The Tellurian Inc. (Tellurian or the Company) board of directors (the Board) is soliciting the accompanying proxy for use in connection with an annual meeting of stockholders (including any adjournment or postponement thereof, the Meeting) to be held on , 2017, at a.m. local time at the Petroleum Club of Houston, located at 1201 Louisiana Street, 35th Floor, Houston, Texas 77002.

EXPLANATORY NOTE REGARDING MAGELLAN/TELLURIAN MERGER

On February 10, 2017, Tellurian, which was formerly known as Magellan Petroleum Corporation (Magellan), completed the merger (the Merger) contemplated by the Agreement and Plan of Merger, dated as of August 2, 2016, by and among Magellan, Tellurian Investments Inc. (Tellurian Investments) and River Merger Sub, Inc. (Merger Sub), as amended (the Merger Agreement). At the effective time of the Merger, each outstanding share of common stock of Tellurian Investments was canceled and converted into the right to receive 1.300 shares of common stock of Magellan, and Merger Sub merged with and into Tellurian Investments, with Tellurian Investments continuing as the surviving corporation and a subsidiary of Magellan. In addition, at or contemporaneously with the closing of the Merger:

Magellan amended its certificate of incorporation and by-laws to change its name to Tellurian Inc.

Each of the members of the Company s board of directors resigned, and those directors were replaced by directors designated by Tellurian Investments.

Members of the senior management of Tellurian Investments were appointed as the executive officers of the Company, except that Antoine J. Lafargue, Chief Executive Officer and Chief Financial Officer of Magellan, remained as the Chief Financial Officer of the Company.

The Company changed its fiscal year end from June 30 to December 31.

This proxy statement includes certain historical information relating to the board of directors, executive officers and governance arrangements of the Company during periods ended prior to the completion of the Merger, including the six-month period ended December 31, 2016 (the Transition Period). This proxy statement also includes certain disclosures concerning the Company's board of directors and officers currently in office. We use the term Magellan in this proxy statement to refer to the Company prior to the completion of the Merger.

INFORMATION ABOUT THE MEETING

Date, Time, and Place

The Meeting will take place at _____ a.m. local time, on _____, 2017, at the Petroleum Club of Houston, located at 1201 Louisiana Street, 35th Floor, Houston, Texas 77002.

Purpose; Other Matters

At the Meeting, holders of Tellurian shares will be asked to consider and vote upon six proposals, one of which is comprised of seven sub-proposals. The first proposal will be to elect to the Board for a three-year term the three individuals named as director nominees in this proxy statement. The second proposal will be to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2017. The third proposal will be to adopt an Amended and Restated Certificate of Incorporation of the Company. This proposal is comprised of seven sub-proposals, denominated as sub-proposals 3A through 3G, reflecting various proposed amendments to the current Restated Certificate of Incorporation. The fourth proposal will be to approve and adopt an Amended and Restated Tellurian 2016 Omnibus Incentive Compensation Plan. The fifth proposal will be to approve, by a non-binding advisory vote, the compensation of the Company's named executive officers. The sixth proposal will be to approve, by a non-binding advisory vote, the frequency of future advisory votes on the compensation of the Company's named executive officers.

Holders of Tellurian shares may also be asked to consider and vote upon such other matters as may properly come before the Meeting, or any adjournment or postponement of the Meeting. As of the mailing date of this proxy statement, the Board knows of no other matter to be presented at the Meeting. If, however, other matters incident to the conduct of the Meeting are properly brought before the Meeting, or any adjournment or postponement of the Meeting, the persons named in the proxy will vote the proxies in accordance with their best judgment with respect to those matters.

Recommendation of the Tellurian Board

The Board has carefully reviewed and considered the terms and conditions of each of the matters to be considered at the Meeting. Based on its review, the Board recommends that you vote (i) FOR the election of each individual named as a director nominee in this proxy statement to the Board for a three-year term; (ii) FOR the proposal to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2017; (iii) FOR each sub-proposal to amend the Company's Restated Certificate of Incorporation, (iv) FOR the proposal to approve and adopt an Amended and Restated Tellurian 2016 Omnibus Incentive Compensation Plan; (v) FOR the approval, on a non-binding advisory basis, of the compensation of the Company's named executive officers; and (vi) FOR the approval, on a non-binding advisory basis, of the frequency of future advisory votes on compensation of the Company's named executive officers EVERY THREE YEARS.

Record Date, Outstanding Shares, and Voting Rights

Each holder of record of Tellurian common stock at the close of business on August 7, 2017, the record date, is entitled to notice of and to vote at the Meeting. Each such stockholder is entitled to cast one vote for each share of Tellurian common stock on each matter properly submitted for the vote of stockholders at the Meeting. As of the record date, there were _____ shares of Tellurian common stock issued and outstanding and entitled to vote at the Meeting. The holders of Tellurian common stock are voting on each sub-proposal set forth in Proposal 3.

Table of Contents

Quorum and Vote Required; Broker Non-Votes, Abstentions, and Withholding Authority

Quorum Required

A quorum of Tellurian stockholders is necessary to hold the Meeting. In accordance with the Company's by-laws, the holders of 33 1/3% of the total number of shares issued and outstanding and entitled to be voted at the Meeting, present in person or by proxy, will constitute a quorum for the transaction of business. Stockholders are counted as present at the Meeting if they are present in person or have authorized a valid proxy. The presence of holders of at least _____ shares of Tellurian common stock will constitute a quorum. Under the General Corporation Law of the State of Delaware (the "DGCL"), abstentions and broker non-votes (described below) are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the Meeting. Shares of Tellurian common stock held by stockholders who are not present in person or by proxy will not be counted towards a quorum.

Vote Required

The election of each director nominee set forth in Proposal 1 will require the affirmative vote of the holders of a plurality of the outstanding shares of Tellurian common stock. Approval of each of Proposals 2, 4, 5 and 6 will require the affirmative vote of the holders of a majority of the outstanding shares of Tellurian common stock present in person or represented by proxy at the Meeting and entitled to vote on the matter. Because Proposal 6 has three possible substantive responses (every three years, every two years or every one year), if none of the frequency alternatives receives the affirmative vote of the holders of a majority of the outstanding shares of Tellurian common stock present in person or represented by proxy at the Meeting and entitled to vote on the matter, then we will consider stockholders to have approved the frequency selected by the holders of a plurality of the outstanding shares of Tellurian common stock.

Proposal 3 is comprised of sub-proposals 3A through 3G, each of which will be subject to a separate vote of the stockholders. Approval of each sub-proposal will require the affirmative vote of the holders of a majority of the outstanding shares of common stock. Notwithstanding that each sub-proposal will be subject to a separate vote of the stockholders, the sub-proposals are cross-conditioned such that approval of all sub-proposals is required for any of them to take effect. Accordingly, if any sub-proposal is not approved by stockholders, none of the sub-proposals will be implemented. If all of the sub-proposals are approved, we intend to file an Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware reflecting the proposed changes. The Amended and Restated Certificate of Incorporation will be effective immediately upon filing with the Secretary of State, and certain changes to our by-laws will also become effective by action of the Board as described in Proposal 3 Proposal to Adopt an Amended and Restated Certificate of Incorporation Proposed Changes to Current By-laws.

Differences Between Holding Shares as a Stockholder of Record and as a Beneficial Owner; Broker Non-Votes

If your shares are registered directly in your name with Tellurian's transfer agent, Broadridge Corporate Issuer Solutions, Inc. (Broadridge), you are considered the stockholder of record of those shares, and the notice of annual meeting of stockholders, proxy statement, proxy card and annual report for the fiscal year ended December 31, 2016 have been sent directly to you by Tellurian. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of such shares held in street name, and the proxy materials have been forwarded to you by your broker, bank or other nominee. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares by using the voting instruction card included in the mailing or by following the instructions for submitting your voting instructions by telephone or on the Internet.

Broker non-votes occur when a nominee holding Tellurian shares for a beneficial owner returns a properly executed proxy but has not received voting instructions from the beneficial owner, and such nominee does not

Table of Contents

possess discretionary authority with respect to such shares. Brokers are not allowed to exercise their voting discretion with respect to the approval of matters which are considered non-routine under applicable rules without specific instructions from the beneficial owner. Except for Proposal 2, all of the matters to be voted on at the Meeting are considered non-routine. Accordingly, your broker will not be entitled to vote your shares on Proposal 1, 3, 4, 5 or 6 unless you provide instructions on how to vote by filling out the voter instruction form sent to you by your broker with this proxy statement.

Abstentions and Withhold Votes

An abstention represents a stockholder's affirmative choice to decline to vote on a proposal. Stockholders may abstain with respect to any of the proposals described in this proxy statement other than Proposal 1. With respect to Proposal 1, a stockholder may vote in favor of the election of a particular nominee or may cast a withhold vote.

Effects of Broker Non-Votes, Abstentions and Withhold Votes

For Proposals 2, 3, 4, 5 and 6, an abstention will have the same effect as a vote AGAINST the proposal. A withhold vote may be cast on Proposal 1 but will have no effect on the outcome of the vote. Broker non-votes will have the same effect as a vote AGAINST Proposal 3 but will have no effect on the outcome of voting on Proposal 1, 2, 4, 5 or 6.

Voting by Tellurian Directors and Executive Officers

As of the record date, the directors and executive officers of Tellurian beneficially owned and were entitled to vote _____ shares of Tellurian common stock, which represent approximately _____% of the voting power of the Tellurian capital stock. The directors and executive officers of Tellurian are expected to vote FOR all the proposals being considered at the Meeting.

Adjournment and Postponement

Adjournments and postponements of the Meeting may be made for the purpose of, among other things, soliciting additional proxies. The Meeting may be adjourned by the vote of a majority of Tellurian shares present in person or represented by proxy at the Meeting, even if less than a quorum.

Voting of Proxies

Voting by Proxy Card

All Tellurian shares entitled to vote and represented by properly executed proxies received prior to the Meeting, and not revoked, will be voted at the Meeting in accordance with the instructions indicated on the proxy card accompanying this proxy statement. If no direction is given and the proxy is validly executed, the stock represented by the proxy will be voted in favor of the election of each director nominee described in Proposal 1, FOR Proposals 1-5 and for EVERY THREE YEARS for Proposal 6. The persons authorized under the proxies will vote upon any other business that may properly come before the Meeting according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. Tellurian does not anticipate that any other matters will be raised at the Meeting.

If you are a holder of record, there are two additional ways to submit your proxy:

Submit your proxy by telephone call toll free 1-800-690-6903.

Submit your proxy 24 hours a day, 7 days a week, until 11:59 p.m. Eastern Standard Time on September 19, 2017.

Table of Contents

Please have your proxy card and the last four digits of your Social Security Number or Tax Identification Number available. Follow the simple instructions the voice provides you.

Submit your proxy by the Internet <http://www.proxyvote.com>.

Use the Internet to submit your proxy 24 hours a day, 7 days a week, until 11:59 p.m. Eastern Standard Time on September 19, 2017.

Please have your proxy card and the last four digits of your Social Security Number or Tax Identification Number available. Follow the simple instructions to obtain your records and create an electronic ballot.

Submitting your proxy by telephone or Internet authorizes the named proxies to vote your shares at the Meeting or any adjournment or postponement thereof in the same manner as if you had marked, signed and returned your proxy card. The law of Delaware, where Tellurian is incorporated, allows a proxy to be sent electronically, so long as it includes or is accompanied by information that lets the inspector of elections know that it has been authorized by the stockholder.

If your shares are held in street name, your broker or other nominee may provide the option of submitting your voting instructions through the Internet or by telephone instead of by mail. Please check the voting instruction card provided by your broker or other nominee to see which options are available and the procedures to be followed.

Voting by Attending the Meeting

Holders of record of Tellurian shares and their authorized proxies may also vote their shares in person at the Meeting. If a stockholder attends the Meeting, he or she may submit his or her vote in person, and any previous proxies submitted by the stockholder will be superseded by the vote that such stockholder casts at the Meeting.

Revocability of Proxies

You may revoke your proxy at any time before the vote is taken at the Meeting. If you are a holder of record, you may revoke your proxy by:

1. giving written notice of revocation no later than the commencement of the Meeting to Tellurian's Corporate Secretary:

if before commencement of the Meeting on the date of the Meeting, by personal delivery to Tellurian's Corporate Secretary at the Petroleum Club of Houston, located at 1201 Louisiana Street, 35th Floor, Houston, Texas 77002; and

if delivered before the date of the Meeting, to Tellurian's Corporate Secretary at Tellurian's offices, 1201 Louisiana Street, Suite 3100, Houston, Texas 77002;

2. delivering no later than the commencement of the Meeting a properly executed, later-dated proxy; or

3. voting in person at the Meeting; however, simply attending the Meeting without voting will not revoke an earlier proxy.

Voting by proxy will in no way limit your right to vote at the Meeting if you later decide to attend in person. If your stock is held in the name of a broker or other nominee, you must obtain a proxy, executed in your favor, to be able to vote at the Meeting, and must follow instructions provided to you by your broker or other nominee to revoke or change your vote.

Solicitation of Proxies; Expenses

The entire expense of preparing and mailing this proxy statement and any other soliciting material (including, without limitation, costs, if any, related to advertising, printing, fees of attorneys, financial advisors,

Table of Contents

and solicitors, public relations, transportation, and litigation) will be borne by Tellurian. In addition to the use of the mail, Tellurian or certain of its officers or other employees may solicit proxies by telephone and personal solicitation; however, no additional compensation will be paid to those officers or employees in connection with such solicitation. In addition, the Company has retained Broadridge to provide or coordinate specified telephone and Internet voting, mailing, handling, inspector of election, tabulation, and document hosting services. The estimated fees and expenses payable to Broadridge by the Company for these services are approximately \$20,000, plus per item charges for each registered or beneficial stockholder vote, per document charges for the hosting services, and reimbursement of Broadridge's mailing costs and expenses.

Banks, brokerage houses, and other custodians, nominees, and fiduciaries will be requested to forward solicitation material to the beneficial owners of Tellurian stock that such institutions hold of record, and the Company will reimburse such institutions for their reasonable out-of-pocket disbursements and expenses.

No Appraisal Rights

There are no appraisal rights pursuant to Section 262 of the DGCL with respect to any of the proposed corporate actions on which the stockholders are being asked to vote.

Assistance

If you need assistance in completing your proxy card, have questions regarding the Meeting, the proposals to be made at the Meeting or how to submit your proxy, or want additional copies of this proxy statement or the enclosed proxy card, please contact the Corporate Secretary of Tellurian at (832) 962-4000.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS TO THE COMPANY S BOARD**

In accordance with the Company s by-laws, three directors are to be elected at the Meeting to hold office for a term of three years, expiring with the 2020 annual meeting of stockholders. The Company s by-laws provide for three classes of directors who are to be elected for terms of three years each and until their successors shall have been elected and shall have been duly qualified. Each of the nominees for election at the Meeting, Diana Derycz-Kessler, Dillon J. Ferguson, and Meg A. Gentle, is currently serving as a director of the Company. Each of Mses. Derycz-Kessler and Gentle and Mr. Ferguson has consented to being named in this proxy statement as a nominee for election as a director and will serve as a director if elected.

Under the DGCL, the election of directors requires a plurality of the votes of the shares present in person or represented by proxy and entitled to vote on the election of directors at the Meeting. The term plurality means that the three director nominees receiving the greatest number of votes will be elected. Proxies may be voted only for the number of director nominees named by the Board. Withhold votes and broker non-votes will have no effect on the outcome of the vote on this proposal.

Background Information About the Nominees and Other Directors

The following sets forth certain information about (i) each of the Company s nominees for election as a director at the Meeting to hold office for a term expiring at the 2020 annual meeting of stockholders, and (ii) each director whose term of office continues beyond the Meeting. Corporate Governance***Director Independence***

Tellurian common stock is listed on the Nasdaq Capital Market under the trading symbol TELL. Nasdaq listing rules require that a majority of the Company's directors be independent directors, as defined by Nasdaq corporate governance standards. Generally, a director does not qualify as an independent director if the director has, or in the past three years has had, certain material relationships or affiliations with the Company, its external or internal auditors, or is an employee of the Company.

The Board is currently comprised of eight directors: Charif Souki, Martin Houston, Meg A. Gentle, Diana Derycz-Kessler, Dillon J. Ferguson, Jean Jaylet, Brooke A. Peterson, and Don A. Turkleson. The Board has determined that Ms. Gentle, Mr. Souki and Mr. Houston are not independent in view of their current or prior executive roles with the Company or its subsidiaries. In assessing the independence of Mr. Peterson, the Board considered his role as the Chief Executive Officer of a company, Ajax Holdings, LLC, which is wholly owned by Mr. Souki. In assessing the independence of Mr. Ferguson, the Board

considered his role as a partner at Pillsbury Winthrop Shaw Pittman LLP, a law firm that represented Tellurian Investments in a recently settled lawsuit.

Board and Chief Executive Officer is in the best interest of stockholders in the Company's current circumstances because it reflects the Chief Executive Officer's responsibility over management of the Company's operations and the Chairman's oversight of board functions and strategic development. The Board considers its leadership structure on a regular basis.

Board Role in Risk Oversight

The Board has an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board regularly receives reports from members of senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, environmental, and strategic and reputational risks. The full Board or an appropriate committee receives these reports from the appropriate executive so that it may understand and oversee the strategies used to identify, manage, and mitigate risks. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's incentive compensation plans, policies, practices and arrangements by considering whether such plans, policies, practices and arrangements encourage unnecessary or excessive risk taking, and presenting concerns to the full Board. The Audit Committee oversees management of financial, legal, and regulatory risks, including with respect to related party transactions and certain potential conflicts of interest. The Governance and Nominating Committee manages risks associated with the independence of the Board.

The Board Nomination Process

The Governance and Nominating Committee identifies director nominees based on recommendations from management, directors, stockholders, and other sources. Report of the Audit Committee

In connection with the preparation and filing of the audited financial statements of Tellurian Investments, the accounting acquirer in the Merger, for the fiscal year ended December 31, 2016 (the audited financial statements), the Audit Committee performed the following functions:

The Audit Committee reviewed and discussed the audited financial statements with senior management and Deloitte & Touche LLP (Deloitte), the Company's independent registered public accounting firm. The review included a discussion of the quality, not just the acceptability, of the Company's accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the forward-looking statements.

The Audit Committee also discussed with Deloitte the matters required to be discussed by Public Company Accounting Oversight Board (PCAOB) Auditing Standard No. 1301, Communications with Audit Committees.

The Audit Committee received the written disclosures and the letter from Deloitte required by applicable requirements of the PCAOB regarding Deloitte's communications with the Audit Committee concerning independence, and discussed with Deloitte its independence from the Company and considered the compatibility of the auditors' non-audit services to the Company, if any, with the auditors' independence.

Table of Contents

Based upon the functions performed, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Current Report on Form 8-K/A filed with the SEC on March 15, 2017.

Respectfully submitted by the Audit Committee of the Board of Directors,

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY

The Audit Committee has appointed and engaged Deloitte to serve as the independent registered public accounting firm to audit Tellurian's financial statements for the fiscal year ending December 31, 2017, and to perform other appropriate audit-related services. Deloitte began serving as the independent registered public accounting firm of Tellurian beginning on February 10, 2017. Tellurian stockholders are hereby asked to ratify the Audit Committee's appointment of Deloitte as the independent registered public accounting firm of Tellurian for the fiscal year ending December 31, 2017.

EKS&H LLLP (EKS&H) served as the independent registered public accounting firm of Magellan (and its subsidiaries) as of and for the fiscal years ended June 30, 2015 and 2016. Deloitte served as the independent registered public accounting firm of Tellurian Investments. Upon closing of the Merger, the Audit Committee determined that Deloitte would serve as the independent registered public accounting firm of the Company. The decision to engage Deloitte was made by the Audit Committee on February 10, 2017 and was disclosed in a Current Report on Form 8-K filed on February 13, 2017.

During the fiscal years ended June 30, 2015 and 2016, EKS&H's reports on the Company's financial statements did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that each report contained a modification to the effect that there was substantial doubt as to the Company's ability to continue as a going concern.

During the fiscal years ended June 30, 2015 and 2016 and the subsequent period through February 13, 2017, (i) there were no disagreements between the Company and EKS&H on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of EKS&H, would have caused EKS&H to make reference to the subject matter of the disagreement in connection with its reports on the Company's financial statements, and (ii) there were no reportable events as that term is described in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended June 30, 2015 and 2016 and the subsequent period through February 13, 2017, the Company did not consult with Deloitte regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements or (ii) any matter that was either the subject of a disagreement (as defined in paragraph (a)(1)(iv) of Item 304 of Regulation S-K and the related instructions thereto) or a reportable event (as described in paragraph (a)(1)(v) of Item 304 of Regulation S-K).

The Audit Committee is solely responsible for selecting the independent auditors of Tellurian. Although stockholder ratification of the appointment of Deloitte is not required by law or Tellurian's governing documents, the Board has determined that it is desirable to seek stockholder ratification as a matter of good corporate governance in view of the critical role played by independent registered public accounting firms in maintaining the integrity of financial controls and reporting. If the Tellurian stockholders do not ratify the appointment of Deloitte, the Audit Committee will consider whether to engage another independent registered public accounting firm. Even if the appointment of Deloitte is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Tellurian and its stockholders.

Tellurian expects that a representative from Deloitte will be present at the Meeting. Any such representative will have the opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate

questions.

PROPOSAL 3 PROPOSAL TO ADOPT AN AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

Background

Magellan was founded in 1957 and incorporated in Delaware in 1967. Magellan's Certificate of Incorporation and By-laws were amended numerous times over the years, and were restated in February 2017 in connection with the completion of the Merger and the change of the Company's name to Tellurian Inc. Following the completion of the Merger, the Board conducted a review of the Company's Restated Certificate of Incorporation and Amended and Restated By-laws to determine whether any provisions of either document should be amended in light of current law or market practice or the Company's current circumstances. Following this review, the Board concluded that it would be advisable and in the best interests of the Company and its stockholders to amend and restate the Company's current Restated Certificate of Incorporation and Amended and Restated By-laws (referred to in this section as the "Current Certificate" and the "Current By-laws," respectively) as set forth in [Appendix A-1](#) and [Appendix B-1](#) to this proxy statement, respectively. We refer to the Restated Certificate of Incorporation and Amended and Restated By-laws with the proposed amendments as the "New Certificate" and the "New By-laws," respectively.

The Board recommends that the stockholders adopt the New Certificate by voting FOR all of the proposed amendments to the Current Certificate. Such proposed amendments are summarized below. This Proposal 3 is comprised of sub-proposals 3A through 3G, each of which represents a different subset of the proposed amendments to the Current Certificate and each of which will be subject to a separate vote of the stockholders. Notwithstanding that each of sub-proposals 3A through 3G will be subject to a separate vote of the stockholders, the sub-proposals are cross-conditioned such that approval of each sub-proposal is required for any of them to take effect. Accordingly, if any sub-proposal is not approved by stockholders, none of the sub-proposals will be implemented, and the Company will continue to be governed by the Current Certificate and the Current By-laws.

If all of the amendments to the Current Certificate set forth in sub-proposals 3A through 3G are adopted by the required vote of our stockholders, we intend to file the New Certificate with the Secretary of State of the State of Delaware. The New Certificate will be effective immediately upon filing with the Secretary of State. The Board reserves the right to abandon or delay the filing of the New Certificate even if it is approved by our stockholders.

If the stockholders adopt all of the proposed amendments to the Current Certificate and the New Certificate becomes effective under Delaware law, the proposed amendments to the Current By-laws will become effective by action of the Board immediately upon the effectiveness of the New Certificate. Proposed changes to the Current By-laws are described under "Proposed Changes to Current By-laws" below.

Complete versions of the New Certificate and the New By-laws, showing proposed changes to the current documents in strikethrough and underlined text, as applicable, are attached to this proxy statement as [Appendix A-2](#) and [Appendix B-2](#), respectively, and are incorporated by reference herein. The discussion below is qualified in its entirety by reference to the actual text of the documents as set forth in [Appendix A-1](#) and [Appendix B-1](#).

Proposed Changes to the Current Certificate

The Board unanimously adopted resolutions approving and declaring advisable, and recommending that our stockholders adopt, the New Certificate. The proposed amendments to the Current Certificate are as follows:

Sub-proposal 3A an increase in the number of shares of common stock the Company is authorized to issue from 300 million to 400 million, an increase in the number of shares of preferred stock the Company is authorized to issue from 50 million to 100 million, and the elimination of the Series B convertible preferred stock of the Company that is no longer outstanding.

Table of Contents

Sub-proposal 3B the elimination of the right of the holders of common stock to vote with respect to future amendments to the Certificate of Incorporation that relate solely to the terms of the preferred stock.

Sub-proposal 3C the addition of a provision giving the Board the exclusive authority to set the size of the Board.

Sub-proposal 3D the addition of provisions relating to the Company's classified board structure, the filling of vacancies and the removal of directors. These provisions are now set forth in the Current By-laws.

Sub-proposal 3E the addition of a provision that permits stockholder action by written consent only if such action and the taking of such action by written consent have been previously approved by the Board.

Sub-proposal 3F the addition of a forum selection clause pursuant to which certain legal actions would be subject to the exclusive jurisdiction of the Court of Chancery of the State of Delaware.

Sub-proposal 3G certain non-substantive amendments to eliminate provisions that are no longer necessary due to changes in applicable law, merely repeat what the DGCL otherwise provides, or are otherwise unnecessary or outdated, and to provide additional clarity and/or to address minor matters.

Each of these sub-proposals is described in more detail below.

Sub-proposal 3A An Increase in the Number of Shares of Common Stock the Company is Authorized to Issue from 300 Million to 400 Million, an Increase in the Number of Shares of Preferred Stock the Company is Authorized to Issue from 50 Million to 100 Million, and the Elimination of the Series B Convertible Preferred Stock of the Company that is No Longer Outstanding

As of July 21, 2017, a total of 210,909,739 shares of the Company's currently authorized 300 million shares of common stock were outstanding, and no shares of the Company's currently authorized 50 million shares of preferred stock were outstanding. The proposed increases in the number of authorized but unissued shares of common stock and preferred stock would enable the Company, without further stockholder approval, to issue shares from time to time as may be required for various business purposes, including but not limited to raising additional capital to further the development of the Company's Driftwood LNG project. As previously disclosed, the Company currently estimates that construction costs for the terminal portion of the project will be approximately \$13 to \$16 billion, and that construction costs for the pipeline portion of the project will be approximately \$1.6 to \$2.0 billion, in each case before owners' costs, financing costs and contingencies. We expect to finance part, though not all, of such costs through public and private issuances of common stock and/or preferred stock when we believe market conditions to be favorable.

The proposed increases in the number of authorized shares of common stock and preferred stock would not change the terms of the common stock, and the additional shares of common stock would have rights identical to the currently outstanding common stock. The Current Certificate allows the Board to fix the terms of any series of preferred stock when such stock is issued. As previously disclosed, the holder of shares of Series B convertible preferred stock of the Company (the Series B Preferred Stock) converted the shares of Series B Preferred Stock it held to shares of common stock. As a result, no shares of Series B Preferred Stock or any other series of preferred stock are currently

outstanding. If the New Certificate is adopted, the authorization of the Company to issue additional shares of Series B Preferred Stock will be eliminated. The Company does not currently have any specific plans to issue additional shares of common stock or preferred stock but expects to continue to issue shares of common stock under its equity compensation plans from time to time. In addition, the Board will continue to assess opportunities to issue shares of common stock from time to time under its at-the-market equity sales program or in other potential offerings for capital-raising purposes and may consider issuances of preferred stock from time to time as well. The Board has not proposed an increase in the number of authorized shares of common stock or preferred stock with the intention of discouraging tender offers or takeover attempts relating to the Company.

Table of Contents

The Board recognizes that the issuance of additional shares of common stock and preferred stock may adversely affect the interests of the holders of our stock. For example, in the absence of a proportionate increase in the Company's earnings and book value, an increase in the aggregate number of outstanding shares caused by the issuance of additional shares would dilute the earnings per share and book value per share of all of the existing outstanding shares of stock. However, the Board believes that these potential risks are outweighed by the benefit that an increase in the number of available shares would provide in terms of additional financing flexibility. The Board believes that retaining the ability to act quickly on future opportunities that may require or be facilitated by additional stock issuances will benefit existing stockholders.

Sub-proposal 3B The Elimination of the Right of the Holders of Common Stock to Vote with Respect to Future Amendments to the Certificate of Incorporation that Relate Solely to the Terms of the Preferred Stock

Pursuant to the DGCL and the provisions of the Current Certificate, the stockholder vote required to approve an amendment to the Certificate of Incorporation that relates solely to the terms of one or more series of preferred stock would be (i) the vote of the holders of a majority of the voting power of the outstanding shares of common stock and any shares of preferred stock that vote together with the common stock on all matters voting together as a single class and (ii) the vote of the holders of a majority of the outstanding shares of the affected series of preferred stock. If the proposed amendments are adopted and the New Certificate becomes effective, the only stockholder vote required to approve an amendment to the Certificate of Incorporation that relates solely to the terms of one or more series of preferred stock would be the vote of the holders of a majority of the outstanding shares of the affected series of preferred stock. The vote of the holders of the common stock would not be required. The Board believes that the proposed amendments described in this sub-proposal 3B would allow the Company to avoid the time and expense of having to prepare a proxy statement and hold a meeting of stockholders to obtain the vote of the holders of common stock in order to adopt an amendment to the Certificate of Incorporation related only to the terms of one or more series of preferred stock that are acceptable to the holders of such affected series of preferred stock. The Board also believes that the proposed amendments to this sub-proposal 3B are consistent with the blank check preferred stock authority already granted to the Board under the Current Certificate, which allows the Board to fix the terms and issue new series of preferred stock without the approval of the common stockholders.

Sub-proposal 3C The Addition of a Provision giving the Board the Exclusive Authority to Set the Size of the Board

Under the Current By-laws, the number of directors cannot be less than three or more than eight. Within that limitation, the size of the Board is determined by a majority of the directors then in office. If the proposed amendments to the Certificate of Incorporation are adopted and the New Certificate becomes effective, the provisions related to the size of the Board will be moved from the By-laws to the New Certificate and the cap on the total number of directors will be removed. As a result, the size of the Board would continue to be set by the Board but without a cap. The Board believes that the proposed amendment will give the Board the flexibility to set the size of the Board based on what is most appropriate for the Company at the time. Because the By-laws can be amended unilaterally by the stockholders, the inclusion of this provision in the Certificate of Incorporation (as opposed to the By-laws) means that the stockholders will not be able to unilaterally amend the provision and any further amendments would require the approval of the Board.

Sub-proposal 3D The Addition to the New Certificate of Provisions Relating to the Company's Classified Board Structure, the Filling of Vacancies and the Removal of Directors

The directors are currently divided into three classes with the directors in each class elected to three-year terms. The provisions classifying the Board are included in the Current By-laws. If the proposed amendments are adopted and the New Certificate becomes effective, the provisions classifying the Board, as well as the provisions related to filling

vacancies on the Board and the removal of members of the Board, will be moved from the By-laws to the Certificate of Incorporation. No substantive changes will be made to the classified

Table of Contents

Board, vacancy and removal provisions as a result of moving the provisions from the By-laws to the Certificate of Incorporation. Because the By-laws can be amended unilaterally by the stockholders, the inclusion of classified Board provisions in the Certificate of Incorporation (as opposed to the By-laws) means that the stockholders will not be able to unilaterally amend the classified board, vacancy or removal provisions and any further amendments would require the approval of the Board. The Board believes that having a classified board is in the best interests of stockholders of the Company and that the Board should be involved in any decision to change the structure of the Board.

Sub-proposal 3E The Addition of a Provision that Permits Stockholder Action by Written Consent Only if Such Action and the Taking of Such Action by Written Consent has been Previously Approved by the Board

Pursuant to the DGCL and the Current Certificate, the Company's stockholders are entitled to act either at a meeting of stockholders or by written consent in lieu of a meeting. If the proposed amendments are adopted and the New Certificate becomes effective, stockholders will only be entitled to act by written consent in lieu of a meeting if the action to be taken by written consent and the taking of such action by written consent are approved in advance by the Board. As a result, without prior Board approval, stockholders will be able to act only at a meeting of the stockholders and not by written consent in lieu of a meeting. The Board believes that important matters should be considered at meetings of stockholders, where both the Board and stockholders have the opportunity to express views on proposed actions, participate in deliberations and vote. The Current By-laws require stockholders wishing to propose actions to be taken at a meeting to give advance notice of their intentions so that the Board has a fair opportunity to advise stockholders of its position on the matter proposed and that all stockholders receive notice of, and have an opportunity to voice concerns about, proposed actions affecting the Company. In contrast, the Board believes that stockholder action by written consent could potentially allow a bare majority of stockholders with short-term interests to act on potentially significant matters, without a meeting, without prior notice to all stockholders, and without an opportunity for fair and open discussion among all stockholders of the matter in question.

Sub-proposal 3F The Addition of a Forum Selection Clause Pursuant to which Certain Legal Actions Would be Subject to the Exclusive Jurisdiction of the Court of Chancery of the State of Delaware

If the amendments set forth in sub-proposal 3F are adopted and the New Certificate becomes effective, the Certificate of Incorporation will provide that, unless the Company consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware will be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any current or former director, officer or stockholder of the Company to the Company or the Company's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL, the Certificate of Incorporation or the By-laws or as to which the DGCL confers jurisdiction on the Court of Chancery of the State of Delaware, or (iv) any action asserting a claim governed by the internal affairs doctrine. This amendment is intended to help the Company avoid multiple lawsuits in multiple jurisdictions regarding the same matter. The ability to require such claims to be brought in a single forum will help to assure consistent consideration of the issues and the application of a relatively known body of case law and level of expertise and should promote efficiency and cost savings in the resolution of such claims. The Board believes that Delaware courts are best suited to address disputes involving such matters given that the Company is incorporated in Delaware and that the Delaware courts have a reputation for expertise in corporate law matters. The Board also believes that the Delaware courts have more experience and expertise in dealing with complex corporate issues than many other jurisdictions. At the same time, the Board believes that the Company should retain the ability to consent to an alternative forum on a case-by-case basis where the Company determines that the interests of the Company and its stockholders are best served by permitting such a dispute to proceed in a forum other than the Delaware Court of Chancery.

Sub-proposal 3G Certain Non-substantive Amendments to Eliminate Provisions that are No Longer Necessary due to Changes in Applicable Law, Merely Repeat What the DGCL Otherwise Provides, or are Otherwise Unnecessary or Outdated, and to Provide Additional Clarity and/or to Address Minor Matters.

The remaining proposed amendments are to eliminate certain provisions that are no longer necessary due to changes in applicable law or otherwise, to eliminate provisions that merely repeat what is provided by the DGCL to avoid any implication that the Certificate of Incorporation imposes requirements in addition to those under the DGCL and to clarify and conform certain provisions to Delaware law or make various other clean-up changes. These proposed amendments include:

Removing the specific purposes of the Company and providing that the purpose of the Company is to engage in any lawful act or activity for which corporations may be organized under the DGCL. This clarifies that every lawful is act permissible and that the Company has the flexibility to engage in any action that is lawful without being limited by what was provided for in the recitals of the Company's business or purpose, and eliminates superfluous language;

Simplifying the blank check preferred stock provision to eliminate unnecessary detail;

Removing the provisions related to (i) the retirement of stock, (ii) the perpetual existence of the Company, (iii) the private property of the stockholders not being subject to the debts of the Company, (iv) the explicit authority of the Board to take certain actions (other than the authority to amend the By-laws), (iv) holding meetings of stockholders within or outside of Delaware, (v) keeping the books and records of the Company within or outside of Delaware, (vi) transactions involving interested directors and (vii) the Company's right to amend the Certificate of Incorporation, in each case, as such language merely repeats what is already provided by the DGCL;

Clarifying that the Board may amend the By-laws at a meeting of the Board or by unanimous written consent;

Clarifying that the stockholders may amend the By-laws at a meeting of the stockholders or by written consent (so long as such written consent is permitted by the Certificate of Incorporation); and

Moving the provisions related to indemnification and advancement of expenses to the New By-laws.

Proposed Changes to Current By-laws

As noted above, if the stockholders adopt the proposed amendments and the New Certificate becomes effective in accordance with Delaware law, the Board plans to approve the New By-laws. These changes are generally intended to conform the advance notice provisions of the Current By-Laws to what we believe to be current customary practice, clarify certain administrative matters, including the Company's indemnification and advancement obligations, and provide additional flexibility regarding other administrative matters. The proposed amendments to the Current By-laws include, but are not limited to:

providing for a time period of not earlier than 120 days nor later than 90 days prior to the first anniversary of the preceding year's annual meeting during which notice of any stockholder-proposed business or nominations must be provided to ensure that the Company has sufficient time to assess and respond to any proposed business or nomination in advance of the meeting;

setting forth additional information that must be included in the notice provided by stockholders proposing business or a nomination at an annual or special meeting (as applicable);

providing that a stockholder proposing business or a nomination at an annual or special meeting (as applicable), or such stockholder's qualified representative, must appear at the meeting to present such business or nomination;

clarifying that the Board may postpone, reschedule, adjourn, recess or cancel any annual or special meeting previously scheduled by the Board;

Table of Contents

clarifying that the person presiding over the meeting of stockholders has the authority to make determinations with respect to the rules and conduct of meetings of stockholders;

clarifying that the applicable voting standard for the election of directors is a plurality of the votes cast;

providing that the applicable voting standard for all other matters will be a majority of votes cast (unless a different or minimum vote is provided by the Certificate of Incorporation, the By-laws or any rules or regulations applicable to the Company or its securities, in which case, such different or minimum vote shall be the applicable vote on the matter);

electing that the Company be governed by Section 141(c)(2) of the DGCL with respect to the creation of committees of the Board, which permits the Board to create a committee by a vote of a majority of the quorum (as opposed to a majority of the whole Board) and setting forth fewer restrictions on the actions that may be delegated by the Board to a committee than does Section 141(c)(1) of the DGCL, which currently applies to the Company; and

providing for mandatory indemnification and advancement of expenses for directors and officers (as such term is defined in the By-laws) of the Company.

The amendments to the By-laws include other changes intended to clarify and conform various provisions of the By-laws to the New Certificate and the DGCL.

Potential Anti-Takeover Effects of Proposed Changes

Some of the proposed changes reflected in the New Certificate and the New By-laws may have the effect of discouraging a tender offer, proxy contest or other attempt to obtain control of the Company. The Company is not aware of any present or threatened third-party plans to gain control of the Company, and the proposed changes are not being recommended in response to any such plan or threat. Rather, the Board is recommending the changes as part of its review of the Company's key governance documents and, in part, to assist in assuring fair and equitable treatment for all of the Company's stockholders in potential future hostile takeover situations. The Board has no present intention of soliciting a stockholder vote on any other proposals relating to a possible takeover of the Company. Aspects of the proposed changes with potential anti-takeover implications are as follows:

Each of sub-proposals 3A through 3B would have the effect of increasing the Board's flexibility in raising equity capital in the future. The Board could use this flexibility to resist a possible hostile takeover attempt in the future, for example, by issuing shares to a third party who the Board expects to vote in a manner consistent with the Board's recommendations.

If sub-proposal 3D is implemented, provisions establishing the Company's classified board structure would be moved from the Current By-laws to the New Certificate. A classified board structure can have anti-takeover effects in that it can increase the amount of time required for a potential hostile acquirer to obtain control of the Company without the cooperation of the Board, even if the potential acquirer acquires a

majority of the voting power of the outstanding voting securities. Without the ability to obtain immediate control of the Board, the potential acquirer would not be able to take action to remove other impediments to an acquisition of the Company. While the Company will continue to have a classified board structure regardless of whether the New Certificate is adopted, moving the classified board provisions from the Current By-laws to the New Certificate takes away the stockholders' ability to amend the classified board provisions unilaterally. Instead, the approval of the Board would be required to make any such amendments. This is because, under the DGCL, changes to a company's certificate of incorporation must be approved both by a company's board of directors and its stockholders, whereas changes to a company's by-laws can be made by the stockholders unilaterally.

Sub-proposal 3C would have the effect of protecting the effectiveness of the Company's classified board structure as a takeover defense in that it would prevent a potential hostile acquirer from obtaining

Table of Contents

immediate control of the Board by increasing the size of the Board to a number that would allow it to obtain a majority of the Board and then filling the vacancies.

If sub-proposal 3E is implemented, a potential hostile acquirer would be unable to use a written stockholders consent procedure to further a takeover attempt, as stockholder action by written consent would be permitted only if first approved by the Board.

For these reasons, the proposed changes contemplated by the New Certificate and the New By-laws could discourage certain takeover attempts, possibly including some takeovers that holders of a majority of the Company's stock may feel would be in their best interests. Although these changes could make it more difficult for a hostile bidder to acquire control over the Company, the Board believes that by forcing potential bidders to negotiate with the Board for a change of control transaction, the Board will be better able to maximize stockholder value in any change of control transaction.

Vote Required for Approval

Approval of sub-proposals 3A through 3G will each require the affirmative vote of the holders of a majority of the outstanding shares of common stock.

If you fail to vote or submit a proxy, fail to instruct your broker to vote, or mark your proxy or voting instructions to abstain, it will have the same effect as a vote **AGAINST** sub-proposals 3A through 3G, assuming that a quorum exists.

**PROPOSAL 4 PROPOSAL TO APPROVE AND ADOPT AN AMENDED AND RESTATED TELLURIAN
2016 OMNIBUS INCENTIVE COMPENSATION PLAN**

General

In September 2016, the Magellan board of directors approved the Magellan Petroleum Corporation 2016 Omnibus Incentive Compensation Plan (the "Magellan 2016 Plan"), subject to Magellan stockholder approval. The effective date for the Magellan 2016 Plan was February 9, 2017, the date it was approved by Magellan stockholders. Upon the completion of the Merger, the Magellan 2016 Plan was renamed the Tellurian Inc. 2016 Omnibus Incentive Compensation Plan (the "Tellurian 2016 Plan").

The Board believes that the Tellurian 2016 Plan plays an important role in the Company's human resource and business strategy by allowing it to continue to appropriately attract, motivate, and retain experienced and highly qualified individuals who are in a position to contribute materially to the success and long-term objectives of the Company. Consistent with the Company's compensation philosophy, the Board believes that stock-based compensation fosters and strengthens a sense of proprietorship and personal involvement in the Company's success. By holding a personal stake in the Company, these individuals are encouraged to devote their best efforts towards the achievement of the Company's business objectives and success, thereby advancing the interests of the Company and its stockholders. The use of equity as part of the Company's compensation program is important because it fosters a pay-for-performance culture, which is an important element of the Company's overall compensation philosophy. The Board believes that equity compensation motivates participants to create shareholder value, since the value realized from the equity compensation is based on the Company's stock performance. At the same time, management and the Board of Tellurian are cognizant of the expense attributable to compensatory stock awards, as well as potential dilution to existing stockholders, and strive to maintain both at appropriate levels.

Proposed Amendment and Restatement

In July 2017, upon the recommendation of the Compensation Committee, the Board approved an amendment and restatement of the Tellurian 2016 Plan (the "Restated 2016 Plan"), subject to stockholder approval, including the material terms of the performance goals set forth in the Restated 2016 Plan for purposes of Section 162(m) of the Code.

Set forth below is a summary of the key changes being made to the existing Tellurian 2016 Plan by virtue of the Restated 2016 Plan:

Share Counting The Restated 2016 Plan would count against the number of shares of common stock available for grant one share for each share subject to an award, except that following the effectiveness of the Restated 2016 Plan, options and stock appreciation rights would count against the number of shares available for grant under the Restated 2016 Plan 0.4 shares for each share subject to an award of an option or stock appreciation right. The Company believes that this share counting provision better reflects the value relationship between a share of common stock and an option or stock appreciation right. Under the existing Tellurian 2016 Plan, each share subject to an award counts against the maximum share authorization by one share, regardless of the type of award. The Restated 2016 Plan would also provide that shares withheld to satisfy the exercise price and/or tax withholding obligations related to an award will be again available for grant under the Restated 2016 Plan. As a result of the share counting provision, the Company could end up issuing under the Restated 2016 Plan more than the 40,000,000 shares of common stock reserved for

issuance under the existing Tellurian 2016 Plan, depending on the mix of common stock, options, stock appreciation rights, and other awards ultimately issued to participants. The Board has not determined how the remaining shares available for issuance under the Restated 2016 Plan might be allocated among the various types of equity incentive awards.

Annual Limits for Director Awards The Restated 2016 Plan would impose an annual limit on the aggregate maximum value of shares that may be subject to awards granted to any non-employee director of \$2,000,000 (based on fair market value on the date of grant) in any calendar year. Further,

Table of Contents

the Restated 2016 Plan provides that non-employee directors may not be granted shares in any fiscal year that, taken together with any cash fees paid for service during such fiscal year, exceed \$2,000,000 in total value (based on fair market value on the date of grant). Under the existing Tellurian 2016 Plan, there was no director-specific annual limit on the value of shares that could be granted in any calendar or fiscal year. The Company determined to adopt director compensation limits after consideration of so-called "best pay practices" and shareholder derivative litigation in recent years at other publicly traded corporations.

Section 162(m) Compliance Section 162(m) limits the Company's ability to deduct for federal income tax purposes any compensation in excess of \$1 million paid to its chief executive officer and certain other highly compensated officers, unless the compensation qualifies as performance-based compensation. The proposed Restated 2016 Plan would make various enhancements to the Section 162(m)-related provisions of the Tellurian 2016 Plan in order to ensure that the Compensation Committee has the ability to grant awards that are intended to comply with the exception to the limitation on deductibility of compensation under Section 162(m) of the Code. These enhancements include revisions of the menu and measure of available performance goals (and adjustments thereto), clarifications of the Compensation Committee's role in determining and certifying the achievement of those performance goals, and modifications of certain provisions applicable in connection with a termination of a participant's employment that might otherwise limit the ability to grant qualified performance-based compensation under the Restated 2016 Plan.

By contrast to the Tellurian 2016 Plan, which placed individual award limits for purposes of Section 162(m) of the Code for stock awards and for cash awards, the Restated 2016 Plan would provide separate Section 162(m) individual annual limits for stock awards in respect of options and stock appreciation rights, on the one hand, and for stock awards other than options and stock appreciation rights, on the other hand. Specifically, the Restated 2016 Plan would provide that in any one calendar year, a participant may not receive stock awards under the plan in respect of options and stock appreciation rights in excess of 10,000,000 shares, and may not receive stock awards under the plan pursuant to awards other than options or stock appreciation rights in excess of 10,000,000 shares. With respect to cash awards, the maximum aggregate award that a participant may earn in any calendar year will continue to be equal to the value of 10,000,000 shares (as of the time of payment or settlement).

The Restated 2016 Plan also clarifies the Compensation Committee's ability to exercise so-called "negative discretion" to reduce the amount of a performance-based award payable. Finally, the Restated 2016 Plan requires the proportionate adjustment of the individual annual award limitations to account for performance periods based on achievement of business criteria over periods other than one calendar year.

Impact of a Change of Control Under the proposed Restated 2016 Plan, the terms of individual award agreements would determine the treatment of awards upon a change of control. Further, under the Restated 2016 Plan, except as otherwise provided under an award agreement, the Plan Administrator (as defined below in "Administration") would have the sole discretion to determine how to treat outstanding awards upon a change of control event, including accelerating vesting, causing restrictions to lapse, assuming or substituting awards, purchasing awards for cash, or cancelling awards in exchange for cash. The Plan Administrator would also have the sole discretion to accelerate vesting or cause the lapse of vesting restrictions of all or any portion of an award at any time. By contrast, the existing Tellurian 2016 Plan provided that unless otherwise provided in an award agreement, outstanding awards would become fully vested and exercisable and free of restrictions upon a change of control of the Company.

Table of Contents

Termination of Employment or Other Service The Restated 2016 Plan would implement the Company's standard cause definition as the default definition applicable to all employee participants, while preserving the ability of the Plan Administrator to apply a different cause definition in an award agreement rather than the default definition in the plan document. Terms with respect to Good Reason terminations by a participant have been removed from the Restated 2016 Plan; instead, the award agreement would set forth the right (if any) of the participant to terminate employment for good reason.

Elimination of Repricing of Options and Stock Appreciation Rights The Restated 2016 Plan would eliminate provisions that would have permitted the Plan Administrator to cancel outstanding options and/or stock appreciation rights with the consent of the participant, in exchange for the grant of a new award with an exercise price not less than fair market value on the date of the new grant. Such repricings are generally considered a problematic pay practice from a corporate governance perspective.

Existing Tellurian Plans

The Company currently makes equity-based awards to employees, consultants and directors under the Tellurian 2016 Plan. As of July 21, 2017, there were approximately 34,307,713 shares of Tellurian common stock reserved and available for future awards under the Tellurian 2016 Plan. If the proposed Restated 2016 Plan is approved by stockholders, future equity awards to employees and directors will be made from the Restated 2016 Plan. Awards outstanding under the Tellurian 2016 Plan prior to the effectiveness of the proposed Restated 2016 Plan would remain subject to the terms and conditions of the existing Tellurian 2016 Plan.

In connection with the effectiveness of the Tellurian 2016 Plan upon stockholder approval, the Company ceased granting additional awards under the Magellan 2012 Omnibus Incentive Compensation Plan (the Magellan 2012 Plan) and the Magellan 1998 Stock Incentive Plan (the Magellan 1998 Plan). Equity awards previously granted under the Magellan 2012 Plan and the Magellan 1998 Plan will remain outstanding in accordance with their terms.

Description of the Amended and Restated Tellurian 2016 Omnibus Incentive Compensation Plan

The following is a general summary of the material provisions of the Restated 2016 Plan and is qualified in its entirety by the full text of the Restated 2016 Plan, which is attached to this proxy statement as Appendix C-1. A complete version of the Restated 2016 Plan, showing proposed changes to the Tellurian 2016 Plan in ~~strikethrough~~ and underlined text, as applicable, is attached to this proxy statement as Appendix C-2. Capitalized terms not defined in the summary are defined in the plan document.

Term of Plan. The Restated 2016 Plan will expire 10 years from the date of its approval by the Tellurian stockholders.

Participants. Employees, directors, officers and consultants are considered eligible participants under the Restated 2016 Plan. As of July 21, 2017, there were approximately 100 full-time employees, seven non-employee directors, and two consultants of the Company that would be eligible to participate in the Restated 2016 Plan if it were to become effective.

Shares Authorized. The maximum share authorization reserved for issuance under the Restated 2016 Plan is 40,000,000 common shares, plus any remaining authorized common shares available under the Magellan 2012 Plan (and not subject to outstanding awards under the Magellan 2012 Plan) immediately before the effective date of the Tellurian 2016 Plan. The shares to be delivered under the Restated 2016 Plan may be made available from any combination of shares held in the Company's treasury or authorized but unissued shares of the Company's common stock. The maximum number of shares that may be granted pursuant to Incentive Stock Options is 5,000,000 common

shares, subject to adjustment as described below.

Table of Contents

Under the Restated 2016 Plan, (i) the maximum aggregate grant with respect to shares that a participant may be granted in any one calendar year under the plan pursuant to awards other than options or stock appreciation rights shall be 10,000,000 shares; (ii) the maximum aggregate grant with respect to shares that a participant may be granted in any one calendar year under the plan pursuant to awards of options or stock appreciation rights shall be 10,000,000 shares; and (iii) with respect to a grant of cash, the maximum aggregate award that a participant may earn in any one calendar year shall be equal to the value of 10,000,000 shares of common stock (calculated as of the time of payment or settlement). Each of the foregoing calendar-year limits shall be proportionately adjusted upward or downward for any period of performance longer or shorter than twelve (12) months.

In addition to the foregoing limits, and subject to adjustment as provided in the Restated 2016 Plan, no non-employee director may be granted, in any one calendar year, awards specifically granted under the Restated 2016 Plan with an aggregate maximum value (calculated based on the fair market value of a share as of the grant date) of more than \$2,000,000. The maximum number of shares subject to awards granted under the Restated 2016 Plan or otherwise during any one fiscal year to any director, taken together with any cash fees paid by the Company to such director during such fiscal year for service as a director shall not exceed \$2,000,000 in total value (calculated based on the fair market value of a share as of the grant date), including for this purpose, the value of any stock-based awards that are received in lieu of all or a portion of any annual committee cash retainers or other similar cash-based payments and excluding, for this purpose, the value of any dividend equivalent payments paid pursuant to any stock-based award granted in a previous fiscal year. On July 21, 2017, the closing price of Tellurian common stock as reported on the Nasdaq Capital Market was \$9.01 per share.

Shares covered by an award under the Restated 2016 Plan shall only be counted as used to the extent they are actually issued; provided, however, that any shares subject to awards of options or stock appreciation rights granted on or after the Restatement Effective Date shall be counted as 0.4 shares for every share granted, and any shares subject to awards other than options or stock appreciation rights granted on or after the Restatement Effective Date shall be counted against this limit as one share for every share granted. Shares related to awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of the shares, or are withheld to satisfy the exercise price (in the case of an option) and/or the tax withholding obligations relating to an award, or are settled in cash in lieu of shares, will again be available for grant under the Restated 2016 Plan. The full number of stock appreciation rights that are to be settled by the issuance of shares and the full number of incentive stock options granted will be counted against the number of shares authorized for award under the Restated 2016 Plan, regardless of the number of shares actually issued upon settlement of such stock appreciation rights or upon exercise of such incentive stock options.

The number of shares authorized to be issued under the Restated 2016 Plan, as well as individual limitations and exercise prices, will be subject to adjustments for stock dividends, stock splits, recapitalizations, mergers, or similar corporate events. No adjustments will be made with respect to a participant's award if such adjustments would result in adverse taxation under Section 409A of the Code.

Administration. Unless otherwise specified by the Board, the Compensation Committee will be the plan administrator for the Restated 2016 Plan (the Plan Administrator). The Plan Administrator is responsible for administering the Restated 2016 Plan and has the discretionary power to interpret the terms and intent of the Restated 2016 Plan and any related documentation, to determine eligibility for awards and the terms and conditions of awards, to adopt rules, regulations, forms, instruments, and guidelines for the Restated 2016 Plan, and to exercise such powers and perform such acts as are deemed necessary or advisable to promote the best interests of the Company with respect to the Restated 2016 Plan. Determinations of the Plan Administrator made under the Restated 2016 Plan are final and binding. The Plan Administrator may designate the appropriate employees or other agents of the Company to handle the day-to-day administrative matters of the Restated 2016 Plan, and may delegate, by resolution adopted by the Board or the Compensation Committee, to a committee of one or more members of the Board and/or to one or more

executive officers of the Company the authority to grant awards under the Restated 2016 Plan, subject to the terms of the plan and any additional limitations as may

Table of Contents

be contained in resolutions adopted by the Board or the Compensation Committee from time to time, and except as otherwise necessary to satisfy the requirements of Section 162(m) of the Code with respect to awards intended to qualify as performance-based compensation under Section 162(m) and the requirements of Rule 16b-3 under the Exchange Act with respect to awards granted under the plan to participants who are or are reasonably expected to become subject to the requirements of Section 16 of the Exchange Act.

Awards. The Restated 2016 Plan provides for the granting of the following types of awards:

Stock options

Stock appreciation rights

Restricted stock and/or restricted stock units

Performance shares and/or performance units

Incentive awards

Cash awards

Other stock-based awards

The various types of awards that may be granted under the Restated 2016 Plan are designed to allow the Company to respond to changes in compensation trends and practices, tax laws, accounting standards, and the size and diversity of its business.

Award Terms. All awards to participants under the Restated 2016 Plan are subject to the terms, conditions, and limitations as determined by the Plan Administrator.

Under the Restated 2016 Plan, participants may be granted either incentive stock options that comply with the requirements of Section 422 of the Code (if they are employees) or nonqualified stock options that do not comply with those requirements (which may be granted to all eligible participants). Stock options must have an exercise price per share that is not less than the fair market value of the Company's common stock on the date of grant. Stock options have a maximum term of ten (10) years from the date of grant. Participants generally may pay the exercise price with cash or its equivalent, by means of a broker-assisted cashless exercise, with previously acquired shares of the Company's common stock, by a net exercise arrangement, or by any other means approved by the Plan Administrator.

Stock appreciation rights may be granted under the Restated 2016 Plan in tandem with a stock option, in whole or in part, or may be granted separately. The exercise price of a stock appreciation right may not be less than the fair market value of the Company's common stock on the date of grant. Specifically, the Plan Administrator may not amend the terms of an outstanding stock appreciation right to reduce the grant price, cancel it and replace it with a new stock

appreciation right with a lower grant price, or cancel an outstanding stock appreciation right with a grant price above the then-current fair market value of the Company's common stock in exchange for another type of award. Stock appreciation rights have a maximum term of ten (10) years from the date of grant.

A restricted stock award consists of shares of stock that are transferred to the participant, subject to restrictions that may result in forfeiture if specified conditions are not satisfied. A holder of restricted stock is treated as a current stockholder and is entitled to voting rights and to receive dividends. The Plan Administrator may require that the dividend be paid in cash or shares on the dividend payment date, or accrued and/or reinvested in additional shares and paid at the time the restricted stock vests and settles. A restricted stock unit award results in the transfer of shares of stock or cash to the participant only after specified conditions are satisfied. Rights to dividend equivalents, payable in cash or shares on the dividend payment date or accrued and/or reinvested in additional shares and paid at the time the restricted stock units vest and are settled, may be

Table of Contents

extended to and made part of any restricted stock unit award, at the discretion of the Plan Administrator. A holder of a restricted stock unit award is treated as a stockholder with respect to the award only when the shares of common stock are delivered upon vesting and settlement of the award. Except as permitted by the Plan Administrator and specified in the award agreement, restricted stock and restricted stock unit awards settled in stock that are not performance-based will vest over a minimum period of one (1) year, and restricted stock and restricted stock unit awards settled in stock that are performance-based will vest over a minimum period of one (1) year.

A performance award (whether granted as a performance share or a performance unit) consists of a grant made subject to the attainment of one or more performance goals for a specified performance period (as determined by the Plan Administrator), which except as permitted by the Plan Administrator and specified in the award agreement, will be a minimum performance period of one (1) year. Performance awards may be intended to meet the requirements for qualified performance-based compensation under Section 162(m) of the Code. Performance awards will only be earned by participants if the performance goals are met for the performance period. At the discretion of the Plan Administrator and as prescribed in the award agreement, payment may be made in the form of cash, shares, or a combination of cash and shares. Rights to dividend equivalents, payable in cash and/or shares (including reinvestment in additional shares) and paid at the time the performance award vests and settles, may be extended to and made part of any performance award, at the discretion of the Plan Administrator.

Cash awards may be made to participants as determined by the Plan Administrator. The Plan Administrator will determine the terms and conditions of such cash awards, including whether the payout of such awards is subject to the achievement of performance goals.

Other stock-based awards may be equity-based or equity-related awards other than stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, or performance units. The terms and conditions of other stock-based awards will be determined by the Plan Administrator. Payment under any other stock-based awards may be made in common stock or cash, as determined by the Plan Administrator.

Termination of Employment or Other Service

The participant's award agreement applicable to each award under the Restated 2016 Plan shall set forth the effect of a termination of employment or other service upon such award; provided, however, that, except as set forth otherwise in a participant's award agreement or as determined by the Plan Administrator, all of a participant's unvested and/or unexercisable awards will automatically be forfeited. Following termination, a participant generally will be permitted to exercise the vested portion of an option or stock appreciation right for ninety (90) days following termination, or in the case of a termination by reason of death or disability, for one (1) year following termination, but in each case, in no event following the expiration of the term of such option or stock appreciation right as set forth in the award agreement. Upon a termination for cause, a participant shall cease to be permitted to exercise any portion of an option or stock appreciation right (whether vested or unvested) following termination.

Treatment of Awards Upon a Change of Control

The participant's award agreement applicable to each award under the Restated 2016 Plan will set forth the effect of a change of control upon such award. Unless otherwise provided in a participant's award agreement, in the event of a change of control of the Company, awards shall be treated in accordance with one or more of the following methods, as determined by the Plan Administrator in its sole discretion: The Plan Administrator may (i) accelerate, vest or cause the restrictions to lapse with respect to all or any portion of an award; (ii) provide for any such awards, whether or not then vested, to be continued, assumed, have new rights substituted therefor or be adjusted in accordance with the Restated 2016 Plan's adjustment provisions; or (iii) provide for the purchase of any awards by the Company or an

affiliate for an amount of cash equal to the highest price per share of common stock paid in any transaction related to the change of control, less, in the case of options and stock appreciation rights, the

Table of Contents

aggregate exercise price. In addition, the Plan Administrator may, in its sole discretion, provide for the cancellation of any options and stock appreciation rights without payment, if the change of control price is less than the applicable exercise price. The Plan Administrator may, in its sole discretion, accelerate, vest, or cause the restrictions to lapse with respect to all or any portion of an award at any time.

Clawback Provision. Each participant's award shall be subject to repayment or forfeiture in accordance with any policy of the Company, any provision of applicable law, including the Sarbanes-Oxley Act of 2002 and/or the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, regardless of whether specified in the applicable award agreement.

Transferability of Awards. Award rights may not be transferred, assigned, pledged, or hypothecated in any manner, whether by operation of law or otherwise, other than by will or by the applicable laws of descent and distribution, unless the participant has received the Plan Administrator's prior written consent.

Amendment to the Plan. Subject to approval of the Board with respect to amendments that are required by law or regulation or stock exchange rules to be submitted to the stockholders of the Company for approval, the Board or the Compensation Committee may amend the Restated 2016 Plan as it may deem proper and in the best interests of Tellurian. However, to the extent required by applicable law, regulation, or stock exchange rule, stockholder approval will be required. No change can be made to any award granted under the Restated 2016 Plan without the consent of the participant if such change would impair the rights of the participant under the provisions of the award.

Section 162(m) Performance Goals

The plan proposal includes the approval of the material terms of the Code Section 162(m) performance goals under the plan, including (i) the participants eligible to receive compensation under the Restated 2016 Plan; (ii) a description of the business criteria on which the performance goal is based; and (iii) the maximum amount of compensation that can be paid to a participant if the performance goal is achieved. These aspects of the Restated 2016 Plan are described below. This summary is qualified in its entirety by reference to the complete text of the Restated 2016 Plan, which is attached to this proxy statement as [Appendix C-1](#).

Eligibility

As described above, all of the Company's directors, officers, employees and certain consultants are eligible to receive awards under the Restated 2016 Plan.

Performance Goals

The Plan Administrator may grant awards subject to one or more performance goals. In making awards intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m), the Compensation Committee must base a performance goal on at least one or more of the following Performance Goals set below (collectively the Performance Goals): (A) earnings; (B) earnings per share; (C) revenue (including increased revenues); (D) profit measures (including gross profit, operating profit, economic profit, net profit before taxes and adjusted pre-tax profit); (E) cash flow measures (including cash flow return on capital, cash flow return on tangible capital, net cash flow and net cash flow before financing activities); (F) return measures (including return on equity, return on assets, return on capital, risk-adjusted return on capital, return on investors' capital and return on average equity); (G) equity ratios; (H) gross margin; (I) net income measures (including income after capital costs and income before or after taxes); (J) earnings; (K) pretax earnings; (L) earnings before interest, taxes, depreciation and amortization (EBITDA); (M) earnings before taxes and depreciation (EBTD); (N) earnings before interest and taxes

(EBIT); (O) earnings before interest, taxes, depreciation, amortization, and exploration expenses (EBITDAX); (P) pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; (Q) operating measures

(including operating income, funds from operations, cash from operations, after-tax operating income; sales volumes, production volumes and production efficiency); (R) stock price measures (including growth measures and total stockholder return); (S) debt reduction; (T) price per share; (U) market share; (V) earnings per share or adjusted earnings per share (actual or growth in); (W) economic value added (or an equivalent metric); (X) market value added; (Y) debt to equity ratio; (Z) expense measures (including overhead cost and general and administrative expense); (AA) changes in working capital; (BB) margins; (CC) stockholder value; (DD) proceeds from dispositions; (EE) total market value; (FF) customer satisfaction or growth; (GG) contracted LNG quantity; (HH) construction milestones; (II) engineering milestones; (JJ) execution of engineering, procurement and construction agreements; (KK) implementation, completion or attainment of measurable objectives with respect to financing or construction of entire projects or stages of projects; (LL) regulatory milestones; (MM) completion of regulatory filings; (NN) receipt of and compliance with regulatory approvals; (OO) receipt of a commitment of financing or refinancing; (PP) closing of financing or refinancing; (QQ) execution of commercial agreements; (RR) achievement of safety standards; (SS) fuel usage; (TT) asset quality levels; (UU) asset sale targets; (VV) investments; (WW) satisfactory internal or external audits; (XX) achievement of balance sheet or income objectives; (YY) employee retention/attrition rates; (ZZ) improvements of financial ratings; (AAA) charge-offs; (BBB) million British thermal units (MMBtu) growth per net debt-adjusted share; (CCC) reaching a final investment decision; (DDD) fuel usage; (EEE) cost of production; (FFF) management of risk; (GGG) investments; (HHH) assets; (III) value of assets; and (JJJ) non-performing assets.

For any awards intended to qualify under Section 162(m) of the Code, the grant or vesting of such awards may be based upon one or more of the foregoing performance goals that apply to the specified participant, one or more business units of the Company, or the Company as a whole. The Plan Administrator will determine the performance goals applicable to any such awards at the time the awards are granted; these goals may be measured based on performance over a specified performance period, or may be determined based on whether or not the goals are satisfied at any time prior to the expiration of a specified performance period, whether annually or cumulatively over a period of time, on an absolute basis or relative to the pre-established target, or to previous years' results. Any performance measure(s) may be used in comparison to the performance of a group of peer companies, as the Compensation Committee, in its sole discretion, deems appropriate.

Prior to the payment of any award based on the achievement of performance goals intended to qualify under Section 162(m) of the Code, the Compensation Committee must certify in writing that the applicable performance goals and any material terms were, in fact, satisfied. The Compensation Committee cannot adjust an award intended to meet the requirements of Section 162(m) of the Code upward for a participant, but retains the discretion to adjust any such award downward.

Maximum Payment Limitations

Under the Restated 2016 Plan, (i) the maximum aggregate grant with respect to shares that a participant may be granted in any one calendar year under the plan pursuant to awards other than options or stock appreciation rights shall be 10,000,000 shares; (ii) the maximum aggregate grant with respect to shares that a participant may be granted in any one calendar year under the plan pursuant to awards of options or stock appreciation rights shall be 10,000,000 shares; and (iii) with respect to a grant of cash, the maximum aggregate award that a participant may earn in any one calendar year shall be equal to the value of 10,000,000 shares of common stock (calculated as of the time of payment or settlement). Each of the foregoing calendar-year limits shall be proportionately adjusted upward or downward for any period of performance longer or shorter than twelve (12) months.

United States Federal Income Tax Consequences

The following is a brief summary of certain of the U.S. federal income tax consequences of certain transactions under the Restated 2016 Plan as normally operated and is not intended to provide or supplement tax advice to eligible employees, consultants or directors. The summary contains general statements based on current

Table of Contents

U.S. federal income tax statutes and regulations and currently available interpretations thereof. This summary is not intended to be exhaustive and does not describe state, local or foreign tax consequences or the effect, if any, of gift, estate and inheritance taxes.

Incentive Stock Options. Incentive Stock Options are subject to special federal income tax treatment. No federal income tax is imposed on the optionee upon the grant of an Incentive Stock Option. The optionee would recognize no ordinary taxable income upon exercise of an Incentive Stock Option or later disposition of shares acquired pursuant to his or her exercise of an Incentive Stock Option if the optionee (a) does not dispose of the shares acquired pursuant to the exercise within the two-year period beginning on the date that the stock option was granted or within the one-year period beginning on the date that the stock option was exercised (collectively, the holding period) and (b) is an employee of the Company or any of its subsidiaries at all times beginning on the date of grant and ending on the date three months before the date of exercise. With respect to an Incentive Stock Option, the difference between the fair market value of the stock on the date of exercise and the exercise price must generally be included in the optionee's alternative minimum taxable income for the year in which such exercise occurs. However, if the optionee exercises an Incentive Stock Option and disposes of the shares received in the same taxable year and the amount realized is less than the fair market value of the shares on the date of exercise, then the amount included in the alternative minimum taxable income of the optionee will not exceed the amount realized over the adjusted basis of the shares.

Upon disposition of the shares received upon exercise of an Incentive Stock Option after the holding period, any appreciation of the shares above the exercise price should constitute capital gain. In such event, the Company would not be entitled to any deduction for federal income tax purposes in connection with the grant or exercise of the Incentive Stock Option or the disposition of the shares so acquired. If an optionee disposes of shares acquired pursuant to his or her exercise of an Incentive Stock Option prior to the end of the holding period, the optionee will be treated as having received, at the time of disposition, compensation taxable as ordinary income. In such event, and subject to the application of Section 162(m) of the Code as discussed below, the Company may claim a deduction for compensation paid at the same time and in the same amount as compensation is treated as received by the optionee. The amount treated as ordinary income is the excess of the fair market value of the shares at the time of exercise (or in the case of a sale in which a loss would be recognized, the amount realized on the sale if less) over the exercise price; any amount realized in excess of the fair market value of the shares at the time of exercise would be treated as short-term or long-term capital gain, depending on the holding period of the shares.

Non-qualified Stock Options and Stock Appreciation Rights. As a general rule, no federal income tax is imposed on the optionee upon the grant of a non-qualified stock option such as those under the Restated 2016 Plan (whether or not including a tandem Stock Appreciation Right), and the Company is not entitled to a tax deduction by reason of such grant. Generally, upon the exercise of a non-qualified stock option, the optionee will be treated as receiving compensation taxable as ordinary income in the year of exercise in an amount equal to the excess of the fair market value of the shares of stock at the time of exercise over the option price paid for such shares. In the case of the exercise of a stock appreciation right, the optionee will be treated as receiving compensation taxable as ordinary income in the year of exercise in an amount equal to the cash received and/or the fair market value of the shares distributed to the optionee, determined based on the excess of the fair market value of the shares of common stock covered by the portion of the stock appreciation rights being exercised over the exercise price for such shares. Upon the exercise of a non-qualified stock option or a stock appreciation right, and subject to the application of Section 162(m) of the Code as discussed below, the Company may claim a deduction for compensation paid at the same time and in the same amount as compensation income is recognized by the optionee assuming any federal income tax reporting requirements are satisfied. Upon a subsequent disposition of the shares received upon exercise of a non-qualified stock option or a stock appreciation right, any difference between the fair market value of the shares at the time of exercise and the amount realized on the disposition would be treated as long-term or short-term capital gain or loss, depending on the holding period of the shares.

Table of Contents

Restricted Stock Awards. Subject to the special rules discussed below relating to elections made under Section 83(b) of the Code, the recipient of a restricted stock award will not realize taxable income at the time of grant, and the Company will not be entitled to a deduction at that time, assuming that the restrictions constitute a substantial risk of forfeiture for federal income tax purposes. When the risk of forfeiture with respect to the stock subject to the award lapses and the participant vests in the underlying shares, the holder will realize ordinary income in an amount equal to the fair market value of the shares of common stock at such time, and, subject to Section 162(m) of the Code, the Company will be entitled to a corresponding deduction. All dividends and distributions (or the cash equivalent thereof) with respect to a restricted stock award paid to the holder before the risk of forfeiture lapses will also be compensation income to the holder when paid and, subject to Section 162(m) of the Code, deductible as such by the Company. Upon a subsequent disposition of the shares received pursuant to a restricted stock award for which a Section 83(b) election was not made, the difference between the amount realized on the disposition of the shares and the fair market value of the shares on the date the substantial risk of forfeiture lapsed would be treated as a capital gain or loss. The gain or loss will be long-term or short-term, depending on how long the participant held the stock.

Notwithstanding the foregoing, the holder of a restricted stock award subject to a substantial risk of forfeiture may make an election under Section 83(b) of the Code to be taxed at the time of grant of the restricted stock award (rather than the date on which the substantial risk of forfeiture lapses) based on the fair market value of the shares of common stock on the date of the award, less any purchase price paid, in which case (a) subject to Section 162(m) of the Code, the Company will be entitled to a deduction at the same time and in the same amount, (b) dividends paid to the recipient during the period the forfeiture restrictions apply will be taxable as dividends and will not be deductible by the Company, and (c) there will be no further federal income tax consequences when the risk of forfeiture lapses. Such election must be made not later than 30 days after the grant of the restricted stock award and is irrevocable. Upon a subsequent disposition of restricted stock award shares for which the Section 83(b) election is made, the difference between the fair market value of the shares on the disposition date and the fair market value of the shares on the date of grant would be treated as a capital gain or loss. The gain or loss will be long-term or short-term, depending on how long the participant held the stock.

Performance Shares, Incentive Awards and Other Stock-Based Awards. In addition to the types of awards described above, the Restated 2016 Plan authorizes certain other awards that may include payments in cash, common stock, or a combination of cash and common stock. The tax consequences of such awards will depend on the specific terms of such awards. Generally, however, a participant who receives an award payable in cash will recognize ordinary income with respect to such cash award when paid, and the Company will be entitled to a corresponding deduction at that time. In general, a participant who has been granted a performance share award, an incentive award or an other stock-based award generally will not realize taxable income at the time of grant, and the Company will not be entitled to a deduction at that time. Whether a performance share award, an incentive award or an other stock-based award is paid in cash or shares of common stock, the participant will have taxable compensation and, subject to the application of Section 162(m) of the Code as discussed below, the Company will have a corresponding deduction. The measure of such income and deduction will be the amount of any cash paid and the fair market value of any shares of common stock either at the time the performance share award, an incentive award or an other stock-based award is paid or at the time any restrictions on the shares subsequently lapse, depending on the nature, if any, of the restrictions imposed. Any dividend equivalents paid with respect to a performance share award, an incentive award or an other stock-based award prior to the actual issuance of shares under the award will be compensation income to the participant and, subject to the application of Section 162(m) of the Code as discussed below, deductible as such by the Company. Upon a subsequent disposition of the shares received pursuant to a performance share award, an incentive award or an other stock-based award, the difference between the amount realized on the disposition of the shares and the fair market value of the shares on the vest date would be treated as a capital gain or loss. The gain or loss will be long-term or short-term, depending on how long the participant held the stock.

Section 162(m) of the Code. In general, Section 162(m) of the Code imposes a limit of \$1 million on the amount that a publicly held corporation may deduct for federal income tax purposes for compensation paid to the

company's covered employees (generally, its chief executive officer and three other executive officers (other than its chief financial officer) whose compensation is disclosed in its Annual Report who are employed as of the end of the year). This limitation does not apply to compensation that meets the requirements under Section 162(m) for qualifying performance based compensation (i.e., compensation paid only if performance meets pre-established, objective goals established by a compensation committee that is comprised solely of two or more outside directors, based on criteria approved by stockholders). The Restated 2016 Plan has been designed to provide the Compensation Committee with flexibility to grant awards intended to qualify as performance-based compensation under Section 162(m) of the Code and, therefore, be exempt from the deduction limit. However, we reserve the right to authorize the payment of non-deductible compensation if we deem that it is appropriate to do so under the circumstances.

Section 409A of the Internal Revenue Code

Some awards issued under the Restated 2016 Plan may be considered non-qualified deferred compensation that is subject to Section 409A of the Code and the regulations thereunder with respect to non-qualified deferred compensation. If any award granted under the Restated 2016 Plan is considered non-qualified deferred compensation under Section 409A of the Code, then certain requirements must be met in order to avoid certain adverse tax consequences for U.S. federal tax purposes. These requirements include ensuring that any election to defer made by the participant is done within the time period(s) permitted by Section 409A; imposing certain limitations on distributions; and prohibiting the acceleration of the time or schedule of any payment of deferred amounts, except in certain permitted circumstances. If these requirements are not met, the participant may be subject to certain adverse tax consequences, which may include immediate taxation, a 20% penalty tax, and an underpayment interest rate plus 1% on noncompliant amounts. The Committee generally intends to design and administer awards under the Restated 2016 Plan to comply with or be exempt from Section 409A of the Code; however, there is no commitment or guarantee that any federal, state, or local tax treatment will apply or be available to any person who participates in the Restated 2016 Plan.

Tax-Qualified Status of the Plan

The Restated 2016 Plan is not qualified under Section 401(a) of the Code.

Inapplicability of ERISA

Based upon current law and published interpretations, the Company does not believe that the Restated 2016 Plan is subject to any of the provisions of the Employee Retirement Income Security Act of 1974, as amended.

PROPOSAL 5 NON-BINDING ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF THE COMPANY S NAMED EXECUTIVE OFFICERS

Background

Pursuant to Section 951 of the Dodd Frank Act, Tellurian stockholders are being asked to approve, on a non-binding advisory basis, the compensation of the Company s named executive officers (NEOs) disclosed in this proxy statement in accordance with SEC rules. This is commonly referred to as a say-on-pay vote, as it gives the stockholders the opportunity to communicate to the Compensation Committee and the Board their views on the compensation of the Company s NEOs. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company s NEOs and the compensation policies and practices described in this proxy statement.

The say-on-pay vote is advisory only and therefore is not binding on the Company, the Compensation Committee, or the Board, and will not be construed as overruling a decision by, or creating or implying any fiduciary duty for, the Company, the Compensation Committee, or the Board. Although the vote is non-binding, each of the Compensation Committee, which is responsible generally for designing and administering the Company s executive compensation program, and the Board values the opinions expressed by stockholders in their vote on this proposal and will review the voting results, seek to determine the reasons for such results, and take such feedback into consideration when making future compensation decisions for the Company s executive officers.

For the reasons discussed in Explanatory Note Regarding Magellan/Tellurian Merger on page 1 of this proxy statement, the historical information included in the section below entitled Magellan Historical Compensation Information relates to the compensation of Magellan s NEOs during the Transition Period ended December 31, 2016 and the fiscal years ended June 30, 2016 and June 30, 2015.

Magellan Historical Compensation Information

Named Executive Officers

Magellan s NEOs during the Transition Period and the fiscal year ended June 30, 2016 were J. Thomas Wilson and Mr. Lafargue. Mr. Wilson served as Magellan s President and Chief Executive Officer from September 2011 until his resignation in August 2016. Mr. Lafargue joined Magellan in August 2010 and has served in a variety of roles, including as President and Chief Executive Officer from the time of Mr. Wilson s resignation through the closing of the Merger.

During the Transition Period and the fiscal year ended June 30, 2016, the compensation of Magellan s NEOs was determined and approved primarily by the Special Committee of Magellan s board of directors, which was formed to address all matters relating to the strategic alternatives review process that resulted in the Merger.

Summary of Compensation Arrangements

J. Thomas Wilson. Mr. Wilson resigned, effective August 5, 2016, from all positions with Magellan for Good Reason, as that term is defined in his Amended and Restated Employment Agreement with the Company, effective as of October 31, 2014, as further amended on February 11, 2015. Mr. Wilson s Employment Agreement provided for an annual base salary of \$300,000, subject to an annual cost of living increase effective each January 1. The Employment Agreement also provided that if the Company terminated Mr. Wilson s employment without Cause or he resigned for Good Reason, he would be entitled to receive a severance benefit equal to the amount of base salary that he would have received if he remained employed for twelve months following his termination, based upon his then - current

base salary without further increase, and certain continuing medical benefits. Upon Mr. Wilson's resignation, he became entitled to the foregoing benefits, which amounted to approximately \$430,000 in the aggregate, including his accrued and unused vacation balance as of August 5, 2016. In connection with his termination of employment, Mr. Wilson released all contractual or similar obligations payable to him from the Company or its affiliates.

Table of Contents

Antoine J. Lafargue. During the Transition Period, Mr. Lafargue was party to an Employment Agreement with Magellan, dated as of October 31, 2014 and as amended October 12, 2015 and July 13, 2016. Mr. Lafargue's Employment Agreement as in effect during the Transition Period provided for an annual base salary of \$300,224, subject to an annual cost of living increase effective each January 1. The Employment Agreement had provisions regarding termination for Cause or Good Reason similar to those contained in Mr. Wilson's Employment Agreement. In addition, Mr. Lafargue's agreement provided that in the event of termination without Cause or for Good Reason within a period ending ten months after a Qualifying Transaction (as defined in the agreement), Mr. Lafargue would receive a severance benefit equal to the lesser of twice Mr. Lafargue's then-current base salary and \$600,000. In addition, Mr. Lafargue was a party to incentive compensation agreements pursuant to which, among other things, (i) 62,500 shares of restricted stock granted to Mr. Lafargue would vest immediately prior to the completion of a Qualifying Transaction, (ii) he would receive a cash award ranging from \$0 to \$1 million upon the completion of a Qualifying Transaction, with the amount of cash award to be equal to \$2,750 for each one cent of market value per share of the Company's common stock reflected in the Qualifying Transaction above a minimum market value threshold of \$1.60 per share, (iii) he would receive a phantom stock award based on the value of 62,500 notional shares, payable in cash, with payment contingent upon completion of a Qualifying Transaction, and (iv) he would potentially receive an additional cash bonus that would double the amounts payable under the awards available under clauses (i), (ii), and (iii) above in certain circumstances. In connection with the Merger, Mr. Lafargue released all contractual or similar obligations payable to him from Magellan or its affiliates and entered into new compensation arrangements.

Magellan Summary Compensation Table

The following table shows the compensation paid or accrued to Magellan's NEOs for the fiscal years ended June 30, 2016 and June 30, 2015 and the Transition Period for the six months ended December 31, 2016 (indicated as "TP").

(1) Salary for fiscal 2016 includes amounts of accrued additional salary for vacation days not taken of \$18,474 and \$23,077 for Messrs. Lafargue and Wilson, respectively. Salary for 2015 includes amounts of accrued additional

- salary for vacation days not taken of \$29,512 and \$11,075 for Messrs. Lafargue and Wilson, respectively.
- (2) Pursuant to Mr. Wilson's employment agreement, he was paid a performance bonus of \$90,000 on January 16, 2015.
 - (3) Amounts reported represent the aggregate grant date fair value of the equity awards calculated in accordance with Financial Accounting Standards Board's Accounting Standards Codification (ASC) Topic 718. The grant date values have been determined based on assumptions and methodologies discussed in Notes 1 and 11 of the Notes to the Consolidated Financial Statements included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2016. Certain of the option awards are subject to performance

conditions, and the grant date fair values reported reflect the determination that the probable outcome of such conditions will be the achievement of the highest level of such performance conditions.

- (4) On October 12, 2015, pursuant to the Magellan 2012 Plan and the terms of Mr. Lafargue's Employment Agreement with Magellan, dated October 31, 2014 and amended on October 12, 2015 and July 13, 2016 (the 2014 Lafargue Agreement), the Company granted 62,500 shares of restricted stock to Mr. Lafargue, which shares vest upon the occurrence of a Qualifying Transaction, as defined in the 2014 Lafargue Agreement. Since the occurrence of a Qualifying Transaction is outside of the Company's control, it cannot be deemed probable under ASC Topic 718, and therefore, the fair value of the restricted shares, at their grant date of October 12, 2015, was \$0. If the highest level of the performance condition associated with this grant were achieved, the grant date fair value of the award would have been \$46,250.
- (5) The amounts entitled "All Other Compensation" for the Transition Period and fiscal year 2016 are detailed in the following table:

**PROPOSAL 6 NON-BINDING ADVISORY RESOLUTION TO APPROVE THE FREQUENCY
OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

In addition to the advisory approval of our executive compensation program, we are also seeking a non-binding determination from our stockholders as to the frequency with which stockholders will have an opportunity to provide an advisory vote with respect to the compensation of our executive officers. Stockholders have the option of selecting a frequency of one, two or three years, or abstaining. For the reasons described below, we recommend that our stockholders select a frequency of say-on-pay vote every three years, or a triennial vote.

The structure and terms of our executive compensation program are designed to balance the Company's financial resources, while also supporting long-term value creation. Since the completion of the Merger in February 2017, we continue to review and develop our executive compensation program on a go-forward basis. We believe that a triennial vote will allow stockholders to better judge our executive compensation program in relation to our long-term performance. One of the key objectives of our executive compensation program is to attempt to ensure that management's interests are aligned with our stockholders' interests over the long term.

The Company believes that a triennial vote will provide us with the time to thoughtfully respond to stockholders' sentiments and implement any necessary changes. We therefore believe that a triennial vote is an appropriate frequency to provide management and our Compensation Committee sufficient time to consider stockholders' input and to implement any appropriate changes to our executive compensation program.

Regardless of the outcome of the say-on-frequency vote, we intend to continue to consider input from our stockholders during the period between stockholder votes. We seek and are open to input from our stockholders regarding Board and governance matters, as well as our executive compensation program, and have made attempts to ensure there are avenues for our stockholders to submit comments to the Company. We believe our stockholders' ability to contact us to express specific views on executive compensation reduces the need for and value of more frequent advisory votes on executive compensation.

Vote Required for Approval

Approval of Proposal 6 will require the affirmative vote of the holders of a majority of the outstanding shares of Tellurian common stock present in person or represented by proxy at the Meeting and entitled to vote on the proposal, assuming that a quorum exists. Because Proposal 6 has three possible substantive responses (every three years, every two years or every one year), if none of the frequency alternatives receives the affirmative vote of the holders of a majority of the outstanding shares of Tellurian common stock present in person or represented by proxy at the Meeting and entitled to vote on the matter, then we will consider stockholders to have approved the frequency selected by the holders of a plurality of the outstanding shares of Tellurian common stock.

If you fail to vote or submit a proxy or fail to instruct your broker to vote, it will have no effect on Proposal 6, assuming that a quorum exists. If you mark your proxy or voting instructions to abstain, it will have the same effect as a vote AGAINST each of the substantive responses under this Proposal 6, assuming that a quorum exists.

Board Recommendation

The Board unanimously recommends that Tellurian stockholders vote for the approval, on a non-binding advisory basis, of a vote on executive compensation EVERY THREE YEARS.

Although the advisory vote is non-binding, our Board will review the results of the vote and take them into account in making a determination concerning the frequency of advisory votes on executive compensation.

Each former director named in the table resigned in connection with (i) the Merger effective February 10, 2017 or (ii) the closing of the transactions contemplated by the Exchange Agreement between Magellan and One Stone effective August 1, 2016.

(1) All non-employee directors were eligible to receive a base annual cash retainer of \$35,000 for their Board service during a fiscal year, as prorated to reflect the period of applicable Board service with respect to any director that served on the Board for only a portion of that fiscal year. Under the terms of the Board's compensation policy for non-employee directors adopted on May 27, 2009, as amended and restated through November 6, 2012, each non-employee director was eligible to receive an annual award of shares of common stock under the Magellan 2012 Plan with a value equal to \$35,000, with the determination of the exact number of shares to be made on July 1 or on the date of the subsequent annual stockholders meeting (Stock Award). In either case, the number of shares to be awarded was to be determined using the fair value of the shares as of July 1. In addition, there was an annual cash award alternative to the annual Stock Award whereby a non-employee director could elect to receive \$35,000 in cash to exercise previously awarded options to acquire common stock, the exercise price of which was at least equal in value to the common stock eligible for receipt by the director pursuant to the Stock Award (with the difference in the value of the options and \$35,000 to be paid in cash). On July 3, 2015, a committee of the Board determined that the directors' annual Stock Award under this policy would be deferred and revisited in a few months after the strategic alternatives review process then underway had advanced further and the Company's liquidity issues were addressed. As of June 30, 2016, the Company had not made the Stock Award payment that was to be determined as of July 1 but had accrued a total of \$175,000, representing the \$35,000 equity value of the stock award to each non-employee director.

In connection with the closing of the transactions contemplated by the Exchange Agreement with One Stone Holdings II LP (One Stone) on August 1, 2016, Messrs. Israel and Gluzman elected to forgo their fiscal 2016 compensation in settlement of the final Cash Amount (as defined in the Exchange Agreement), including fees earned or paid in cash

and Stock Awards, and ceased serving as directors of the Company.

On August 2, 2016, pursuant to Magellan's director compensation policy and the Magellan 2012 Plan, a total of 119,505 shares of common stock were issued to Magellan's non-employee directors, which represented the amount of stock compensation owed and outstanding to the remaining three directors of the Company, which was due to be issued on July 1, 2015 and July 1, 2016.

On September 6, 2016, the Company paid cash compensation owed and outstanding to the remaining three directors of the Company for their service during fiscal 2016, including medical reimbursement as described below, in the aggregate amount of \$201,000.

(2) As noted in Note 1 above, no Stock Award payment was made to directors during the fiscal year ended June 30, 2016. Historically, the amounts shown in the Stock Awards and Option Awards columns

- (3) The amounts reported include medical reimbursement payments. Under Magellan's medical reimbursement plan for all non-employee directors, the Company reimbursed certain directors for the cost of their medical premiums, up to \$750 per month. In connection with the closing of the transactions with One Stone on August 1, 2016, Messrs. Israel and Gluzman elected to forgo their fiscal 2016 compensation, including medical reimbursement payments, in settlement of the final Cash Amount, and ceased serving as directors of the Company. During the Transition Period and fiscal year 2016, the aggregate cost of the medical reimbursement plan, exclusive of the amounts accrued to Messrs. Israel and Gluzman, was \$13,500 and \$27,000, respectively.
- (4) Amounts reported include the annual retainer of \$35,000, a \$25,000 annual fee for service as the Chairman of the Board, a \$10,000 annual fee for service on the Audit Committee, and a \$9,000 annual medical reimbursement.

Payments to Directors of Magellan upon the Closing of the Merger

Pursuant to the Merger Agreement, at the closing of the Merger, any and all contractual or similar obligations with respect to accrued compensation payable to Magellan directors from Magellan or its affiliates, or otherwise owed to the Magellan directors as a result of their services as Magellan directors, were released, except for (i) 99,138 shares of Magellan common stock, which was issued to and divided among the Magellan directors at the closing of the Merger and (ii) the total sum of \$162,016, which was divided among the Magellan directors and payable in cash at the closing of the Merger, but such release did not affect any right of the Magellan directors to indemnification and insurance as provided in the Merger Agreement.

Thomas Wilson to serve on the Central board of directors, for which Mr. Wilson received standard director compensation from Central for his services as a member of Central's board of directors until his resignation therefrom effective July 15, 2016. Due to the sale of a portion of its investment in Central stock during fiscal 2016 to meet its liquidity needs, the Company's share ownership in Central decreased to 1.9% as of June 30, 2016, and the Company has not appointed a replacement director to the board of Central.

CERTAIN RELATIONSHIPS AND RELATED-PERSON TRANSACTIONS

The Company recognizes that transactions in which the Company participates and any of the Company's directors, executive officers or substantial security holders have a direct or indirect material interest can present potential or actual conflicts of interest. Obligations under Parallax Service Agreements

On April 9, 2016, Tellurian Investments acquired Tellurian Services LLC, formerly known as Parallax Services LLC (Parallax Services). Parallax Services was primarily engaged in general and administrative support services to a group of related companies, including Parallax Enterprises and Parallax Energy LLC (Parallax Energy). Parallax Energy is wholly owned by Mr. Houston, Vice Chairman of the Board of Tellurian. Parallax Enterprises is owned by Mr. Houston and three other Tellurian employees. As a result of its acquisition of Parallax Services, Tellurian Investments became party to certain service agreements with Parallax Energy, Parallax Enterprises and their respective subsidiaries. These agreements were terminated in accordance with their terms effective as of December 31, 2016, with each party's payment and reimbursement obligations under the agreements surviving such termination. On a net basis, Parallax Energy, Parallax Enterprises and their respective subsidiaries currently owe Tellurian Investments approximately \$167,983 in the aggregate under these agreements.

Non-current Note Receivable Due from Related Party

Tellurian Investments has an interest-free \$251,000 non-current note receivable due from Mr. Houston. Issued on November 10, 2015, the note was used to provide the collateral required to secure a \$500,000 letter of credit as part of a covenant related to an office lease.

Bonini Kettlety Lawsuit

In May 2016, Simon M. Bonini and Paul C. Kettlety, once prospective investors in Parallax Enterprises, sued Mr. Houston, Mr. Daniels, Tellurian Investments, Tellurian Services LLC and certain other entities, asserting various causes of action and requesting various remedies. In April 2017, the parties to the litigation and the plaintiffs' counsel executed a Compromise Settlement Agreement and Mutual Release, pursuant to which, among other things, (i) Mr. Houston agreed to transfer (A) 825,000 shares of common stock of Tellurian to each of Mr. Bonini and Mr. Kettlety and (B) 350,000 shares of common stock of Tellurian to the plaintiffs' counsel; (ii) the Company agreed to file a prospectus supplement with respect to the sales of those shares by Messrs. Bonini and Kettlety and the plaintiffs' counsel; and (iii) Messrs. Bonini and Kettlety released all claims against the defendants. The Company filed the prospectus supplement in April 2017. The Compromise Settlement Agreement and Mutual Release was approved by the Audit Committee.

Tarek Souki Employment Agreement

On July 28, 2016, the board of directors of Tellurian Investments approved the Employment Agreement between Tarek Souki, the son of Charif Souki, and Tellurian LNG UK Ltd, a wholly owned subsidiary of Tellurian Investments (Tellurian UK). Tarek Souki serves as Senior Vice President, Marketing and Trading of Tellurian UK in our London office. Mr. Souki's Employment Agreement (under U.K. law) with Tellurian UK dated August 5, 2016 (the T. Souki Employment Agreement) provides for an annual base salary of £267,000. Mr. Souki received a signing bonus of £89,000 upon entering into the T. Souki Employment Agreement. The T. Souki Employment Agreement also provides for an annual target bonus of 150% of Mr. Souki's base salary with a stretch target bonus of 200% of his base salary. The annual bonus is purely discretionary on the part of Tellurian UK and will be based on achievement of various performance milestones of Tellurian UK, Tellurian Investments and Mr. Souki. The T. Souki Employment Agreement is terminable by either party upon six months' written notice and by Tellurian UK for Cause (as defined in the T. Souki Employment Agreement). In connection with the T. Souki Employment Agreement, Mr. Souki was granted 500,000 shares of Tellurian Investments restricted common stock pursuant to the Amended and Restated Tellurian Investments 2016 Omnibus Incentive Plan (the 2016 Tellurian Investments Plan). These restricted shares converted into 650,000 shares of Tellurian common stock in the Merger and do not vest until FID. If the T. Souki Employment Agreement is terminated for any reason other than Cause, any unvested shares held by Mr. Souki will automatically vest. The T. Souki Employment Agreement does not have a fixed term and is continuously subject to termination under the terms of the agreement.

On February 8, 2017, Tellurian UK entered into a letter amendment (the T. Souki Amendment) to the T. Souki Employment Agreement. Pursuant to the T. Souki Amendment, Mr. Souki's annual discretionary bonus entitlement was modified such that his target annual bonus decreased from 150% of his base salary to 100% of his base salary, and his stretch target bonus decreased from 200% of his base salary to 150% of his base salary. In consideration for the entry into the T. Souki Amendment, the compensation committee of the board of directors of Tellurian Investments approved a grant of 76,923 shares of vested common stock of Tellurian Investments under the 2016 Tellurian Investments Plan. The grant was made on February 8, 2017, pursuant to the terms of the 2016 Tellurian Investments Plan and the award agreement entered into with Mr. Souki. These shares of vested stock were converted into 100,000 shares of Tellurian common stock in the Merger.

Contingent Production Payments to Nautilus Technical Group LLC and Eastern Rider LLC

On September 30, 2016, Magellan entered into a purchase and sale agreement (the Nautilus Tech PSA) with the former owners (collectively, the Nautilus/Eastern Rider Sellers) of the membership interests in Nautilus Technical Group LLC and Eastern Rider LLC, including an entity controlled by J. Thomas Wilson, former President and Chief Executive Officer and director of Magellan until his resignation in August 2016. Pursuant to the Nautilus Tech PSA, Magellan agreed to issue to the Nautilus/Eastern Rider Sellers an aggregate of 90,350 shares of Magellan common stock in exchange for all rights of the Nautilus/Eastern Rider Sellers to a contingent production payment of up to \$5.0 million potentially payable by Magellan to the Nautilus/Eastern Rider Sellers relating to production from the Poplar field, which was owned by Magellan until the closing of the transactions contemplated by the Exchange Agreement between Magellan and One Stone effective August 1, 2016. The contingent production payment right resulted from a purchase and sale agreement entered into in September 2011 pursuant to which Magellan initially acquired its interests in the Poplar field. The shares issuable under the Nautilus Tech PSA were issued, and the contingent production payment right was terminated, following the closing of the Merger. Mr. Wilson's interest in the

Nautilus Tech PSA approximated 51% of the consideration paid and payable by Magellan to the Nautilus/Eastern Rider Sellers under the Nautilus Tech PSA.

Thomas Wilson, then a director and the President and Chief Executive Officer of the Company, and Antoine J. Lafargue, then the Chief Financial Officer of the Company, filed a late Form 4 to report the withholding on July 1, 2016 of certain shares for tax purposes and (ii) on August 15, 2016, each of J. FUTURE STOCKHOLDER PROPOSALS

If a stockholder wishes to have a proposal included in the notice of meeting and related proxy statement for the Company's 2018 annual meeting of stockholders, the stockholder must follow the procedures set forth in SEC Rule 14a-8 under the Exchange Act and submit the proposal to the Company no later than April 13, 2018. The fact that a stockholder proposal is received in a timely manner does not ensure its inclusion in the proxy materials since such proposal must satisfy all requirements in the proxy rules relating to such inclusion.

If a stockholder wishes to present a proposal or nominate a candidate for director at the Company's 2018 annual meeting of stockholders and the proposal or nomination is not intended to be included in the Company's proxy statement and form of proxy relating to that meeting, the stockholder must give advance notice to the Company within the time periods set forth in the Company's by-laws and must comply with the other requirements set forth in the by-laws. If, for example, the 2018 annual meeting of stockholders is held on June 5, 2018, a stockholder proposal or nomination must generally be received no earlier than March 7, 2018 and no later than April 6, 2018.

All stockholder proposals should be submitted to the Company's Corporate Secretary at 1201 Louisiana Street, Suite 3100, Houston, Texas 77002.

OTHER BUSINESS

Tellurian knows of no other matters to be presented at the Meeting. If any other matter properly comes before the Meeting, the appointed proxies will vote the proxies in accordance with their best judgment.

HOUSEHOLDING OF PROXY MATERIALS

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once a stockholder has received notice from his or her broker that it will be householding materials, householding will continue until the stockholder is notified otherwise or revokes consent. If at any time a stockholder no longer wishes to participate in householding and would prefer to receive a separate proxy statement and annual report, the stockholder should notify his or her broker. If a stockholder would like to receive a separate copy of this proxy statement or accompanying notice of annual meeting of stockholders or annual report for the fiscal year ended December 31, 2016, he or she should contact the Company by writing to the Corporate Secretary, Tellurian Inc., 1201 Louisiana Street, Suite 3100, Houston, Texas 77002.

AMENDED AND RESTATED BY-LAWS

OF

TELLURIAN INC.

ARTICLE I

Offices

SECTION 1. Registered Office.

The registered office of the corporation shall be as set forth in the Certificate of Incorporation of the corporation, as it may be amended from time to time (the Certificate of Incorporation).

SECTION 2. Other Offices.

The corporation may also have other offices at such other places within or without the State of Delaware as the board of directors may from time to time determine.

ARTICLE II

Meetings of Stockholders

SECTION 1. Place of Meetings.

All meetings of the stockholders of the corporation may be held at such place, if any, within or without the State of Delaware, as the board of directors may from time to time determine.

The board of directors may, in its sole discretion, determine that any meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication in accordance with the General Corporation Law of the State of Delaware (the DGCL). If authorized by the board of directors in its sole discretion, and subject to such guidelines and procedures as the board of directors may adopt, stockholders and proxy holders not physically present at a meeting of stockholders may, by means of remote communication (a) participate in a meeting of stockholders; and (b) be deemed present in person and vote at a meeting of stockholders whether such meeting is to be held at a designated place or solely by means of remote communication, provided that (i) the corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxy holder; (ii) the corporation shall implement reasonable measures to provide such stockholders and proxy holders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and (iii) if any stockholder or proxy holder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the corporation.

SECTION 2. Annual Meeting.

The annual meeting of the stockholders for the election of directors and for the transaction of such other business as may properly come before the meeting shall be held on such date and time as the board of directors shall fix. The date,

hour and place, if any, of each annual meeting and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting shall be specified in the notice of annual meeting. Unless otherwise required law, such notice shall be given not

B-1-1

less than ten (10) nor more than sixty (60) days before the date of the annual meeting to each stockholder entitled to vote at the meeting as of the record date for determining stockholders entitled to notice of the meeting. The board of directors may postpone, reschedule, adjourn, recess or cancel any annual meeting of stockholders previously scheduled by the board of directors.

At an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the board of directors, (b) brought by or at the direction of the board of directors or any duly authorized committee thereof, or (c) brought by a stockholder of the corporation who was a stockholder of record of the corporation at the time the notice provided for in this Section 2 is delivered to the secretary of the corporation, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 2. For any business (other than nominations of persons for election to the board of directors, which is provided for in Section 3 of Article II of these By-Laws) to be properly brought before an annual meeting by a stockholder pursuant to clause (c) of the preceding sentence, the stockholder must have given timely notice thereof in writing to the secretary of the corporation and any such proposed business must constitute a proper matter for stockholder action. To be timely, a stockholder's notice must be delivered to the secretary of the corporation at the principal executive offices of the corporation, not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred and twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, for notice by the stockholder to be timely it must be so delivered not earlier than the close of business on the one hundred and twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public disclosure of the date of such meeting is first made by the corporation. For purposes of this Section 2 and Sections 3 and 4 of Article II of these By-Laws, public disclosure shall include disclosure in a press release reported by the Dow Jones News Services, Associated Press, Reuters Information Services, Inc. or other national news service or in a document publicly filed by the corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

A stockholder's notice to the secretary of the corporation shall set forth the following as to each matter the stockholder proposes to bring before the annual meeting:

- (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting;
- (b) the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event such business includes a proposal to amend the By-Laws of the corporation, the language of the proposed amendment); and
- (c) any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made.

A stockholder's notice to the secretary of the corporation shall set forth the following as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the proposal is made:

- (a) the name and address of such stockholder, as they appear on the corporation's books, and of such beneficial owner;

(b) the class or series and number of shares of the corporation which are owned beneficially and of record by the stockholder and the beneficial owner;

B-1-2

(c) a description of any agreement, arrangement or understanding with respect to the proposal between or among such stockholder and/or such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing;

(d) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the stockholder's notice by, or on behalf of, such stockholder and such beneficial owner, whether or not such instrument or right shall be subject to settlement in underlying shares of capital stock of the corporation, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such stockholder or such beneficial owner, with respect to securities of the corporation;

(e) a representation that the stockholder is a holder of record of capital stock of the corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to present such business;

(f) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (i) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the corporation's outstanding capital stock required to approve or adopt the proposal and/or (ii) otherwise to solicit proxies or votes from stockholders in support of such proposal; and

(g) any other information relating to such stockholder and beneficial owner, if any, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for the proposal pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder.

Notwithstanding anything in the By-Laws to the contrary and except as otherwise expressly provided in Rule 14a-8 of the Exchange Act, no business shall be conducted at an annual meeting except in accordance with the procedures set forth in this Section 2. The presiding officer of an annual meeting shall, if the facts warrant, determine and declare at the meeting that business was not properly brought before the meeting and in accordance with the provisions of this Section 2, and if the presiding officer should so determine, the presiding officer shall so declare at the meeting and any such business not properly brought before the meeting shall not be transacted. Notwithstanding the foregoing provisions of this Section 2, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting of stockholders of the corporation to present the proposed business, such proposed business shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the corporation. For purposes of this Section 2 and Sections 3 and 4 of Article II of these By-Laws, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

Notwithstanding the foregoing provisions of this Section 2, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 2; provided, however, that any references in these By-Laws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to proposals of business to be considered pursuant to this Section 2, and compliance with this Section 2 shall be the exclusive means for a stockholder to submit business other than nominations (other than business brought properly under and in compliance with Rule 14a-8 of the Exchange Act, as may be amended from time to time). Nothing in this Section 2 shall be deemed to affect any rights of stockholders to request inclusion of proposals in the corporation's proxy

statement pursuant to Rule 14a-8 of the Exchange Act.

SECTION 3. Notice of Stockholder Nominees.

Only persons who are nominated in accordance with the procedures set forth in these By-Laws shall be eligible for election as directors. Nominations of persons for election to the board of directors of the corporation may be made at an annual meeting of stockholders only (a) by or at the direction of the board of directors or any duly authorized committee thereof or (b) by any stockholder of the corporation who was a stockholder of record of the corporation at the time the notice provided for in this Section 3 is delivered to the secretary of the corporation, who is entitled to vote for the election of directors at the meeting and who complies with the notice procedures set forth in this Section 3. Nominations by stockholders shall be made pursuant to timely notice in writing to the secretary of the corporation. To be timely, a stockholder's notice shall be delivered to the secretary of the corporation at the principal executive offices of the corporation not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred and twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the one hundred and twentieth (120th) day and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public disclosure of the date of such meeting was first made by the corporation. In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

A stockholder's notice to the secretary of the corporation shall set forth the following as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made:

- (a) the name and address of such stockholder, as they appear on the corporation's books, and the name and address of such beneficial owner;
- (b) the class or series and number of shares of the corporation which are owned beneficially and of record by the stockholder and the beneficial owner;
- (c) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the stockholder's notice by, or on behalf of, such stockholder and such beneficial owners, whether or not such instrument or right shall be subject to settlement in underlying shares of capital stock of the corporation, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such stockholder or such beneficial owner, with respect to securities of the corporation;
- (d) a representation that the stockholder is a holder of record of stock of the corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to make the nomination;
- (e) a description of any agreement, arrangement or understanding with respect to the nomination between or among such stockholder and/or such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing, including the nominee;
- (f) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (i) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the corporation's outstanding capital stock required to elect the nominee and/or (ii) otherwise to solicit proxies or votes from stockholders in support of such nomination; and

(g) any other information relating to such stockholder and beneficial owner, if any, required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies for the election of directors in an election contest pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder.

B-1-4

Table of Contents

In addition, the corporation may require any proposed nominee to furnish such other information as the corporation may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the corporation.

A stockholder's notice to the secretary of the corporation shall set forth the following as to each person the stockholder proposes to nominate for election as a director:

(a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with the Exchange Act, and the rules and regulations promulgated thereunder, and

(b) such person's written consent to being named in a proxy statement and to serving as a director of the corporation if elected.

Notwithstanding anything in the first paragraph of this Section 3 to the contrary, in the event that the number of directors to be elected to the board of directors of the corporation at the annual meeting is increased effective after the time period for which nominations would otherwise be due under the first paragraph of this Section 3 and there is no public disclosure by the corporation naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 3 shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the secretary of the corporation at the principal executive offices of the corporation not later than the close of business on the tenth (10th) day following the day on which such public disclosure is first made by the corporation.

No person shall be eligible for election as a director of the corporation at an annual meeting unless nominated in accordance with the procedures set forth in these By-Laws. The presiding officer of the meeting shall, if the facts warrant, determine and declare at the meeting that nomination was not made in accordance with the procedures prescribed by these By-Laws, and if the presiding officer should so determine, the presiding officer shall so declare at the meeting and the defective nomination shall be disregarded. Notwithstanding the foregoing provisions of this Section 3, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting of stockholders of the corporation to present a nomination, such nomination shall be disregarded and such nomination shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the corporation.

Notwithstanding the foregoing provisions of this Section 3, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 3; provided, however, that any references in these By-Laws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations to be considered pursuant to this Section 3, and compliance with Section 3 shall be the exclusive means for a stockholder to make nominations at an annual meeting of stockholders. Nothing in this Section 3 shall be deemed to affect any rights of the holders of any series of Preferred Stock to elect directors pursuant to any applicable provisions of the Certificate of Incorporation.

SECTION 4. Special Meetings; Notice.

Special meetings of the stockholders for any purpose or purposes may be called at any time by the chairman of the board of directors, or by the President of the corporation, or by the board of directors pursuant to a resolution approved by a majority of the entire board of directors. Unless otherwise required by law, notice of every special meeting, stating the date, time and place, if any, the means of remote communications, if any, by which stockholders

and proxy holders may be deemed to be present in person and vote at such meeting, and the purpose or purposes of such meeting, shall be given not less than ten (10) days nor more than sixty (60) days before each such meeting to each stockholder of the corporation entitled to vote at the meeting as of the record

B-1-5

date for determining stockholders entitled to notice of the meeting. The board of directors may postpone, reschedule, adjourn, recess or cancel any special meeting previously scheduled by the board of directors.

Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the corporation's notice of meeting. Nominations of persons for election to the board of directors may be made at a special meeting of stockholders at which directors are to be selected pursuant to the notice of meeting (a) by or at the direction of the board of directors or any duly authorized committee thereof or (b) provided that the board of directors has determined that directors shall be elected at such meeting, by any stockholder of the corporation who is a stockholder of record at the time the notice provided for in this Section 4 is delivered to the secretary of the corporation, who is entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this Section 4. In the event the corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the board of directors, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the corporation's notice of meeting, if the stockholder's notice required by Article II, Section 3 of these By-Laws shall be delivered to the secretary of the corporation at the principal executive offices of the corporation not earlier than the close of business on the one hundred and twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public disclosure is first made of the date of the special meeting and of the nominees proposed by the board of directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

No person shall be eligible for election as a director of the corporation at a special meeting unless nominated in accordance with the procedures set forth in these By-Laws. The presiding officer of the meeting shall, if the facts warrant, determine and declare at the meeting that the nomination was not made in accordance with the procedures prescribed by these By-Laws, and if the presiding officer should so determine, the presiding officer shall so declare at the meeting and the defective nomination shall be disregarded. Notwithstanding the foregoing provisions of this Section 4, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the special meeting of stockholders of the corporation to present a nomination, such nomination shall be disregarded and such nomination shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the corporation.

Notwithstanding the foregoing provisions of this Section 4, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 4; provided, however, that any references in these By-Laws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations to be considered pursuant to this Section 4, and compliance with Section 4 shall be the exclusive means for a stockholder to make nominations at a special meeting of stockholders. Nothing in this Section 4 shall be deemed to affect any rights of the holders of any series of Preferred Stock to elect directors pursuant to any applicable provisions of the Certificate of Incorporation.

SECTION 5. Waiver of Notice of Meetings.

Any waiver of notice given by a stockholder entitled to notice of a meeting, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a stockholder at a meeting shall constitute a waiver of notice thereof, except when the stockholder attends a meeting for the express purposes of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any annual or special meeting of the stockholders need be specified in a

waiver of notice.

B-1-6

SECTION 6. Quorum.

The holders of at least thirty-three and one-third percent (33 $\frac{1}{3}$ %) in voting power of the total number of shares of stock issued and outstanding and entitled to be voted at the meeting, present in person or by proxy, shall constitute a quorum for the transaction of business. In the absence of a quorum, the person presiding at the meeting of stockholders or the stockholders so present may, by a majority in voting power thereof, adjourn the meeting from time to time in accordance with applicable law until a quorum shall be present. At any such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted by a quorum of the stockholders at the meeting as originally convened.

SECTION 7. Voting at Stockholders Meetings.

Except as otherwise provided by or pursuant to the provisions of the Certificate of Incorporation, at all meetings of the stockholders, each holder of stock of the corporation having the right to vote at such meeting shall be entitled to one vote for each share of stock registered in his, her or its name on the record date for such meeting.

SECTION 8. Proxies and Voting.

At any meeting of the stockholders, every stockholder entitled to vote may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. Except as otherwise provided by these By-Laws, each director shall be elected by the vote of the majority of the votes cast with respect to that director's election at any meeting for the election of directors at which a quorum is present, provided that if, as of the tenth (10th) day preceding the date the corporation first mails its notice of meeting for such meeting to the stockholders of the corporation, the number of nominees exceeds the number of directors to be elected (a Contested Election), the directors shall be elected by the vote of a plurality of the votes cast. For purposes of this Section 8, a majority of the votes cast shall mean that the number of votes cast for a director's election exceeds the number of votes cast against that director's election (with abstentions broker non-votes not counted as a vote cast either for or against that director's election). All other elections and questions presented to the stockholders at a meeting at which a quorum is present shall be decided by a majority of the votes cast with respect thereto (and abstentions shall not be considered votes cast), unless a different or minimum vote is required or provided by the Certificate of Incorporation, these By-Laws, the rules or regulations of any stock exchange applicable to the corporation, or any law or regulation applicable to the corporation or its securities, in which case such different or minimum vote shall be the applicable vote on the matter.

SECTION 9. Manner of Voting.

In the election of directors and in voting on any question on which a vote by written ballot is required by law or is demanded by any stockholder, the voting shall be by written ballot; on all other questions, voting may, but need not, be conducted by written ballot.

SECTION 10. Stock Register.

The corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting (provided, however, that if the record date for determining the stockholders entitled to vote is less than ten (10) days before the date of the meeting, the list shall reflect the stockholders entitled to vote as of the tenth day before the meeting date), arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder for any purpose germane to the meeting at least ten (10) days prior to the

meeting (a) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of meeting or (b) during

B-1-7

Table of Contents

ordinary business hours at the principal place of business of the corporation. If the meeting is to be held at a place, then a list of stockholders entitled to vote at the meeting shall be produced and kept at the time and place of the meeting during the whole time thereof and may be examined by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Except as otherwise provided by law, the stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list of stockholders required by this Section 10 or to vote in person or by proxy at any meeting of the stockholders.

SECTION 11. Record Date for Meetings of Stockholders.

In order that the corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the board of directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the board of directors, and which record date shall, unless otherwise required by law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If the board of directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the board of directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the board of directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the board of directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance herewith at the adjourned meeting.

SECTION 12. Record Date for Stockholder Action by Written Consent.

If the board of directors determines that an action be submitted to stockholders for adoption by written consent in lieu of a meeting of stockholders pursuant to Article Sixth of the Certificate of Incorporation, in order that the corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the board of directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the board of directors, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the board of directors. If no record date has been fixed by the board of directors within ten (10) days of the date on which the board of directors approves the taking of such action by written consent in lieu of a meeting of stockholders, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the date on which the board of directors adopts the resolution approving the taking of such action.

SECTION 13. Presiding Officer and Secretary; Conduct of Business.

The chairman of the board of directors, or in the chairman's absence, the president, shall call meetings of the stockholders to order and shall act as chairman of the meetings; but in the absence of the chairman and the president, the board of directors may appoint any person to act as the chairman of the meeting, and, in the absence of such an appointment by the board of directors of a chairman, the stockholders may elect a chairman to preside at the meeting. The secretary of the corporation shall act as secretary of all meetings of the stockholders, but in the secretary's absence the presiding officer may appoint any person to act as secretary of the meeting.

Except to the extent inconsistent with such rules and regulations as adopted by the board of directors, the person presiding over any meeting of stockholders shall have the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such presiding person, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the board of directors or prescribed by the presiding person of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present; (c) limitations on attendance at or participation in the meeting to stockholders entitled to vote at the meeting, their duly authorized and constituted proxies or such other persons as the presiding person of the meeting shall determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (e) limitations on the time allotted to questions or comments by participants. The presiding person at any meeting of stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall, if the facts warrant, determine and declare at the meeting that a matter or business was not properly brought before the meeting and if such presiding person should so determine, such presiding person shall so declare at the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless and to the extent determined by the board of directors or the person presiding over the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

ARTICLE V

Shares of Stock

SECTION 1. Stock Certificates; Uncertificated Stock.

The shares of the corporation's capital stock shall be certificated provided that the board of directors may provide by resolution or resolutions that some or all of any or all classes or series of stock shall be uncertificated shares. Except as otherwise provided by law, the rights and obligations of the holders of uncertificated shares and the rights and obligations of the holders of certificated shares of the same class and series shall be identical. Each holder of stock represented by certificates shall be entitled to a certificate of the capital stock of the corporation in such form, not inconsistent with law and the Certificate of Incorporation of the corporation, as may be approved by the board of directors. Certificates shall be signed by or in the name of the corporation by any two authorized officers of the corporation, including, but not limited to, the chairperson of the board of directors, the vice-chairperson of the board of directors, the president, a vice-president, the treasurer, an assistant treasurer, the secretary or an assistant secretary of the corporation. Every certificate for shares of stock which are subject to any restriction on transfer shall contain such legend with respect thereto as is required by law. The corporation shall be permitted to issue fractional shares.

SECTION 2. Registered Stockholders.

The corporation shall be entitled to treat the holder of record of any share or shares of stock in this corporation as the holder in fact thereof, and shall not be bound to recognize any equitable or other claim to or interest in such shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise required by law.

In case of the alleged loss, destruction or mutilation of a certificate of stock, a new certificate may be issued in place thereof, upon such terms as the board of directors may prescribe; provided, however, that if such class or series of shares have ceased to be certificated, a new uncertificated share may be issued upon such terms as the board of directors may prescribe. Any owner of such shares, or such owner's legal representative, shall make an affidavit or affirmation of that fact, and shall advertise the same in such manner as the board of directors may require, and shall, if

the board of directors so requires, give the corporation a bond of indemnity in such sum as they may direct.

B-1-12

SECTION 4. Transfer of Shares.

Subject to applicable law and any restrictions on transfer and unless otherwise provided by the board of directors, shares of stock may be transferred only on the books of the corporation, if such shares are certificated, by the surrender to the corporation or its transfer agent of the certificate therefor properly endorsed or accompanied by a written assignment or power of attorney properly executed, with transfer stamps (if necessary) affixed, or upon proper instructions from the holder of uncertificated shares, in each case with such proof of the authenticity of signature as the corporation or its transfer agent may reasonably require.

SECTION 5. Addresses of Stockholders.

Notices may be sent to stockholders at their last known address, except as otherwise provided in these By-Laws or by applicable law.

SECTION 6. Transfer Agents; Rules and Regulations.

The board of directors may appoint a transfer agent or one or more co-transfer agents and a registrar or one or more co-registrars and may make, or may authorize such agents and registrars to make, all such rules and regulations, subject to applicable law, as they may deem expedient governing the issue, transfer and registration of the certificates for shares of the capital stock of the corporation.

SECTION 7. Voting Securities Held by the Corporation.

Unless otherwise provided by resolution adopted by the board of directors, the president may from time to time cast the votes which the corporation may be entitled to cast as the holder of stock or other securities in any other corporation or other entity, any of whose stock or other securities may be held by the corporation, at meetings of the holders of the stock or other securities of such other corporation or other entity, or to consent in writing, in the name of the corporation as such holder, to any action by such other corporation or other entity, and may execute or cause to be executed in the name and on behalf of the corporation and under its corporate seal or otherwise, all such written proxies or other instruments as the president may deem necessary or proper. The voting and other rights set forth in this Section 7 may be delegated by the president to a duly authorized officer or an attorney or agent.

ARTICLE VI

Indemnification and Advancement of Expenses

SECTION 1. Right to Indemnification.

The corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a Covered Person) who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a proceeding), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the corporation or, while a director or officer of the corporation, is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence, except as otherwise provided in Section 3 of this Article VI, the corporation shall be required to indemnify a Covered Person in connection with a proceeding (or part thereof) commenced by such Covered Person

only if the commencement of such proceeding (or part thereof) by the Covered Person was authorized in the specific case by the board of directors of the corporation. For purposes of this Article VI only, an officer is any person holding a title specified in Article IV of these By-Laws.

B-1-13

Table of Contents

SECTION 2. Advancement of Expenses

The corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article VI or otherwise.

SECTION 3. Claims.

If a claim for indemnification under this Article VI (following the final disposition of such proceeding) is not paid in full within sixty (60) days after the corporation has received a claim therefor by the Covered Person, or if a claim for any advancement of expenses under this Article VI is not paid in full within thirty (30) days after the corporation has received a statement or statements requesting such amounts to be advanced, the Covered Person shall thereupon (but not before) be entitled to file suit to recover the unpaid amount of such claim. If successful in whole or in part, the Covered Person shall be entitled to be paid the expense of prosecuting such claim to the fullest extent permitted by law. In any such action, the corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law. With respect to claims for indemnification, neither the failure of the corporation (including by its directors, independent legal counsel or stockholders) to have made a determination prior to the commencement of any action that indemnification is proper in the circumstances because the Covered Person has met the applicable standard of conduct, nor an actual determination by the corporation (including by its directors, independent legal counsel or its stockholders) that the Covered Person has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the Covered Person has not met the applicable standard of conduct.

SECTION 4. Non-exclusivity of Rights.

The rights conferred on any Covered Person by this Article VI shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, these By-Laws, agreement, vote of stockholders or disinterested directors or otherwise.

SECTION 5. Other Sources.

The corporation's obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit enterprise.

SECTION 6. Amendment or Repeal.

Any right to indemnification or to advancement of expenses of any Covered Person arising hereunder shall not be eliminated or impaired by an amendment to or repeal of these By-Laws after the occurrence of the act or omission that is the subject of the action, suit or proceeding for which indemnification or advancement of expenses is sought.

SECTION 7. Other Indemnification and Advancement of Expenses.

This Article VI shall not limit the right of the corporation, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

B-1-14

Table of Contents

SECTION 8. Agreements for Indemnification and Advancement of Expenses.

ARTICLE VII

Dividends

SECTION 1. Dividends and Reserves.

Before payment of any dividend, the board of directors may set aside out of the surplus or net profits of the corporation, such sum or sums as in their absolute discretion they may deem proper as a reserve fund for depreciation, renewal, repair and maintenance or for such other purposes as the directors shall think conducive to the interests of the corporation. Dividends upon the issued and outstanding stock of the corporation may be declared by the board of directors in accordance with applicable law.

SECTION 2. Stock Dividends.

When the directors shall so determine, dividends may be paid in stock of the corporation; provided the stock requisite for such purpose shall be authorized and provided that the capital of the corporation shall equal at least the aggregate par value of all of the issued shares of stock of the corporation.

SECTION 3. Record Date for Payment of Dividends and Other Rights

In order that the corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action not otherwise addressed in these By-Laws, the board of directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall not be more than sixty (60) days prior to such action. If no such record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the board of directors adopts the resolution relating thereto.

Shares of Common Stock covered by an Award shall only be counted as used to the extent they are actually issued; provided, however, that any shares of Common Stock that are subject to Awards of Options or Stock Appreciation Rights granted on or after the Restatement Effective Date shall be counted against the maximum share limit in Section 5.1(a) as 0.4 shares for every share granted, and any shares of Common Stock that are subject to Awards other than Options or Stock Appreciation Rights granted on or after to the Restatement Effective Date shall be counted against this limit as one share for every share granted. Any shares of Common Stock related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares of Common Stock, or are withheld to satisfy the exercise price (in the case of an Option) and/or the tax withholding obligations relating to such Award, or are settled in cash in lieu of shares of Common Stock, shall be available again for grant under this Plan; provided, however, that any shares of Common Stock related to grants or awards made under the Prior Plans that after the Effective Date may lapse, expire, terminate, or are cancelled or surrendered to the Company, without having been exercised in full, shall not become available for grant under this Plan. Such shares of Common Stock related to an Award under this Plan shall increase the share authorization by one (1) share of Common Stock. However, the full number of Stock Appreciation Rights granted that are to be settled by the issuance of shares of Common Stock shall be counted against the number of shares of Common Stock available for Awards under the Plan, regardless of the number of shares of Common Stock actually issued upon settlement of such Stock Appreciation Rights. In addition,

Options that may be awarded under the Plan pursuant to the last sentence of subsection (a) above, regardless of the number of shares of Common Stock actually issued upon exercise of such Incentive Stock Options. The shares of Common Stock available for issuance under this Plan may be authorized and unissued shares of Common Stock or treasury shares of Common Stock.

2. Annual Limitations

(a) Subject to adjustment as provided in Section 5.3 of this Plan, the following limitations shall apply to grants of Awards under the Plan: (i) the maximum aggregate grant with respect to shares of Common Stock that a Participant may be granted in any one calendar year under the Plan pursuant to Awards other than Options or Stock Appreciation Rights shall be 10,000,000 shares of Common Stock; (ii) the maximum aggregate grant with respect to shares of Common Stock that a Participant may be granted in any one calendar year under the Plan pursuant to Awards of Options or Stock Appreciation Rights shall be 10,000,000 shares of Common Stock; and (iii) with respect to a grant of cash, the maximum aggregate award that a Participant may earn in any one calendar year shall be equal to the value of 10,000,000 shares of Common Stock (calculated based on the Fair Market Value of a share of Common Stock as of the time of payment or settlement), and each of the foregoing calendar-year limits shall be proportionately adjusted upward or downward for any period of performance longer or shorter than twelve (12) months.

(b) Notwithstanding anything in this Plan to the contrary, and subject to adjustment as provided in Section 5.3 of this Plan, no Director may be granted, in any one calendar year, Awards specifically granted under this Plan with an aggregate maximum value (calculated based on the Fair Market Value of a share of Common Stock as of the grant date), of more than \$2,000,000. The maximum number of shares of Common Stock subject to Awards granted under the Plan or otherwise during any one fiscal year to any Director, taken together with any cash fees paid by the Company to such Director during such fiscal year for service as a Director shall not exceed \$2,000,000 in total value (calculated based on the Fair Market Value of a share of Common Stock as of the grant date), including for this purpose, the value of any stock-based Awards that are received in lieu of all or a portion of any annual committee cash retainers or other similar cash-based payments and excluding, for this purpose, the value of any dividend equivalent payments paid pursuant to any stock-based Award granted in a previous fiscal year.

3. Adjustments in Authorized Shares

(a) In the event of a Change in Capitalization, the Plan Administrator shall make such proportionate adjustments, if any, as it determines are appropriate and equitable, and to the extent such an action does not conflict with the General Corporation Law of the State of Delaware or other applicable laws or securities exchange rules, to (i) the maximum number and class of shares of Common Stock or other stock or securities with respect to which Awards may be granted under the Plan, (ii) the maximum number and class of shares of Common Stock or other stock or securities that may be issued upon exercise of Nonqualified Options, Incentive Stock Options, and Stock Appreciation Rights, (iii) the Maximum Grants (other than those based on cash limitations), (iv) the number and class of shares of Common Stock or other stock or securities or other property (including cash) which are subject to outstanding Awards granted under the Plan and the Option Price or exercise price therefore, if applicable, and (v) the Performance Goals. Any such adjustment shall be final, binding, and conclusive on all persons claiming any right or interest under the Plan.

(b) Any such adjustment in the shares of Common Stock or other stock or securities (i) subject to outstanding Incentive Stock Options (including any adjustments in the exercise price) shall be made in such manner as not to constitute a modification as defined by Section 424(h)(3) of the Code, and only to the extent otherwise permitted by Sections 422 and 424 of the Code, or (ii) subject to outstanding Awards that are intended to qualify as performance-based compensation under Section 162(m) shall be made in such a manner as not to adversely affect the treatment of the Awards as performance-based compensation.
