### **Notes and the Indenture**

#### ***Interest and Maturity***

The Notes bear interest at the rate of 3.250% per annum. Interest on the Notes is payable on June 15 and December 15 of each year, beginning December 15, 2016. The Notes will mature on June 15, 2026.

#### ***No Security; No Guarantee***

The Notes are not secured and are the Company's senior obligations. The Notes are not guaranteed by any of the Company's subsidiaries.

#### ***Optional Redemption***

Prior to March 15, 2026 (three months prior to the maturity date of the Notes), the Company may redeem some or all of the Notes at any time or from time to time at a redemption price equal to the greater of 100% of the principal amount of the Notes to be redeemed or a *make-whole* amount applicable to such Notes as described in the Indenture, plus accrued and unpaid interest to, but excluding, the redemption date. On or after March 15, 2026 (three months prior to the maturity date of the Notes), the Company may redeem some or all of the Notes at any time or from time to time at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date.

#### ***Change of Control Triggering Event***

Upon the occurrence of a Change of Control Triggering Event (as defined in the Indenture) with respect to the Notes, unless the Company has exercised the option to redeem the Notes, the Company will be required to make an offer to repurchase the Notes at a price equal to 101% of their principal amount, plus accrued and unpaid interest to, but excluding, the date of repurchase.

#### ***Covenants***

The Indenture contains covenants, including limitations that restrict the Company's ability and the ability of certain of its subsidiaries to create or incur secured indebtedness and enter into sale and leaseback transactions and the Company's ability to consolidate, merge or transfer all or substantially all of its properties or assets to another person, in each case subject to material exceptions described in the Indenture.

***Events of Default***

The Indenture also provides for customary events of default which, if any of them occurs, would permit or would require the principal and accrued interest on the Notes to become due and payable immediately following any applicable grace period.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Base Indenture and the First Supplemental Indenture.
