Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- The Reporting Person was granted a restricted stock option of 20,000 shares on June 3, 2009. One-third of the shares vest on the first, second and third anniversaries of the date of grant. Therefore 6,667 shares vested on June 3, 2010. The Reporting Person is required to
- (1) pay the tax withholding obligation associated with the vesting of the shares, the Issuer's Board of Directors expressing authorized share withholding for the payment of this obligation, and the Reporting Person has elected share withholding for the payment of this obligation. Therefore, the Issuer withheld for tax obligations 2,181 shares of the 6,667 shares otherwise issuable.
 - (2) This Form 4 reports (i) the disposition of these 2,181 shares by the Reporting Person to the Issuer to pay the tax liability associated with the vesting and (ii) the net increase in the Reporting Person's ownership of 4,486 shares. The price of \$4.59 is equal to the fair market value on the date of vesting and is used to determine both the value of the shares that vest and the value of the shares withheld.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
