Voice Over: If you watch television, you don't always hear a lot of good news these days. Well, here's some good news: South Carolina Electric and Gas plans to combine with Dominion Energy. SCE&G electric customers would get an average cash payment of \$1,000. At least 5% lower rates. And \$1.7 billion in debt from the failed nuclear project would be eliminated forever.

But only if you speak up. Because if the two companies don't combine that \$1,000 cash payment is gone. SCE&G customers could be on the hook for 50 years of payments for the failed nuclear project. And electric rates could go even higher.

So South Carolinians have to decide: A \$1,000 average cash payment, lower rates, and \$1.7 billion

in debt paid off or all those benefits go away.

I know where I stand. Contact your state legislators at BrighterEnergyFuture.com and tell them you want your cash payment and lower rates.

Dominion Energy and SCE&G: Brighter together.
