SEC 1344 (04-09)

Persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.

The Company's Annual Report on Form 10-K for the year ended December 31, 2013, could not be filed within the prescribed period because the Company has not received audited financial statements for its equity investment, The Alaska Wireless Network, LLC, (AWN). AWN has not completed compiling its financial statements in order to complete its audit. AWN is significant to the Company's financial position and operating results and reconciling the Company's investment in AWN to AWN's audited financial statements is a critical component of our internal control over financial reporting that cannot be completed until the Company receives these financial statements. All other information has been compiled in order to permit the Company to file a timely and accurate report on the Company's financial condition. This inability to file could not have been eliminated by the Company as the financial statements are prepared by the AWN management team and the receipt of the audited financial statements from AWN is outside the Company's control. The Company will promptly file its Annual Report on Form 10-K as soon as it receives audited AWN financial statements and completes the related internal control procedures.

Re: *AWN Financial Statements*

Dear Mr. Steinberg:

During the course of the preparation of AWN's financial statements, we have identified adjustments that require us to obtain further information and to perform additional testing and analysis in order to close our general ledger. Consequently, we are unable to provide you with AWN audited financial statements on or before the date that you are required to file your annual report on Form 10-K. We expect to complete the work necessary to provide such certified financial statements within fifteen calendar days.

Sincerely,

/s/ Bruce L. Broquet
