Solicitation of Proxies

The solicitation of proxies for use at the Meeting is being made primarily by the Fund by the mailing on or about January 23, 2012 of the Notice of Meeting of Shareholders, this Proxy Statement and the accompanying proxy card. (Broadridge), the firm that has been engaged to assist in the tabulation of proxies. Authorization to execute proxies may be obtained from shareholders through instructions transmitted by telephone, facsimile or other electronic means. Under the terms of the engagement, Broadridge will be providing a web site for the dissemination of these proxy materials and tabulation services. The expenses incurred in connection with preparing the Proxy Statement and its enclosures will be paid by the Fund. The Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of the Fund's Common Shares (as defined below).

If a quorum is not present at the Meeting, or if a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A shareholder vote may be taken on the proposals described in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. Any such adjournment for the Meeting will require the affirmative vote of a majority of those Common Shares present at the Meeting in person or by proxy. companies: Stone Harbor Emerging Markets Debt Fund, Stone Harbor High Yield Bond Fund, Stone Harbor Local Markets Fund and Stone Harbor Emerging Markets Corporate Debt Fund.

The Fund pays each Independent Trustee a fee of (i) \$5,000 per quarter and (ii) \$250 for each additional meeting in which that Trustee participates. Interested Trustees of the Fund are not compensated by the Fund. All Trustees are reimbursed for reasonable travel and out-of-pocket expenses incurred to attend such meetings. The aggregate remuneration (not including out-of-pocket expenses) paid to Messrs. Brott, McLendon and Sheehan during the fiscal year ended November 30, 2011 by the Fund equaled \$20,000, \$20,000 and \$20,000, respectively.

During the fiscal year ended November 30, 2011, the Board of the Fund met five times. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any Committee of which he is a member.

Board Structure and Leadership

The Board consists of four Trustees, three of whom are not interested persons (as defined in the 1940 Act) of the Trust (the Independent Trustees). The Chairman of the Board, Thomas W. Brock, also serves as the Investment Adviser's Chief Executive Officer, and as such he participates in the oversight of the Fund's day-to-day operations. Mr. Brock is an Interested Trustee because of his position with the Investment Adviser. As noted above, the Trustees meet periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers for the Fund and review the Fund's performance. The Board also has an Audit Committee and a Nominating Committee, each of which is comprised exclusively of all of the Independent Trustees.

The Fund does not have a lead Independent Trustee. However, because much of the Board's work is done at the Board (rather than the Committee) level, and because all of the Independent Trustees are members of the Audit Committee, each Trustee participates in the full range of the Board's oversight duties, including oversight of the risk management process. In addition, although the Independent Trustees recognize that having a lead Independent Trustee may in some circumstances help coordinate communications with management and otherwise assist a board in the exercise of its oversight duties, the Independent Trustees believe that because of the relatively small size of the Board, the relatively small number of funds in the complex, the ratio of Independent Trustees to Interested Trustees and the good working relationship among the Board members, it has not been necessary to designate a lead Independent Trustee.

The Board periodically reviews its leadership structure, including the role of the Chairman. The Board also completes an annual self-assessment during which it reviews its leadership and Committee structure and considers whether its structure remains appropriate in light of the Fund's current operations. The Board believes that its leadership structure, including having an Interested Chairman and the current percentage of the Board who are Independent Trustees, is appropriate given its specific characteristics. These characteristics include: (i) the Investment Adviser's role in the operation of the Fund's business; (ii) the extent to which the work of the Board is conducted by all of the Independent Trustees; (iii) the extent to which the Independent Trustees meet as needed in the absence of members of management and members of the Board who are interested persons of the Fund; and (iv) Mr. Brock's additional role with the Investment Adviser, which enhances the Board's understanding of the operations of the Investment Adviser and of the Fund.

Risk Management

The Board's role is one of oversight, rather than active management. This oversight extends to the Fund's risk management processes. These processes are embedded in the responsibilities of officers of, and service providers to, the Fund. For example, the Investment Adviser is primarily responsible for management of the Fund's investment risks. The Board has not established a formal risk oversight committee. However, much of the regular work of the Board and its standing Committees addresses aspects of risk oversight. For example, the Trustees seek to understand the key risks facing the Fund, including those involving conflicts of interest, how management identifies and monitors these risks on an ongoing basis, how management develops and implements controls to mitigate these risks, and how management tests the effectiveness of those controls.

In the course of providing that oversight, the Board receives a wide range of reports on the Fund's activities from the Investment Adviser, including regarding the Fund's investment portfolio, the compliance of the Fund with applicable laws, and the Fund's financial accounting and reporting. The Board also meets periodically with the Fund's Chief Compliance Officer to receive reports regarding the compliance of the Fund with the federal securities laws and the Fund's internal compliance policies and procedures and meets with the Fund's Chief Compliance Officer at least annually to review the Chief Compliance Officer's annual report, including the Chief Compliance Officer's risk-based analysis for the Fund. The Board also meets periodically with the portfolio managers of the Fund to receive reports regarding the management of the Fund, including its investment risks.

Audit Committee

The Audit Committee's primary purposes, in accordance with its written charter, are to assist the Board in fulfilling its responsibility for oversight of the integrity of the accounting, auditing and financial reporting practices of the Fund, the qualifications and independence of the Fund's independent registered public accounting firm and the Fund's compliance with legal and regulatory requirements. The Audit Committee reviews the scope of the Fund's audits, the Fund's accounting and financial reporting policies and practices and its internal controls. The Audit Committee approves, and recommends to the Independent Trustees of the Fund for their ratification, the selection, appointment, retention or termination of the Fund's independent registered public accounting firm and approves the compensation of the independent registered public accounting firm. The Audit Committee also approves all audit and permissible non-audit services provided to the Fund by the independent registered public accounting firm and all permissible non-audit services provided by the Fund's independent registered public accounting firm to the Investment Manager and any affiliated service providers if the engagement relates directly to the Fund's operations and financial reporting and makes a determination about whether the provision of the foregoing services is compatible with maintaining the independence of the Fund's independent registered public accountant. The Audit Committee members, all of whom are Independent Trustees, are: Alan Brott, Heath B. McLendon and Patrick Sheehan.

The Audit Committee acts in accordance with the Audit Committee charter (the Charter). Alan Brott has been appointed as Chair of the Audit Committee. The Audit Committee is responsible for assisting the Board of Trustees of the Fund in fulfilling its oversight responsibilities relating to accounting and financial reporting policies and practices of the Fund, including, but not limited to: the adequacy of the Fund's accounting and financial reporting processes, policies and practices; the integrity of the Fund's financial statements; the adequacy of the Fund's overall system of internal controls; the Fund's compliance with legal and regulatory requirements; the qualification and independence of the Fund's independent registered public accounting firm; the performance of the Fund's internal audit function provided by the Investment Adviser and the Fund's other service providers; and the review of the report required to be included in the Fund's annual proxy statement by the rules of the SEC. The Audit Committee is also required to prepare an audit committee report to be included in the Fund's annual proxy statement as required by Item 407(d)(3)(i) of Regulation S-K. The Audit Committee operates pursuant to the Charter that was most recently reviewed and approved by the Fund's Board of Trustees on October 19, 2011. The Charter is available at the Fund's website, www.shiplpcf.com. As set forth in the Charter, the function of the Committee is oversight; it is the responsibility of the Fund's investment adviser to maintain appropriate systems for accounting and internal control, and the independent auditors' responsibility to plan and carry out a proper audit. The independent accountant is ultimately accountable to the Fund's Board of Trustees and Audit Committee, as representatives of the Fund's shareholders. The independent accountant for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on January 18, 2012, the Audit Committee reviewed and discussed with management of the Fund and the independent accountant, Deloitte & Touche LLP (Deloitte), the audited financial statements of the Fund as of and for the fiscal year ended November 30, 2011, and discussed the audit of such financial statements with the independent accountant.

In addition, the Audit Committee discussed with the independent accountant the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountant required by Statement of Auditing Standards No. 114, (*The Auditor's communication with those charged with Governance*) as currently modified or supplemented and No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee also received from the independent accountant the written disclosures and letters

required by Independence Standards Board Standard No. 1, (*Independence Discussions with Audit Committees*), as adopted by the PCAOB in Rule 3526 and discussed the relationship between the independent accountant and the Fund and the impact that any such relationships might have on the objectivity and independence of the independent accountant.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent verification of the facts presented to it or representation made by management or the Fund's independent accountant. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent accountant, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommends to its Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended November 30, 2011.

SUBMITTED BY THE AUDIT COMMITTEE OF THE FUND'S BOARD OF TRUSTEES

Alan Brott, Chairman

Heath McLendon

Patrick Sheehan

January 23, 2011

The Audit Committee met two times during the fiscal year ended November 30, 2011. The Audit Committee is composed of three Independent Trustees, namely Messrs. Brott, McLendon and Sheehan. None of the members of the Audit Committee is an interested person of the Fund.

Based on the findings of the Audit Committee, the Audit Committee has determined that Mr. Brott is the Fund's audit committee financial expert, as defined in the rules promulgated by the SEC, and as required by NYSE Listing Standards. Mr. Brott serves as the Chairman of the Audit Committee for the Fund.

Nominating Committee

The Nominating Committee's primary purpose is to canvass, recruit, interview, solicit and nominate Trustees. The Nominating Committee will accept nominees recommended by a shareholder as it deems appropriate. Stockholders wishing to nominate a candidate for the Board must follow the procedures, abide by the timelines, submit the information and otherwise follow the requirements set forth in the Fund's Bylaws. The Nominating Committee will consider nominees recommended by the Fund's shareholders when a vacancy becomes available. Members of the Nominating Committee are currently: Alan Brott, Heath B. McLendon and Patrick Sheehan. The Nominating Committee did not meet during the fiscal year ended November 30, 2011.

Compensation Committee

The Fund does not have a compensation committee. Due to the small size of the Board, the fact that much of the Board's work is done at the Board (rather than the Committee) level and that the Independent Trustees review compensation arrangements for the Independent Trustees and submits its recommendations to the full Board of Trustees, the Board believes that it is appropriate not to have a separate Compensation Committee.

Other Board Related Matters

The Fund does not require Trustees to attend the Annual Meeting of Shareholders. This is the Fund's first annual shareholder meeting.

REQUIRED VOTE

The election of each of the listed nominees for Trustee of the Fund requires the affirmative vote of the holders of a plurality of the votes cast by the holders of Common Shares represented at the Fund's Meeting, if a quorum is present. Quorum for purposes of the transaction of business at a shareholder meeting is thirty percent (30%) of the outstanding shares of the Fund.

THE FUND'S BOARD, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT THE COMMON SHAREHOLDERS VOTE FOR THE ELECTION OF THE FUND'S RESPECTIVE NOMINEES.

The Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accountant to the Fund and all non-audit services to be provided by the independent registered public accountant to the Fund's investment adviser and service providers controlling, controlled by or under common control with the Fund's investment adviser (affiliates) that provide on-going services to a Fund (a Covered Services Provider), if the engagement relates directly to the operations and financial

reporting of a Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman of the Audit Committee must report to the Fund's Audit Committee at its next regularly scheduled meeting after the Chairman of the Audit Committee's pre-approval of such services, his decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the investment adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to a Fund, the investment adviser and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent accountant during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the applicable Audit Committee and approved by the Audit Committee or Audit Committee Chairman prior to the completion of the audit. All of the audit, audit-related and tax services described above for which Deloitte billed the Fund fees for the fiscal year ended November 30, 2011 were pre-approved by the Audit Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's officers and Trustees, officers and Directors of the investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than 10% of a registered class of a Fund's shares to file reports of ownership and changes in ownership with the SEC and the NYSE and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on a review of the reports filed with the SEC and upon representations that no applicable Section 16(a) forms were required to be filed, the Fund believes that during fiscal year ended November 30, 2011, all Section 16(a) filing requirements applicable to the Fund's officers, Trustees and greater than 10% beneficial owners were complied with.

Broker Non-Votes and Abstentions

The affirmative vote of a plurality of votes cast for each nominee by the holders entitled to vote for a particular nominee is necessary for the election of a nominee.

For the purpose of electing nominees, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the election. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of each Fund's quorum.

Shareholders of the Fund will be informed of the voting results of its Meeting in the Fund's Semi-Annual Report dated May 31, 2012.

OTHER MATTERS TO COME BEFORE THE MEETING

The Trustees of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.

Shareholder Communications with Board of Trustees

Shareholders may mail written communications to the Fund's Board, to committees of the Board or to specified individual Trustees in care of the Secretary of the Fund, 31 West 52nd Street, 16th Floor, New York, New York 10019. All shareholder communications received by the Secretary will be forwarded promptly to the Board, the Board's committee or the specified individual Trustees, as applicable, except that the Secretary may, in good faith, determine that a shareholder communication should not be so forwarded if it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Fund or is purely ministerial in nature.

SHAREHOLDER PROPOSALS

In addition to any other requirements under applicable law and the Declaration of Trust and these Bylaws, persons nominated by shareholders for election as Trustees and any other proposals by shareholders may be properly brought before an annual meeting only pursuant to timely notice (the Shareholder Notice) in writing to the Secretary. To be timely, the Shareholder Notice must be delivered to or mailed and received at the principal executive offices of the Fund not less than forty-five (45) nor more than sixty (60) days prior to the first anniversary date of the date on which the Fund first mailed its proxy materials for the prior year's annual meeting. Timely submission of a proposal does not guarantee that such proposal will be included.
