## Edgar Filing: NEUSTAR INC - Form 8-K

Item 7.01. Regulation FD Disclosure.

Regional Contracts with North American Portability Management LLC (the "NAPM")

NeuStar, Inc. ("Neustar" or the "Company") is currently the only provider of Local Number Portability Administrator services in the United States. These services are provided pursuant to the seven regional contracts (the "NPAC Contracts") between the Company and the NAPM.

Under the terms of the NPAC Contracts, the NAPM may, ninety days before the end of the current term (September 30, 2016), elect to (a) allow the NPAC Contracts to automatically renew for an additional twelve months or (b) deliver a notice of non-renewal. If a notice of non-renewal is provided, the NAPM must also provide the Company a notice of termination to designate a service completion date that is one hundred eighty days (180) after the date upon which the notice is provided to the Company. Under the terms of the NPAC Contracts, the prevailing annual fixed fee is \$496.1 million per year and applies regardless of whether the NPAC Contracts automatically renew or if a notice of non-renewal is delivered.

The NAPM provided a notice of non-renewal to the Company on July 1, 2016. Under the NPAC Contracts, the Company will continue to provide services to the NAPM until the transition is complete. The preliminary transition timeline published by the Transition Oversight Manager (the "TOM") on April 20, 2016 contemplates that the transition will be completed at the end of the third quarter of 2017. The TOM conducted a webinar on June 21, 2016, during which it stated that the preliminary transition timeline would likely be revised to account for delays in the transition process.
