Item 1.01. Entry into a Material Definitive Agreement.

On January 21, 2015 (the Effective Date), Hess Corporation (the Company) and certain of its wholly-owned subsidiaries entered into a five-year credit agreement with the lenders party thereto and JPMorgan Chase Bank, N.A., as administrative agent (the Credit Agreement). The Credit Agreement provides for the extension of credit to the Company by the lenders thereunder in the form of committed revolving loans or uncommitted competitive loans, by the swingline lenders thereunder in the form of swingline loans (in an aggregate amount not to exceed \$400 million, of which \$285 million is committed as of the Effective Date) and by issuing banks thereunder in the form of letters of credit (in an aggregate amount not to exceed \$2 billion, of which \$1 billion is committed as of the Effective Date), in an aggregate amount of up to \$4 billion (the Revolving Credit Facility). Borrowings under the Revolving Credit Facility bear interest at the applicable interest rates plus the applicable margins specified in the Credit Agreement, which generally vary based on the credit rating of the Company's senior, unsecured, non-credit enhanced long-term debt. The Revolving Credit Facility includes an accordion feature, pursuant to which the aggregate commitments may be increased by up to an additional \$1 billion under certain circumstances. The Credit Agreement expires on January 21, 2020, unless earlier terminated or extended in accordance with its terms.

The Credit Agreement replaces the Company's existing \$4 billion Five-Year Credit Agreement dated as of April 14, 2011, among the Company, the subsidiaries party thereto, the lenders party thereto and JPMorgan Chase Bank, N.A., as administrative agent (the 2011 Credit Agreement), which was terminated on the Effective Date. The Company did not pay any prepayment penalties in connection with the termination of the 2011 Credit Agreement.

The Credit Agreement contains customary representations, warranties and covenants, including a financial covenant limiting the ratio of Total Consolidated Debt to Total Capitalization (as such terms are defined in the Credit Agreement) of the Company and its consolidated subsidiaries to 0.650 to 1.000, and customary events of default.

Five of the Company's wholly-owned subsidiaries, Hess Oil and Gas Holdings Inc., Hess International Holdings Limited, Hess Capital Services LLC, Hess (Netherlands) Oil and Gas Holdings C.V. and Hess Overseas Finance Investments Centre Limited and such additional subsidiaries as may be added as borrowing subsidiaries as provided in the Credit Agreement, may borrow and request letters of credit up to the full amount of the commitment, with all such extensions of credit being guaranteed by the Company.

Many of the lenders under the Credit Agreement have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending and/or commercial banking services or other services for the Company or its affiliates, and affiliates or certain of these lenders have served in the past as underwriters in public offerings of securities by the Company, for which they have received, and may in the future receive, customary compensation and expense reimbursement.

The foregoing description is qualified in its entirety by reference to the Credit Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.
