- (a) to approve, by majority of votes of the attendees and without restrictions, pursuant to the Management's proposal, the terms and conditions of the Protocol of Partial Spin-Off and Merger and Instrument of Justification entered into on June 14, 2004 (hereinafter simply referred to as "Protocol of Spin-Off") by the directors and officers of the Company and of the following closely-held companies, collectively referred to as "TCO Operators": Telegoiás Celular S.A. - (d) To approve, by unanimous vote, the partial spin-off of the Company, with merger of the spun-off assets to the TCO Operators, such assets comprising the following: (1) on the assets side: (i) cash in the amount of one hundred thousand reais (R\$100,000.00); and (ii) deferred assets in the amount of eight hundred and forty-two million, seven

hundred and eighty-eight thousand, eight hundred and forty-eight reais and eighty-four cents (R\$842,788,848.84) arising out of the merger of WXYZ0059 Holdings S.A.; and (2) on the liabilities side: (iii) provision for keeping the wholeness of the net worth of the companies in the amount of five hundred and fifty-six million, two hundred and forty thousand, six hundred and forty reais and twenty-four cents (R\$556,240,640.24) and (iv) special premium reserve in the amount of two hundred and eighty-six million, five hundred and forty-eight thousand, two hundred and eight reais and sixty cents (R\$ 286,548,208.60) on account of the Company's controlling shareholder, Telesp Celular Participações S.A. As result of the partial spin-off, a reduction in the capital stock of the Company was approved in the amount of one hundred thousand reais (R\$100,000.00), whereby the capital stock was reduced from seven hundred and sixty-four million, five hundred and eleven thousand, one hundred and fifty-six reais and twenty cents (R\$764,511,156.20), to seven hundred and sixty-four million, four hundred and eleven thousand, one hundred and fifty-six reais and twenty cents (R\$764,411,156.20). Since the shares of the Company have no face value, the reduction of its capital stock shall not entail any change in the number of the existing shares thereof, and the types, classes and rights of the referred shares shall also remain unchanged. By virtue of the referred reduction in the capital stock of the Company, as approved, the head paragraph of article 5 of the Bylaws shall hereinafter read as follows:

*"The subscribed, fully paid-up capital stock is seven hundred and sixty-four million, four hundred and eleven thousand, one hundred and fifty-six reais and twenty cents (R\$764,411,145.20), represented by three hundred and eighty-one billion, four hundred and forty-seven million, ninety-eight thousand, five hundred and twenty-eight (381,447,098,528) shares, of which one hundred and twenty-eight billion, six hundred and eighty million, four hundred thousand, fifty-five (128,680,400,055) are common shares and two hundred and fifty-two billion, seven hundred and sixty-six million, six hundred and ninety-eight thousand, four hundred and seventy-three (252,766,698,473) are preferred shares, all of them book-entry shares, with no face value."*

Further, as a consequence of the partial spin-off of the Company and, under the terms provided for in the Protocol of Spin-Off approved at this meeting, at the time of the merger of the spinned-off assets of the Company into the TCO Operators upon issuance of new shares by the latter, to be assigned to the Company's shareholders, eventual fractional shares of the TCO Operators to which the shareholders are entitled shall remain recorded with the Company on a trust basis in their shareholders' name, it being certain that, upon the merger of all the shares of the TCO Operators into the Company, these shares shall be taken into consideration upon the calculation of the exchange of shares of the TCO Operators for shares of the Company.

Further, the directors and officers of the Company, under the terms of the provisions in article 229, §4 of the Corporations Act, were authorized to perform all the acts as may be necessary for the formal performance of the partial spin-off approved herein before public agencies and third parties in general, and the companies receiving the spinned-off assets of the Company shall succeed it in the rights and obligations related to the respective portions of the spinned-off assets, in the proportion of the assets transferred to each of them.

Finally, the Chairman caused it to be recorded that the partial spin-off subject matter of this meeting is the second stage of the corporate restructuring proposed by the management of the Company, as described in the Relevant Facts dated May 14, 2004 and June 15, 2004, the latter having been supplemented on June 17, 2004.

**6. CLOSING:** The President offered the floor to whom might wish to use it and, since nobody voiced his/her intention to do so, the Chairman declared the meeting to be closed, having caused these minutes to be drawn-up as a summary of the facts, as permitted in article 130, §1 of Law no. 6404/76. Following, the minutes were read and found to be in order, and signed by the attendees. Brasília, June 30, 2004.
