QUESTIONS AND ANSWERS

Why am I receiving these materials?

The Board of Directors of Workiva Inc. is making these proxy materials available to you on the Internet or, upon your request, by delivering printed versions of these materials to you by mail, in connection with the solicitation of proxies for use at our 2015 Annual Meeting of Stockholders (the "Annual Meeting"), or at any adjournment or postponement of the Annual Meeting. The Annual Meeting will occur on June 1, 2015 at 10:00 a.m. Central Time at the offices of Drinker Biddle & Reath LLP, located at 191 North Wacker Drive, Suite 3700, Chicago, Illinois 60606.

What is included in these materials?

These materials include this Proxy Statement for the Annual Meeting and our Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the year ended December 31, 2014. We are first making these materials available to you on the Internet on or about April 17, 2015.

What is the purpose of the Annual Meeting?

For stockholders to vote on the following proposals:

1. To elect Robert H. Herz and David S. Mulcahy as Class I directors for three-year terms;
2. To ratify the appointment of E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and
3. To transact any other business as may properly come before the Annual Meeting or at any adjournment or postponement thereof.

How does the Board of Directors recommend I vote on these proposals?

The Board recommends that you vote:

•"FOR" the election of Robert H. Herz and David S. Mulcahy as Class I directors; and

•"FOR" the ratification of the appointment of E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

Who is entitled to vote at the Annual Meeting?

Holders of our common stock as of the close of business on April 6, 2015, the record date, may vote at the Annual Meeting. As of the record date, there were 27,758,056 shares of our Class A common stock and 12,426,947 shares of our Class B common stock outstanding. Each share of Class A common stock is entitled to one vote, and each share of Class B common stock is entitled to ten votes. Holders of our Class A common stock and Class B common stock will vote as a single class on all matters described in this proxy statement.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the stockholder of record with respect to those shares, and the Notice of Internet Availability of Proxy Materials was sent directly to you by us. As a stockholder of record, you may vote your shares in person at the Annual Meeting or by proxy as described below.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. The Notice and, upon your request,

Table of Contents

the proxy materials were forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your bank, broker or other nominee on how to vote your shares by following their instructions for voting.

How can I vote my shares?

If you are a stockholder of record, you may vote:

• Via the Internet. You may vote by proxy via the Internet by following the instructions found on the proxy card.

• By Telephone. You may vote by proxy by calling the toll-free number found on the proxy card.

• By Mail. You may vote by proxy by filling out the proxy card and returning it in the envelope provided.

• In Person. You may vote in person at the Annual Meeting. You must request a ballot when you arrive.

Internet and telephone voting will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on Sunday, May 31, 2015.

If you are a beneficial owner of shares held in street name, you should have received from your bank, broker or other nominee instructions on how to vote or instruct the broker to vote your shares, which are generally contained in a "vote instruction form" sent by the broker, bank or other nominee. Please follow their instructions carefully.

Beneficial owners generally may vote:

• Via the Internet. You may vote by proxy via the Internet by following the instructions on the voting instruction form provided to you by your broker, bank or other nominee.

• By Telephone. You may vote by proxy by calling the toll-free number found on the voting instruction form provided to you by your broker, bank or other nominee.

• By Mail. You may vote by proxy by filling out the voting instruction form and returning it in the envelope provided to you by your broker, bank or other nominee.

In Person. If you wish to vote in person, you must obtain a legal proxy from the organization that holds your shares.

• Please contact that organization for instructions on how to obtain a legal proxy to you from your broker, bank or other nominee.

If you received more than one Notice of Internet Availability of Proxy Materials or proxy card, then you hold shares of Workiva common stock in more than one account. You should vote via the Internet, by telephone, by mail or in person for all shares held in each of your accounts.

If I submit a proxy, how will it be voted?

When proxies are properly signed, dated and returned, the shares represented by the proxies will be voted in accordance with the instructions of the stockholder. If no specific instructions are given, you give authority to Matthew M. Rizai and Troy M. Calkins to vote the shares in accordance with the recommendations of our Board as described above. If any director nominee is not able to serve, proxies will be voted in favor of the other nominee and may be voted for a substitute nominee, unless our Board chooses to reduce the number of directors serving on our Board. If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, then the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned,

Table of Contents

the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy.

Can I change my vote or revoke my proxy?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy before it is exercised by:

✧Written notice to our Corporate Secretary;

✧Timely delivery of a valid, later-dated proxy or a later-dated vote by telephone or on the Internet; or

✧Voting in person at the Annual Meeting.

If you are a beneficial owner of shares held in street name, you should follow the instructions of your bank, broker or other nominee to change or revoke your voting instructions. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above.

Can I attend the Annual Meeting?

You are invited to attend the Annual Meeting if you are a registered stockholder or a beneficial owner as of the record date or if you hold a valid proxy for the Annual Meeting. In order to enter the Annual Meeting, you must be prepared to present photo identification acceptable to us, such as a valid driver's license or passport. If you are a beneficial owner, you will need to provide proof of beneficial ownership on the record date, such as a recent account statement showing your ownership, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership.

What constitutes a quorum at the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority in voting power of the shares of our common stock issued and outstanding and entitled to vote at the Annual Meeting must be present or represented to conduct business at the Annual Meeting. You will be considered part of the quorum if you return a signed and dated proxy card, if you vote by telephone or Internet, or if you attend the Annual Meeting.

Abstentions are counted as "shares present" at the Annual Meeting for purposes of determining whether a quorum exists. Proxies submitted by banks, brokers or other holders of record holding shares for you as a beneficial owner that do not indicate a vote for some of or all the proposals because that holder does not have voting authority and has not received voting instructions from you (so-called "broker non-votes") are also considered "shares present" for purposes of determining whether a quorum exists. If you are a beneficial owner, these holders are permitted to vote your shares on the ratification of the appointment of our independent registered public accounting firm, even if they do not receive voting instructions from you.

Table of Contents

What is the voting requirement to approve each of the proposals?

Provided that there is a quorum, the voting requirements are as follows:

Proposal	Vote Required	Broker Discretionary Voting Allowed?
Election of directors	Plurality of votes cast	No
Ratification of appointment of independent registered public accounting firm	Majority of votes cast	Yes

What is the impact of abstentions and broker non-votes?

Abstentions and broker non-votes are considered "shares present" for the purpose of determining whether a quorum exists, but will not be considered votes properly cast at the Annual Meeting and will have no effect on the outcome of the vote. Under the rules of the New York Stock Exchange, or NYSE, without voting instructions from beneficial owners, brokers will have discretion to vote on the ratification of the appointment of the independent registered public accounting firm but not on the election of directors. Therefore, in order for your voice to be heard, it is important that you vote.

Who pays for the cost of this proxy solicitation?

We will pay all the costs of preparing, mailing and soliciting the proxies. We will ask brokers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials to the beneficial owners of our common stock and to obtain the authority to execute proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We also will disclose voting results on a Current Report on Form 8-K that we will file with the Securities and Exchange Commission, or SEC, within four business days after the Annual Meeting.

Why did I receive a Notice of Internet Availability of Proxy Materials rather than a full set of proxy materials?

In accordance with the SEC rules, we have elected to furnish our proxy materials, including this Proxy Statement and the Annual Report, primarily via the Internet rather than by mailing the materials to stockholders. The Notice of Internet Availability of Proxy Materials provides instructions on how to access our proxy materials on the Internet, how to vote, and how to request printed copies of the proxy materials. Stockholders may request to receive future proxy materials in printed form by following the instructions contained in the Notice of Internet Availability of Proxy Materials. We encourage stockholders to take advantage of the proxy materials on the Internet to reduce the costs and environmental impact of our Annual Meeting.

How can I obtain Workiva's Form 10-K and other financial information?

Stockholders can access our 2014 Annual Report, which includes our Form 10-K, and other financial information, on our website at <http://www.workiva.com> under the caption "Investors" or on the SEC website at www.sec.gov.

Alternatively, stockholders can request a paper copy of the Annual

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board has adopted Corporate Governance Guidelines that address, among other topics, the role and responsibilities of our directors, the structure and composition of our Board, and corporate governance policies and standards applicable to us in general. The Corporate Governance Guidelines are subject to periodic reviews and changes by our Nominating and Governance Committee and our Board. The full text of our Corporate Governance Guidelines is available on our website at <http://investor.workiva.com/investors/corporate-governance>.

Code of Business Conduct and Ethics

Our Board has adopted "WLife", our code of business conduct and ethics, which applies to all of our employees, officers and directors, including our chief executive officer ("CEO"), our chief financial officer and our other executive and senior financial officers. The full text of WLife is available on our website at <http://investor.workiva.com/investors/corporate-governance>. We will post any amendments to WLife or waivers of WLife for directors and executive officers on the same website.

Director Independence

Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning his background, employment and affiliations, our Board has determined that each of Dr. Crow, Mr. Katz, Mr. Mulcahy and Mr. Radia do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the NYSE. In making this determination, our Board considered the current and prior relationships that each non-employee director has with Workiva and all other facts and circumstances that our Board deemed relevant in determining their independence, including the beneficial ownership of our common stock by each non-employee director and the transactions involving them described under "Certain Relationships and Related Transactions." In addition, our Board also considered that Mr. Radia is the President, Chief Executive Officer and director of Bankers Trust Company, to which we have certain real estate mortgages payable. These loans were made in the ordinary course of business and preceded Mr. Radia being named to our Board. Our Board has concluded that these relationships are not material and, therefore, do not impair the independence of these directors.

Risk Oversight

Our full Board exercises risk oversight at Workiva. Committees take the lead in discrete areas of risk oversight when appropriate. For example, the Audit Committee is primarily responsible for risk oversight relating to financial statements, the Compensation Committee is primarily responsible for risk oversight relating to executive compensation, and the Nominating and Governance Committee is primarily responsible for risk oversight relating to corporate governance. In addition, our Board and its committees exercise their risk oversight function by regularly receiving and evaluating reports from management and by making inquiries of management concerning these reports, as appropriate. Furthermore, our Board and its committees receive reports from our auditors and other consultants, such as our compensation consultant, and may meet in executive sessions with these outside consultants.

Communications with Directors

Interested parties may communicate with our Board or with an individual director by writing to our Board or to the particular director and mailing the correspondence to: Workiva Inc., 55 West Monroe Street, Suite 3150, Chicago, Illinois 60603, Attention: Corporate Secretary. The Corporate Secretary will promptly relay to the addressee all communications that he determines require prompt attention and will regularly provide our Board with a summary of all substantive communications.

Board Qualifications

Our Board has delegated to our Nominating and Governance Committee the responsibility for recommending to our Board the nominees for election as directors at the annual meeting of stockholders and for recommending persons to fill any vacancy on our Board. Our Nominating and Governance Committee selects individuals for nomination to our Board based on the following criteria. Nominees for director must:

- Possess fundamental qualities of intelligence, honesty, perceptiveness, good judgment, maturity, high ethics and standards, integrity, fairness and responsibility.
- Have a genuine interest in Workiva and recognition that as a member of our Board, each director is accountable to all of our stockholders, not to any particular interest group.
- Have a background that demonstrates an understanding of business and financial affairs.
- Have no conflict of interest or legal impediment that would interfere with the duty of loyalty owed to Workiva and our stockholders.
- Have the ability and be willing to spend the time required to function effectively as a director.
- Be compatible and able to work well with other directors and executives in a team effort with a view to a long-term relationship with Workiva as a director.
- Have independent opinions and be willing to state them in a constructive manner.

Directors are selected on the basis of talent and experience. Diversity of background, including diversity of gender, race, ethnic or geographic origin and age, and experience in business, government and education and in engineering, computer software, technology and other areas relevant to our activities are factors in the selection process. As a majority of our Board must consist of individuals who are independent, a nominee's ability to meet the independence criteria established by the NYSE is also a factor in the nominee selection process.

For a better understanding of the qualifications of each of our directors, we encourage you to read their biographies set forth in this proxy statement.

Director Nominations

The Nominating and Governance Committee will consider candidates for director recommended by stockholders so long as the recommendations comply with our Certificate of Incorporation and Bylaws and applicable laws, rules and regulations, including those promulgated by the SEC. The Nominating and Governance Committee will evaluate such recommendations in accordance with its charter, our Bylaws, our corporate governance guidelines, and the regular nominee criteria described above. Stockholders wishing to recommend a candidate for nomination should comply with the procedures set forth in the section above entitled "Q&A on Meeting and Voting - How do I recommend a director nominee?"

Table of Contents

Attendance at Annual Meeting

Directors are expected to attend our annual meetings of stockholders. Because we completed our initial public offering in December 2014, we did not hold an annual meeting of stockholders in 2014.

Related-Party Transaction Policy

Our Audit Committee has the primary responsibility for reviewing and approving or ratifying transactions with related parties. Our Audit Committee has adopted a formal Related-Party Transaction Policy, pursuant to which the Audit Committee reviews all transactions in which we and our executive officers, directors (including director nominees) and stockholders owning in excess of 5% of our Class A common stock or their immediate family members are participants. The Audit Committee must approve or ratify any related-party transaction for it to be consummated or continue.

The Audit Committee reviews related-party transactions as they arise and are reported to the Audit Committee. The Audit Committee also reviews materials prepared by our Board and our executive officers to determine whether any related-party transactions have occurred that have not been reported. In reviewing any related-party transaction, the Audit Committee is to consider all relevant facts and circumstances, including the aggregate dollar value of the transaction, the related party's relationship to us and interest in the transaction, and the benefits to us of the transaction. The Audit Committee determines, in its discretion, whether the proposed transaction is in the best interests of Workiva and our stockholders.

Board Leadership Structure

Our Board will fill the Chairman of our Board and CEO positions based upon our Board's view of what is in the best interests of Workiva. The CEO and Chairman may, but need not be, the same person. Currently, Matthew M. Rizai is our CEO and the Chairman of our Board, and our Board does not have a lead independent director.

We believe this leadership structure is best for our company and our stockholders at this time. Having a single leader for both Workiva and our Board minimizes the potential for confusion or duplication of efforts, and provides clear leadership and accountability for our company. We believe there is good communication between management and our non-employee directors, and that our non-employee directors are able to carry out their oversight responsibilities effectively.

The small size of our Board and the relationship between management and non-employee directors put each director in a position to influence agendas, flow of information, and other matters. On occasion, our Board will hold separate meetings for independent directors without management present. These meetings generally will be held in conjunction with regularly scheduled meetings and at other times as requested by an independent director. Independent directors will rotate in chairing meetings of the independent directors, and the rotation will be determined using the alphabetical order of directors' last names.

Our Board believes that management speaks for Workiva. While individual non-employee directors may, from time-to-time, meet or otherwise communicate with various constituencies that are involved with us, it is expected that directors would do this with the knowledge of management and, absent unusual circumstances, only at the request of management.

Board Meetings and Committees

Because we did not convert to a corporation or complete our initial public offering until December 2014, our Board and Board committees did not meet in 2014.

Our Board has an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee, each of which has the composition and responsibilities described below. Members serve on these committees for such term or terms as our Board may determine or until their earlier resignations or death. Each committee is governed by a written charter. Each committee charter is posted on our website at <http://investor.workiva.com/investors/corporate-governance>. From time to time, our Board may also establish other, special committees when necessary to address specific issues.

Our Audit Committee consists of Dr. Crow, Mr. Katz, Mr. Mulcahy and Mr. Radia, each of whom satisfies the independence requirements of Rule 10A-3 of the Exchange Act. Mr. Katz is the chairman of our Audit Committee. Also, Mr. Katz, Mr. Mulcahy and Mr. Radia are each an "audit committee financial expert," as defined under SEC rules, and possess financial sophistication as required by the rules of the NYSE. This designation does not impose on any of them any duties, obligations or liabilities that are greater than are generally imposed on members of our Audit Committee and our board of directors.

The Audit Committee is responsible for, among other things:

- appointment, termination, compensation and oversight of the work of any accounting firm engaged to prepare or issue an audit report or other audit, review or attest services;
- considering and approving, in advance, all audit and non-audit services to be performed by independent accountants;
- reviewing and discussing the adequacy and effectiveness of our accounting and financial reporting processes and controls and the audits of our financial statements;
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;
- investigating any matter brought to its attention within the scope of its duties and engaging independent counsel and other advisers as the Audit Committee deems necessary;
- determining compensation of the independent auditors, compensation of advisors hired by the Audit Committee and ordinary administrative expenses;
- reviewing quarterly financial statements prior to their release;
- reviewing and assessing the adequacy of a formal written charter on an annual basis;
- reviewing and approving related-party transactions for potential conflict of interest situations on an ongoing basis; and
- handling such other matters that are specifically delegated to the Audit Committee by our Board from time to time.

Compensation Committee

Our Compensation Committee consists of Dr. Crow, Mr. Katz, Mr. Mulcahy and Mr. Radia, each of whom is a "non-employee director" within the meaning of Rule 16b-3 under the Exchange Act. Mr. Mulcahy is the chairman of our Compensation Committee.

- assessing the performance of Board members and making recommendations regarding committee and chair assignments and composition and the size of our Board and its committees;
- reviewing proposed waivers of the code of conduct for directors and executive officers;

OWNERSHIP OF COMMON STOCK

Directors and Officers

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of April 6, 2015 referred to in the table below as the "Beneficial Ownership Date," by:

- each beneficial owner of 5% or more of the outstanding shares of our Class A or Class B common stock;
- each of our directors and director nominees;
- each of our named executive officers; and

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options or issuable under convertible securities held by that person that are currently exercisable or exercisable within 60 days of the Beneficial Ownership Date are deemed outstanding, but are not deemed outstanding for computing the percentage ownership of any other person. Percentage of beneficial ownership is based on 27,758,056 shares of Class A common stock and 12,426,947 shares of Class B common stock outstanding as of the Beneficial Ownership Date. To our knowledge, except as set forth in the footnotes to this table and subject to any applicable community property laws, each person named in the table has sole voting and investment power with respect to the shares set forth opposite such person's name. EXECUTIVE COMPENSATION

As an "emerging growth company," we have opted to comply with the executive compensation disclosure rules applicable to "smaller reporting companies," as such term is defined in the rules promulgated under the Securities Act. These rules require compensation disclosure for our principal executive officer and the two most highly compensated executive officers other than our principal executive officer. These three officers are referred to as our named executive officers ("NEOs"). Our NEOs for 2014 are:

- ♣ Matthew M. Rizai, our Chief Executive Officer and Chairman of the Board;
- ♣ Martin J. Vanderploeg, our President and Chief Operating Officer; and
- ♣ J. Stuart Miller, our Executive Vice President, Treasurer and Chief Financial Officer.

The fair value of each option grant is estimated based on the fair market value on the date of grant using the Black-Scholes option pricing model. The assumptions that we used to calculate these amounts are discussed in Note 9 to our financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, and incorporated by reference herein. As required by SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions.

The amounts reported for 2014 consists of state incomes taxes paid and state tax withholding payments made on behalf of the NEOs during 2014 directly associated with the flow-through structure of Workiva LLC. As a result of the conversion from a limited liability company to a corporation in December 2014, we do not expect to make similar payments in 2015 or future years.

Mr. Miller became our Chief Financial Officer in April 2014. The amount reported as Bonus for Mr. Miller includes a signing bonus of \$100,000 paid at that time.

These agreements also contain restrictions on non-competition and non-solicitation for the six-month period following termination. In addition, each of our executive officers, including the NEOs, has executed our standard confidential information and invention assignment agreement.

Potential Payments upon Termination or Change in Control

The employment agreements with our NEOs provide that certain payments and benefits would be due upon a termination of employment or a change in control.

AUDIT COMMITTEE REPORT

With respect to Workiva's financial reporting process, the management of Workiva is responsible for establishing and maintaining internal controls and preparing Workiva's consolidated financial statements. Workiva's independent registered public accounting firm, E&Y, is responsible for auditing these financial statements. It is the responsibility of the Audit Committee to oversee these activities. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of Workiva's financial statements. We have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with US GAAP and on the representations of E&Y included in its audit of Workiva's consolidated financial statements.

We have reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2014 with Workiva's management and with E&Y, including the results of the independent registered public accounting firm's audit of Workiva's financial statements. We have also discussed with E&Y all matters required to be discussed by the Standards of the Public Company Accounting Oversight Board ("PCAOB") for communication with audit committees, under which E&Y must provide us with additional information regarding the scope and results of its audit of Workiva's consolidated financial statements.

We have also received and reviewed the written disclosures and the letter from E&Y required by applicable requirements of the PCAOB regarding E&Y's communications with the Audit Committee concerning independence, and have discussed with E&Y its independence from Workiva, as well as any relationships that may impact E&Y's objectivity and independence.

Based on our review of the matters noted above and our discussions with Workiva's management and independent registered public accountants, we recommended to the Board of Directors that the audited consolidated financial statements be included in Workiva's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the Securities and Exchange Commission.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has appointed E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2015. We are asking our stockholders to ratify the selection of E&Y as our independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, we are submitting the election of E&Y to our stockholders for ratification as a matter of good corporate practice and because we value our stockholders' views on our independent registered public accounting firm. In the event that our stockholders fail to ratify the selection, the Audit Committee will review its future selection of independent auditors. Even its selection and even if our stockholders ratify the election, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interest of Workiva and our stockholders. Representatives of E&Y are expected to be present at the Annual Meeting, and they will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

The following table presents fees for professional audit services and other services provided to Workiva by E&Y for the fiscal years ended December 31, 2014 and 2013.

Audit Fees ⁽¹⁾	\$1,207,000	\$202,000
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—

Audit fees consisted of work performed in connection with the audit of our annual consolidated financial (1) statements and services rendered in connection with our registration statements on Form S-1 and Form S-8 related to our initial public offering.

Pre-Approval Policies and Procedures

Pursuant to the Audit Committee Charter, Audit Committee policy and the requirements of law, the Audit Committee pre-approves all audit and permitted non-audit services that may be provided by our independent registered public accounting firm. This pre-approval applies to audit services, audit-related services, tax services and other services. In some cases, the full Audit Committee provides pre-approval for specific services, subject to a specific dollar threshold. In other cases, the chairperson of the Audit Committee has the delegated authority from the Audit Committee to pre-approve services up to a specific dollar threshold, and the chairperson then reports such pre-approvals to the full Audit Committee at its next meeting. Since the formation of our Audit Committee upon the completion of our initial public offering on December 17, 2014, all fees paid to E&Y have been approved by the Audit Committee.

The Board recommends a vote "FOR" the ratification of the appointment of Ernst & Young, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.
