable investment limitations. We may also aggregate all Cash Purchases for Participants with more than one account using the same name, address or social security or taxpayer identification number. In the event that we determine that such aggregation would exceed the limits that we have established for investment under the Plan, the Administrator will return, without interest, as promptly as practicable, any amount submitted in excess of the investment limitations.

### **10. How do I make Cash Purchases over the maximum monthly amount under the Plan?**

Cash Purchases in excess of \$10,000 per month may be made only if we have decided to consider granting Requests for Waiver in any given month and only pursuant to Requests for Waiver that we have approved in writing. The Request for Waiver should specify the proposed investment amount and the proposed pricing period. We must receive Requests for Waiver at our corporate address, or via facsimile at (212) 308-6982, no later than 2:00 p.m. Eastern Time, on the second business day prior to the first day of the proposed pricing period. We anticipate that we will respond to each Request for Waiver by the close of business (5:00 p.m. Eastern Time) on the second business day prior to the first day of the proposed pricing period. Unless we agree otherwise, no later than the first business day prior to the first day of the pricing period that we approve, the Administrator must receive good funds by check, electronic funds transfer or wire as directed on the Request for Waiver form, which must be approved by us.

In deciding whether to approve Requests for Waiver, we will consider relevant factors, including, but not limited to, whether the Plan is then acquiring newly issued shares directly from us or acquiring shares in the open market or in privately negotiated transactions, our need for additional funds, the attractiveness of obtaining such additional funds through the sale of shares of our Class A common stock through the Plan as compared to other sources of funds, the purchase price likely to apply to any sale of shares of our Class A common stock under the Plan, the applicant submitting the request, the extent and nature of such applicant's prior participation in the Plan, the number of shares of our Class A common stock held by such applicant and the aggregate amount of Cash Purchases for which Requests for Waiver have been submitted by all applicants. If such Requests for Waiver are submitted for any particular investment date for an aggregate amount in excess of the amount we are then willing to accept, we may honor such Requests in order of receipt, pro rata or by any other method that we, in our sole discretion, determine to be appropriate.

### **11. What additional provisions apply to Cash Purchases made pursuant to Requests for Waiver?**

**Threshold Price.** In any month in which we decide to consider granting Requests for Waiver, we may establish a minimum purchase price per share of our Class A common stock, which we refer to as the Threshold Price, applicable to shares purchased pursuant to any Requests for Waiver that we approve in that month. We will establish any Threshold Price in our sole discretion after a review of current market conditions, the level of participation in the Plan and our need for additional funds. The Threshold Price will be a stated dollar amount that

**Table of Contents**

the volume-weighted average sales prices per share of our Class A common stock as reported on the Nasdaq Stock Market for each trading day of the relevant pricing period in any approved Request for Waiver must equal or exceed. We will exclude from the pricing period and from the determination of the purchase price of all Cash Purchases made pursuant to approved Requests for Waiver during such pricing period any trading day within such pricing period for which the Threshold Price is not satisfied. For each trading day of the relevant pricing period on which the Threshold Price is not satisfied, the Administrator will return a pro rata portion of the Participant's investment funds to the Participant without interest. Thus, for example, if the Threshold Price is not satisfied for three trading days out of a 12-day pricing period, then three-twelfths (i.e., 25%) of the Participant's investment funds will be returned to the Participant without interest. A trading day means any day on which shares of our Class A common stock trade on the Nasdaq Stock Market.

**Waiver Discount.** In any month in which we decide to consider granting Requests for Waiver, we may establish a Waiver Discount applicable to shares purchased pursuant to any Requests for Waiver that we approve in that month. The Waiver Discount will range from 0% to 3% and is subject to change for future pricing periods or complete discontinuance, in our sole discretion, without prior notice to applicants, after a review of current market conditions, the level of participation in the Plan, and our current and projected capital needs. The Waiver Discount will apply uniformly to the full amount of all Cash Purchases made pursuant to approved Requests for Waiver for a particular pricing period.

**Settlement.** Newly issued shares of our Class A common stock purchased pursuant to Requests for Waiver will be posted to your Plan account within three business days following the end of the relevant pricing period. Alternatively, we may elect to activate the continuous settlement feature, pursuant to which shares of our Class A common stock will be posted to your Plan account within three business days following each separate trading day beginning on the first trading day in the relevant pricing period and ending on the final trading day in the relevant pricing period, with an equal amount of funds being invested on each day, subject to the qualifications set forth above. Anytime we propose to grant Requests for Waiver for one or more investments, we may elect to activate the continuous settlement feature for such investments by stating in the approved Request for Waiver form that we will be doing so. Under the continuous settlement feature, we would have a separate settlement of each trading day's purchases, each based on the volume-weighted average sales price for the trading day (as described above) relating to each of the trading days during the relevant pricing period.

The Investor Relations section of our website ([www.bgcpartners.com/ir](http://www.bgcpartners.com/ir)) will provide one of the three following sets of information regarding Cash Purchases made pursuant to Requests for Waiver:

that we will not be accepting Cash Purchases made pursuant to Requests for Waiver in any given month;

that we will be accepting Cash Purchases made pursuant to Requests for Waiver in any given month. If this is the case, we will provide relevant information, such as the Waiver Discount, if any; the Threshold Price, if any, and whether or not the continuous settlement feature will be activated; or

that we have not yet determined whether we will be accepting Cash Purchases made pursuant to Requests for Waiver. If this is the case, we will provide a date later in the month when our website will provide information regarding whether we will be accepting Cash Purchases made pursuant to Requests for Waiver.

**12. How do you determine the discount rate, if any, for purchases of shares of Class A common stock under the Plan?**

At least three business days prior to the Dividend Reinvestment Date each quarter and Cash Purchase Investment Date each month, we will determine the discount rate, if any, for shares of Class A common stock under the Plan. We may change or discontinue such discount rate, which will range from 0% to 3%, at any time and without prior notice, after we review current market conditions, the level of participation in the Plan, and our current and projected capital needs. We may establish a different Waiver Discount ranging from 0% to 3% for shares of our Class A common stock for Cash Purchases exceeding \$10,000 per month that we have approved pursuant to Requests for Waiver (see Question 11). You may call the Administrator toll-free at (877) 854-0857 regarding the discount rates for dividend reinvestments and Cash Purchases, if any, as well as the Waiver Discount, if any, for Requests for Waiver.

**13. Will I receive certificates for shares of Class A common stock purchased under the Plan?**

No, because the Plan provides for share safekeeping, the Administrator will register shares of our Class A common stock purchased under the Plan in your name in book-entry (uncertificated) form and maintain them in your Plan account at no cost to you. Safekeeping protects your shares against loss, theft or accidental destruction. You may, however, request a stock certificate from the Administrator at any time, free of charge, for any of the whole shares of our Class A common stock in your Plan account by instruction to the Administrator. Each certificate issued will be registered in the name or names in which the account is maintained, unless you otherwise instruct the Administrator in writing. If the certificate is to be issued in a name other than the name on your Plan account, you must have your signature guaranteed by a commercial bank or a broker. Certificates for fractional shares of our Class A common stock will not be issued in any case. Dividends will continue to be paid on the cumulative holdings of both full and fractional shares of our Class A common stock remaining in your Plan account and will automatically be reinvested unless you specify otherwise to the Administrator, you withdraw from the Plan, or the Plan is terminated.

You may deposit currently held certificates representing shares of our Class A common stock registered in your name with the Administrator for credit under the Plan, thus protecting your shares against loss, theft or destruction of the certificate. There is a deposit fee of \$7.50 for this service.

You may not pledge or assign shares of our Class A common stock in your Plan account, and any attempted pledge or assignment will be void. If you wish to pledge or assign shares of our Class A common stock in your Plan account, you must first withdraw such shares from the account.

**14. Can I transfer or give gifts of shares of Class A common stock in my Plan account to others?**

Yes, you may transfer or give gifts of shares of our Class A common stock in your Plan account to anyone you choose by requesting a gift/transfer form from the Administrator, at any time and at no cost to you, and submitting the completed form to the Administrator.

**15. How do I sell shares of Class A common stock in my Plan account?**

You can sell shares of our Class A common stock in your Plan account by contacting the Administrator. The Administrator will record sales orders on the date of receipt and process them as soon as practicable after receipt. The Administrator will send you a check for the proceeds of the sales less any applicable fees or commissions and any required tax withholdings. The Administrator will not issue you a check if the amount of the sale proceeds is less than the amount of the applicable fees or commissions and taxes. Currently, the Administrator charges a fee of \$15.00 per transaction for the sale of full and/or fractional shares and a commission of \$0.05 per share. All fees are subject to change at any time.

**16. How can I vote shares of Class A common stock in my Plan account?**

You will receive proxy materials for all shares of our Class A common stock, full and fractional, in your Plan account. You may vote your shares by any means specified in the proxy materials.

**17. If the Company has a stock dividend, stock split or a rights offering related to shares of Class A common stock, how will my entitlement be computed?**

Any stock dividends or stock split shares that we distribute on shares of our Class A common stock in your Plan account will be credited to your Plan account. In the event that we initiate a rights offering to sell additional shares of our Class A common stock or other securities to our existing stockholders, you will receive appropriate instructions in connection with all such rights directly from the Administrator in order to permit you to determine what action to take. Transaction processing may either be curtailed or suspended until the completion of any stock dividend, stock split, rights offering or other corporate action.

**18. How will I keep track of investments in my Plan account?**

The Administrator will send you a transaction notice confirming the details of each Plan transaction you make and itemizing year-to-date investment activity and resulting share balance, within a reasonable time after such transaction. The Administrator will also send you quarterly statements summarizing year-to-date investment activity and setting forth the share balance in your Plan account.

**19. What are the principal United States federal income tax consequences and provisions made for non-U.S. residents with respect to participation in the Plan?**

The following is a brief summary of some of the principal United States federal income tax consequences of your participation in the Plan:

**Dividend Income.** In general, distributions paid on shares of our Class A common stock are taxable to you as dividends to the extent of our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. To the extent that such distributions exceed our current or accumulated earnings and profits, the excess will constitute a return of capital that is applied against, and will reduce, your basis in your Class A common stock, but not below zero, and then will be treated as gain from the sale of such stock. Some corporate stockholders may be entitled to a dividends received deduction with respect to amounts treated as ordinary dividend income.

If you participate in the Plan and your reinvested distributions are used to purchase newly issued shares of our Class A common stock, your distribution for U.S. federal income tax purposes will be equal to the fair market value of our Class A common stock that you receive pursuant to such reinvestment under the terms of the Plan. As described above, the reinvested distribution will be treated as a taxable dividend to you to the extent paid from our current or accumulated earnings and profits and thereafter as a return of capital and/or gain from the sale of your shares of Class A common stock under the Plan. Distributions that are reinvested in shares of our Class A common stock purchased in the open market will be treated as a taxable dividend to you in an amount equal to the purchase price of such shares (to the extent paid from our current or accumulated earnings and profits and thereafter as a return of capital and/or gain from the sale of your shares).

**Optional Cash Purchases.** If you participate in the Plan's automatic dividend reinvestment feature and you make Optional Cash Purchases in shares of our Class A common stock under the Plan, you will be treated for U.S. federal income tax purposes as having received a distribution in an amount equal to the excess, if any, of the fair market value of the Class A common stock purchased over the amount of your Optional Cash Purchase, taking into account any Waiver Discount. This distribution will be treated as a taxable dividend to you to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. The U.S. federal income tax consequences of buying shares of our Class A common stock at a Waiver Discount through the Plan are not entirely clear if you make Optional Cash Purchases but do not participate in the Plan's automatic dividend reinvestment feature. In light of this uncertainty, we intend to treat Participants in this situation as having received a distribution in an amount equal to the excess, if any, of the fair market value of the Class A common stock purchased over the amount of any Optional Cash Purchase, taking into account any Waiver Discount. This distribution will be treated as a taxable dividend to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Because the tax treatment of such a Waiver Discount is unclear, no assurance can be given of the position that the Internal Revenue Service, which we refer to as the IRS, would take in this regard and Participants in this situation should consult their tax advisers to determine how to treat the Waiver Discount for federal income tax purposes.

**Cost Basis and Holding Period of Shares.** Your tax basis in the shares of our Class A common stock purchased under the Plan will be equal to the amount of the cash dividends and Optional Cash Purchases (plus discounts, if any, from the market price of our Class A common stock included in your gross income as dividend income) applied to the purchases of such shares. Your holding period for the shares purchased under the Plan will begin on the day after the date the shares are purchased.

**Gains and Losses From the Sale of Shares.** You may recognize gain or loss when your shares of our Class A common stock (including fractional shares) in the Plan are sold or otherwise disposed of in a taxable exchange, whether by the Administrator on your behalf or by you after withdrawal of your shares from the Plan. The amount of such gain or loss will be the difference between the amount you receive for the shares and your tax basis in such shares. Any gain or loss will be capital gain or loss, assuming you held your shares as capital assets, and will be long-term capital gain or loss if your holding period is greater than one year, at the time of the sale or disposition.

**IRS Reports.** The Administrator reports dividend income to Participants and the IRS on Form 1099-DIV. The Administrator reports the proceeds from the sale of shares of our Class A common stock under the Plan to the selling Participants and the IRS on Form 1099-B. For non-resident aliens or non-U.S. corporations, partnerships or other entities, the Administrator will report dividend

## Edgar Filing: BGC Partners, Inc. - Form S-3

income to the selling Participants and the IRS on Form 1042-S.

**Dividends Subject to Withholding.** Reinvested dividends are subject to U.S. federal backup withholding tax (currently at a rate of 28%) if you fail to provide a taxpayer identification number to the Administrator. In addition, if you are a non-resident alien or a non-U.S. corporation, partnership or other entity, your dividends will be subject to U.S. federal withholding tax (currently at a rate of 30%) unless you or your intermediary provides an appropriate Form W-8 to the Administrator documenting your entitlement to an exemption from, or a reduced rate of, withholding tax. In any case in which U.S. federal income taxes are required to be withheld, the Administrator reinvests an amount equal to the dividends less the amount of tax withheld. For IRS reporting purposes, the amount of the tax withheld is included in the holder's dividend income. Each Participant is responsible for reviewing the applicable laws of his or her country of residence prior to investing in shares of our Class A common stock under the Plan.

**Return of Capital.** As noted above, it is possible that a portion of dividends paid on shares of our Class A common stock may be treated under United States federal income tax principles as a return of capital to the extent of each stockholder's basis, and as capital gains to the extent such portion exceeds a stockholder's basis.

*The discussion above summarizes some of the principal United States federal income tax consequences of your participation in the Plan. It is not intended to be a complete summary of all aspects of United States federal income taxation that may be important to you. You should consult with your own tax advisors.*

### **20. How can I terminate my participation in the Plan?**

You may withdraw entirely from the Plan by giving written notice of termination to the Administrator. The Administrator must receive your termination notice at least three business days prior to any Dividend Reinvestment Date or Cash Purchase Investment Date to avoid the reinvestment of any current dividends or the investment of any funds received from you for Cash Purchases. If your request to terminate your Plan account is received less than

## **Table of Contents**

three business days prior to any Dividend Reinvestment Date or Cash Purchase Investment Date, then that dividend or those funds will be reinvested. However, all subsequent dividends will be paid out in cash on all balances.

Upon any such termination, you will receive a certificate for the full shares of our Class A common stock registered in your Plan account and a check for any fractional shares based on the current market value less any fees or commissions and transfer taxes. Thereafter, future dividends will be sent directly to you by check. If you so request, the Administrator will sell all shares of our Class A common stock registered in your Plan account, deduct applicable fees or commissions and taxes and deliver the proceeds to you. The Administrator will not issue you a check if the amount of the sale proceeds is less than the amount of the applicable fees or commissions and taxes.

If you dispose of all shares of our Class A common stock represented by certificates registered in your own name, but do not give notice of termination under the Plan, the Administrator may continue to reinvest the dividends on the shares of our Class A common stock in the Plan until otherwise directed.

If you change your address, you must notify the Administrator immediately.

The Administrator may terminate your Plan account by mailing you a written notice for any reason.

### **21. Can the Plan be amended, modified, suspended or terminated?**

We reserve the right to amend, modify, suspend or terminate the Plan at any time in our sole discretion. We will send you a written notice of any such action as soon as practicable after we take such action. However, if we terminate the Plan for the purpose of establishing a new plan, you will automatically be enrolled in the new plan and shares registered in your Plan account will be credited automatically to the new plan, unless prior to the effective date thereof the Administrator receives notice of termination of your participation.

We also reserve the right to suspend or discontinue participation in the Plan by otherwise eligible Participants, or to deny participation in the Plan by new investors, in order to eliminate or prevent practices that are not consistent with the purposes of the Plan. We and the Administrator also reserve the right to change any administrative procedures of the Plan. The Administrator may appoint a successor administrator under the Plan at any time. We also reserve the right, without notice to you, to interpret and regulate the Plan as we deem necessary or desirable in connection with its operation.

### **22. What are the responsibilities of the Company and the Administrator under the Plan?**

Neither we nor the Administrator will be liable for any act committed in good faith or for any good faith omission to act, including, in the case of the Administrator, any claims of liability (i) arising out of failure to terminate any Participant's account upon such Participant's death prior to receipt of notice in writing of such death, and (ii) with respect to the prices at which shares of our Class A common stock are purchased or sold for the Participant's account and the times at which such purchases or sales are made.

The Administrator will mail all notices to you at your last address of record, which will satisfy the Administrator's responsibility to give notice.

### **23. What if I have questions about the Plan?**

**DESCRIPTION OF CAPITAL STOCK**

*The following summary is a description of the material terms of our capital stock. Copies of our certificate of incorporation and bylaws are incorporated by reference as exhibits to the registration statement of which this prospectus forms a part.*

**Our Capital Stock**

The following descriptions of our Class A common stock, Class B common stock, preferred stock and the relevant provisions of our certificate of incorporation and bylaws are summaries thereof and are qualified in their entirety by reference to our certificate of incorporation and bylaws, copies of which are incorporated by reference as exhibits to the registration statement of which this prospectus forms a part, and applicable law. Our certificate of incorporation and bylaws are each an amendment and restatement of the eSpeed certificate of incorporation and bylaws.

Our authorized capital stock consists of 600 million shares of common stock, consisting of 500 million shares of our Class A common stock, par value \$0.01 per share, and 100 million shares of our Class B common stock, par value \$0.01 per share, and 50 million shares of preferred stock, par value \$0.01 per share.

***Common Stock***

As of March 14, 2011, there were 73,110,050 shares of our Class A common stock outstanding and 25,848,107 shares of our Class B common stock outstanding. The holders of our Class A common stock are generally entitled to one vote per share on all matters to be voted upon by the stockholders as a group, entitling holders of our Class A common stock to approximately 22.0% of our voting power as of such date, and do not have cumulative voting rights. The holders of our Class B common stock are generally entitled to ten votes per share on all matters to be voted upon by the stockholders as a group, entitling holders of our Class B common stock to 78.0% of our voting power as of such date, and do not have cumulative voting rights. Cantor and CFGM, the managing general partner of Cantor, and an entity controlled by our Chairman and Chief Executive Officer, Howard W. Lutnick, are the only holders of our Class B common stock. Our Class B common stock generally votes together with our Class A common stock on all matters submitted to the vote of our Class A common stockholders.

Each share of our Class A common stock is equivalent to a share of our Class B common stock for purposes of economic rights. Subject to preferences that may be applicable to any outstanding preferred stock, the holders of shares of our Class A common stock and Class B common stock are entitled to receive ratably such dividends, if any, as may be declared from time to time by our board of directors out of funds legally available therefor. See Dividend Policy and Price Range of Class A Common Stock. In the event of our liquidation, dissolution or winding up, the holders of shares of our Class A common stock and Class B common stock are entitled to share ratably in all assets remaining after payment of liabilities, subject to prior distribution rights of preferred stock, if any, then outstanding.

Our certificate of incorporation provides that each share of our Class B common stock is convertible at any time, at the option of the holder, into one share of our Class A common stock. Each share of our Class B common stock will automatically convert into a share of our Class A common stock upon any sale, pledge or other transfer, which we refer to as a transfer, whether or not for value, by the initial registered holder, other than any transfer by the initial holder to (1) Cantor, (2) any entity controlled by Cantor or by Mr. Lutnick and (3) Mr. Lutnick, his spouse, his estate, any of his descendants, any of his relatives or any trust established for his benefit or for the benefit of his spouse, any of his descendants or any of his relatives.

Any holder of shares of our Class B common stock may pledge his, her or its shares of Class B common stock, as the case may be, to a pledgee pursuant to a bona fide pledge of the shares as collateral security for indebtedness due to the pledgee so long as the shares are not transferred to or registered in the name of the pledgee. In the event of any pledge of shares of our Class B common stock meeting these requirements, the pledged shares will not be converted automatically into shares of our Class A common stock. If the pledged shares of our Class B common stock become subject to any foreclosure, realization or other similar action by the pledgee, they will be converted automatically into shares of our Class A common stock upon the occurrence of that action. The automatic conversion provisions in our certificate of incorporation may not be amended, altered, changed or repealed without the approval of the holders of a majority of the voting power of all outstanding shares of our Class A common stock.

---

## **Table of Contents**

Shares of our Class A common stock are not subject to any conversion right. None of the shares of our Class A common stock or Class B common stock has any pre-emptive or other subscription rights. There will be no redemption or sinking fund provisions applicable to shares of our Class A common stock or Class B common stock. All outstanding shares of our Class A common stock and Class B common stock are fully paid and non-assessable.

### ***Preferred Stock***

Our board of directors has the authority to cause us to issue preferred stock in one or more classes or series and to fix the designations, powers, preferences and rights, and the qualifications, limitations or restrictions thereof, including dividend rights, dividend rates, terms of redemption, redemption prices, conversion rights and liquidation preferences of the shares constituting any class or series, without further vote or action by the stockholders. The issuance of our preferred stock pursuant to such blank check provisions may have the effect of delaying, deferring or preventing a change of control of us without further action by our stockholders and may adversely affect the voting and other rights of the holders of shares of our Class A common stock. At present, we have no plans to issue any preferred stock.

### **Anti-Takeover Effects of Delaware Law and our Certificate of Incorporation, Bylaws and Convertible Notes**

Some provisions of the Delaware General Corporation Law, which we refer to as the DGCL, and our certificate of incorporation, bylaws and convertible notes could make the following more difficult:

acquisition of us by means of a tender offer;

acquisition of us by means of a proxy contest or otherwise; or

removal of our incumbent officers and directors.

These provisions, summarized below, are designed to discourage coercive takeover practices and inadequate takeover bids. These provisions are also primarily designed to encourage persons seeking to acquire control of us to first negotiate with our board of directors. We believe that the benefits of increased protection give us the potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us and outweigh the disadvantages of discouraging those proposals because negotiation of them could result in an improvement of their terms.

### ***Delaware Anti-Takeover Law***

We are subject to Section 203 of the DGCL. In general, Section 203 of the DGCL prohibits a publicly held Delaware corporation from engaging in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder, unless the business combination or the transaction in which the person became an interested stockholder is approved in a prescribed manner. Generally, a business combination includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. An interested stockholder is a person who, together with affiliates and associates, owns 15% or more of a corporation's outstanding voting stock, or was the owner of 15% or more of a corporation's outstanding voting stock at any time within the prior three years, other than interested stockholders prior to the time our Class A common stock was traded on the Nasdaq Stock Market. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging takeover attempts that might result in a premium over the market price for the shares of our Class A common stock.

### ***Certificate of Incorporation and Bylaws***

Our bylaws provide that special meetings of stockholders may be called only by the Chairman of our board of directors, or in the event the Chairman of our board of directors is unavailable, by the Chief Executive Officer or by the holders of a majority of the voting power of our Class B common stock, which is held by Cantor and CFGM. In addition, as discussed above, our certificate of incorporation permits us to issue blank check preferred stock.

Our bylaws require advance written notice prior to a meeting of our stockholders of a proposal or director nomination which a stockholder desires to present at such a meeting, which generally must be received by our Secretary not later than 120 days prior to the first anniversary of

## Edgar Filing: BGC Partners, Inc. - Form S-3

the date of our proxy statement for the preceding year's annual meeting. Our bylaws provide that all amendments to our bylaws must be approved by either the holders of a majority of the voting power of all of our outstanding capital stock entitled to vote or by a majority of our board of directors.

---

## **Table of Contents**

### ***Convertible Notes***

Pursuant to the terms of our convertible notes, holders of our convertible notes will have the right to require us to repurchase all or a portion of such notes upon the occurrence of a fundamental change (as defined in the Indenture governing the convertible notes) at 100% of their principal amount, plus accrued and unpaid interest. In addition, if a make-whole fundamental change occurs (as defined in the Indenture governing the convertible notes) prior to maturity of the convertible notes, under certain circumstances we will increase the conversion rate by a number of additional shares of our Class A common stock for convertible notes converted in connection with such make-whole fundamental change. The fundamental change purchase rights and the provisions requiring an increase to the conversion rate for conversions in connection with make-whole fundamental changes may in certain circumstances delay or prevent a takeover of us and/or the removal of incumbent management that might otherwise be beneficial to investors. In addition, to the extent that Cantor or its affiliates continue to hold the convertible notes, these provisions may enhance Cantor's control of us even if Cantor were to reduce its voting power in us by, among other things, converting shares of our Class B common stock held by it into shares of our Class A common stock or selling or distributing shares of our Class A common stock.

### **Corporate Opportunity**

Our certificate of incorporation provides that no Cantor Company (as defined below) or any of the representatives (as defined below) of a Cantor Company will owe any fiduciary duty to, nor will any Cantor Company or any of their respective representatives be liable for breach of fiduciary duty to, us or any of our stockholders with respect to a corporate opportunity, except as described below. To the extent that any representative of a Cantor Company also serves as our director or officer, such person will owe fiduciary duties to us in his or her capacity as our director or officer. In addition, none of any Cantor Company or any of their representatives will owe any duty to refrain from engaging in the same or similar activities or lines of business as us, or doing business with any of our clients or customers.

If a third party presents a corporate opportunity (as defined below) to a person who is a representative of ours and a representative of a Cantor Company, expressly and solely in such person's capacity as a representative of us, and such person acts in good faith in a manner consistent with the policy that such corporate opportunity belongs to us, then such person:

will be deemed to have fully satisfied and fulfilled any fiduciary duty that person has to us;

will not be liable to us or any of our stockholders for breach of fiduciary duty by reason of such person's action or inaction with respect to the corporate opportunity;

will be deemed to have acted in good faith and in a manner that such person reasonably believed to be in, and not opposed to, our best interests; and

will be deemed not to have breached such person's duty of loyalty to us and our stockholders, and not to have derived an improper personal benefit therefrom.

A Cantor Company may pursue such a corporate opportunity if we decide not to.

If a corporate opportunity is not presented to a person who is both a representative of ours and a representative of a Cantor Company and, expressly and solely in such person's capacity as a representative of us, such person will not be obligated to present the corporate opportunity to us or to act as if such corporate opportunity belongs to us, and such person:

will be deemed to have fully satisfied and fulfilled any fiduciary duty that such person has to us as a representative of us with respect to such corporate opportunity;

## Edgar Filing: BGC Partners, Inc. - Form S-3

will not be liable to us or any of our stockholders for breach of fiduciary duty by reason of such person's action or inaction with respect to such corporate opportunity;

will be deemed to have acted in good faith and in a manner that such person reasonably believed to be in, and not opposed to, our best interests; and

will be deemed not to have breached a duty of loyalty to us and our stockholders and not to have derived an improper personal benefit therefrom.

## **Table of Contents**

For purposes of the above:

Cantor Company means Cantor and any of its affiliates (other than, if applicable, the Company and its affiliates);

representatives means, with respect to any person, the directors, officers, employees, general partners or managing member of such person; and

corporate opportunity means any business opportunity that we are financially able to undertake that is, from its nature, in our lines of business, is of practical advantage to us and is one in which we have an interest or a reasonable expectancy, and in which, by embracing the opportunity, the self-interest of a Cantor Company or their respective representatives will be brought into conflict with our self-interest.

**Item 15. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent of the Registrant. The Delaware General Corporation Law provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaws, agreement, vote of stockholders or disinterested directors or otherwise. The Registrant's Amended and Restated Certificate of Incorporation provides for indemnification by the Registrant of its directors, officers and employees to the fullest extent permitted by the Delaware General Corporation Law.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions or (4) for any transaction from which the director derived an improper personal benefit. The Registrant's Amended and Restated Certificate of Incorporation and its Amended and Restated Bylaws provide for such limitation of liability to the fullest extent permitted by the Delaware General Corporation Law.

The Registrant maintains standard policies of insurance under which coverage is provided (1) to its directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act, while acting in their capacity as directors and officers of the Registrant, and (2) to the Registrant with respect to payments which may be made by the Registrant to such officers and directors pursuant to any indemnification provision contained in the Registrant's Amended and Restated Certificate of Incorporation or otherwise as a matter of law.

### **Item 16. Exhibits.**

The Exhibit Index beginning on page II-5 is hereby incorporated by reference.

### **Item 17. Undertakings.**

The undersigned Registrant hereby undertakes:

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities and Exchange Act of 1934, as amended (the "Exchange Act") that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

That, for the purpose of determining liability under the Securities Act to any purchaser:

(A) Each prospectus filed by a Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

**Table of Contents**

That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

That, for purposes of determining any liability under the Securities Act, each filing of Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a Registrant of expenses incurred or paid by a director, officer or controlling person of a Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, that Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
