**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 29, 2011, the Compensation Committee (the Committee) of First American Financial Corporation (the Company) determined named executive officer target bonus amounts for 2011 as well as the amount of long-term incentive restricted stock units (RSUs) to be awarded to the named executive officers with respect to 2010 performance. The following table sets forth these determinations:

|                       | <b>Target 2011<br/>Bonus</b> | <b>Long Term<br/>Incentive<br/>RSUs Granted in<br/>2011 for 2010<br/>Performance (1)</b> |
|-----------------------|------------------------------|--|
| Kennedy, Parker S.    | None                         | \$ 177,083   |
| Gilmore, Dennis J.    | \$ 2,175,000                 | \$ 879,167   |
| DeGiorgio, Kenneth D. | \$ 850,000                   | \$ 354,167   |
| Valdes, Max O.        | \$ 625,000                   | \$ 175,000   |

- (1) The RSUs vest in four equal annual installments commencing on March 31, 2012, the first anniversary of the date of the grant. A copy of the complete form of the Notice of Restricted Stock Unit Grant and Restricted Stock Unit Award Agreement is attached as Exhibit 10.21 to the Company's Annual Report on Form 10-K for the year ended December 31, 2010.

The Committee also increased Mr. DeGiorgio's salary to \$550,000, effective January 1, 2011.

Subject to the Committee's discretion to award a different amount, Messrs. Gilmore, DeGiorgio and Valdes' annual incentive bonus for 2011 is expected to be determined by adjusting the target bonus amount based on objective financial criteria in two areas, return on equity and pretax margin (subject to certain specified adjustments that may be made at the discretion of the Committee), each of which has associated with it a threshold fifty percent payout level, an eighty percent payout level, a one hundred percent payout level and a one hundred seventy five percent payout level. With respect to both metrics, results below the threshold fifty percent payout level would not result in any payment and results above the maximum would not result in any additional payment. The percentage payout for results between the threshold and maximum would be determined on a linear sliding scale basis between the two metric points on either side of the actual result (i.e., between the threshold and eighty percent point, the eighty percent and the one hundred percent point, or the one hundred percent and the maximum point, as applicable).

The payment of the cash portion of the 2011 annual incentive bonuses to named executive officers is anticipated to occur through the conversion into cash of performance units, which are awarded to allow the Company to deduct for tax purposes the entire amount of such cash bonuses under section 162(m) of the Internal Revenue Code. Accordingly, the Committee also approved of awarding Messrs. Gilmore, DeGiorgio and Valdes performance units in the approximate amount of the maximum expected cash portion of the 2011 target annual incentive bonus under the metrics described above, or \$1,905,000, \$745,000 and \$660,000, respectively. These performance units, which were issued under the Company's 2010 Incentive Compensation Plan on March 31, 2011, provide that they will not be payable unless the net income of the Company for 2011 is at least \$25 million, excluding extraordinary items. The award agreements give the Committee complete discretion to reduce the actual amount of units payable to any lesser amount. It is expected that such a reduction will be made when the Committee determines the actual 2011 annual incentive bonus. A copy of the complete form of the Notice of Performance Unit Grant and Performance Unit Award Agreement is attached as Exhibit 10.19 to the Company's Annual Report on Form 10-K for the year ended December 31, 2010.
