Item 1.01 Entry into a Material Definitive Agreement.

On July 20, 2016, Monotype Imaging Inc. (Monotype Imaging), a Delaware corporation and a wholly-owned subsidiary of Monotype Imaging Holdings Inc., a Delaware corporation (the Company), entered into an Agreement and Plan of Merger (the Merger Agreement) with Project Wave Acquisition Sub Inc., a Delaware corporation and a wholly-owned subsidiary of Monotype Imaging (Merger Subsidiary), Olapic, Inc., a Delaware corporation (Olapic), and Shareholder Representative Services LLC, a Colorado limited liability company (Stockholders Representative), pursuant to which Merger Subsidiary will, subject to the satisfaction or waiver of the conditions therein, merge with and into Olapic, the separate corporate existence of Merger Subsidiary will cease and Olapic will be the surviving corporation of the merger (the Merger). Upon the consummation of the Merger, Olapic will become a wholly-owned subsidiary of Monotype Imaging.

Subject to the terms and conditions of the Merger Agreement, Monotype Imaging has agreed to pay to the holders of Olapic capital stock, vested options and warrants (collectively, the Securityholders) an aggregate of \$130 million in cash consideration, subject to net asset, indebtedness, cash and transaction expense adjustments as set forth in the Merger Agreement (the Merger Consideration). Subject to the terms and conditions set forth in the Merger Agreement (i) each issued and outstanding vested Olapic stock option that has not been exercised prior to the closing of the Merger will be terminated and converted into a right to receive, with respect to each share of common stock of Olapic issuable thereunder, the applicable per share Merger Consideration less the exercise price of such outstanding option, (ii) each issued and outstanding warrant to purchase Olapic common stock that has not been exercised prior to the closing of the Merger will be terminated and converted into a right to receive, with respect to each share of common stock of Olapic issuable thereunder, the applicable per share Merger Consideration less the exercise price of such outstanding warrant and (iii) each issued and outstanding unvested Olapic stock option will be cancelled and terminated without the right to receive any portion of the Merger Consideration.

Upon the closing of the Merger (the Closing), \$10 million of the Merger Consideration will be contributed to an escrow fund (the Indemnification Escrow) to secure the Olapic Securityholders' obligations to indemnify Monotype Imaging for certain matters, including breaches of representations and warranties, covenants included in the Merger Agreement, appraisal rights claims made by dissenting stockholders, and certain other matters. On the date that is twelve (12) months from the Closing, the amount of \$5 million less any unresolved claims and any amounts previously released to Monotype Imaging will be released to the Olapic Securityholders. Any remaining portion of the Indemnification Escrow that has not been reduced by any claims by Monotype Imaging and is not subject to any unresolved claims will be released to the Olapic Securityholders on the date that is eighteen (18) months from the Closing. Subject to limited exceptions, the maximum liability of the Olapic Securityholders for indemnification claims is limited to the Indemnification Escrow.

Also upon the Closing, \$9 million of the Merger Consideration that would otherwise be paid to three key founders of Olapic (each a Founder and together, the Founders) will be contributed to an escrow fund (the Founders Holdback Escrow). \$1 million of the Founders' Holdback Escrow will be released to each of the Founders on the second anniversary of the Closing, and \$2 million of the Founders' Holdback Escrow will be released to each of the Founders on the third anniversary of the Closing, contingent upon the continued employment of the applicable Founder on each date, but subject to acceleration of the release of the payments upon certain termination events of the applicable Founder's employment without cause or for good reason and upon a sale event of Monotype Imaging. Additionally, \$500,000 of the Merger Consideration will be contributed to an escrow fund and released to Monotype Imaging or the Olapic Securityholders upon the final determination of the net assets of Olapic at the time of the Closing. The Company also plans to issue approximately \$19 million in stock awards, subject to vesting over time, to the Founders and employees of Olapic.

The Merger Agreement contains customary representations, warranties and covenants of the parties. The Merger Agreement also contains customary conditions to closing, including, among other things, receipt of required antitrust approvals, approval of the Merger Agreement by Olapic's stockholders, the representations and warranties of Olapic being true and correct at the Closing (subject to the terms of the Merger Agreement) and the absence of any material adverse changes affecting Olapic.

The Merger Agreement provides for limited termination rights, including upon breaches of covenants of Olapic to obtain the requisite stockholder consent set forth in the Merger Agreement and in the event that the Merger has not been consummated on or before forty-five (45) days from the date of the Merger Agreement.

The above description of the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto.
