Item 1.01 Entry into a Material Definitive Agreement.

On October 4, 2006, BSQUARE Corporation (the "Company") announced that it has entered into a Microsoft OEM Distribution Agreement for Software Products for Embedded Systems (the "Distribution Agreement") with Microsoft Licensing, GP ("MS"), the effective date of which is October 1, 2006. Pursuant to the terms of the Distribution Agreement, MS has granted to the Company a non-exclusive, limited license to distribute certain Microsoft embedded operating systems (collectively, the "Licensed Products") within the United States, Canada, the Caribbean (excluding Cuba) and Mexico to authorized original equipment manufacturers ("OEMs") and other third-party installers and entities approved by MS. Each OEM customer is required to execute an OEM customer license agreement in the form provided by MS from time to time and to comply with the distribution restrictions imposed by MS. Pursuant to the Distribution Agreement, the Company is required to provide support for the Licensed Products to the OEM customers. For each unit of Licensed Product distributed by the Company, the Company has agreed to pay MS certain royalty rates set forth in a royalty rate list to be posted by MS on a monthly basis. The Company may be required to pay additional royalties in the event that it distributes Licensed Products in violation of the terms of the Distribution Agreement. The Distribution Agreement allows for the audit of the Company's internal records and processes by MS and its representatives. The Company has agreed that the aggregate liability of MS, its suppliers and/or their respective officers, employees or agents to the Company under the Distribution Agreement for each Licensed Product shall not exceed the amounts actually paid by the Company to MS for that Licensed Product during the original term of the Distribution Agreement.

The Distribution Agreement has an expiration date of September 30, 2007, provided that MS may extend the term of the Distribution Agreement upon notice to the Company, subject to acceptance by the Company. In addition, MS may suspend any rights granted pursuant to the Distribution Agreement or cancel the Distribution Agreement in its entirety or as to any individual Licensed Product in MS' sole discretion.

A copy of the Company's press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by this reference.

Item 1.02 Termination of a Material Definitive Agreement.

The Company is currently licensed to distribute the Licensed Products pursuant to an OEM Distribution Agreement for Software Products for Embedded Systems between the Company and MS dated October 1, 2005 (the "Prior Agreement"). As of the effective date of the Distribution Agreement, the Company's license to order and distribute the Licensed Products under the Prior Agreement shall cease and the Company shall report and pay for the Licensed Product under the terms and conditions of the new Distribution Agreement.
