Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Subject to certain exceptions, under California law, a corporation has the power to indemnify agents (as defined in Section 317 of the California Corporations Code) of the corporation against expenses and other amounts incurred in connection with certain legal proceedings if the agents acted in good faith. The Registrant's directors and officers are considered agents of the Registrant for this purpose.

Article V of the Registrant's Restated Articles of Incorporation provides that the liability of directors for monetary damages shall be eliminated to the fullest extent permissible under California law. Article VI of the Articles of Incorporation provides that the Registrant is authorized to provide indemnification of agents through bylaw provisions, agreements with agents, vote of shareholders or disinterested directors or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the California Corporations Code, subject only to the applicable limits set forth in Section 204 of the California Corporations Code with respect to actions for breach of duty to the corporation and its shareholders. See Articles V and VI of the Articles of Incorporation (Exhibit 3.1), which are incorporated herein by this reference.

Article VII of the Registrant's Restated Bylaws provides that the Registrant shall indemnify each of its agents to the maximum extent permitted by the California General Corporation Law, as the same exists on the date of adoption of this Article VII or may hereafter be amended or interpreted (but in the case of any such amendment or interpretation, only to the extent that such amendment or interpretation permits the corporation to provide broader indemnification rights than were permitted prior to such amendment or interpretation), against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding arising by reason of the fact any such person is or was an agent of the corporation. Article VII also permits the Registrant to purchase and maintain insurance on behalf of any agent of the Registrant against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such whether or not the Registrant would have the obligation to indemnify the agent against that liability under the provisions of the Article VII. See Article VII of the Restated Bylaws (Exhibit 3.24), which is incorporated herein by this reference.

The Registrant maintains liability insurance on behalf of its agents. The Registrant has also entered into indemnity agreements with its management and non-management directors and executive officers. The agreements permit the Registrant to indemnify directors and executive officers to the maximum extent permitted under California law and prohibit the Registrant from terminating its indemnification obligations as to acts or omissions of any director or executive officer occurring before the termination. The indemnification and limitations on liability permitted by the Articles of Incorporation and the agreements are subject to the limitations set forth by California law. The Registrant believes the indemnification agreements will assist it in attracting and retaining qualified individuals to serve as directors and executive officers of the Registrant.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 8. Exhibits.

The exhibits to this Registration Statement are listed on the Exhibit Index which appears elsewhere herein and is incorporated by reference.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or

otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
