Item 1.01. Entry into a Material Definitive Agreement.

On July 31, 2018, Orthofix Medical Inc. (formerly Orthofix International N.V.) (the “Company”), through its subsidiaries Orthofix Holdings, Inc. (“Orthofix Holdings”), Victory Medical Limited (“Victory Medical”) and Orthofix International B.V. (“Orthofix B.V.”, and collectively with Orthofix Holdings and Victory Medical, the “Borrowers”), entered into a First Amended and Restated Credit Agreement (the “Restated Credit Agreement”) with JPMorgan Chase Bank, N.A. (“JPMorgan”), as Administrative Agent, and certain lender parties thereto. The Restated Credit Agreement provides for a \$125 million secured revolving credit facility maturing on August 31, 2020 (the “Facility”), and amends and restates the Credit Agreement, dated as of August 31, 2015 (as amended, the “Original Credit Agreement”), among Orthofix Holdings and Victory Medical, as borrowers, the Company and certain subsidiaries of the Company, as guarantors, JPMorgan, as Administrative Agent, and the lenders party thereto. As of the date hereof, the Borrowers have not made any borrowings under the Restated Credit Agreement.

The Restated Credit Agreement is substantially the same as the Original Credit Agreement, except for certain amendments to, among other things, (i) effectuate the domestication of the Company from a Curaçao company to a Delaware corporation, (ii) limit the pledge by the Company and each domestic subsidiary of the Company of equity interests in their respective first tier foreign subsidiaries to 65% of the voting interests in such foreign subsidiaries, (iii) limit the guarantee and joint and several obligations of each subsidiary guarantor that is a foreign subsidiary so that such foreign subsidiary guarantors are only providing guarantees, or are jointly and severally obligated, for obligations of other foreign subsidiaries, and (iv) limit the secured obligations that are secured by collateral provided by subsidiary guarantors that are foreign subsidiaries to secured obligations of foreign subsidiaries.

Borrowings under the Restated Credit Agreement may be used for, among other things, working capital and other general corporate purposes of the Company and certain of its subsidiaries (including permitted acquisitions and permitted payments of dividends and other distributions). The Facility is available in US Dollars with up to \$50 million of the Facility available to be borrowed in Euros and Pounds Sterling (the “Agreed Currencies”). The Facility further permits up to \$50 million to be utilized for the issuance of letters of credit in the Agreed Currencies. The Borrowers have the ability to increase the amount of the Facility, which increases may take the form of increases to the revolving credit commitments or the issuance of new term A loans, by an aggregate amount of up to \$50 million upon satisfaction of certain conditions precedent and receipt of additional commitments by one or more existing or new lenders.

Borrowings under the Facility bear interest at a floating rate, which will be, at the Borrowers option, either LIBOR plus an applicable margin ranging from 1.75% to 2.5% or a base rate plus an applicable margin ranging from 0.75% to 1.5% (in each case subject to adjustment based on the Company’s total leverage ratio). An unused fee ranging from 0.25% to 0.4% (subject to adjustment based on the Company’s total leverage ratio) is payable quarterly in arrears based on the daily amount of the undrawn portion of each lender’s revolving credit commitments under the Facility. Fees are payable on outstanding letters of credit at a rate equal to the applicable margin for LIBOR loans, plus certain customary fees payable solely to the issuer of the letter of credit.

The Company and certain of its existing and future U.S., UK and Dutch domiciled subsidiaries (collectively, the “Guarantors”) are required to guarantee the repayment of the Borrowers’ obligations under the Restated Credit Agreement (subject to the limitations described above). The obligations of the Borrowers and each of the Guarantors with respect to the Restated Credit Agreement are secured by a pledge of substantially all of the personal property assets of the Borrowers and each of the Guarantors, including accounts receivables, deposit accounts, intellectual property, investment property, inventory, equipment and equity interests in its subsidiaries. The Restated Credit Agreement contains customary affirmative and negative covenants, including limitations on the Company’s and its subsidiaries ability to incur additional debt, grant or permit additional liens, make investments and acquisitions, merge or consolidate with others, dispose of assets, pay dividends and distributions, pay subordinated indebtedness and enter

into affiliate transactions. In addition, the Restated Credit Agreement contains financial covenants requiring the Company on a consolidated basis to maintain, as of the last day of any fiscal quarter, a total leverage ratio of not more than 3.0 to 1.0 and an interest coverage ratio of at least 3.0 to 1.0. The Restated Credit Agreement also includes events of default customary for facilities of this type and upon the occurrence of such events of default, subject to customary cure rights, all outstanding loans under the Facility may be accelerated and/or the lenders' commitments terminated.

The Restated Credit Agreement contains customary representations, warranties and covenants of the Company, the Borrowers and the Guarantors. These representations and warranties have been made solely for the benefit of the lenders and such representations and warranties should not be relied on by any other person, including investors. In addition, such representations and warranties (i) have been qualified by disclosures made to the lenders in connection with the agreement, (ii) are subject to the materiality standards contained in the agreement which may differ from what may be viewed as material by investors and (iii) were made only as of the date of the agreement or such other date as is specified in the agreement.

The foregoing description does not constitute a complete summary of the terms of the Restated Credit Agreement and is qualified in its entirety by reference to the full text of the Restated Credit Agreement, which is filed as Exhibit 10.1 to this Form 8-K and incorporated herein by reference.
